CRONULLA SEAGULLS FC WELCOMES HIGHLAND PROPERTY AGENTS AS MAJOR SPONSOR

left to Right: John Schwarzer, George Koulouris, David Highland

"Our team at Highland Property Agents are extremely proud to be the major sponsors of the Cronulla Seagulls for 2014 and are excited to continue this relationship in the years to come. Cronulla Seagulls is a truly great sporting club and it has been our pleasure to support the club, teams, players, committee members and parents this year. Several of our team members wear, or have children who wear the black, green and white in the club and all love the atmosphere at every game. One of our leading agents, John Schwarzer, is not only a parent of players, but also a Committee Member and Coach.

Well done to everyone at Cronulla Seagulls. Everyone has done a fantastic job at helping to grow such a wonderful club. A big thank you to all of the parents, coaches, referees and committee members, without your efforts, this strong club would not continue. The players put in such hard work and a great deal of effort at every game and we congratulate each and every one of you on a great year.

We are looking forward to helping grow and support the club and are looking forward to more on field action in 2015."

PRESIDENT Report

Welcome

*to Cronulla Seagulls FC presentation day for 2013.
Congratulations to the following teams for their great results this season.*

The club keeps growing every year with 2014 being a record year with 1235 registered players which made up our 103 teams

Congratulations to the three premierships teams (W14B, W18C and 45B). I would also like to congratulate the W18A for winning the State Cup which was a great achievement by the girls.

A big thank you to our coaches and managers for their efforts and support doing a great job as volunteers. To all the seagull players well done for another great year and hope to see all players return for season 2015.

I would also like to thank all the teams and parents for helping out every weekend with ground duty and set up, also a big thank you to Robert Brown and Stuart Bush who turned up every Saturday morning at 6am to co-ordinate the various field set-ups for our Miniroos and Competition Teams.

This year the club obtained a new major sponsor, Highland property agents and would like to thank Peter and David for their support and look forward to our partnership for many years to come.

As to all our other sponsors the club appreciates your support and we encourage all our members to support your business.

The committee this year had their work cut out with 1235 players it took a huge effort to make sure that the season runs smoothly and would like to congratulate and thank them for their support.

With season 2015 looking like a bigger and better year we are hoping to gain a few more committee members, so please put your hand up and help

See you all next year

George Koulouris

President of Cronulla seagulls Fc

SECRETARY Report

2014 turned out to be a big year for the Seagulls with registrations hitting an all-time high. The buzz of our new players during registrations days made the Committee feel like their time and effort put into the Club was all worth it. To see the joy on these new junior players as they bought their first uniform and pleading with Mum or Dad to wear the jerseys and boots home. Some parents tell us that their child wouldn't take their uniforms off for days after. I would like to thank all of the other new registrations both in the older Junior Teams and Senior Teams and of course, we can't forget to thank all of our returning players. The Club grows from strength to strength because of you.

I would like to personally thank the few committee people that put a tireless effort into the club, that forgo any personal activities on Saturday and Sunday, just to make sure the Club runs as efficient as can be. To the rest of the committee, your help has been appreciated.

Where would we be without our Canteen and BBQ. To the Canteen and the BBQ people, thank you for your efforts during the season. All profits made from the Canteen and BBQ are used by the Seagulls club to improve its facilities and to make the game that bit more enjoyable.

Thank you to all those teams that did their Ground Duties when requested. It is not a big ask for you to help out the club once or twice a season (and the Senior teams that did a few more times than that) to help setup the fields and do Ground Control for a few hours. 99% of teams took it in their stride without any complaining. Your efforts certainly take a lot of the strain off the Committee to get the games started on time and for all to enjoy the games.

Thanks to our Mini-roo Referees. With the increase in Junior teams, we had 34 Mini-roo Refs, aged between 13 and 15 and I must say, what a fantastic job they did through the season and parents, you congratulating them after the games (some with 3 cheers), made them a happy and proud bunch.

Special thanks go out to all the Parents and Supporters of our teams. I know for the younger Saturday teams, it is hard to get out of bed in winter for the early games (try getting out of bed at 6am to setup the field like some of us do), but just remember the joy on your kid's faces when they kick the ball and even score their first goal. That's what we are here for. I'm sure it is also hard for some Seniors to get out of bed early on a Sunday too when they have an early game.

We always need new committee members prepared to offer a few hours a week of their valuable time. We don't need committee members that are just on the committee for personal benefits, but members that are there for the "players" both young and old and members that are willing to help make a difference. We are always looking for committee members from all age groups, Junior and Senior. So, if you want to get involved by being on the committee, please send me an email or come along to our AGM on the 30th November.

