HIGHLAND PROPERTY AGENTS OUR MAJOR SPONSOR

As we mark our second season as the major sponsors of Cronulla Seagulls, our team at Highland Property Agents would like to say thank you to the club, committee, players and their families for their continued support of our partnership throughout 2015. It is truly inspiring to see the Cronulla Seagulls band together week in and out, ensuring a family fun Saturday and Sunday for everyone involved and certainly shows the strength of the club for future years.

Highland Property Agents understands the importance of supporting the community that supports us. We will continue to support Cronulla Seagulls to provide a positive and professional environment for the development of all club members and their families. With our Partners, John Schwarzer a committee member and manager along with Laura McKay, both of whom are proud parents of Cronulla Seagulls players.

We wish everyone all the best for the rest of the year, and look forward to seeing you out on the field in 2016.

PRESIDENT Report

Welcome

*to Cronulla Seagulls FC presentation day for 2015.
Congratulations to all the teams for their great
results this season.*

Season 2015 was the biggest and one of the most successful seasons for Cronulla seagulls, with almost 1400 registered players and 119 teams it was always going to be a huge volunteered workload for the committee members and once again need to be congratulated on their efforts. We had 15 teams make the semi finals with 7 of those teams going onto be come premiers (13B,15A,W16B,18D,18F,W18A and AL12/1).

Once again we would like to thank our major sponsor Highland Property Agents for their support and we are looking forward to working with them for many years to come. To all our other sponsors thank you for your support. I would like to thank all our coaches and managers who have volunteered their time and effort to making sure the club is run successfully.

A big thank you to all the teams and parents for helping out every weekend with ground duty and set up. To the players congratulation of being part of a great year and looking forward to seeing you all in 2016.

George Koulouris

President of Cronulla seagulls Fc

SECRETARY Report

2015 turned out to be another triumphant year for the Seagulls with our registrations hitting an all-time high. The Club grows from strength to strength because of these registrations and I would like to thank all of our new registrations and of course, a big thanks to our returning players.

I would like to personally thank the committee members for a tireless effort to make sure the Club runs as efficient as can be. The committee are always active throughout the year (not just during the season itself) so as soon as the season finishes, we go into Presentation mode, to prepare for the presentations, then we go into prep mode for the next season, then before you know it, Registrations come around, Grading, Team allocations and then the season kicks-off.

To the Canteen and the BBQ people, thank you for your support and hard work during the season. All profits made from the Canteen and BBQ are used by the Seagulls club to improve its facilities and to purchase new equipment.

Thank you to all those teams that did their Ground Duties. As part of the club environment, the more help the committee receives from its members, the less strain we are put under to get the games started on time and the general running of game days. I know from talking to a lot of the junior parents, they are always quiet happy to be involved (even if it means getting out of bed early on a Saturday morning). Thank you to the Seniors that not only had to play a game, but also had to do Ground Duties when requested.

Thanks to our Mini-roo Referees. The increase in Junior teams meant we needed more Mini-roo Refs this year. We had 39 Mini-roo Refs, aged between 13 and 15 and what a fantastic job they did throughout the season. Hopefully our older ones move on to become Black and White Refs and our first year Ref's return next season.

Special thanks go out to all the Parents and Supporters of our teams. It is great to see some very enthusiastic supporters early on a Saturday morning and on Sundays with our Senior teams.

We always need new committee members prepared to offer some of their valuable time. We need members that are there for all players and want to put in a little bit extra to make a difference in the club. We are always looking for committee members from all age groups, Junior and Senior. So, if you want to get involved by being on the committee, please send me an email or come along to our AGM which will be held in November.

Last but not least, best wishes to all the players and their families for the off-season and we look forward to seeing all of you back again next season.

Rob Brown,
Secretary

TREASURERS Report

Despite all the washouts we had this year, it did not affect the Club financially, mainly due to the increase in registrations. A big thank you to all our sponsors.

Thanks to our canteen ladies, Simone, Cath, Karen, Anne and Hayley for another great year. Also thanks to our BBQ chefs, Terry & Matt and their able assistant Kim, and the parents that helped out during their ground control.

Best wishes to all our players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

Well for the 5 players on 6B1 it has been quite a year. For all the boys it was their 1st time playing soccer, so lots to learn from rules to teamwork to just learning to kick a ball. The boys really enjoyed themselves. For many games they had only 4 players with other teams having 6 so they could not sub off and on. This meant they became very tired, but they soldiered on and by the end of the season they could all run for the whole game with no effort at all- their stamina was just amazing. As coach and manager we are very proud of have they have grown over the season - they always tried their best and every single player has come ahead leaps and bounds- well done 6B1.

The first year for these girls playing football was an interesting season. A slow start in getting some of the girls on the pitch, however, after a week or two they started to enjoy the team spirit and had lots of fun, not to mention providing a lot of laughs for all the parents. Towards the end of the season, all the girls started to bond well together as a team and more importantly showed interest in returning next season. So on a score out of 10 they deserve a 10 for enthusiasm and looking great in a Seagulls strip. Well done girls and thank you to all the parents for your sideline support. Looking forward to next season.

A gorgeous morning to watch the last match of the season - all the boys were excited and full of gusto to get the match underway. It was a level 1st half with all the boys having a great game, while we had lots of possession and some great shots at goal they just missed the net, or were well defended by Marton. Onto the 2nd half - as usual Zac Z was always in the right spot defending the back line, Milan and Charlie were great on attack, with some great kicks and strikes at goal by Zac W and Luca. All the boys have really improved over the season. There was some great saves by all the boys, and it was in the 2nd half a quick shot at goal, and slipped past the boys - only goal in the match. with Zac W getting player of the match. All the boys have had a great season. Well done to all the boys, a BIG Thanks to Coach Butch, and all the mums and dads - looking forward to next year :)

What a great season! For some of the girls their first and for others their second but everybody made new friends and got on really well, so well done girls!

We all braved the early morning starts and the cold without any tears (well, except once when Amelia couldn't feel her hands) to play the game as a team. It wasn't always soccer that was played, we had a lot of talking, skipping, staring into space and even some learning of foreign languages but the idea is to have fun and that's what we did.

Thanks to Danielle for coaching and running training each week, I really enjoyed managing the team and we also appreciate the effort from all the parents and extended families to get the girls to training and the game each week.

See you next year!

Starting the 2015 was a novel experience for our fresh faced U6's, with the early games limited on soccer know how, but excessive on happiness... sometimes it was confusing as to whether we had stumbled onto the set of "so you think you can dance". But dancing and rejoicing in their Saturday morning games was infectious because no matter the score, every one of the U6C team started, played and ended with a smile from ear to ear.

As the season progressed, the skills developed and, while no match for their exuberance, the score line moved to their advantage. Each of the 6 players developed their skills, gameplay and importantly, team spirit.

Noah grew confidence with each week and developed an admirable skill of getting in among a pack and emerging with the ball. Luis, with his flowing blond locks, was always there to get the ball and dribble with a dexterity that belied his experience. Ben, when chasing down the opposition applied a speed that would be the envy of Usain Bolt. Dene is the teams effervescent motivator who seems to have more ground coverage than the actual grass. Archer, who has the world best game face, was a formidable talent down the sidelines and Hugh, who never stops smiling can bend it better than Beckham.

It was a privilege to watch the boys play and while doing so, they won the hearts of the spectators and the thrill of trying their best and respecting their team mates. Well done U6C, we could not be prouder.

What a thoroughly enjoyable season for the girls (and the grown ups). We had a group of 4 to start- Josie, Tilly, Emily and Ellie. Luckily Aurora and Luka were teamed up with the girls and they have all become great mates!

They started the season well with a few wins and lots of goals scored. Aurora was the top goal scorer for the season! Overall the team had 7 wins, 5 losses and 2 draws. Coach Ben did a great job encouraging them all to bring out their best. They have learnt a lot of skills in their first season and we can't wait for next year.

We have laughed at Luka's trademark kicks, the occasional studying of the grass and sky and the overall fun that the girls have displayed. Good on you girls!

The 2015 under 6E soccer team was made up of Mika, Alex, Zachary, Vasili, Archie & Rory. What a great season it was... From the start it was obvious the boys all got along & looked forward to each game. As the season progressed we witnessed the boys working well as a team, sharing the time on & off the field, passing the ball during the games and demonstrating great sportsmanship by congratulating & shaking hands with their opponents after the game. Throughout the season the boys' skills increased and they found their own natural positions on the field, each bringing their own strengths to the team. Mika (The Bulldozer) worked on improving his passing skills and scoring goals, Alex is a natural defence player and showed some great ball skills, Zachary showed great improvement on the field - becoming a valued team player, Archie was committed each week - improving in his attack & defence, Rory's confidence improved throughout the season & demonstrated great attacking skills. Overall the boys had a great amount of fun & have formed great friendships.

