Football Club

***Yearbook* 2017**

HIGHLAND PROPERTY AGENTS OUR MAJOR SPONSOR

On behalf of the whole team at Highland Property Agents group, we would like to say a big thank you to the Cronulla Seagulls club, committee, referees, players and their families for their continued support of our partnership during a fabulous 2017 soccer season. The community spirit, enthusiasm and participation shown in making each game days a successful and fun family event is a testament to the clubs dedication in supporting the sport and growth of the club.

With even more Highland Property Group employees and their children proudly wearing the green and white this year, it's our great pleasure to support the community that has given us so much. We look forward to celebrating your success and meeting players, families and club members at the yearly junior gala and presentation days later this year.

Our team at Highland Property Agents are honoured and proud to be the major sponsors of the Cronulla Seagulls again in 2018. It has been our pleasure to support such an amazing club and community over the past few years and we welcome the opportunity to continue supporting the club in the future. We can't wait to see our home team out on the field for an even bigger season in 2018.

PRESIDENT Report

Welcome

2017 saw Cronulla Seagulls FC become the largest club in the Sutherland shire association for the first time in our 59 year history with a record 1607 registered players and over 130 teams.

We also became one of the most successful clubs on the pitch having won 9 minor premierships and 9 premierships.

I would like to thank all the junior seagulls for taking up the ssg refereeing they did such a great job and made the club proud.

I would like to thank all our coaches and managers for their time and effort, the club really appreciates it without their volunteered participation we will not be able to achieve the clubs goals.

Our sponsors a big thank you once again for their financial support which continues to benefit our members by providing the club the opportunity to hire great playing facilities like 5sports.

To our members thank you for being part of the clubs great achievement and hope to see you all in 2018.

To the clubs committee members once again they have to be congratulated on ensuring the club is run smoothly so our players can enjoy their sport. As the club keeps growing we encourage parents to be involved with the club as the committee is often stretched. If you would like to volunteer some of your time join the team in helping out with a variety of duties such as grading, set ups and pack ups.

Next year the club will be celebrating their 60th year and we would like to see all returning members be part in celebrating the big occasion.

George Koulouris

President of Cronulla Seagulls FC

SECRETARY Report

2017 turned out to be another triumphant year for the Seagulls. Our Registrations have grown once again this year to hit our all-time high. The Club grows from strength to strength and I would like to thank all of our new registrations and of course, a big thanks to our returning players.

I would like to personally thank the committee members for their efforts. The committee are always active throughout the year (not just during the season itself). As soon as the season finishes, we have to prepare for the presentations, then after that, we start to prepare for the next season, then before we know it, Registrations come around, Grading, Team allocations and then the season kicks-off.

To the Canteen and the BBQ people, thank you for your support and hard work during the season. All profits made from the Canteen and BBQ are used by the Seagulls club to improve its facilities and to purchase new equipment.

Thank you to all those teams that did their Ground Duties and Setups. Without your involvement, we would not be able to get the games started on those cold winter mornings.

Thanks to our Mini-roo Referees. We had 28 Mini-roo Refs, aged between 13 and 15 and what a fantastic job they did throughout the season. Hopefully our older ones move on to become Black and White Refs and our first year Refs return next season.

Special thanks go out to all the Parents and Supporters of our teams. It is great to see some very enthusiastic supporters early on a Saturday morning and on Sundays with our Senior teams.

We always need new committee members prepared to offer some of their valuable time. We need members that are there for all players and want to put in a little bit extra to make a difference in the club, that. We are always looking for committee members from all age groups, Junior and Senior. So, if you want to get involved by being on the committee, please send an email to me at secretary@cronullaseagulls.com.

Last but not least, best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Rob Brown,
Secretary

TREASURERS Report

Quite a good year for the club, due to the increase in registrations and only one washout this year.

A big thank you to all our sponsors.

Thanks to our canteen ladies, Simone, Cath, Karen, Anne and Hayley for another great year. Also thanks to our BBQ chefs, Terry and his new assistants Matt and Soph, and the parents that helped out during their ground control.

On a sad note we bid farewell to Simone, who has been our canteen controller for quite a number of years. She will be missed.

Best wishes to all our players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

What a great season!. 6 amazing boys with 6 different skill sets, came together for one fun season of soccer. Some had played before, others brand new & I'm not going to lie, I was a little nervous about the 'A' grading we received. But, we held our own & showed everyone we were deserving of being there.

We won more than we lost, we scored more goals than we had scored against us - but best of all, you embraced the spirit of the sport & played for fun each & every week.

Thank you to all the families for the early starts, the cold trainings & helping out wherever possible - Sean, Suze & myself really appreciate it.

To Alex, Axel, Harrison, Henry, Josh.F & Josh.S - thank you gentlemen you were a pleasure.

TEAMS And Reports

Not so long ago, at a field not too far away, the Cronulla Seagulls U6B team had an epic season which has certainly set the scene for the destiny of these budding young troopers.

Led by Supreme Chancellor, Coach Greg, the teams mission was to (unlike old mate Master Yoda) try to do their best! The Chancellor had to work hard to build their skills and on many occasions, restore peace within the ranks.

With unprecedented training on their side, Coach Greg led them to many victories within the galactic football empire. At times their opponents would rise from the ashes but U6B were able to remain calm knowing there was always next week.

To witness the alliance of Crafty Colin, Masterful Max, Crowd-Pleaser Kingston, World-Class Will, Long-Range Lachie and Killer Keani was a clear demonstration that the force created by this team both on and off the field is far greater than the sum of the individual players. Well done boys! To anyone who doubted us, we found your lack of faith disturbing.

The U6C1's had a fantastic season this year. For some it was their second season of competition, others their first foray into a team sport. Whilst they started the competition as new friends in many cases, the boys bonded quickly and formed a strong team. They trained hard and all showed significant improvement in their skill level as the season progressed. It was wonderful to see their confidence and team spirit blossom. All the boys demonstrated excellent sportsmanship towards their teammates and their opponents. They tried their hardest, did their best and most importantly, had lots of fun playing a game they love. A big thank you to Chad for his amazing patience with the coaching, Carissa for her organisation when juggling 7 boys on and off the field and to all our loyal supporters and families who came out each week to watch the boys play and cheer them on.

TEAMS And Reports

Our boys had a great season. A majority of the team, it was their first season of outdoor soccer.