Last but not least, best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Rob Brown,
Secretary

TREASURERS Report

A very good year financially for Cronulla Seagulls Football Club, thanks to the favourable weather conditions. All Sunday games were played and only 2 Saturday games washed out.

A big thank you to our long term existing sponsors and our new sponsors. If you can, please support them as they support us.

Thanks to our canteen ladies Simone, Cathy, Samantha and Anne for another great year. Also thanks to our chefs in the BBQ and to all those who jumped in and helped during the busy periods.

To everyone who assisted the committee through the hectic registration period, your help was greatly appreciated.

Best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

TEAMS And Reports

What a great 2014 season for the team we had. Coach Mitch had his work cut out for him, with half the team having played last year and the other half newbies. We started off with a few tough games and had a few losses playing as the 6A's. Requesting to be regraded to give the boys a fair chance half way through the season we became the 6B/1's.

The whole team put in a great effort, from our super striker and by far the fastest Lucas, the relentless energy and enthusiasm of Matthew and Sebastian. Dedicated in defence as always were Harry and Dean with Jackson and Mitchell coming out of their shells to finish the season very confident players.

I am so proud of the boys putting in 100% each game. Look forward to next season!

It was wonderful seeing the enthusiasm and excitement every Saturday and Wednesday night as the boys couldn't wait to get into the game or training. Each of the boys really improved their skills over the season with this being the first for most of them. James' determination and development of his tackling was one of the great improvements for the year. Young Tom saved some great goals during the year and nearly kicked his first goal in the last game. Cooper had a great all round year, tackling and chasing down every ball he could. Harrison held the midfield together defending from end to end and kicking a few late season goals too. Charlie's defensive orientation turned the other teams around and kept our goals clear game after game. Thomas gave it his best in a new sport. Finally, Samuel, our goal scoring maestro, a future striker in the making with some dribbling around players beyond his first year of soccer, and goal scoring ability to boot. His personal tally...41 (by his own count!) All this came together with everyone having some great fun, trying their hearts out every game and having some great successes as a team as well as individuals. Summing up the year, we played for each other as a team and had fun, our motto for every game. A special thank you to all of the parents for wonderful support during the year, Nick in particular for managing the subs and all the dads that helped with training. The photo below captures the bond and comradery of the 6B/2 team.

TEAMS And Reports

It was a great year for the boys in U6C with everyone contributing to a fun team environment. For most of the boys it was their first year playing football and the improvement in their skills from the beginning to the end of the season was remarkable. They all put in big efforts each week at both training and on game days. Alex, Ben, Darcy, James, Nick and Rowan each improved as players individually and as a team. The team managed to string a few impressive wins together but whether we had a win, loss or a draw all the boys had fun every week! Even the parents had fun watching their boys in the cold and wet weather. Special thanks to all the mums and dads, family and friends for cheering the boys on week after week.

What a great year. The first year of soccer for 5 of the 6 kids. The initial games were fun in the way only under 6's can be. Kids running around really not sure what was going on, but having fun anyway. The learning curve was fast, and soon all of them were getting into the spirit of the game.

Harry showed some serious talent and was a goal scoring machine from the very start. Niko, Will, Wilson, Tom, and Luka and also began to score as they gained skills and confidence.

With only 1 loss all season, the boys played well. They increased their skills, and got along well both on and off the field. 2014 was a success for the 6D's. "

TEAMS And Reports

What a season. Players, parents and coaches showed plenty of enthusiasm, tonnes of passion and a great sense of humour, even on some of those cold winter mornings at 8am! We had a couple of players who had played last year and the rest were first timers. Everyone gave it their best with lots of excitement on and off the field for every game.

In the early games there was plenty of enthusiasm but not much skill. By the end of the season they looked like a group of well trained pro's.... But that's enough about the goal celebrations.

We were lucky enough to have not one but two fantastic coaches who shared plenty of knowledge and had the patience of 100 chess players. Without the coaches the boys would not have made the fantastic progress that they did.

I think one of the most difficult things for the coaches was keeping only 4 players on the field. No one was ever keen to leave the field and give someone else a turn. Team catch cry was "can I go back on?" Thanks to everyone for such a wonderful journey. Bring on next season. We will miss Joshua and Knox who will be staying the 6's next year.