6F really enjoyed their first year of soccer. For boys had not played before they picked it up really well and even learnt to play as a team. Thank you to all the team for putting in their best every week and to all the parents and grandparents for turning up to those chilly 8am winter morning games!

A big thanks to coach Troy for all his efforts and motivation and for making it fun!

6F had a great year which everyone enjoyed topped up with a fun gala day.

TEAMS And Reports

The team of six comprised of Lucas, Knox, Kobi, Matt, Rowan and Tom who quickly became firm friends and a team with a great sense of fun that grew with every passing week. They enjoyed their soccer and tried their best, listening attentively to coach's instructions. Lucas was our defensive wall and would often save a goal with a decisive kick that would place the team on the offensive. Knox was the all-rounder who would run the field, wherever the team needed him and was there for all the important plays. Kobi really grew as a player as the year progressed and became an integral part of the team by the end as he was always in with the action. Matt quickly established himself as the offensive mastermind and many a goal was scored from his skillful boot. Rowan was also instrumental to the team playing strong in both offense and defense and scored powerful goals. Tom was the most consistent player of the team who played every match- sometimes for the other team. He was always ready to give of his best when called upon and ensured that every member of the team was included. What a great team and it was a shame to see the end of the season!

What an awesome team!! Luke, Nicholas, Terry, Michael, Isaac and Jackson were a great bunch of boys that enjoyed every moment of every game. Their enthusiasm for the game was obvious by the huge smiles on their faces and their continuous laughter which could be heard from the sidelines. They loved to celebrate goals or a great tackle by all joining in for a spontaneous team hug or an aeroplane style celebration. It was great to watch them all improve their skills over the season and by the end they were passing, tackling and scoring goals like a professional team. I hope the experience they have had during their first season of football has set them up for a life long love of the game. Well done boys....you were a pleasure to coach and good luck next year.

For the majority of our team this was their first experience in playing soccer and they quickly grew to love it. They have all been quick learners and within a week had all learned each others names and bonded very well. Our little team was made up of the following boys: Jackson who was a great goal kicker and was great in helping the rest of the team in the first few games when they didn't know where to stand.

Dane who loved to chat tactics on the field and was always able to provide entertainment when he scored and did his little dance!

Harry who was always very consistent and was a great team player who helped his team mates where to position when they were only new to the game. Liam who as the season progressed learned to dribble well and was our little defender always staying back to make sure a goal didn't go in from the other team.

Christian who loved to chat tactics with Dane and was also able to multi task and be in a great position to get the ball and score goals.

Wyatt who loved to kick in from the sideline and always managed a huge run up before his great kicks into his fellow team members.

Harley with his cheeky grin loved playing with his team and scored some great goals throughout the season.

Thank you to all the parents who where there bright and early to support and cheer the boys on each week. A big thank you also to Paul, Andrew and Tim for helping coach the boys.

I have enjoyed managing the team and seeing all your smiling faces win or lose!

The boys had a fantastic 1st season of soccer, many of the 61/2 players were only 4 years old so they found the cold early mornings a bit tough but were always entertaining and enthusiastic. Their soccer skills improved each week and the 61/2s displayed heart warming signs of sportsmanship amongst themselves and towards the opposition. Jarvis and Luka quickly assumed the role of striking and scoring goals with Ethan, Banjo, Jee and Levi roaming between mid-field and defending ferociously. Everybody had a go and enjoyed their 1st season with the seagulls.

The girls 7A01's had another fun and successful year, all players having returned from playing together the previous year.

Gav and the girls worked hard at training and took their new skills into each game on Saturday. The girls took on some tough teams in the A competition - including the other Seagulls A team and managed some very tough and exciting wins. All the girls improved again greatly this year and most importantly had fun every week even in freezing cold conditions!

Special thanks to Gav for all his time, effort and care with the girls. Enjoy the summer break girls and look forward to reforming again next year.

The close bond this group of young boys shared last year was back from the first pre-season training game, welcoming 2 new team mates Lucas and Matthew. Starting the year with 3 rules – sportsmanship to our opposition, respect to our team mates and above all have fun. The improvement in each of the boy's skills was evident from the first game, and improved every game as the boys got faster and stronger. Charlie continued his great defence this year. Cooper continued his determination on the field tackling and chasing down every ball he could. Harrison held the midfield together defending from end to end and picking up a hatrick midyear. Matthew had great positional play, creating space for his team mates and was rewarded with some great late season goals. Lucas excelled both in the strength of his defence, his ability to dribble around the other team as well as scoring some goals that literally knocked the goals over. Samuel continued his wizardry with the ball, scoring over 50 goals this year. All this came together with everyone having some great fun, trying their hearts out every game and having some great successes as a team as well as individuals. A special thank you to all of the parents for wonderful support during the year, Susan in particular for managing the subs and all the dads that helped with training. It was a wonderful to be part of such a close group and we can't wait for next year!

What a champion team. Some teams are champions because they had a great season and won a lot of their games.

Our girls were champions because they didn't. They only won 2 games all season and they had a ball. There was not one tear or bad word, week after week they turned up smiling from the minute they walked on the field to the minute they come off. There was also a lot of cartwheels, hairstyle comparisons and Taylor Swift impersonations. This only added to their playing style.

When we started the year only 3 of the 8 girls had played soccer before. We loved watching them improve game after game. They all shined. Iyla, Mia and Charlotte headed up the goal scoring with the backup of Jaime, Eliza, Samara and Mikayla as the super midfield. Not to forget our super defender Eva. It also helped to have a supportive cheer group on the sidelines each week. The U/7 C1 girls did themselves, their supporters and the Seagulls proud. Looking forward to next year.

What a great season! The girls came together as a team, both old and new players, to achieve great results. We have all enjoyed watching the girls grow in confidence & skill throughout the year. Highlights of the players included Freya's passion for the game. She continues to inspire her teammates with her enthusiasm, fantastic skills & antics! Poppy has proven to be a great defensive player, with some spectacular saves. Her skills with the ball have continued to improve. Gabriella is a great team player, always on the go chasing the ball. Her return from holidays with braids made her a standout on the field and gave her the edge! Sophie has improved greatly throughout the season. With it all coming together in the last few weeks proving to be a very valuable attacking player on the field! Georgia has also shown a massive improvement in her first season of soccer. Her persistence & attacking skills paid off with some impressive goals! Zahli in her second season continued to entertain the crowd with her goals & exciting near misses! Her headband has been a constant feature & definitely a good luck charm attributing to her successful season! Zoe's passionate approach to her first season has seen her skills improve greatly! Zoe is always happy, with a contagious smile that lights up the field & dazzles the opposition giving her team the edge! Congratulations and thank you girls for an exciting year. We are looking forward to a fantastic and fun soccer season in 2016!

What an amazing bunch of boys in 7C this year. Each with their own unique skill sets that came together each week to produce some beautiful soccer.

Only two defeats this season which saw the teams sense of success and mate-ship improve week on week. The support of the club, parents and siblings was outstanding and their assistance with training and teaching the finer points of the game was well appreciated.

To see the boys develop so swiftly in such a short time has been enjoyable, Tom Oliver and Lenny Opai tackling like there's no tomorrow, Archie Fraser and Niko O'Flynn dribbling like pros and giving our opponents what for and the brilliance of Harrison Kane & Wilson Toman when striking the ball. There were times when I was certain our boys were much older than 7 but once the final whistle was blown they would return to their mischievous selves and all would be back to normal. The boys from 7C will be the ones to watch, The Seagulls and Socceros of the future. See you next year...