As the season progressed, They showed the skills that they had been learning at training thanks to coach Adams great advice and wisdom. Each of the boys had special days throughout the season which won them the player of the day trophy.

the parents thoroughly enjoyed Saturday mornings watching the boys play, except the chilling morning at Gynea.

The boys had a great first season and looking forward to next year.

TEAMS And Reports

U6D2 - What a fantastic year the boys had together.

It was great to see them develop over the season in the way they played together, going from trying to tackle everyone on the field including each other to supporting their team mates with the ball and their passing skills.

The growth in confidence on the field really showed especially in Isaac and Jake, with Jake taking charge late in the season to score a number of goals....fantastic!

Joel and Jed lead the charge on the field with both keen to run the ball and scored plenty of goals throughout the season. Isaac put in a solid performance through the year also getting on the scoring sheet.

Scotty amazed everyone, including the opposition, with a few of long range goals, one from the kickoff at halfway.

Bowie was not to be outdone either with a number of goals and at one point in the season became the slide-tackling master saving a number of goals.

The teams defensive play matched their attack throughout and is reflected in the teams stats, winning 14 of their games, drawing 1 and losing only 2. They scored 101 goals for and only 23 against.

Jed, Isaac, Bowie, Jake, Scott and Joel should be proud of their efforts and achievements over the season, both at training and through the games themselves.

All the boys put in a super effort and they should be commended.

TEAMS And Reports

The team made up of six boys, Fletcher, Nicholas, Luca, Bobby, Parker, and Charlie, it was their first time playing soccer and from the beginning they all got along really well. Starting off as the U6F's and then quickly re-graded to U6E2's.

Early on in the season they were all chasing the ball as a group but as the season progressed and with training drills practiced their passing skills soon developed.

With numerous wins and only 3 losses all season, the boys played extremely well together. Demonstrating good sportsmanship, congratulating and shaking hands with their opponents each game.

They loved to celebrate goals with a spontaneous team hug or premier league style celebration.

It was a great pleasure coaching the boys and watching them grow their skills throughout the season. I hope their experience playing in the team has set them up for a life long love of the game.

Looking forward to another great season next year.

Cheers Gary and Peter

ABSENT: Kent Aston (Coach), Selena Aston (Manager)

What a great season for the U6G1 team the first year that the 7 boys had played soccer together as a team. All the boys showed enthusiasm and developed their skills throughout the season. The boys became great friends and had lots of fun along the way. Thanks to the parents, grandparents and friends that came to training and the games each week.

TEAMS And Reports

The 6G2s had an amazing year. We started off with six determined little players, but ended the season with only four. However, they were a dedicated group of four that turned up to every match. The second half of the season saw their true talents emerge as they regularly won every match, even though they were playing teams with a full complement of players who could substitute tired players.

We had the amazing Matthew with the biggest kick you have ever seen on a six year old. Owen whose tenacity saw him always first in to tackle the opposition and mark his player. Alex who could see strategy far beyond his five years of age – always predicting where he should be at the right time to foil the opposition's play. And David, our top goal scorer, whose fancy footwork and superfast running often saw him racing the entire length of the field to score a goal, only to also belt back down the other end to defend when needed.

Boys, you made all your parents proud! Well done!

TEAMS And Reports

Another great year for the 7As. The way these boys played their soccer this season made everyone so very proud of them. Not only did all the boys develop their skills and understanding of the game, they also had fun every week and most importantly played with good sportsmanship throughout the year. This close-knit group of boys have formed a formidable team and certainly enjoy winning. The mighty seagulls 7As beat every other team this year and were undefeated in 2 gala days. Highlights include Jacob's perfect passing, positional play and goal scoring, Jarvis's amazing ball skills, pace and goal scoring, Roman's competitiveness, defence and long-range goal scoring, Matt's strength, ball skills and goal scoring and Vasili's incredible dribbling skills, pace and goal scoring. These boys were a pleasure to coach! Thanks again to all the wonderful parents, grandparents and friends who supported the boys all year.

Luke and I are super proud of all the girls in the team this year. We had a mixture of old players and new, but by the end of the season all girls became great friends. We awarded the girls an award for their efforts, which we would like to mention:

Zara was our most "Valuable Player", Abbie was a "Dynamite Defender", Sienna was a "Super Striker", Ruby is our "Magnificent Midfielder", Zoe has the "Best Ball Control", Mali was our "Perfect Passer" and Amelia had the "Longest Shot" of the team. Thank you to the parents for your support and ensures our girls always played with team spirit. Thanks Luke & Kate

TEAMS And Reports

2017 was a year where we welcomed 3 new girls Dylan, Vivienne and Chehlo to the team, all of whom had not played before. But their transition to the team was seamless.

Our remaining girls Charlotte, Rose and Mia welcomed them with open arms and together we had a great year.

The girls gave their all and at times played some really entertaining soccer.

As their coach it was a pleasure coaching and training them. They really were an enthusiastic bunch and this showed in the games.

As the year progressed so did their confidence and with it their skill level. I know the parents really enjoyed watching them.

I'd like the parents for their support and a big thank to our manager Shelby for all her help.

See you all next year.

TEAMS And Reports

The U7E Cronulla Seagulls kicked off 2017 pre-season with some fresh faces in the team. Aden and Zavier joined Max, Jack, Declan and Jee under the direction of Coach Mark, as Coach Melanie took a sabbatical this year.

The boys quickly got to grips with Coach Mark's new training regimen and entered the season full of confidence and new skills.

During the season, there were some wins and some losses but the kids always played with enthusiasm and a great team spirit. No doubt this year's U7E Seagulls were led by player of the year Max Proctor, who with his sublime dribbling and shooting skills, must have scored 30+ goals in the season. Well done Max, this lad is definitely one to watch!

Declan and Aden also busted the net a few times, and as the season went on, all the boys started to get to grips with the Dutch style pass and move tactics drilled into them by Coach Mark during those cold Monday nights at training.

Jack, Jee and Zavier all improved significantly through the year and always gave 100% to the team cause.

Thank you to Coach Mark for his time and dedication and to all the supporters for their encouragement from the sidelines.

It was a pleasure as always watching the boys develop their skills and enjoy their football throughout the season.

Roll on 2018!

ABSENT: Vanessa Baillon (Manager)

Another great year for the boys in U7!

2017 began with a mixture of 2016 team members as well as some new recruits for 2017 who fit in tremendously. By week 3 the boys all gelled as a great team unit with the fantastic coaching skills from Craig Steen.