The U6G's started the season with six young boys whom had never played soccer before, two of the boys were just 4 years old when they started. However, what these young boys lacked in experience they made up in determination! They gave every game 100% effort. Out of 15 games they won 9 and had one draw. As the season progressed it was wonderful to see the boys becoming friends & ultimate team mates. Everyone of them was keen to score goals however with every game their natural talent was drawing them into positions. Charlie was our over all goal kicker, while Rhys was a natural goal keeper, Ethan was born to defend, ain't no one getting in his way! Jack was built for speed & could quite easily run the length of the field with the ball. Oliver has soccer in his blood & was spurred on by watching the World Cup. He came on every week & just did his fancy footwork to get that ball. Oscar initially wanted to score goals & score goals he did, heart of a lion he gave it his all every week. Coach Nick may have looked like he was just having fun every week at training if you were watching the boys smiles, but clearly when these boys took to the field you could see they were all learning the skills of the game. We are so very proud of our U6G boys & we can't wait for next year, this will be a team to watch!

For all our boys and their parents, the first year of the kids soccer lives proved to be both a challenging and enjoyable one. Whilst we started off a bit timid, we certainly hit our groove by the season's end with all the kids willingly participating in both training and on game day, with an eye on the coveted 'player of the match' trophy awarded at the final whistle. Congratulations on a great season and we all look forward to many wonderful years ahead. Special thanks to all the mums, dads and grandparents for their help and support with training and on game day. Bring on season 2015.

Tradies

TEAMS And Reports

What a fantastic first season of playing soccer for our little under 6I/2 superstars. The boys got off to a cracking start winning their first ever match and didn't look back. The boys continued their winning streak and were a force to be reckoned with, only losing 2 games all season.

Week in week out the boys were very enthusiastic and enjoyed every minute of it! We saw some great defence and attack, plenty of goals scored and plenty saved. As the season progressed, the boys not only improved their individual skills and confidence, but developed their teamwork, learning to pass and play collectively as a team.

The boys formed strong friendships over the course of the season and enjoyed many great times together. Well done to Fergus, Marcus, Joshua, William, Samuel, Lennox and Asher!

A big thank you to Steve for taking the time out to coach the team, and thank you to all parents for their support and encouragement throughout the year.

Looking forward to another great season next year."

6J BACK ROW L-R: Mike Evans (Coach), Inga Barbuto (Manager)
FRONT ROW: Zachary McElroy, Brooklyn McConnell, Lachlan Dietmann, Caleb McConnell, Harry Evans, Mika Barbuto, Nate Larkin

The 2014 under 6J soccer team was made up of Mika, Harry, Zachary, Nate, Lachlan, Brooklyn & Caleb. Coach Mike & Team Manager Inga organised the team. It was the first year each of the boys had played soccer & the boys were all committed to learning the game & increasing their skills. From the start it was obvious the boys all got along & looked forward to each game. As the season progressed we witnessed the boys working well as a team, sharing the time on & off the field, sharing the ball during the games and & demonstrating great sportsmanship by congratulating & shaking hands with their opponents after the game. Throughout the season the boys' skills increased and they found their own natural positions on the field, each bringing their own strengths to the team. Mika (The Bulldozer) with great concentration ploughed through the field to get the ball up to the goal, Harry was very assertive in his attack & defence & was great at goal scoring, Zachary showed great improvement on the field - becoming a valued team player, Nate (our little goalie) found his natural position defending & protecting the goals, Lachlan our fastest runner and the first player confident in scoring goals from the beginning of the season, Brooklyn's confidence improved throughout the season & demonstrated great attacking skills, Caleb was committed each week - improving in his attack & defence. Overall the boys had a great amount of fun & have formed great friendships.

TEAMS And Reports

The 6W girls have had an outstanding season, for many of the players, their first. We have had many wins and a few losses, however every game has been played with determination and fun. The girls came together really well as a team, always encouraging one another and sharing success. We have also enjoyed a vocal parental support team, even through those cold and wet mornings. Well done Charlotte, Emma, Freya, Gabriella, Imogen, Olive, Imogen and Zahli. We look forward to seeing you all play in 2015!

6W BACK ROW L-R: Nicki Traina (Manager), Ruby Johnstone (Coach)
FRONT ROW: Charlotte Burton, Gabriella Casetta, Emma Traina, Imogen Byrne, Zahli Blattman, Freya Earle, Olive Johnstone

6X1 BACK ROW L-R: Cyan McKinnon, Sophie Clark, Gracie Gardiner, Gavin Mead (Coach)
FRONT ROW: Casey O'Hara, Lani McKinley, Brooke Carabedian, Lexi Mead
ABSENT: Kelly Gardiner (Manager)

We have had an enjoyable first season with the Seagulls soccer club. Our team consisted of Brooke, Casey, Cyan, Gracie, Lani, Lexi & Sophie.