It's been a great season by 7D1's with the boys winning more games than they lost. It has a pleasure to see the improvement of whole team in their basic skills as well as their teamwork. They competed hard each game but most of all they have had fun and enjoyed their season. Another great season for the mighty 7D2 boys. Having started the season as the 7F's the boys caught the eye of Ange Postecoglous talent scouts and were promptly promoted to the D2's. D's or F's some things never change and enthusiasm is one of them. Every member of the team wants to be first on the field and nobody is ever keen for a rest! These kids would give the energizer bunny the run around! It has been awesome to watch the boys consolidate on their skills from last year. Passing, open space, use the left foot and the all important DON'T TACKLE YOUR OWN PLAYER were the foundations of a fun filled season. Training was always the highlight of the week for all of us though. Our weekly kids v parents game to round off a training session uncovered hidden talents on both teams and were at times contested harder than the weekends! We are all looking forward to another great season next year and the boys are itching to get on the bigger field (and to play keeper). All in all a great bunch of kids and equally great bunch of parents. Thanks to everyone involved for all their help and encouragement. Coach"

Well this season seems to have just flown by. The competition has definitely stepped up a notch from U6's but our boys have risen to the challenge and really improved on their passing skills and control of the ball since last year. We had two new boys join our team this year James and Matias and what amazing talent they brought with them. Matias has become well known in our team for his "amazing boot", in one game alone he managed to score all 4 goals and he can attack too! James is our wise man of the team and can read the game beautifully and can follow Coach Nick's instructions to the letter. Charlie is still our determined little goal kicker, when he gets that ball he just heads for a goal. Oliver loves to chase that ball and is not afraid to go after it. He also loves a good sideline kick in. Oscar has probably been our most improved player this year, as initially he would hold back and wait for the ball now he goes after it and runs his heart out. We love watching the delight on Oscar's face when he scores a goal. Ethan has found "Ronaldo" on You Tube and has since tried to do a new move every week. Rhys is our team's quiet achiever, he doesn't say much but when he gets on that field he slides, he ducks and he has saved so many goals that we definitely have a goal keeper in the making. But most of all it's been another wonderful season of friendship, fun and laughs. A big shout out to our wonderful team of supportive parents. Bring on next season, we can't wait!!!!

TEAMS And Reports

What another amazing and successful season for the boys this year. All returning from last year Fergus, Marcus, Joshua, William, Samuel, Lennox and Asher were ready and raring to play, along with our newest recruit Logan. Throughout the season the boys won majority of games, showing great determination and relentless defence whilst scoring countless goals each and every week. The boys gave their all with lots of energy and enthusiasm, impressive teamwork and ball skills and most of all having loads of fun, always leaving the field with a smile and always wanting to play more. Thanks to Coach Steve for all his hard work and commitment, as well as his constant reminder from the sideline for the boys to kick the ball "UP THE LINE" during play. Thanks also to all the parents for their support and encouragement throughout the season. Can't wait till next year!!!

Seaon 2015 brought about a new team, which saw many new friendships forged. Whilst the season saw plenty of cheers, it certainly wasn't without its share of tears...especially when the going got tough or it meant a rest to give others a run. For some boys, those 4 or 5 minutes on the sideline seemed like an eternity, which clearly demonstrates their level of enthusiasm to play their part. Lincoln was unbeatable as our last line of defence, and combined with the attacking prowess of both Daniel and our pocket rocket superstar Jarrah (in only his first ever season), who were both relentless in their pursuit of goal. Our all-rounders Luca, Darcy, Riley & Christian also showed great commitment & determination to get amongst the action. From our very first training run the boys improved both in ability and confidence as the season went on. I'm sure I speak on behalf of all the parents when I say they can all be proud of their efforts. Ultimately the kids had fun and each showed their competitive streak which resulted in an almost unblemished record throughout the year. A big thanks to our manager Sue for her assistance, as well as to the other mums and dads who did their bit each week, be it time keeper, fill in coach or bringing the oranges. Thank you 7H1 for a memorable season. It was an absolute pleasure to be associated with such great bunch of people (both players and their families). Bring on season 2016!

After a slow start to the season with the boys getting to know each other we gradually saw a great improvement in skill and team work. some spectacular goals and strong defence saw the team only lose two games all season as the boys developed a real understanding of positions and the ability to pass the ball. a pleasure to coach and a great group of boys made this season memorable. Well done.

TEAMS And Reports

We started off with a group of kids, some who had played together last year and some who did not. The first few weeks were the same as the other years, kids simply running like crazy and ignoring everything that was coached at training. After a few games the boys started to fall into their own loosely played positions, and from there 'we' (mainly Malcolm) started training with positions. As the weeks went on the boys combined well and began to understand why their positions were important. Each week the boys put in all they had, and tried their best to play where they were asked to. They even managed to make it through the clumsy goalie change overs we implemented. By the second half of the year the boys played some real good soccer and it showed in how much they enjoyed the games each week. I'd like to thank Lisa for all of her Manager help and sideline control, Malcolm for taking training most Wed's due to the time slot and to all parents for helping out and coming on game days and cheering our boys along. Most of all I'd like to thank each of our players for trying their hardest each week, for growing during the season into great little soccer players and into a team who played every week with respect for their opposition, officials and of course their team mates. Cheers every one, Glen.

2015 Was a great year for the girls. We moved up to the larger size field this year which suited their natural game! With largely an unchanged side except for 2 welcome new players in Annabelle and Kirrilly the girls really put it together growing in confidence and ability with each game.

Darcy became the aggressive striker up front along with Tegan weaving her magic and Sienna hard to stop in open play. The midfielders were also strong with Annabelle, Holly, Matilda and Kirra all great performers. At the back we had Tali and Kirrilly sweeping in defence and providing great clearing kicks as needed.

Goalkeeping was not high on the girls list but they all had a go and did a great job with many fine saves. New friendships were made and existing ones strengthened bring on next year!

TEAMS And Reports

A fantastic year from our 8C team! They should feel so proud of all the effort required to play the larger field - with throw ins, corners and goal-keeping also in the mix. It was a real pleasure seeing them develop as a team. The 2nd half of the season saw the boys' positional play improve and their passing skills became better with each game. The boys worked out their own team cheer which they then sang with great delight and energy before each game! Each player showed their skill in their own way. Taj again was our leading goal scorer this year and had some great runs to goal. Lachlan and Hamish were our other players that enjoyed playing up front. Archie, Will and Ben were great midfield players and showed wonderful courage and forward momentum. Charlie became our main defender and provided a solid defence. Liam showed a calm ability during his turns in the goals over the season. Jonah was a real powerhouse and proved to have a solid foot in tackles. Riley was a strong player and could be relied on in both attack and defense. Marley was our little pocket rocket. Small in stature but with enormous energy and spirit. A big thanks to Daren for being an amazing coach again this year. And, of course, thanks to all the parents and grandparents for ensuring your sons came to training and matches each week and for providing a really positive and encouraging atmosphere for the boys to work within. A great effort all round. Hope to see you all next year, regards Stephen.

Congratulations team 8G! What an awesome season we have all had. As parents we are impressed each and every week by your determination to improving as individuals and as a team. Your hard work and determination has made us all very proud. A big thank you to Coach Shane, we are forever grateful for your endless patients and amazing teaching skills. Another big thank you to Robin, who has happily stepped in and taken our team on several game days. They have gained everything and lost nothing. Our team has it all! We have a wonderful happy fun loving bunch of boys. Parents and families that support their children and the team as a whole. We won't miss the early cold mornings, but we will miss our soccer families! Amazing season team! Looking forward to next year!

It's 7:45am in the morning, with a heavy dew on the Oval. The boys from 8H3 slowly arrive at the field, Jackson, Hunter G, Jack, Sean, Geordie, Jamie, CJ, Hunter C and Kyran. The boys are full off spirit and eager to play.

This is a typical morning for the team, with new friendships forged on the field at the start off the season and the season before, they await to do battle against the opposition. Win, lose or draw the team gave everything for each other.

Every game was a new challenge, testing their skills and courage. As the full time whistle blows and the congratulatory hand shakes shared, the boys huddle once more, eager to learn who won the man of the match award.

In my eyes they are all winners, and they have been a pleasure to coach.

Well Done Boy's.

TEAMS And Reports

We started the season as the U8I1 and finished the season as the U8H1. With everyone new to the under 8's and some being new to soccer there were new rules to learn and skills to improve.

The boys tried hard and despite being often outnumbered by the opposition managed to finish the season with more wins than losses.

The highlight of training was the parents versus kids games. Many thanks to all those involved and the supporters who came along to watch the games. Great season boys and hope to see by back on 2016.

TEAMS And Reports

All in all a successful and rewarding year for the boys, only losing a handful of games while enjoying their football and learning new skills. As for the team, Jacob continued to be a rock in defence with an uncanny ability to time his tackles to perfection. Importantly, his skills with the ball also improved during the year. Will, our other key defender also provided plenty of aggression on the field, who on his day was unstoppable. Aiden continued to be dominant in the centre of the park, and generally stepped up for the big games, with matches against Lilli Pilli and Gynea standing out in particular. Garvan and Luke spent most of the year out wide and showed some great skills on occasions, and represent 2 kids who will relish the bigger fields next year where they can use their skills more fully. Peter and Darcy were the energiser bunnies of the team, perhaps best known for their tenacity and determination and who could always be relied upon to do what was asked of them. Cameron spent most of the season up front. Providing a strong physical presence, he had a solid year scoring some cracker's, while also blowing a few sitters as well. Well done boys on a great year from which to build on going forward. Thanks to Marty for coaching once again and making both the games and training enjoyable, and also to the parents and grandparents who braved a few very cold mornings to cheer the boys on. See you all next year.