Over the season, the boys learned some excellent soccer skills and as spectator parents & grandparents we got to see some very 'fancy footwork' at times on game day to distract us from the cold.

The boys enjoyed a mix of wins, draws and losses throughout the season, but most importantly they had fun and made great friends in the process.

Thank you to our Coach, our Manager, as well as all the parents & Grandparents who helped out week after week throughout the season. We look forward to doing it all again next year.

The mighty 7Hs, what a great bunch of kids, a pleasure to coach and I am proud of the improvement we made during the season. Every Saturday it was great to see the smiles on the boys faces and the stress on the parents!

The team:

Stanley - Defender : Our rock at the back. Can kick the ball miles.

Lewis - Attacking Midfielder : Scored some great goals for us and against us. Always played with a smile on his face.

William - Winger : Our freekick taker, what a run up. Scored some great goals.

Oliver P - Defensive Midfielder : Ball winner with a massive heart and engine. Knows only 1 way, give 110%.

Oliver L - Striker : Always put himself in a position to score. Made the biggest improvements during the year.

Oliver M - Midfielder : Our play maker, was everywhere in most matches.

A massive thanks to the boys I hope we can do it again next year. To the Parents, what an absolute pleasure to spend time with you on Mondays and Saturdays and thanks for all your support.

See you again next year. Remember boys, spread out and keep it away from the danger zone.

TEAMS And Reports

Well what a great year we had in the U7I-1's. New Team, new friends and a great bunch of parents, grandparents and supporters. With the boys split almost 50/50 from the two local schools it was great to see how quickly they all bonded and the friendships they instantly formed. Our soccer this year was all about understanding the basics, learning new skills, teamwork, sportsmanship and above all having fun. Training was a blast every Monday and the boys seemed to enjoy it just as much, if not more then gameday. On the soccer front, the boys had a cracking start to the season and put in a great effort all year finishing off with more than our fair share of wins. The coveted "Man of the Match" was always a highlight on gameday as well as the goal scoring celebrations. I was very proud of all of them, and it was a pleasure to be there coach. Well done boys...stick together and enjoy your soccer!!!

Cronulla Seagulls 8A's
2017 was a fun year for the 8A's.

For most of the boys it was their first year playing together and they all had a great time playing on Saturday morning, training throughout the week, and enjoying each other's company.

It was lovely to watch all the boys develop different skills, and by the end of the season they were playing as a well-oiled team and implementing Troy's well thought-out game plans.

Despite the tough competition the boys always tried their best and we were proud of their efforts and their sportsmanship when winning and losing.

Thanks to all the parents for cheering the boys on each week and for getting up bright and early for our 8am games.

A big thank you as well to coach Troy and the other parents who gave up their time to train the boys.

A few notable highlights below:

- Ethan: Great presence in the mid-field – covering huge mileage every game.
- Jackson: Deadliest left foot in the shire.
- Jett: Formed a great combination up front with the other boys and always ready to pounce on an opportunity.

8A **BACK ROW L-R:** Sebastian Sanchez, Zac Zuvela, Liam Lakomy
FRONT ROW: Michael Ofria, Ethan Dyer, Jett Linnegar, Jackson Smith
ABSENT: Wilson Toman, Louise Lakomy (Manager), Troy Linnegar (Coach)

- Liam: Brought his league tackling style to the game and loved winning contested balls.
- Michael: A real speedy demon with skills to die for.
- Sebastian: Great delivery of service to the strikers and assistance in the midfield.
- Wilson: Pace to burn with some cracking shots on goal.
- Zac: Got through a power of defence and always delivered great service up the sideline with a huge boot.

W8A **BACK ROW L-R:** Nick Poriters (Manager), Willoe Poriters, Indigo Stewart, Indigo Donnelly, Arielle Styles, James McCartney (Coach)
FRONT ROW: Isabel Lamb, Laura Sutherland, April Farrugia, Scarlett MacArtney, Lucinda Gallagher, Charlotte Ellery

All the girls and parents are absolutely thrilled with the season this year! After the mid-season regrade to the A's the girls very quickly showed they deserved the promotion, continuing to play extremely well and improving week by week.

The season highlight was definitely the first match against Bosco when our team was down 4-0 at half time. Some encouraging half time words and a supporter base that screamed their lungs out spurred the girls on to a stunning 5-5 draw - the most exciting game of the season.

It's been a great year and bring on 2018! Well done girls!!

TEAMS And Reports

End of Season Wrap Up!!!

The parents were teary, the girls were inconsolable. Another great soccer year had come to an end! Then we went for coffee!!!

But seriously, we have come to the end of another awesome year of early Saturday morning soccer games. We were lucky with the weather...only 1 wash out and lots of beautiful sunny winter mornings. 8am at Engadine was the coldest with the risk of frostbite setting in!

We welcomed 3 new players to our team. Elise, Lara and Angela. Elise knew the girls from WPS, Lara knew Tilly and Angela knew no one! Lara and Angela were very brave early on coming to training and the games, and getting to know the team.

The season was very competitive with our team being moved up to B grade. They had fantastic results:

10 wins, 4 losses and 3 draws.

Rory was top goal scorer with 19 goals, Luka 9 goals and Josie 6. Scout, Angela, Tilly, Ellie and Lara also got a goal each and Elise had some close calls, aiming for that elusive \$10. Next year Elise!!!

Myra and Natalie stepped up to coach, taking over from Ben (a hard act to follow). They did a great job, teaching the girls some great skills and working on team positioning, as we now had to play with a goalie and on a bigger field. Thanks Myra and Nat for taking over this year!

And a big thank you to Lee for her first-class team management and to all the parents for getting their girls to training and games, and supplying the oranges!

FRONT ROW: Sarah Gould-Rahman, Marlee Goode, Olivia Ko, Sophie Moore, Ava Nelson, Maeve Branch, Jade Subritzky

What a year it was for the girls playing their first season together, and some playing for the first time. We suffered some close defeats, nail biting draws, and a few fantastic victories. All of the girls turned up super keen every week even on the coldest winter days. We saw some great performances and here are some highlights....

- * Maya and Serena were our super strikers scoring lots of goals
- * Maeve got more confident as the season went on to have some great games
- * Olivia had great control and ball skills
- * Sarah's was great at attacking the ball
- * Emeline was a rock in defence with some huge tackles
- * Ava showed immense improvement through the year with great runs down the field
- * Hannah was a ball of energy streaking all over the field
- * Marlee was a revelation in goals with some amazing saves
- * Jade really worked on her ball skills and it showed with a great improvement through the year
- * Sophie showed her speed winning some of our races at training

A special mention has to go to the parents who came to all the early morning games and were great supporters with lots of cheering from the sidelines. A very big thank you to Penny for organising all of us, we couldn't have done it without you.