Our team won 10, drew 1 and lost 4 games, which we consider great for their first season. The kids had a lot of fun and learnt lots of new skills along the way.

All our kids have improved over the season which is all that anyone could ask for. We were extremely lucky to have a wonderful group of parents which made our experience as coach and manager a breeze. We had a large following of parents, grandparents and other family members at each game, sometimes the grandparents out-numbered the parents.

Overall the girls did the Seagulls Soccer club very proud this year with some very big wins and only a couple of losses. The players get on well with each other and have gained some very good friendships from working as a team.

All of the girls have indicated that they would like to play again next year so we're looking forward to another great season in 2015.

Lastly, I would like to have a special thank you for Gav, who was our coach for the year. It is a very big effort to go to training and the games every week and be the coach of an under 6 girl's team. It is very much appreciated Gav. Thank you.

TEAMS And Reports

Well done team on a fantastic first season of soccer. The year has been full of fun, friendships, and of course, a lot of great soccer. Every girl in the team has improved so much over the year, and you all show great promise of being future soccer stars! Training has gone from cartwheels to kicking, and from singing to scoring! And the games continued to improve week on week, with everyone contributing: Camryn with countless goals; Indy with consistency, control and speed; Emma with her huge kick and impenetrable defence; Arielle with her relentless determination and focus; Rimu with her dribbling and persistent smile; Jasmine with her detailed game plans and post-scoring celebrations; and Ebony with her determination to "score 20 goals" every single week. Many thanks to our wonderful coach, Belinda, who has taught the girls all they need to know about the sport, and provided a lot of fun, laughs, smiles and hugs along the way.

6X2 **BACK ROW:** Belinda Latta (Coach)

7A **BACK ROW L-R:** Stephen Parker (Manager), Daren Draganic (Coach)
FRONT ROW: Liam Parker, Archie Farrugia, Charlie Parkes, Ethan Kiehne, Hamish Draganic
ABSENT: Taj Wardle

The 2014 season is behind us and well done to the Seagulls 7A team for putting in a fantastic effort this year! This is the second season that the boys played together and they have grown as a team and individuals in so many ways. They have formed strong friendships and have some great memories from the last past 2 seasons.

Taj was our leading goal scorer and dribbler extraordinaire with a number of blistering runs through and around the opposition. Ethan was our robocop, receiving a number of big hits but bravely shrugging them off and carrying on as normal. Archie demonstrated strong skills in both attack and defence and was always in the thick of things pushing the play forwards. Through consistent grit and determination, Hamish never shied away from the tackles and was always ready to lend a hand up front. Liam played 1 year up again this year and provided a solid last line of defence with strong tackles and big kicks up the pitch. Charlie grew as an attacker throughout the season and has become a formidable player with his fearless play.

Win, lose or draw the boys always gave their all and brought their energy and enthusiasm to each training session and match. It's been a real pleasure to coach and manage them over the course of the season. Of course, a special thanks to the parents for getting the boys to where they needed to be every week and cheer on the team.

SWIMART
POOL & SPA SERVICES

7B BACK ROW L-R: Allan Stonestreet (Coach)
FRONT ROW: Kalani Rowley, Lachlan Manson, Jonah Smith, Aidan Stonestreet, Fletcher Bagley
ABSENT: Fiona Stonestreet (Manager)

7C BACK ROW L-R: Lisa Cameron (Manager), Glen Langford (Coach)
FRONT ROW: Hugh Langford, Liam Cameron, Milo Toman, Sebastian Mirarchi, Jarvis Morton, Harry Kathestides

Well the season started with six very keen boys some of whom knew each other and others who did not. The first couple of weeks were simply chaos with all of them running like crazy and basically doing whatever they wanted during training. This at least gave the coach time to work out some basic drills to practice so that we could focus on controlling the ball.

As the weeks went by the boys knuckled down and started to put the practice into the game. Soon enough Milo was running up the side line (using his stellar left foot) and sending crosses into Harry and Liam who were keen as mustard to score a goal. Hugh began to not be frightened of the ball and was tackling and kicking, with Jarvis who was our own Ronaldo with some beautiful foot work while Seb started putting his big kicks to good use during play.

Unfortunately later in the year Liam fell over and broke his arm, Harry went on a seven week holiday and Hugh was away but the rest of the boys stepped up to the plate and even kept wining whilst playing short or with a few fill ins. The season drew to an end with Harry back and Liam being able to play the last game. The boys had a great time and all of them have improved from that first initial mad training night and only lost a couple of games this season. Thank you Lisa for taking control of things as the manager, thanks to the parents who sat in the cold on Tuesdays and thank you U7C's for all of the fun we have had this year.