It was a tough start to the season for our girls. Starting off the year as the W9A/1's the competition was strong and fierce. The girls tried their hardest and fought every week never giving up, however the competition was just too strong. After requesting to be regraded, the girls became the W9B/1's and this was the turning point for the girls. They started to find their feet and were so excited for their first win of the season. As the weeks went on the girls became more confident, playing better and better each week. Settling into their positions with ease, Meagan assumed our forward position always ready in position and determined to score, whilst Georgia, Rome, Anna, Scarlett and Isha formed our midfield showing great determination with their fearless attacking. Chloe, Grace, Katherine and Cydney were tireless with their rock solid defence and Zoe became our resident goalkeeper saving some great goals throughout the season!! As the season neared the end the girls became a team to be reckoned with, definitely ending the season on a high. Well done to all the girls for their great sportsmanship and enthusiasm throughout the season. Thanks to Coach Steve for all his hard work and commitment, as well as his constant reminder from the sideline for the girls to "CROSS" the ball during play. Thanks also to all the parents for their support and encouragement throughout the season. Can't wait till next year!!!

Another great year for the girls. All the girls have really improved again this year and are starting to understand all the positions. A delight to manage and special thanks to our trainer Gary who was available during the week to help train the girls and leave game day to Chris. TEAMS And Reports

What a fun season from our 9WB2! All girls improved out of sight! Leila and Olivia did great in goalie and happily volunteered and were clearly comfortable in goals. While Ameira, Ella, Brielle and Lara loved being forwards. Avalon, Emily, Pippi and Chloe mixed mids and backs. All the girls thoroughly enjoyed their season! their coach Craig did a brilliant job in ensuring all girls played all positions and loved their training sessions. It was such a thrill watching the girls play, improve and love their soccer! I hope all girls will return next year for another great season in 2016!

The coaches and manager want to congratulate the boys on a great season in 2015. All boys displayed a great attitude towards training, continually striving to improve their individual skills and teamwork. They worked hard, had fun and celebrated many successes as a team. A very strong win loss record for the season was the pleasing end result. We were particularly competitive against the strongest teams in the competition. A 1- nil loss to the competition heavyweights Miranda was a real highlight. In a game that really could have gone either way, they boys played with inspiring grit and determination. Once again, congratulations on a great year boys. It's been a pleasure.

Having 10 returning players from last year's U8 team meant that all the kids were familiar with each other and quickly knuckled down building their respective skills, winning their share of games. The main development focus this year was positional and receive and pass play. All players displayed improvement. Jack and Max H showing versatility as skilled goalkeepers as well as their field positions. Jonti, Lachlan and Ethan expanding their skills playing forward and back positions. Marley playing a roving role scoring many of the team's goals. Tristyn and Brody continued their defensive enthusiasm foiling many opponents' attaching raids. Max L power shots turning defence into attack. Oliver's quick scoring bursts pleasing the cheering mums sand dads! Above all it was pleasing to see the fun, joy and friendships between all the kids, making training something to look forward to, particularly our last 'Loud' dress up training session (see photo). Thanks to all the parents who at times goal celebrations rivalled the kid's, and the team Manager for the support and work, for a great fun season.

What a great year 9D2 had. Not many had played together before but the team just seemed to gel straight away. We had a great group of boys all passionate about their soccer who trained hard and got results. We were really proud of you all, you learnt positions, played them well and had a great season! Our backs, Sasha, Jake and Oscar were outstanding all season while Angus, Jonte, Rik and Josh became a well oiled striking machine, scoring some fantastic individual and team goals! Korbin, Jack and Callum were everywhere playing well in all positions, stepping in wherever needed. Thanks to our Super coaches Troy and Darren for their passion, committment and a fun year. The 9G's again maintained most of the boys from previous seasons and again had another good year. There was a feeling of less clubs to play this season as we often met with the same opposition but the games were always challenging and rewarding. Game wise we had another dominant year and I can only recall one loss to George's River with most other games ending in victory except for the odd draw.

The boys were always keen and enthusiastic to play the game and I personally found being involved with this bunch of boys again to be very rewarding and most importantly good fun!

Well done boys on another good season.

What a fantastic season the 9Hs have had. Under the coaching genius of Jodie Savellis the boys went from having little to no soccer skills, or knowledge of the game, to becoming soccer demons. Jodie trained and developed the boys so that they began to have a true understanding of the game and also have an understanding of their positions. With this leadership the boys won the majority of their games and enjoyed every game and training session. We look forward to a great season next year.

The team played consistently well all year and proved that we are one of the top teams in the 10s. Charlie—He was our main stay central midfielder and provided our forwards plenty of opportunities. Clay—A solid defender who controlled our defensive line. Tackled with great gusto, and with no fear. Harry—Was instrumental in many goals this year and gave all for his team. His corner kicks provided many scoring opportunities. Jackson—A big improver this year. Very strong on the ball and a reliable and determined defender. Jessie—Defended well and never gave up. Stopped many counter attacks and was unlucky not to score in the last game of the season! Jordan—His runs up and down the left channel confused the opposition and scorched the net with his scoring ability. Joshua—Always looking for the ball or taking on the opposing players. Defends and attacks when needed with confidence. Keeran—Was sorely missed with a broken foot however statistics show that when Keeran was on the field, the team often won. A great midfielder who possessed good skill to beat his opposition. Ollie—A natural defender who has a strong right foot. A standout this year on field and in goals. Daniel—Daniel converted many opportunities into goals during the year. A new player who fitted in well. Mitchell—Another new boy to our team. Mitchell played well in all positions and found his true calling in the midfield. Managed to score the odd goal and was always amongst the action.

The girls performed admirably throughout the year in a very tough competition. When we had our full team we were unstoppable, when we didn't we got a lot of kick-off practice. It was great to see the girls continue to develop their skills throughout the season and really start to find their niche positions - watch out Matildas! Thanks again to our parochial band of parents, grandparents and extended supporters and helpers that are there with the girls for every kick of the journey. The U10B team has had a fantastic season with 45 goals for and 17 against. We have kids from last years 9B,9C,9D,9E,9F and a few from outside the Seagulls club. Not many knew each other before the start of the season but it didn't take long for them to form some strong friendships and some solid combinations. Our forwards Kayne, Jonah, and Jett were always hungry to score goals. Our centres Kaden, Dominic, Matt, Giuliana our female star and Jack always had the team going forward. our backs Mitch, Kye, and Sol stopped many goals and Jacob and Max were both great in goals saving plenty and when not in goals slotted perfectly into the backs. The team always wanted to train, and looked forward to every game and for me seeing them enjoying themselves that is what it is all about. Congratulations U10B, what a great season!

What a great season! Competitive in all games; winning some, losing some and drawing many; but mostly learning lots and having fun. Thanks to Matt & Pete who did a great job training and coaching our boys, you two are great coaches that value fairness and encourage everyone to have a go. Sasa excelled in all positions but was especially great in goals. Luca improved weekly and by the end of the season was solid in both defence and attack. Sam finished the season on fire scoring the winning goal in the dying minutes of the final game. Haydon, our teams top point scorer again thrilled everyone with this left foot kicks, he always gives 100%. Jake is a great asset to the team and the goal he fired into the back of the net from nowhere was outstanding! Tom is our power house, from Goals to Forwards you can rely on him to get the job done. Joels magic footwork continues to surprise and thrill us all on the sidelines. Alexander is our little pocket rocket and scored a few great goals this season! Matt B scored the goal of the season at home to win in the dying minutes and Owen has a big kick that always manages to get us out of a tight spot. This is the best season we have seen Matt C play and when fired up is first to the ball and unstoppable. Cooper is very versatile and great to have in the team, he had a great season and enjoyed every game with a huge smile. This has been a great pleasure for Brett and I to have coached and managed a fantastic group of girls who showed great passion for soccer this year. It is hard to know where to start that has happened to the team during this season. I do believe that we have seen some of the girls gravitating towards their favoured positions on the field and this can only improve their skills (except for goalie!). Their passing, the long balls through and challenging for the ball has improved out of sight. Out of the 13 games that were not washed out, we won 8! However, I do think that we lost a lot of our momentum as a lot of training sessions were cancelled due to rain. The quality of the girls' game has been commented by all the parents, even down to the sportsmanship shown by stopping and helping the opposition when they were injured. While Brett and I could have singled out individuals, it was the whole team effort that made all the difference. On a sad note, we will lose Chloe (who is moving south) and we hope to see her in a rep side soon. Of course, a big thank you to all the parents who braved the cold, rain and the constant emails from me organising or changing different venues or timings. Wesley.