As a coach I am very proud of the girls and I really loved watching you all have fun and play as a team. I especially loved watching you all do the cheer at the end of every game, a highlight of every parents weekend! I hope you all keep playing soccer. Coach Kane.

TEAMS And Reports

The W8C2's had a terrific season full of cartwheels, chatting, giggles.....and soccer! The girls loved playing each week and couldn't wait to get out on the field. Along with Olivia, Lizzie, Rosie, Charli and Tabitha from previous seasons, we welcomed Skye, Stella, Grace and Lara into the team, who slotted in straight away and were very welcome additions.

The girls adapted quickly to the bigger field, throw in's, corners and all did a great job at being Goalie. Their skills improved greatly throughout the season and the girls were very competitive, finishing with more wins than losses. The most pleasing part was watching them really play as a team, and playing with great sportsmanship.

Thanks to coach Graham for his calm and patient manner and for guiding the girls through the season, and a big thank you to the Mums, Dads and Grandparents for their sideline support, and for stepping in to help with training and on game days.

Enjoy the off season and see you back on the field in 2018!

BACK ROW L-R: Linda Buhagiar (Manager), Eliana MacEri, Eva McQuaid, Isla Johnston, Charles Johnston (Coach)

FRONT ROW: Neive Stroud, Charlotte Buhagiar, Amelia Baillon, Madison Boland

ABSENT: Zara Zammit-Mayer

Bigger, longer and wider!! Our girls relished the larger playing fields, goal posts, team members and supporters. Not only did we have wonderful individual performances but we began the first stages of playing as a team.

The boundless energy of our team carried over from our tortuous training sessions to the field. Regardless of outcome every member had a smile on their face at the end of game.

Of notable performances were the surging runs of Zara and the fleet-of-foot of Neive; tactile elegance of Charlotte & Eliana through the mid field; and the golden boot of Maddy with Eva using her height for intimidation! Isla showed her skill in goals with impressive saves and a natural flair in the goal square. Amelia rounded out the side with impressive end-of-season performances.

Well done girls on another successful season.

What a fantastic season for our under 9F/2. All the boys pushed themselves to be as good as they could be, it was so great to see. The results were many wins and some pretty close games. They all took turns at being goalkeeper and everybody tried their best in that role. Our stars strikers Charlie and Marcus were in the right place at the right time, always counting on the strong support of the midfielders Beau, Fletcher, Kayden, Harry and Hugo who also regularly put in their own goals.

Our defender Rhys, James and Oliver took their position very serious putting in 110% to stop that ball going through.

The team managed to build on previous years coaching & playing with some improvements through the season. It was remarkable how the boys showed their new skills, marking, passing the ball and working well as a team.

The energy that the boys brought to every game and training session was contagious. As a parent I'm very proud of the approach these boys have for the sport and as a Manager I couldn't ask for a better season.

Finally, thanks to the parents who dedicated every Saturday morning through the cold of winter and the Wednesday evenings to come to cheers and supports our boys.

FRONT ROW: Hamish Magill, Liam Parker, Patrick Sheppard, Jonah Smith, Will Clancy, Lachlan Manson

The 2017 season saw new team members Daniel, Hamish M. and Preston join the core of the 2016 team (Liam, Hamish D., Archie, Charlie, Jonah, Lachlan, Will and Patrick) to create the new look 10C team.

The bigger pitch was a challenge for the boys early in the season but this forced them to settle into positional play very quickly. Their natural positions became ever more evident this season. Charlie, Preston, Daniel and Hamish M. tending to the defence; Liam, Will and Patrick in the middle; with Hamish D. and Jonah our regular strikers. Archie and Lachlan displayed their versatility by covering pretty much any spot they were asked to.

These young men grew and matured throughout the season and showed great character through wins and losses. Injuries and illness resulted in a number of matches being played with no substitutes but they carried on and continued to put in 100% effort all the way to the final whistle. They also lived by rule no.1 - which is to ensure that we always have fun!

Thanks to Daren for putting in another great year of coaching with the boys. And thanks to the parents for ensuring the boys get to training and matches each week and cheering the boys on. It all adds to a positive experience for everyone. Look forward to seeing you in 2018.

TEAMS And Reports

What a great season girls! With a move to the bigger field, we were fortunate to source some new players to the game and team. Along with some regular help from the W8B's we were able to field a full team every game!

Our season started off quickly with a win and a tie and scoring more goals in our first game than we did all last season! We had some real natural defenders emerge this year in Arabella, Zoe and Camryn who along with Lyra and Cyd made a formidable back line, making our goal keepers work relatively light. Mia showed natural attacking instincts from her first touch of the ball and along with Amelia, Sana, Charlotte, and Teddy were consistent up front in placing a lot of pressure on other teams and showing a big improvement in our ability to finish plays off relative to last year.

Through the middle of season we battled in each game with many close results. Towards the end of the season we broke through finishing undefeated in our final four games, including wins against some of the better teams! The shifts in the score lines from the first third to the latter third of the season show just how much you all improved compared to the other teams.

Your Coach, Manager and parents are all so proud of you girls this year. You were always friendly and showed good sportsmanship, you improved individually and as a team throughout the year, and you looked like you were always having fun! Well done to all of you and thankyou to the parents for a memorable year!

Another great season was had by all. We welcomed Charlie as our newest member onto the team and her confidence and skills have really started to develop. Its been wonderful watching all our players dramatically improve their positional play and overall stamina, we just need do work on some ball skills now- next season hey girls!

We experienced quite a few wins this season which was a nice change for all- I finally got to lay some 'seagull eggs' from the sideline. I would like to thanks Kass Bertram for being co-coaching with me during the season. Paula Brennan also deserves our gratitude for being a wonderful Manager and keeping us all so well informed. Thanks lastly to all the parents who helped out when/where required- see you next year team.

A year full of fun and fair play. All of the boys gave the season their all and by the end of the year skill levels had lifted. Just watching the development through out the year makes being involved with these guys worth while. I have to say thank you to all for making the new players welcome and feel at ease joining a new team.