TEAMS And Reports

The boys are all great mates & this showed with respect for the game, each other & the opposition. Each boy displayed their own unique talents throughout the season with all boys sharing in scoring goals for the team

7E's defense could best be described at times like an iron curtain with teams unable to score against us. Their passing game was unmatched and could be compared to the beauty of a flock of kookaburras laughing on an electric wire with their butts on fire.

Andy Rule: Would stalk & hunt down the opposition with a turn of speed unparalleled in any team. Atti Lancaster: A tyrant in front of goals - if the opposition had the ball near him it wasn't for long. Baxter Lord: A deadly left & right foot, oppositions feared his presence on the field. Ben Layton: A fierce competitor also with a left & right foot. Would chase down a speeding gazelle if it meant scoring or stopping a goal. Riley Walker: An all rounder that would cause PAIN to anyone that stood in his way and a powerful right foot that knew where the net was. Seb Barnes: Most improved of all of our players. Seb grew into a fierce defender & showed pace and soccer knowledge that he didn't know he had

Boys I am proud of what we achieved this year. We held our heads up high & had a great time kicking a ball around a park. We showed respect to each other, our parent's, our opposition and to our club. We made new friends & most of all we are now one big soccer mad family. Have a great summer - Coach

What a great season all the boys have had. They all worked hard under the guidance of our fabulous coach, Shane.

Our team was made up of some first-time-players and some with more experience. It was very pleasing to watch the boys come together as a team and develop into keen young soccer players.

Every Saturday the boys would all put in 110%. Cadel, Will, and Jesse showed of their superb dribbling and striking skills, resulting in many goals. Every week Jaden went from strength to strength in attack and defence. Bailey and Rhys were the quiet achievers assisting the other boys all over the field.

Great season boys, well done and hope to see you all back in 2015

Allison & Wayne Miller, Manager
Shane Hardcastle, Coach

TEAMS And Reports

What an exceptional season, we started strong this year and improved immensely every single week. With 2 new players to the original team this year, Hunter and Jamie joined Jackson, Beau, Jack & Clayton. The boys showed us some magnificent skills and became more confident in their ability to play and work as a team. Rain, hail or shine and sometimes freezing cold, our little champions didn't complain, they were there with all their heart and soul to play the sport they loved. Jack our speedy Gonzales, not many players could outrun this little trooper, his skills in attack and defence were definitely outstanding. Jackson the sliding assassin, his new found skill to slide in attack or defence left players of the other teams gobsmacked and not expecting it all. Jamie the star striker, always in on the play and scoring goals and definitely got our team over the line some weeks. Beau the blade runner, used his speed to catch the players of the defensive team. Using his tricky skills around the soccer field until he got close enough to score a goal, then the champion run back to half way. Hunter the steam roller, scored some wonderful and unexpected goals that left all the parents laughing on the sideline to how it possibly happened and wasn't scared of the opposition. Last but not least Clayton, our white shadow, he was one of the most improved players of the season and always tried his best. Coach Graham and I are very proud of all the efforts this season, well done U7F2 boys!!!

7F2 ROW L-R: Graham Braiden (Coach), Clayton Walker, Beau Hudson, Jamie Tree, Jackson Braiden, Jack Leighton, Hunter Gair, Kim Gair (Manager)

7G1 BACK ROW: Vivian Onis (coach)
 ROW L-R: Zaine Chebbo, Hugo Ohis, Jake Shearer, Liam Stevenson, Max Cleland, Kyran Loupis
 ABSENT: Tammy Kuch (Manager)

This season was not a boring one! Freezing temperatures, gale force winds and pouring rain did not deter our six seagulls from playing an awesome season of soccer this year. Kids and parents both put in an amazing performance and no doubt had an unforgettable time.

Tammy, our amazing manager, had a fantastic idea and asked the kids how they saw the season:

Max "I learnt how to tackle"

Jake "I learnt to kick better and chase the ball"

Zane "I learnt kicking and passing"

Hugo "I learnt to kick with the side of my boot"

Liam "I learnt ball skills"

Kyran "I learnt how to pass the ball & to stop and kick. I also learnt to call out my team mate's name when I pass the ball."

All being said, this was a fantastic season and it seems there are many enthusiastic little vegemites looking forward to next year's U8 challenge.

Vivian Ohis
 Coach U7G1

TEAMS And Reports

It's been a pleasure to be involved with the U7G2 this year. Anthony and Jett were friends from the U6s and were joined by Bima, Joshua and Xander who were new to soccer. The coaching staff was new as well.

The boys tried hard to learn the rules, improve their skills, and play as a team. The highlight of Tuesday night trainings were the bigs (parents) versus littles (kids) games at the end. Many thanks to all those involved.