Another great season for all the girls. This year we migrated to the larger field and the first few weeks proved tough. We had another great year of Soccer and we were lucky enough to add a few new players from last year, which just strengthened the team even more. Straight away I felt the bigger field suited the boys and as the season went on they got better and better at stringing passes together and working as a team. Koby showed solid strength in the middle and covered a lot of ground each game. Adam played a pivotal role with Koby through the middle and helped with the structure in those difficult games. Luke had a fantastic season and played almost every position as a striker he scored a couple of great goals. Lachlans commitment to every ball was fantastic. If every player had his commitment, we would be playing premier league. Sam P (The Rock), no one could get past him! What a great defender he is! Max played well all year and never complained, if effort counts as a goal you scored plenty. Noah, the left footer every team needs! His improvement was outstanding. Sam N's goal keeper skills were consistently strong throughout the year. Great skills on the ball and with continued practice at Keeping, has a great deal of potential. Tobie, the silent assassin says very little on the field, but when he switched on to the ball, no one got past him. Taj's crosses on the right side were impressive this year and I look forward to someone getting a head on them in the future. You boys are a pleasure to coach, I think you had a fantastic season. I just hope you learnt something along the way!

Another great season for the boys, with the introduction of new players Alex, CJ and Jasper the boys all combined really well to play a great brand of the world game. Always willing to listen and adapt to new challenges the boys have been a pleasure to coach. We played some really special games this year but the stand out was actually a loss to Menai when we travelled to their home ground and showed tremendous skill and courage to go down by one goal to a team that hadn't lost for two seasons, the fact that their coach complemented our boys by saying it was the toughest game they had ever played showed what a great team of kids we have with their never say die attitude. A special thank you to Colleen our Manager who organises us every week and also my assistant for the season Alan who filled in whenever asked to help out. I would also like to thank all the parents who turn up every week and cheer rain hail or shine, special mention here to Jack & Reggie for the end of season BBQ which at time of report writing hasn't happened but sure to be a great afternoon. What a privilege to Report on this Teams season. We started the year with a playing Roster unchanged from last year, plus the addition of 2 new recruits. The boys from last year naturally fell into their positions-Monty, Rory, Max, Bryce all playing up front Elijah and Noah playing midfield attacking, Jed and Skyy playing mid defensive with Billy, Lachlan and Parko in the backs. New recruits Syros and Lewis played key utility roles blending into the mids and forwards. It was pleasing that all players took on the rotated role of goalie without fuss. Our results were terrific, only 2 losses during the year, losses only when the opposing forwards were clearly not observing the spirit of offside. Rather than highlight individual achievements, it was really the achievement of the Team as a whole that needs to be celebrated-everyone knew where they needed to be on the field(most of the time) and all improved both as a team and individually from season start to end. None of our ranks would be out of place in a higher grade. It was especially pleasing to watch these guys play the almighty Titans-a real joy to watch both these teams battle it out, our guys making us very proud. I would like to take this opportunity to make special mention of Dan who greatly assisted in a coaching role and Trudi who did a first class job as Manager. Once again boys, congratulations on another wonderful season.

TEAMS And Reports

The mighty 10F's had a great season this year. We started out getting used to each other and playing in position before we transitioned to playing with some great passing and movement across the field. Each game was played with great passion and determination and our team received great support from all the parents and friends. Our key backline players of Luke, Cooper D and Kenshi ensured that opposition goals were difficult to obtain and our tackling in defence was at times tigerish. Our midfielders of Tristan, Dylan, Elmore, Ruby, Cooper A and Eli really grew as the season unfolded and they started to pass the ball with great purpose and our last game against Miranda showed how well they can play as a unit. Our forward line of Sarah, Christopher and Andrew scored some great goals throughout the season and really showed how clinical they can be in front of goal. Special thanks To Rebecca for managing the team and organising us throughout the year. We showed great improvement as a team and I look forward to seeing you all again for season 2016. Regards Matt

When you have a happy team results tend to take care of themselves. So it proved for this wonderful group of 11 boys, each of whom committed to the 'one for all, all for one' team ethic and played their allotted role to the very best of their ability. Thursday night training sessions were like a family get-together but come Saturday they were all business, sweating blood for each other on the park and earning a P14 W9 D2 L3 record. Renzo made some great saves in goal while the defensive unit of Luke, Peter, Matty and Connor was as tight as any in the division. Marley, Alexei, Tyler and Ethan formed a hard-working and attack-minded midfield, Stevan was link-up man and chance creator while Baxter applied the killer finish up front. Season highlights included blanking a rampant Como attack and handing them their only defeat of the season; pinching a hard-fought win against a tough Engadine team; and finishing 3rd in the Sylvania BMW Cup. All of which was remarkable given that the team included one new-to-sport player and two others that were age-eligible for the U10s! Thanks must go to Assistant Coach Scott Maddern, Manager Carla, a very supportive group of parents and the Kable family for supplying the best oranges in the Shire. I hope all the boys will be back next year and I look forward to seeing them in action on a full-sized pitch.

First of all I wanted to thank Reggie for making sure not only the girls, but more importantly the parents and me knew where we were meant to be and when throughout the season. It was a great year, and you should all be proud of the results that you achieved. In the end we only had 2 defeats at the hands of Miranda and Menai, a good year in anyones books. Each and everyone one of you not only improved as individuals but also as a team, I think this can be seen by the number of goal scorers we had this year compared to last - it was a lot more evenly spread this year with a number of the team getting the first of their career. Although goal keeping was the last thing you all wanted to do, you each took your turn and for that I am appreciative - there maybe one or two of you with a career like Schwartzter in front of you. To our fullbacks Abbey, Katie, Lily and Tamsyn you were always hard to crack. Our halves Gemma, Charlotte, Arwen, Lucy, and Emily you all started to play more as a team ensuring you passed, attacked and defended as needed (although sometimes more attacking than defending). To our strikers Harper, Caitlin and Tiana who all got on the score board sometime through out the year well done and with bigger goals next year lets hope the trend continues. On top of all of this thanks for making it an enjoyable season (most of the time) for the coach - I had I lot of fun and we have come a long way from the under 6 side we started out as. See you all next year.

TEAMS And Reports

A fantastic year was had by all. We started the season as 11D's and it was noticed rather quickly that we had a great bunch of talented boys. We were moved up to the 11C's and continued to grow and get better as a team. The boys worked well together from the start. From our defence to our attack, all positions of the field were covered well. I can't name any outstanding players as I feel every player on the field played a role in the team. We moved the boys around every week and they all excelled in whatever position they played. We all made new friends and every week the children amazed us with their good spirit and sportsmanship. Thanks to all the supporters on the side line. We couldn't have asked any more from you. Bring on 2016.

The 11E1's had a very successful and enjoyable season in 2015. With the majority of the team renewing their high price contracts from the previous year it was then added to by some good buys in the January transfer window with Jesse, Logan and Ethan Irwin proving they were skilful, tenacious and well worth their six figure transfer fees. The team gelled well and were eager to train and learn. Brayden, Alexander and Luke showed regular signs of football brilliance all year. Dominic, Will and Toby were able to dribble past any player and played havoc with all the opposition goalies. Ethan Do, Oliver, Harry and Josh were also outstanding in all facets of the game with rumours going around that Real Madrid has approached their Managers for next season. The season culminated with the Champions League Gala Day which saw our team win all four games without conceding a single goal. That meant advancing to the sudden death knock out World Cup finals. Although not holding loft the trophy the team played wonderful football. I would like to thank Jamie for coaching this season. Special thanks should also go to all the parents for their assistance and support all year. Go the mighty Gullies!!

It is difficult to describe a season in which we were minor premiers, won 13 games and only lost one during the home and away season (scoring 58 great goals and conceding only 8), and made the 3rd round of the State Cup as an unsuccessful one, but sadly that is the case. For the second year running we failed to bring our best to the big games and lost the semi final and final. I know I learned a lot of things from these two games (as a coach and parent) and honestly hope each boy and their parents did likewise. Being beaten by these two sides is certainly no disgrace - however we failed to match their level of intensity and even teamwork when the pressure was on. In saying all of that, there were many positives during the year - the main one being the additional effort each of the boys put in with Coach Rob pre-season and on Friday nights to hone their skills and take them to the next level. Thanks Rob. Thanks also to Penny, Larry and Scott for helping out during the season, making my job easier. In the words of the Lilli Pilli coach - we are a formidable team - lets demonstrate that in Champion of Champions and play to the best of our ability and enjoy this great game with no pressure! Thanks boys - Tuesdays and Saturdays were my favourite days of the week. Coach Craig

The mighty 12Bs had an outstanding 2015 season. They bonded, played with commendable sportsmanship and had a lot of fun. They were also successful on the scoreboard, finishing a close 2nd on the ladder and making it all the way to the Final. Every player on the team had unique talents and strengths. Ace, The Speedster, chased down breakaway attacks. David, Most Improved, 4 goals in attack and helped at the back. Eligh, Captain Courageous, a fearless team warrior. Finley, Mr Fitness, put his body on the line for the team. Jack, Players' Player, dazzled with the ball and shot 9 goals. James, Fair Play Award, goalkeepers best friend. Kye, Superhero, saved the team from right back. Louie, Teamwork Award, was tireless in mids, 6 goals. Luka, Golden Boot, picked up 10 goals, mighty effort. Max, Awareness and Vision, kept wide options open. Shea, The Playmaker, 9 goals and set up plenty more. Will, Golden Gloves, courageous saves and 8 goals. Our formula was 'passing, positions and passion' underpinned by fitness and teamwork. All the parents got right behind the boys and highlights were loudly celebrated. Throughout the season different players would step up. Angus helped choose the weekly award winners and showed great support at every game he could. The boys started as a group of individuals and finished as a tight knit team sharing the highs and lows of a closely fought final series.