Once again the parents were great and supported the team and our efforts through out the year. Lisa was her great self as manager once again and managed to read all of my messy game sheets again.

Boys thanks for a fun season and I hope you all enjoyed yourselves and most of all enjoyed the game of soccer.

FRONT ROW: Bianca Feros, Core Haggarty, Zara Jensen, Grace Parmeter, Olivia Casetta, Rome Southwell, Ella Gersling

A great season for the W11A team. We had a mix of girls from last years A & B teams and some from outside the club. The team chemistry was great, they always wanted to train and were excited on game day. A coaches dream. The majority of games were decided by 1 goal, this years was a very close competition. The highlight for me was the U11 gala day where the girls came from 1nil down with 4 minutes to go to win 2-1 in the final seconds against a very good Grays Point team. That summed up the season for me the girls never gave up and always put in 100% for the full 50 minutes. Congratulations and well done.

Firstly let me thank all of the Mum's, Dads and Grandparents for your support through out the season. Sam, myself and the girls appreciated it.

To all the girls you were a lot of fun to coach. I hope you all enjoyed the season and learn't some new skills through out it.

You all should be proud of the way you trained and played always supporting each other and showing great sportsmanship.

Thank you all .

Tradies

TEAMS And Reports

Well boys what a season!, This year we had a very mixed group, we had seasoned professionals and we also had a few boys that were playing there first year of soccer. After the first couple of games and once the coach worked out every ones best position the boys started to click. To all the boys that were playing there first season of soccer I could not have been prouder as they all improved every game and did everything that was asked of them. The turning point for me was one of our away games against Menai, the team work and passing that day was of A grade standard and some of our finishing and defence was just as good. If there was a points table for the competition we would have been playing in the finals that's for sure! There is definitely a lot of potential in this team and if you boys work hard who knows what grade you will playing next year. Just a special mention to Craig and Nicole Jennings for all their hard work through out the year and on that note see you all next season coach Mick.

FRONT ROW: Kaelan Latham, Lachlan Pearce, Archie Carlson, Elias Woolley, Hugo Dhis, Tyler Vandenberg, Tai Riley

TEAMS And Reports

The Team finished first by 17 points in A Grade an amazing feat! Undefeated throughout the year with only two goals scored against with the best attacking record in the competition.

Our goalkeeper Keeran was an absolute standout with solid defenders in the back three; Ollie, Jackson G and Jack cutting out many potential raids on goal.

Our halves; Jackson F, Clay, Zach, Dominic, Charlie, Logan and Mitchell were a clear cut above any opposition we played this season. The forwards; Jayd, Jordan and Alex maximised their opportunities placing the ball in the back of the net early in most games providing a platform for a successful year.

Only dropping 2 points during the year, making the quarter finals for both the State Cup and Champion of Champions with losses only through a penalty shoot out and a golden goal scenario demonstrated how close the team came to taking out all the competitions.

With a trip to Orange during the Champion of Champions, winning a grand final and an enjoyable mid and end of season functions with the families rounded of a terrific year and the boys should be very proud of the achievements.

Looking forward to seeing all the boys return next year to defend their title.

12A

W12A1

What a fantastic season!! From the get go the girls mixed really well and a good culture was born. Unbeaten for the year with 14 wins and 3 draws. An amazing for and against record with 51 goals for and 6 against - 4 of those in the first 3 games of the year. There were elements of brilliance from a few stars, but largely the team effort from all players and the reliance and confidence in each other really showed. After a tough season the finals were a challenge, but the girls absorbed the pressure and were rewarded with finishing minor premiers and premiers for 2017.

Further testament to their cohesive team performance was being awarded the A Grade merit award for 2017.

Thanks parents for your support and fantastic and enjoyable year - very ably coached by Geoff and Gary and a pleasure to manage. Hope to see you all next year

TEAMS And Reports

This was our first graded year in soccer and it was a big leap from playing on half fields to full sized pitches and the goal fest we were used to last year!. Our enthusiastic team played so well and some of the scores did not do us justice in the way we played. In many of our games it was only one goal that stopped us from winning and advancing up the ladder. Brett's strategy of having dedicated positions worked very well as we can see our girls gravitating to their preferred playing locations.

Next year we will need a larger squad of players as for half of our matches, we only just scraped a team together and it showed. While we did not win many matches, our relegation to the Bs next year will have us playing against teams of our calibre and next season we will do very well.

Thank you to all the parents who supported our girls this year and for Brett giving up his time for the team. The whole team gets a mention as everyone gave it their best in every game and next year will see another great season.

Until next year.....

ABSENT: Daniel Benjamin, Matthew Coe, Jacob Palmer

2017 was a great season and we were very unlucky not to make the finals. I was impressed by how everyone played together as a team and put the team first. Each boy played excellent soccer across the park and we learnt how to get the ball to do the work for us on the full sized field. Bryce and Sasa were superb in goals all year and both made a number of saves that kept us in the game. They also did some great stuff on the field. Jacob was a star at centre back, constantly one step ahead of the play. Jesse D and Max were also rock solid in defence and excellent strikers too. Kayne was excellent at right back and always looked to get a pass up the sideline to get an attack started. Jesse W and Jett were always on the move and would get to the ball or close down the opposition fast. Matt and Luke were also super fast to the ball and both did some great runs down the wings. Dan and Taj were brilliant and controlled the game in the centre, tirelessly pushing forward to attack and getting back to defend. Zac P and Zac Y were consistently excellent in defence and attack and I think one of the best goals of the year came from a beautiful Zac P corner and flying finish from Zac Y - it doesn't get any better than that. A huge thank you to our wonderful manager, Dee, for getting us organised & motivated each week. We could not have done it without you! And thanks to all the parents for supporting the boys all year. I really enjoyed being coach & I hope that everyone plays in 2018!

What a season for the mighty 12D's. After starting the season very slowly and being well down the ladder at the end of the first round, the boys finally got their passing, running and positional play sorted and this resulted in them storming home to grab 4th position in the last game of the year. Not only did they qualify for their first ever finals campaign but they had to beat the undefeated Minor Premiers in the last game of the year to make the finals. By far and away our best game of the year as we dominated the game after conceding the first goal and fought back to beat the Minor Premiers 2-1 and inflict their only defeat of the season.

Onto our first sudden death semi final against St. Pats and again the boys showed the improvement they had achieved throughout the year by dominating the game and running out 2-0 winners and progressing to the final against Cronulla RSL.