Match day was always exciting. We didn't win all our games but scored enough goals to keep the other teams honest.

I hope the boys enjoyed playing together as much as I enjoyed coaching them.

7G2 BACK ROW L-R: Brendan Cantlon (Coach)
 FRONT ROW: Xander Mahikas, Bima Suta, Josh Kalie, Jett Souvleris, Anthony Cantlon
 ABSENT: Tracey Souvleris (Manager)

7H1 BACK ROW L-R: Mike Garnham (Coach)
 FRONT ROW: Harry Garnham, Jaiden Moggridge, Hayden Marshall, Preston Ventrice, Winston Garnham, Will Clancy
 ABSENT: Warwick Clancy (Manager)

The 7H1's was the first season of organised football for most of the boys, parents, and the coach. We all had so much fun playing at home and in parts of The Shire we'd never been to before.

The boys showed a lot of enthusiasm in training, the Boys v Parents matches being a highlight.

Fairly early on the boys started moving toward positions they enjoyed, and this resulted in a balanced team effort every week. We had some strong tacklers and ball winners in defense and the middle of the park, some great players on the ball, and some good goalscorers too. The player of the match was a tough decision every week.

I think we enjoyed the tournaments the most, with all players showing their talents on the field, and with time to play between games too.

A big thank you to the parents, and especially our manager Warwick for helping us every week, and for the post match treats.

With so many good players we'll see you all next year at Seagulls.

Coach Mike

TEAMS And Reports

It was a fun season for 7H2s, with five of the boys from Burraneer Bay Public School, Alex, Bailey, Ben, Chris and Johnny all deciding to play together as a team. Just prior to the season's commencement the boys were joined by Makaila, who had missed out on an under-six team and was welcomed into ours. Our Wednesday night coaching sessions were very social affairs but in spite of this, the team improved throughout the year as did the friendships. There was weekly suspense as to who would receive the coveted "Player of the Match" trophy and who would receive the incentive award. By season's end our group was playing as a team with good passes made and goals met with ecstatic group celebration. Well done and we hope to see you all next season.

7H2

7Y

Sarah Brookes, Isabelle de Souza, Felicity O'Brien, Sana O'Flynn, Bridgette Parsons, Hannah Vidler, Leni Webb

The 7Y girls really have a great sense of team, they delight in their teammates achievements which is absolutely wonderful and shows such a generosity of spirit.

During the season friendships have been cemented (among the players as well as the parents). The girls have improved their skills immeasurably & have gone from initially losing every match, to being extremely competitive every time they play.

Izzy & Hannah have become the great defenders, Bridget (a 5 year old playing U7's) runs around the field with a smile on her face the entire time, scoring lots of goals during the season; Sana & Sarah have cemented their roles as the great attackers & Felicity & Leni have become the great all-rounders.

Congratulations girls on such a wonderful season."

MAD MEX
FRESH MEXICAN GRILL

TEAMS And Reports

Our objective this year was to be the team that was having the most fun and I can honestly say that we achieved this very comfortably.

The line up was very impressive. Our enforcer was Kirra who never took a backward step all year and she took no nonsense from anyone, the Dads in particular loved her passion. The greatest right foot in the competition was Tali and watching her kick a soccer ball would of been like watching Michelangelo paint the Sistine Chapel, simply breath taking. The Tireless worker, and there were plenty but Darcy covered more ground than a drovers dog and getting her off the field was near impossible, she just lived for the contest. Then we have the silent assassin Sienna, quiet and unassuming off the field but wow when she flicked the switch she was unstoppable, blistering speed and pin point accuracy with the right foot. Holly was our loveable sweeper, always protecting our goals to fend off the opposition attackers, and fuelled by pizza for breakfast she kept the girls entertained at half time. Tegan was our pocket rocket, never stopped all game chasing the ball down with infectious enthusiasm and a regular goal scorer and of course Matilda who is half cattle dog half leopard, tenacious and fast.

Can't wait to see what next year brings this dynamic and talented bunch of little soccer princesses, we finished the year with unquestionable momentum so bring on next year."