End of Year Report: 12Ds CONGRATULATIONS BOYS!!!! Not only did we have a huge amount of fun, met heaps of new friends and played fair we also had a great time. Our boys showed what it means to play a game and keep getting better and better at it. They never ever complained, always turned up at training and warm ups and games early, and pestered their parents to be on time too! Some of our injured even came to watch the game when they couldn't play! They listened to the coach and the manager, stayed in position and kept their hands to themselves at all times on the field. When it was our turn to play the Titans, they showed that they indeed are growing into responsible and thoughtful young men. I am proud to be involved with this team, and would again in a heartbeat. We won this year as far as myself and the coach is concerned as we had a great season, and by the end of it the boys didn't even want to come off the ground. Their all winners in our eyes, good on you 12Ds! The Coach Adrian Trevallion, and the Manager Jo Zaglas.

Grand finalists three seasons on the trot! Never say die attitude! The team to beat! Yes I'm taking about the mighty W13A's. 2015 saw the girls sit at the top of the table all season, eventually taking the minor premiership with 13 wins, 2 draws and most importantly 0 losses. The W13A's scored 45 goals and only conceded 7 all season. It was the last of the seven that proved to be the heart breaker, as we went down 1-0 in the Grand Final to Gymea. There's nothing worse then being the favourite in a country where underdog status is etched into the national psyche. That said, runner up is a result to be proud of girls, well done. Throughout the competition the girls dominated play, held possession and scored goals with furrness. Every match was played in good spirit and always ended with a rousing three cheers for our opposition. Reaching round 3 in the State Cup was a season highlight. We welcomed some new players to the team this year, all of whom slotted into the group perfectly, with our old hands making them feel as though they'd been with us from the start. Special shout out goes to the coaching staff, Jonathon and John, our water girl Amelia and to our wonderful manager Vicki. Thanks also to Cronulla RSL who kindly allowed us to train at Solander. Enjoy the off season, looking forward to doing it all over again next year!

Cheers, Damian Assistant Coach

TEAMS And Reports

First I wanted to thank our coach for doing a crakin job this year and ensuring that each of our girls really improved on where they started. To the parents that turned up each week, thanks for your support even if one or two of you may have got over excited. To the girls, congratulations on a fun and enjoyable year. Regardless of the result, each and everyone of you made sure the experience was fantastic. The improvement that you showed throughout the year was something you all should be proud of - from winning only one game in the first round to losing only one in the second. I did not really want to call out any individual's for the performance alone - everyone of you ended the season better players than you started. There are a few memorable moments though: Rachelle calling the twins their numbers until round 6 because she could not tell them apart. The joy of finally winning after 12 games without one against Lilli Pilli - although it was 1-0 it was like winning the World Cup. Abbey and Prue both scoring goals from half way - sorry Prue I think Abbey's was further. Our drawn result against Engadine in the second round after they beat us 7-0 in the first by far our biggest effort, then backing that up again in the last game of the year. Micky's goal against Loftus when she skinned 6 players was probably the goal of the year, although Abbey may argue. Finally Celeste rocking up to training and having to wear my board shorts as she forgot that particular part of her attire.

Well, what a session! One of the tightest competitions I have been involved in for many years. This team was a mixture of previous B and C grade players and they immediately bonded together from day one. Once we were half way through the comp, I could see that we had a chance to be in the top four. We stepped up our training to two nights each week and all players committed to this extra training and the results paid off with them claiming Premiership Winners. They played the grand final with passion and commitment on what was a hot and intense game. Special thanks to Jeff Micallef our team manager for his dedication in keeping our team fully informed and for the half time fruit platters. Thank you to all the parents, grandparents and siblings for their passion and sideline support. To all the players, congratulations, you deserved the tital of Premiership winners. It has been a very rewarding honour to have trained a team of well- behaved and enthusiastic players. I look forward to next year and hope you all return to Seagulls. Bring on 2016!!!

Well it was a wonderful year of soccer for all our players. The team had a very enjoyable year with some good wins. All players improved throughout the year and displayed a terrific team spirit. This was especially evident in the attendance at training each week, with all players eager to learn new skills. Our main Keeper during the year was Cooper who put his hand up for an always difficult task and made great saves with quite a few clean sheets thrown in. Our backs were solid all year with Lawson, Tim and Beau forming a wall that was always difficult for the opposition to break-down. Our midfielders were tireless as the engine room of the team. Dominic, Kane, Connor, Oliver and Joel shown great skills in passing, dribbling and team spirit. Our forwards were full of running and finished our teamwork with great goals. Daniel, Jimmy, Josh and Sam possess great football qualities. I thoroughly enjoyed my season of coaching and would like to particularly thank Paul Roach, our manager, Bill Butterfield and Sebastian Arena for their support throughout the season. You should be immensely proud of your boys, who were a joy to coach. Also a big thanks to my wife Christina for the extra prizes/incentives she initiated and her support during the season. Thank you also to the Seagulls Club and those people who volunteer their time to make a well-run Club. I am very proud to have been playing and now coaching for 37 years for the best club in the shire.

The 2015 13Ds started as a group of young boys who didn't know each other, some new to football and a bit rough with their skills. They quickly developed into a cohesive unit and the skill levels improved as a result of their dedication to training, always early and stayed behind. The team only suffered 3 losses during the season, 2 the premiers. On many occasions the mighty 13Ds came from behind win, a tribute to their fighting spirit. Callan & Keegan were brilliant in both their goalkeeping and outfield roles. Danny & Alex were strong in central defence as well as some spectacular long range shots. Kane played brilliantly in both the backs and mid. Likewise Ben was strong at right back and when required further up the park. Brock improved greatly over the season and had a blinder in the GF. Tom put his stamp on the left midfield spot putting in some great crosses and was determined in defence. Jayden was fearless at centre mid and was always the loudest voice on the field earning him captaincy. Finn was always involved and made some great runs. Adam's skill also improved and also cemented RM role. Zach did everything asked of a striker and finished some great goals including 2 in the GF. Josh displayed his talent in midfield and striker and his unselfish team approach assisted throughout out the season. The 13Ds finished the season as a group of fine young men and great mates. It was our privilege to work with them and we look forward to 2016. Ruben and Peter

The 14A's had one of those up and down seasons. The year started off with a nice win that was a great confidence builder. Unfortunately the wet weather and school holidays weren't kind to us this year, and we seemed to lose any momentum that had been built up from our wins. To the boys credit they always showed a never give up attitude even though they may have been behind on the score board. To the 14C's and 13B's teams, thank you for the player loans this season. To our coaches Cleve and Dean, thank you for all your efforts with the boys this season. To all our team, you showed true grit and determination all season and should be very proud of your efforts.

With a great bunch of boys we started the year in the 14Bs. With some less than impressive scoreboard results we were regraded to the 14Cs. We did really well in this grade, even making the Grand Final. The semi final was a great game and Andrew scored the goal of the season 5 seconds before the full time whistle. We had a number of games against arch rival Gwawley Bay which could have been a Grand Final match on each occasion - exciting nailbiting matches!. We won twice and then they won twice. Unfortunately the second time they beat us was the grand final. Regardless of the results, the boys always played with great sportsmanship and integrity. They all became great friends and was great to see them all really enjoying their football. Well done on a great season.

The Under 14C 2 had a slow start to the year, but halfway through the year the team was working well and starting to win matches. Of note for the team, Sam was the highest goal scorer, followed closely by Bailey. Our midfield player of Luke, Renato, Jason, Lucas, Adam and Adam had a great season and had great success at chasing down the ball and feeding it through to our forwards. Our backs, Remy, Joshua, Liam, William and Jake had a great season with plenty of hard work in defence. Our goalie, Chris also had a great season with plenty of saves. Well done boys on a great season.