Unfortunately we couldn't find a way through and the result finished 0-0 after extra time and we were eliminated as the lower finishing team.

The boys played another tremendous and skilful game, roared on by our travelling supporters who ensured a great atmosphere at the game, however we just couldn't find that elusive goal.

The boys finished the season playing a great brand of football and really showed how well they can play as a team and how much they improved the further the season went. A big thanks to Matt and Craig and all the parents for your support throughout the year. Matt

It would be no exaggeration to state these boys have taken us on an adventure this year of memorable moments and times to cherish. A group of individual characters these boys played with great enthusiasm and passion during the season which never failed to entertain our spectators. Whilst our defensive record ended up being the best in the Competition (some effort for a team which ended up 5th) it was pleasing to see our attacking forwards really transform during the season from a timid front line to a group hungry to score at every opportunity. The last 4 rounds took years off the Coach's life expectancy, playing the bottom team in the last round (which we won) we needed just one draw from the 3 other games to play finals football. Placed in the top 4 all season we lost those 3 games to the Top 2 teams and the Team that ended up pipping us for 4th - all by narrow margins. Other unlucky losses during the season really went against us. Such a shame for the boys - had we made the finals history could well have been re-written, we were good enough to beat any other team. But it wasn't meant to be, that's sport as they say. The year was full of individual moments, some great goals, spirited mid field and dogged defence at times, but it was the comradery that sticks out - all the boys so supportive of each other. You all need to be congratulated on how you played the game each and every week - we were all so proud of your efforts. Win lose or draw you were winners. Looking forward to season 2018.

TEAMS And Reports

A season of great football and high drama didn't end as we wanted, but that should not detract from the team's many triumphs. Zac was a brick wall in goal but was well protected by a miserly defensive line comprising Bryn, Connor, Luke, Peter and Jack H. Possession in midfield was usually well-controlled by Stevan, Matt Po., Tyler, Marley, Matt Pa. and Brodie - with Baxter and Jack M providing the fireworks up front. Generally efficient (and occasionally ruthless) against teams in the bottom half of the table, fortune was not always kind in games against their major rivals. Three games against defending 12A champions Engadine Eagles ended in one-goal defeats, while Seagulls shared a win, a draw and a loss against GyMEA United. The boys put together a dream run in the State Cup, reaching the quarter-finals, and with a third round 2-1 comeback victory against Forest Killarney a candidate for Game of the Season. Other highlights included a stunning 5-1 display of attacking football against a Menai Hawks team that finished 4th, and Baxter's 6-game 12-goal scoring streak which propelled us into the Finals. Round 18 heroics saw Seagulls finish 2nd, but two agonising 0-1 defeats - both to late, late goals - ended the season in disappointment. A key feature of the team was its friendly atmosphere, proving that you can have fun and be competitive at the same time. The boys were a pleasure and a privilege to coach - thanks for the memories.

ABSENT: Stefano Carrer

The 13c's had mixed results this season but the main thing was that the team improved a lot throughout the season.

Due to an unfortunate appendicitis suffered by Stefano, we discovered that Kieran is an incredibly talented goal keeper. He managed some incredible saves during the season and kept us in the game many times.

Our defence was very solid with Otto, Andrew, Luke and Alec working very well together to stop most of the attacks. These boys are definitely not the tallest in the competition but made up for it with great skill and determination. They kept much taller attacks in check.

We had most of our players in midfield so we could rotate and make sure that we could run hard for most of the game.

Orlando, Peter, Finn, Oliver, Max and Frankie worked hard running all game and improved greatly throughout the season. Some of the passing between these boys was great to watch.

Matt and Riley were our strikers and scored many goals. Both being very fast with great skill made it very hard for the opposition's defence.

There were times when things didn't work out for us but most of the time we played some very competitive football and managed some spectacular plays and goals. The spirit of the team was almost always high and I think that all the boys became very good friends.

A big thanks to Dean for managing the team and to all of the parents for helping out through the season.

After a challenging start to the seasons as the 13D1s, where we fought bravely but just lacked a killer edge, we were regraded for the Es and went on a giant killing run of 5 straight wins. That first win down at Tonkin set the tone for the rest of the season with our foundation a solid defence line and flowing quick attack through the middle and out wide.

As a team the skill set developed well and we were tested in a couple of tight games against Menai and Como but managed to prevail. Our biggest test showed us that we could match the top team even when they were clearly incorrectly graded, Miranda. In a game that saw our biggest loss at 7-2, we were unlucky not to have a much closer result and the second half was all our way. That game spurred the team on and we finished the season 3rd with only 4 losses. As a team we scored a number of great goals which was pleasing to see as the efforts at training were paying off. We also managed to stop a number of goals with a keeper rotation around Logie. As a team we developed a more attractive game over the season but it was just not our year.

The semi against Bosco was the most exciting game and we snatched a well deserved win only to go down fighting in the final and finish a fantastic 3rd.

A great season to watch and be involved with and as a coach and parent one you should all be proud of. Special thanks to Karen and Gary for their efforts with the managing of the team. Could not have done the year without their help. Simon.

TEAMS And Reports

Well girls, it can't be said we under achieved this year, look at the stats, games 17, 13/2/2, just 7 goals scored against, minor premiers, tilts at State Cup and Champion of Champions and closely but gracefully defeated in the Grand Final. Yes, some slightly unfinished business but results were there in spades this year for which you all need to be commended.

Essentially, this was a newly formed team of Seagulls incumbent under 14's and under 12's along with new to club signings. Despite this, the girls quickly formed a close bond and player combination which was displayed on the park from the outset, making a very early statement that we would set the benchmark for the season. Player injuries and absences due to representative duties interrupted our season, but we fought to the end, a tough end of the road took its toll as we just fell short of our season end goals.

Special mention to all girls during the season that filled in from other teams, even there to the end to assist. Since GF, 7 of our Roster have been picked up by Rep teams across Sydney, 2 breaking into the Sutherland team for 17/18, yet another gauge of our success as a unit. Girls, despite the end of year disappointments, you can all hold your heads high. Your positive attitudes and encouragement of each other together

W14A

with your level of sportsmanship and fair play clearly demonstrate what a wonderful group you were. Congratulations of a fantastic year of skill and personal development throughout a challenging but I'm sure all would agree character building year.

The girls had a great season in 2017, we showed that we could match it against any team in the comp. We just lacked a bit of consistency at times, everyone in the team showed great improvement and I think they had lots of fun along the way.