Front Row: Archie Robinson, Lachlan Maher, Jacob Palmer, Garvyn Kendrigan, Darcy Johnson
Absent: Grant Mackenzie (Manager)

Another successful season indeed – well done boys! In a season of many highlights, here are some of my favourites:

- Jacob's no-nonsense defence (...and a sprinkling of goals!)
- Cameron's left foot power & passing accuracy
- Darcy's last gasp goal against Caringbah Redbacks was a beauty
- Lachlan's desire to be 'on the ball' & get involved
- Will's 'dribbling' & a great goal against Lilli Pilli2
- Garvan's 'bag full' of goals got our season off to a great start
- Archie's touch on the ball was remarkable all season
- Aiden's willingness to help the defence & often score the first goal
- The quality of our passing & teamwork
- Team 'camaraderie' displayed at all times ... players celebrating & hugging each other regardless of who actually finished the movement by 'putting the ball in the net'

I have personally appreciated the support given by the parents & grandparents of the boys. We have become good friends & enjoyed the soccer again this year. It was quite a challenging season with the emergence of Gymea as a threat along with Bosco & Lilli Pilli 1.

Finally, thankyou to Team Manager Grant for his efforts this season in providing regular communication and general support to the team.

Looking forward to season 2015!
 Martin Fielder

TEAMS And Reports

The 8B1's continue to be a joy to watch throughout the 2014 season with family and friends eager to cheer them on. This year we moved up a field size and gained 3 wonderful players.

They have all bonded well as a team (on and off the field) and continue to improve their ball skills while learning to spread out and cover all areas of the field. The improvement from the beginning of the season has been fantastic. Win, lose or draw, the 8B1's always left the field with a smile and wanting more.

Thank you to our dedicated Coach Andrew who always made training fun. Thank you to Stuart who was always there to step in when needed.

It's a pleasure to manage these wonderful players and I look forward to next year.

Bring on 2015!

Elise (Manager)

8B1

Back Row L-R: Andrew Gardiner (Coach), Anna Wilkinson, Samuel Gardiner, Joshua Correia, Elise McKillop (Manager)
Front Row: Karlos Arrogante, Stephen Agostino, Tyler Manning, Jesse Garabedian, Lachlan Clark, Lucas McKillop

8B2

Back Row L-R: Tomas Sanchez (Coach), Alejandro Martinez (Coach), Harvey Bishop, Nate Clark, Hamish Johnston, Mike Danby (Coach)
Front Row: Oscar Earle, John Kennedy, Tomas Sanchez, Isaac Danby, Cruz Martinez
Absent: Don Clarke (Manager), Callum Grant

The coaches and manager of the 8B2s would like to congratulate and thank all the boys and their parents for a fantastic soccer season in 2014.

The 8B2s played some really great soccer, won many more games than they lost, and when playing their best were extremely hard to beat.

All the boys demonstrated capable soccer skills at the start of the season. But with the effort put in at each and every training session, they developed a strong commitment to teamwork, passing and positional play. This delivered meaningful individual and team performance improvements as the season progressed.

Perhaps even more pleasing was the mateship displayed by all the boys throughout the season. Whether it was hugs all round to celebrate a goal or a win, the support shown for the keeper feeling down about letting in a goal, or the concern for a teammate who was hurt, the boys showed they cared for and respected each other.

All up, we couldn't be prouder of all the boys. Well done fellas."

8C2 Back Row L-R: Jennifer Pas (Manager), Sam Pultar, Alexander Pas, Joel Murphy, Michael Keogh (Coach)
 Front Row: Charlie Jones, Elias Woolley, Oliver Maunz, Benjamin Keogh
 Absent: Joel Cornock

Joel, Alex and Elias were welcomed to the team that had played together since U6. Starting in the 8Ds, the team got to know each other & Coach Michael made Friday afternoon coaching sessions fun for all. Winning became 2nd nature & soon regrading saw the team in the 8C2s. The teams got tougher, the opposition got taller & stronger but we held our own...despite only having 8 in the team & borrowing players or playing short some weeks. Thanks to Stephen, Archie, Cruz & Tomas for filling in during the season. Throughout the season...the two Joel's and Charlie scored lots of goals, everyone took turns at Goalkeeper with Sam's extra safe hands and Alex's big boot getting us out of trouble on many occasions. Ollie and Elias controlled the backs and a special mention to Ben for the amount of mileage those little legs did in chasing down every ball. Great season boys, well done!!

Absent: Aiden Savellis

The 8F's had a challenging start to the season but after a few weeks of training and getting to know each other they gained more and more confidence each week and really began to work together as a team. They finished the season with quite a few wins and all in all had a great time! Well done to all the boys and thank you also to the parents and grandparents who showed up every week to cheer and encourage from the sidelines."

TEAMS And Reports

The 8G's had a fantastic year. Last year's team of Joel, Flynn, Brooklyn and Phoenix was bolstered by the addition this year of Lang, Dylan, Lachlan, Curtis and Ty. A fantastic bunch of boys whom each gave their all to the game and provided the parents, manager and coach with many fond memories as each unveiled their unique personalities.