2015 was a season of new challenges with old friends. After winning the B grade comp last year, and earning the right to play in A grade, the girls took some time to adjust to the speed and skill of the teams in this higher level. The first part of the season was our warm up for what was to come. The girls set themselves some realistic challenges for the second half of the season and we started to play some really good football and were competitive against every team. Our season culminated in a last round emphatic win against Sylvania 3-0 upon which we were given a standing ovation and guard of honour by all parents which then segued into celebrations and a fire on the beach at Darook Park. Thanks to all girls, their families and parents for your effort, enthusiasm and support and for continuing to turn up when the chips were down.

What a Season.... Minor Premiers and Premiers. This year, most of our players returned, welcoming into the team Guy, Oscar and Jackson. These new recruits complemented a remaining strong team and turned the team into an exceptional one. Gelling from the beginning, the boys got down to business of showing the rest what they are made of, racking up a 51 Goal Difference, winning 11 games, drawing 1 and losing 2 to win the comp outright. Our Backs have always been the strongest part of the team, but this season, they were even stronger, our Mids and Strikers as strong as ever. And who can forget Adrian, our Goal Keeper. He produce some of the most fantastic saves ever seen at this level. Every game was fantastic to watch, breathtaking in instances, and nail biting in others. The team played in the State Cup and made it to the 3rd Round. A great achievement.

Going into the Semi Finals as Minor Premiers, the team were pumped and annihilated Menai 4-0. In the Grand Finals, they played like a well-oiled machine, scoring in the first 30 secs. Lilli Pilli came back with a goal, but that just made our boys determine to show who was boss, and we took out the Grand Final 4-1. One of the best games we have seen.

Our Team's goals came from Henry (20), Josh P (13), Guy (8), Sam M (7), Jackson (5), Josh J (5), Christian (4), Nathan (3) and Oscar (1).

Thanks to the families supporting the team throughout the season, to Kon for his support and of course our coach, Mark."

The 15c boys had a challenging season starting the year in B grade and a number of new players joining the team. John and I enjoyed the season with the boys watching their individual skills improving each, and coming together to play and look better each week as a team. We didn't have many wins this year but if having fun and laughing with mates was an international sport we won the premiership. Great work boys and hope to see you next year.

With 2 weeks before the season start the 16A only had 11 registered players and after weeks of advertising we manage to register 2 players. That did not give the team much time to prepare compared to some other clubs having been training for months and playing 4 to 5 trial games. First round we had Josh break his wrist, one kid walk out of the team and Daniel also breaking his wrist in round 5. We had to turn to our 15s for help and before the registration deadline (end of may) we registered 2 more kids. The 16A in the mean time had done well to hold onto 2nd spot all this time with the boys giving 110% every game and with some games no subs on the sideline. As it turned out we finished 3rd and produced some great results, with the best being 6 nil against Lilli Pilli and 4 nil against the finalist Kirrawee. Under the circumstances it was a great year and I believe had we had a full squad early in the season and not many bad injuries we could have gone close to winning the competition although Gynea were very strong this year. We had 8 new players this year Kosta, Allen, Lachlan, Bobby, Cooper, Dylan, Josh and Rory all settled into the team well, played their role well. A big congratulation to those boys. The existing boys Theo, Aaron Ben R, Ben G, Daniel and Elvir well done once again for a great season. Like to thank the parents for their support and the boys for their efforts. All in all a very enjoyable season, hope to see everyone next season.

Great bunch of boys who have been together for some seasons and welcoming new additions to complete this years under 16B's. I couldn't speak highly enough of the boys, we started the season well and soon, just like 4 other teams we found out this was going to be a very close comp. any goal for or against could drop or promote a team from 1st to 4th or vice versa. We finish equal second in 3rd spot at season end. team was unite all through the seasons this made my job very easy, boys had a lot to do with that, responsibilities were shared and carried out. They did everything I have asked them each week, game or training. we could play and did play two style of games, Play from the back, move the ball quick, easy option and quick first touch and go . some of the move they pulled off were amazing, we called it ""Barcelona"" , the other was the not so popular long ball (but affective when needed)in danger area and strike.we didn't have any name for that one. we used a 4-2-3-1 formation and learnt our position/formation early (well some of us). We had whatsapp to help us to make sure we were all on the same page, we took turn to express our thoughts at half times, we had great goals, great games, and we had moments that weren't so great but that's football.

TEAMS And Reports

Once again the Women's Under 16 B2 team had a fantastic season, finishing 3rd overall. The girls should be very proud of themselves this year, as we, the coaches and parents are. They approached each game as a team, had fun, chatted a lot and played good soccer. as the result shows. (1st next year girls). I would like to thank the goalie girls, Sarah, Jess S and Laura who put there hand up for what can be the hardest position on the Team, also the other girls who filed in as well, especially you Jess M. Our usual back line of Maddy, Lana, Bailey, Laura and Hannah, kept a great defensive line, supported by the Mids of Olivia, Jess M, Georgia, Nicole and Julia. Our Strikers this year was Jess S, Lena and Kara. This line up gave us a great team, strong backs, fast centre's and good strikers, and it was a pleasure to watch the passing game. So well done and we hope to see you all back next year.

TEAMS And Reports

This was the season that got away from the Under 16 C2's. A strong and talented team with an enthusiastic new coach and a committed approach to training and match strategy but we couldn't pull together enough consistent performances on the pitch to challenge for a finals position. Injuries to key players throughout the early part of the season and extended absences during the school holidays left the team under strength in some critical positions and too often, without a full complement of players against teams we ought to have beaten. Despite the challenges, there were some standout wins during the season and some hard fought draws that showed what this team could achieve. A 6-0 win against the other Seagulls team in Round 5 was a rare highlight and brought fresh confidence to the boys that they had the ability to win matches. Unfortunately, that success proved hard to repeat. Most importantly, the team enjoyed their season and playing with a group that has been together for some years now.

TEAMS And Reports

Well we stayed strong all Year, Minor Premiers and then to finish off the season with a Grand Final Win 4-0 against Gymea 1 !!! Well done girls, you deserved the win. We have had most of the girls in the Team for the past few years, however we welcomed this year Lyndien Punnett from the 16A's who filled in for us last year when we were short, this year Lyndien took on the roll of Goal Keeper who was ever reliable and dependable, and also played up the field and more than capable. In the backs we had Emma, Helen, Bronte helping Lyndien to keep the ball out of the goal area, great defence by the girls, especially in those tight games. In the centre and mid we had Phoebe always in the middle stopping that ball, Bella with her fast moves to get to that ball first, then we had Jaslyn, Dominique, Michaela and Georgia moving the game forward for the awaiting forwards , great ground was covered by these girls. We had Paris, Tiarne , Mirade and Tiana there to finish it off, either put it away themselves or to pass it on who was in a better position, and wasn't there some magical goals kicked, and some amazing foot work with you girls, then Dominique would appear from the side and also kick some amazing goals. To sum it up, it was a pleasure to be involved with such a wonderful group of girls, " that just had fun out on the field." Thanks to Dave and Brad for there time at training, its been a tough year to get the girls all together, there either at Uni or Yr 12 Trials and studying , but come Sunday Pre game talk they "" listened " or "" they talked " but come game time, and with encouragement from the side they delivered !!!

Season 2015 saw the birth of the W18C team. From our first training run on a hot afternoon in March, we knew we had something special. Great kids, great humour and more than a few who could play. Round 1 saw us play North Sutherland and register what was to be the first of many wins. The girls were stoked with the result and a team was born. We sat in the top 4 all season, peaking in 1st and finishing in 3rd on the table. The season was characterised by an entertaining style of play, and a never say die attitude. The way our defenders and keeper held strong under fire, the way our centre controlled the middle and the way our forwards constructed goals was plain for all to see, with many opponents complementing us on our style of play. Our semi-final that was played against Bosco was a tight affair with the final score line a 2-1 loss which left us 4th overall for the season. Big shout out to our manager Ann for taking management to a new level, a Facebook page complete with match reports and photos, not to mention muffins on game days. Thanks also to Cheryl our trainer for keeping the girls fit all season and to Dylan for acting as stand-in coach on occasions. Special thanks to RSL for allowing us to train at Solander. 2015 was a great debut season for the W18C looking forward to more success in 2016.

Stats:
 Won = 11
 Drawn = 2
 Lost = 2
 Goals scored = 49
 Cheers Damian, Coach.