It was great to see many of the girls grow in confidence during the year and that helped them improve their skills and enjoyment.

They are a great bunch of friends, and hope to see them all back next year again in the under 14's.

Special mention to Johanna and her family, it was great to have you join the team this year unfortunately given your age we won't see you in the team next year, but thanks for a great year.

We always knew 2017 was going to be hard year with boys jumping up 2 grades. Though the boys did not reach the finals this year they did show allot of determination, team spirit and commitment throughout the season. Considering the number of injuries and factors outside their control we could not be prouder of the young men our team and this season could have finished differently if the Football gods shone some light on us.

Regardless we feel they all left 2017 not only as better footballers but also demonstrated some clear qualities that would make any Coach, Manager and Parent proud.

Well done boys! 2018 will ours if you keep your "off season" running up.

Ruben and Pete

TEAMS And Reports

What can I say girls what another cracking year, we welcomed new players - Nicola, Paige, Abbie, Kiara and our German import Patricia to our squad from last year all great additions to the core group of girls that have been together for many years.

This season we were asked to go to another level stepping up from the 14's to the 16's where we met opposition bigger physically, but with our knowledge of the game, skill and determination we overcame many obstacles to gain another premiership with a cracking 3-1 win over Gynea in the GF. No to mention the fact that we reached quarter finals in both State Cup and Champion of Champions playing up an age division.

As a coach I couldn't ask for more from a group of girls and I believe you all learnt a lot from your experiences on the field. It was challenging but you all stood up when it counted as skill, class and hard work shone through.

Special shout outs to Sarah for her first season of managing along with John for his constant help as my assistant coach, would also like to thank Damian for his great photography and sharing the Hurst Home for Patricia's send off!!

I would also like to thank all of you that put your hand up to play in goals this season, a tough job I know and I promise not to go another season without a keeper!!

Looking forward to doing it all again next year!!

Cheers
Jonathan

Well what can be said than what a ride of a year for our boys. Despite a lack lustre 2016 there was no down grade meaning the boys faced a monumental challenge to be a competitive force in 2017. But off season player acquisitions, early preseason fitness training and physical development in the off season gave us plenty to be positive about. With the season underway the boys all grew in stature and confidence -as weeks went by victories that we never dreamt of came our way even against competition heavyweights , if we did not win or draw we could hold our heads high in defeat. Our supporters were all witnessing something special- the development both physically and mentally of a group of absolute gentlemen that by the end of the season had not become a group of over achievers but a group that have set new boundaries ,new fitness and skill levels both as a team and individually. Guys, by the end of the season you convinced us and yourselves that you were real contenders in 2017 - no, the final we did not win but your sustained competitive efforts during the season were nothing short of inspirational to watch and now savour in reflecting. The efforts of each and every one of you made us all proud and excited for next season and years ahead -you showed us and yourselves what can be achieved and we can be no more prouder with your results and your commitment throughout the season- plenty of memories but plenty of exciting times ahead as we continue to follow you on the ride.

TEAMS And Reports

A surprise reaction from the boys whilst having a tough year this year. The tougher the competition got the closer they got, they somehow found the way to deal with the challenge as they were punching above their weight group, they stayed as good mates. Had plenty of fun and just simply got on with it. Up and forward. Very inspiring attitude. Good luck to all and keep playing boys

18A1

18A2

Another season down and our first year in the U18s Comp. Most of our team was the same from the year before, losing a few but welcoming Chris, Billy, Daniel and Theo to complement a strong team to take on the U18 teams in their second year.

We made the semis which, as 1st year U18s is a fantastic achievement.

We started off the season on a high, beating the unbeatable season before Kirrawee team.

The boys soon learnt that to win the games, they had to put an effort in against the older teams, and although some of the games, the boys just didn't turn up (in their minds), they still put in a gallant effort.

Overall, all the boys played as we have come to expect and that is playing the game as gentleman and with sportsmanship. They should all be proud of their achievements.

Great effort from the team this season and hope to see all the boys back next year when we tackle the U18s again in our second year. We should be unstoppable.

Thanks to the families throughout the season for their support and thanks to Mark and George for coaching the boys this year.

TEAMS And Reports

With almost all 18C's players doing HSC this season, 2017 was all about having a good run each week and enjoying our Soccer.

There was a core group of committed players that kept the team together all year but injury and availability hurt us in games we should have won. With no chance of finals, we took to the field in our last game with 9 players, but still held a top 4 side to a draw with only 30mins to go, showing the capability and commitment of our core playing group. Big thanks to Rod for Managing this season. We wish the boys all the best as they complete their exams and move onto life after high school.

Thanks for another enjoyable season. Wayne

18C

18E2

This year, Trevor and I saw some really great performances by the boys, in particular was the first time we played against St Pats who were unbeaten. For me, this was the best game of the year with everyone putting in a massive effort and showing what we are capable of with their skills, strength and tenacity; never giving up till the end. Throughout the year, we witnessed the boys coming together as a team and showing real leadership on and off the field. They are a great group to be associated with and it's a pleasure to know them all. Unfortunately, we just missed out on the finals this year, but it's been great watching this group of boys growing into fine young men.

TEAMS And Reports

CRONULLA SEAGULLS 21C(3)

Slowly ... Reluctantly.... the team formed much to the platitudes and superlatives of the soccer fraternity. Humbly, and of course, graciously these plaudits are accepted with all due modesty. So thank you very much. But !!

It was nearly not to be. Some of last years combatants were unable to cope with the inglorious end to the 2016 Assault and were last seen heading to a faraway mountain top of Berryland to do the Zen thing and gaze at their navel. Rival franchises were also making strategic raids on this elite squad that emulated the great Real Madrid pillage of Coutinho of 2017. And of course, there was apathy, discontent and Night Club entry fees that to be paid.

Despite executive pleadings from FFA and the promised increase of sponsorship and merchandising reve-

nue, it seemed that the fairy tale sojourn of the Beloved Entertainers was to fade from Dianella Street after many years. Would the year of the ripped jean, navel-grazing pendants and black cotton thong also be the year that The Entertainers were no longer part of the fashion scene? Would the year that Cuba Golding Jnr and Sara Kapfer stopped spanking the monkey together mean that the Entertainers would be left holding the tissues? Would the year of Hugh Heffner's final demise also be the death knell of this soccer institution? But I digress

As fate would have it, all it took was substantial Telstra phone bill to activate the network and the catalyst was put in motion. So ... (lights dim) and without further foreplay, Ladies and Gentlemen (drum roll starts) Di Stefano Enterprises (DSE) in partnership with Esquilant Holdings (EH) and in association with Seagulls Incorporated, we were once again proud to present an encore performance of your Beloved Entertainers in the 2017 Strained Groin Tour. You wanted the best, you go the best (drum roll reaches crescendo). So, in true style your revered athletes were able to take the field to tumultuous applause as they prepared to challenge for the holy grail The 21C competition. Yeah baby !!!

DSE and EH were able to make discreet forays into the transfer market to secure the services of some very unique talent. Jules and Evan became our Twin Peaks where none shall pass unless they wanted to limp. Ash made the weekend trip from downtown Vacluse to add style and charisma to our forward line ably assist-

ed by Jarod. Hayden played everywhere, both left and right and covered more ground than a 60 Minute crew in North Korea.

Macca returned to the team after a brief retirement to show that he had lost none of his soccer prowess whilst Harrison decided to test out Australia's Medicare system. Lukey was our chief custodian between the sticks whilst Antonio and Raph perfected the role of meandering fullbacks. Jarrod distributions were pinpoint and played with many feats of bravery as Simmo decided that he liked RED and decided to test out the Associations legal system. And as we continually dipped into the transfer market to keep our numbers above 11, we welcomed the Seagulls version of The Three Stooges – not Larry Curly and Mo but Will, Dim and Cameron.

But the big question on everyone's lips was - Harley, where's Harley ???

So despite the last minute nomination, the Association charged you Beloved Entertainers to take the beautiful

game throughout the Shire including the well known hot spots of the Ridge, numerous times, Greenhills and the sandpit of Gymea Oval. Other neophytes were to be enthralled with the skills and precision of this juggernaut as this entourage bulldozed its way through the 18 rounds of the 21 C competition. Technically it was 15 as we had a washout and two byes.

Although our opening game was less than memorable, your revered athletes were able to string together many memorable performances and finish on top of the heap – Minor Premiers. As for the Holy Grail? How did we fair? Two crushing wins of finals soccer par excellence was spectacular ensuring it a season to remember.

Ladies and gentlemen, thank you all very much. Drums fade, spotlights dim, applause dies away. And another famous final scene.

TEAMS And Reports

As parents of teenagers will know, the experience can be frustrating , exasperating , be prone to bouts of what am I doing , why don't they listen to me , you are testing my patience etc but above all else it is ultimately VERY rewarding to see what they can become. And so it is with the team known as U21D's

We started the year being promoted from 18's without any training, disorganised and still trying to register players. Some would say business as usual.

But what was to be a reflection of the year , when it mattered, the boys dug deep, showed resilience, passion and a will to work together as a team.

Our results proved it worked - while we lost 4 games (2nd lowest in the comp) , we played and beat every team in the competition. Scored 61 goals (the 2nd highest in the comp) , conceded 23 goals (the 2nd lowest in the comp) and ultimately won the grand final 6-1

It has been a year filled with laughter, changing hairstyles, injury and appreciating the act of simply playing together as friends - which is what it should always be about. We have enjoyed our success and learnt from our disappointments and grown as individuals while forming some lifelong memories.

My sincere congratulations to each and every player, for you have all contributed to the team success in your own way, without that contribution we would not be here as Premiers but most of all we would not be here as friends and sharing in the 2017 memories. Winners are grinners

The Coach

W21A2

The W21A/2 team enjoyed their first year in the senior competition despite losing more than they won. The 14 girls were a mixture of University and HSC students with one full-time worker to make up the numbers. Study and travel commitments did mean that we had quite a few weeks when we did not field a full team. This did have its expected impact. That aside, the girls always put in a full effort whatever the number on the pitch. We did not have a full time goalie and it was a credit to the girls that each player had at least one game in goal without any complaint. The girls have a good deal of soccer talent and will look forward to putting that on display again in 2018. They are a supportive, cohesive and energetic team and hopefully they will all strap on their boots in the new year.

TEAMS And Reports

Back to back premiers is no mean feat, but that's just what the W21B's have achieved this season.

Finishing Minor Premiers this year the girls methodically played their way into the Grand Final following a comprehensive win in the major Semi Final against North Sutherland. They went on to win a rematch in the Grand Final against an always spirited North Sutherland side to claim the title.

The real work this season started from round one, with new players Steph, Olivia and Lily gelling well with the regular team roster of Amelia, Penny, Claudia, Cassie, Sharni, Lyndian, Caitlin, Amber, Tenille and Mikayla.

The biggest change this season was the introduction of new coach Charles Warden. Charles, in his rookie year as a coach did a great job guiding the girls this season at training and on match days, bringing the benefit of his experience as a player to an already determined group of players.

The W21B's culture personifies our great Seagulls Club with parents, siblings and players mucking in to help with ground set up, doing coffee runs and grabbing the odd bag of performance enhancing red frogs! A shout out goes to Carolyn for bringing the oranges each week, to Bob for his stand in Manager gigs and to our loyal mascot Josie.

Cheers to George and the Committee and to Jonathan as women's coordinator.

Can't wait for next season!

Cheers, Damian Hurst

W21B

BACK ROW L-R: Damian Hurst (Manager), Amelia Hurst, Tenille Piek, Lily Drury, Caitlin Ryan, Lyndien Punnett, Charles Warden (Coach)

FRONT ROW: Cassie Whetu, Stephanie Hession, Amber Chadwick, Mikayla Cox, Penny Wren, Sharnie Whetu, "Josie" Team Mascot

ABSENT: Claudia Turner, Olivia Bannon

WSC

2017 saw us step up from the 21s to WSC and it would be fair to say we found we had more to learn than we expected! Yes we had some fantastic new players and we were younger and faster and started with two good wins, but we had a bit to learn in terms of street smarts from the experienced players in some of the top teams.

We also discovered that injuries start to happen post 21 (on top of weekend job commitments) and as a result a squad of 14 is not sufficient! Thank you very much to the W21B, WSF and WSG players who helped us out during the year. Ultimately we came 6th of 10 - a reasonable result - but we hoped for a lot more!

Having said that we played some really nice football and with all our players available can match it with anybody. It was a great team and terrific group of girls to work with. We even trained this year!

A special thank you to Kristen who again acted as manager and did a super job organising everybody.

The potential for next year is obvious and enormous. Hopefully all our girls will be back and we will give the WSC a real shake in 2018.