TEAMS And Reports

Another season comes to an end. It was a year that saw many highs along with a hand full of lows. This year saw a combination of age groups. This resulted in the 2 Wyllie brothers Jack & Sam playing along side each other. Our defence was bolstered this year through Alex Witherden and Ethan Redman joining our already strong Ned Drummond, Isaac Byrne and Mathew Ludmon. Midfield duties fell on Darcy Medway, Alec Dutton, Joshua Hardwick, Jed Smith and Jordan Grinham. Our strikers mainly consisted of Adam Laffan and Cameron Amos, who both always gave our opposition something to think about. My Last player to mention is a guy who has truly found his position, our keeper Joshua Kemmler. He saved and kept us in contention so many times this season. A special thank you to the following. Gary Medway who stepped in every time I was away (sorry mate). Alisa Amos for assisting/organizing social events, along with lastly Allison Dutton for being bombarded by me (via txt) when I was away. I have not harped on about any individual performances that much for a reason. This bunch of young men, have been a true pleasure to be involved with. All parents/relatives should be proud of these young men. Finally, the end result wasn't there this year. However, we made the Grand Final. Sport is a funny thing. It's all on the day. If it goes wrong so be it. As much as it hurts for a while, you'll bounce back. Be safe over summer and see you next year. Dutto

2015 proved to be a fantastic soccer season! We came from 4th place into the finals to win the Grand Final 2-1 and become proud premiers - so good!! Some of the players have been together at Seagulls for over 10 years and although it's always been fun, winning the Grand Final for the first time was the best feeling. Thanks to Shaun, who came on board to coach us this year although he's never played a game of soccer in his life, we taught him the rules and he helped to improve our fitness and kept us focused. Thanks to Rowan and 'Suey' our managers and to all the mums, dads, grannies, girl friends and supporters who cheered us along during the season and at the finals. Most of all thanks to the great group of boys who made up the 18D team. You are the best! Hope to see you all next year - Jackson

TEAMS And Reports

Most of the 18f boys came together as a new team this year where we trained hard, had a great year and won many of our games. The boys finished the season off in second place and worked hard through the semi's, finals to win the grand final 1-0 against Engadine who were the minor premiers. Great season boys, great way to win for the year and hope to see you all next year.

The W21B's started the season with our usual high spirits and lack of fitness, two new players in Sarah and Emma D bringing a fresh enthusiasm and plans to improve on our fourth place in 2014. Goalkeeper looked like it would be a challenge, but it turned out we had many very capable (if less than enthusiastic) goalkeepers. Thank you to all my "volunteers" during the year - some outstanding efforts and a special mention to Amy for a number of terrific performances. There were some memorable and magnificent efforts during the year, including a 0-0 draw with 8 players and a 1-1 draw with 9 players. In one sense four points thrown away, but awesome, gutsy performances by the girls. Special thanks to our manager, Kristen, who kept us organised and inspired. How did we end up? Fourth again! Went out of the finals with our heads held high though, after a 1-1 draw, despite overseas holidays and injuries diminishing our strike power (with thanks to Ingrid and Penny from the 18Bs for helping out). A game we probably should have won and a season where we would have liked to achieve more, but the girls always had great fun (some of the half time discussions were hilarious albeit not very focused on strategy!) and were a pleasure to coach. My favourite season to date! Thanks Ladies. Martin McGrath

TEAMS And Reports

The boys had a great year playing in the 21C's, finishing up in 5th place, just shy of the semi-finals. Considering most of the boys were playing up a year, and had some new players in the team, we had a great season. Everyone improved exponentially from the beginning of the season, and Joel even learnt how to head a ball properly by the end. With Jones and Rudy holding the wings, and Jordan & Pascoe holding the middle, the defence was a rock. But with Joe Hart in goals, it didn't really matter. Charles was a machine between the posts, and is definitely the reason why we won so many games. Sen, Ben, Lawrence and Beau in the holding midfield roles, they put their bodies on the line and didn't stop running throughout the game. Picknell, Joel, Harris, Daniel and Ryan Grosse on the wings surprised everyone including themselves with their footwork and their creative ways of passing their opponents. Our attacking midfielder was nothing short of creative (and a bit of luck) in every game. Seb managed to run around for almost every minute of every game, whipping up a rabona at almost every opportunity. He linked up perfectly with our strikers, Aiden and Jack, who with their combination of speed and strength, were deadly up front. It was definitely a great year for the boys, and by next year, we'll be title contenders for sure.

We lost a couple from last season but the girls did a bit of recruiting & we managed to get a full complement. Starting the season Phil was trying to get the girls as fit as possible. It was obvious it was going to be Cronulla Seagulls V's Engadine. The one game we played ended at 4 all. Come to the Semi-final & we had to win to have the week off. Personally I think that this was the best game we played all year. The entire team lifted as they knew we were in for a tough fight. Our girls were so composed. The physical effort that they displayed was something that they could all be very proud of. Trust me there were quite a few that put their body on the line that day. Unfortunately it ended at 1 all so Engadine went through. The Grand final, well, we played another excellent game, but were not good enough on the day, 3-1. Our team improved throughout the season & it was fantastic to be involved with such a nice bunch of Girls. Amber was in Goal all season & managed some amazing stops. Our backs were super strong & rarely did the opposition get an easy shot. Congratulations to Lauren, Sophia, Claire, Laura W (Hamstring), Kaitlyn (very sick) & Emma. The mid line & the forwards were always swapping positions which showed great versatility. They would fill any position that Mark asked of them. Thanks to Miina, Maggie, Laura M, Isabelle, Courtney, Chelsea, Jazmin & Elizabeth. Thanks to all for their efforts, for helping out when asked. Fantastic season, finishing second. Be proud

TEAMS And Reports

A tough year for the Seagulls AL12/2's. It started off with a couple of ex players splitting from the crew which had a domino effect on numbers for this team. Half the boys went to the 7's and those that were left had to scratch together boys to make up the numbers. We soldiered on and were pretty solid in the first half of the comp, but faded away as travel and work commitments kicked in and left us short. The guys that were the best consistently were Jordan, Brent, Joe, James and Rafa. The boys that fired up occasionally were Trent, Matt J, Matt W, Blake and Josh T. The boys that need some more work in the off season are Nick, Dylan, John, Andrew and Simon. Special guest appearances from Brendan and Emerson also helped the team. When everybody rolled up and were ready to play, we were competitive with any team in the comp., unfortunately this only happened now and again. Outside of that, your a good bunch of young blokes and we had some LOL's throughout the season. All the best in the future.

Another great season for the Gully Boys. This year we welcomed a few new players and unfortunately had some of the boys miss out due to injury. This team will be moving up its 3rd grade in 3 years and getting the Minor Premiership and Runners up this season is a fantastic achievement. The boys are privileged to be coached by the best, most passionate, caring, yet ruthless coach in the club. He teaches us to ""humding"", ""fooken dickem"" ""win the league"", ""read between the bricks"" and most of all how to love and respect the game. This team is not your regular footballing side. You may play for the Seagulls but you don't know what it means to be a gully boy unless you have played with these boys. Whether they have played 20 or 1 season for the seagulls the gully boys take passion for the club to a new level. The boys have created a brotherhood and have made and continue to make memories they can carry with them for the rest of their lives.

TEAMS And Reports

Well boys, it was a bit of a disappointing end to a great year bowing out in the finals with two consecutive losses. Injuries and certain members of the team going on holidays didn't help our cause. One highlight of the year was Dale Murphy's two goal haul against Menai, one being a majestic bicycle kick. Well in Daz! Don't have much time for this report as I'm in Venice, Italy! See you all at the presentation night to blow the Thoth off a few cold ones. P.S. Adman bench

We set out in 2015 to be competitive and play football together as a team. Over the course of the season we wrapped up the Minor Premiership for the third time in 4 seasons working our way up from the Ds. To the new and old boys in the team, this just goes to show what you can achieve if you keep it simple, pass the ball to feet, play as team, keep your shape on the park and the results will come. We didn't have the biggest roster by any means and the injury toll was quite high throughout the season, so I would like to thank the players from the 45s from helping out when requested. The Grand Final match did not go to plan, unfortunately too many injuries heading into the game and injuries picked up during battle did not allow us to play the style of football that we were capable of producing with a full squad at 100% fitness. 2015 was highly successful by all means, so thanks to all the players, coaching staff/manager and supporters. This is why we play the game football.

Player of the Year - Pat

Golden Boot - Kev Robbo - Coach

TEAMS And Reports

We started off as a bunch of strangers but it wasn't long before we were a team. As the most 'mature' team in the comp, we tended to find the opposition had the advantage in age, fitness and numbers, but it didn't stop us fighting hard and giving our best in every game. Despite the outcomes, our opponents always knew they had to play well to win, and frequently we scored the best and most dramatic goals in the games, just not as many as the opposition. Our fighting spirit was exemplified by the number of injuries suffered in attack and defence, in particular the post-game visits to emergency clinics for head stitches for two players who put vulnerable parts of their bodies bravely on the line for the team. The season has been a delight in many ways, with great displays of character from a team full of characters.