Early in the season we were unbeatable with a 6-7 game winning streak that finally came to end with a slight mid-season lull. The troops went on to regain their composure and carried on with victories all the way through till season end. There is no doubt if the under 8's had a competition ladder we would have been right up there.

Every game had its memorable moments however the season highlight had to be the team ferry ride to take on Bundeena. A great experience for both players and parents.

A huge thank you to coach Brett. We look forward to negotiating your contract for next year in coming weeks. Following the success of this season no doubt the offers are rolling in from other clubs and we can only hope you remember your humble beginnings.

Thanks to all the parents, a great season enjoyed by all and hopefully one to be repeated in 2015."

Front Row: Samuel Karim, Adam Karim, Coby Ward, Korbin Whyte, Kaelan Latham, Rik O'Leary, Angus Linnegar
Absent: Karen Linnegar (Manager)

The 8H's had a good year with a great group of kids who had fun at every game. Each and every team member improved over the year and started playing more as a team. From mid season the team started passing the ball and ended up scoring some great team goals. Our backs, Brodie, Kaelan, Adam, Samuel and Evan and always tried their best at every game.

Our forwards Shannon, Angus and Rik always worked together and scored over 40 goals between them over the season. The standout goal save of the season was from Korbin who did a great dive to save a goal and was always a strong goalkeeper. Coby was renamed the tackling machine as he never stopped and was a key defender each game. Thanks to coach Troy who made training fun and supported the boys each game and a big thank you to all the parents who came and cheered the team on each game.

It was an amazing season for the girls this year. It was great to see all 7 of our existing team members return from last year. We warmly welcomed 4 new team members who all fit into the team so effortlessly.

Having to step up into the larger field this year and learning the new skills of throw ins, corners and goal-keeping, the girls took on the challenge. Week in week out the girls continued to improve and develop their skills, growing in confidence. They displayed great sportsmanship and enthusiasm, scoring several amazing goals with their fearless attacking whilst showing determination with their rock solid defence.

The girls formed strong friendships over the course of the season and enjoyed many great times together. Well done to Georgia, Chloe S, Megan, Zoe, Mia, Rome, Cydney, Chloe A, Scarlett, Violet and Isha.

A big thank you to Steve for taking the time out to coach the team, and thank you to all parents for their support and encouragement throughout the year.

Looking forward to another great season next year."

TEAMS And Reports

Well what an amazing group of girls. From the time the first whistle blew in round 1 the girls did not look back. They had some amazing wins and powered through the season with only being defeated twice. As a parent to see the girls excitement every time a goal was scored, a goal was saved or just a simple kick forward, the high fives and hugs that were flying was priceless to watch. The coach Chris did a fantastic job and his patience and dedication was greatly appreciated. The parents support during the season was wonderful and thank you for getting the girls to fields far and wide at 8am! I feel very lucky to have been the manager of such a wonderful, friendly, well mannered and fun bunch of girls on and off the field. I am sure they will be back next season to continue those high fives! Congrats to Charlotte, Olivia, Steffi, Kiara, Piper, Cobe, Bella, Lucy and Lily on a GREAT season.

9A Back Row L-R: Ian Bridges (Manager), Max Lehmann, Ollie Jacobs Jackson Greck, Jordan Reynolds, Mal Smith (Coach)
Front Row: Jesse Wilkinson, Joshua Brierley, Clay Smith, Harry Hindle, Keeran Bridges, Charlie Winney

With 6 new players to the team the boys jelled well and that the skill level of the team was going to be very high. Having been re-graded into A grade after 8 rounds our first win came against the Lillipilli 2 after which we went on to record great wins again Loftus and Como. We had clearly adjusted to life in the top grade.

The players: Charlie – He ran all day and had plenty of shots at goal and defended brilliantly all season. Clay – found his true calling as a defender. Clay never backs down from a challenge. Harry – a team player and go to man and can always be relied on. Jackson – a reliable team player who put in a sterling effort each game. Jessie – a standout this year for his determination and skill to defend against the best. Jordan – a standout when it comes to having a shot on goal with his long range attempts. Joshua – busy and always looking for the ball or taking on the opposing players. A great mid-fielder who defends and attacks with confidence. Keeran – a great mid-fielder who reads the game very well taking on backs at will and creating opportunities with his right cross. Max – Max has been outstanding in goals all season and was required on numerous occasions to stop the opposition from scoring. Ollie – a natural defending mid-fielder and able to defuse many attacking raids on the goals with great clearances.

As coach and manager what a season. Special mention to Geoff, Shannon and Grant for assisting the boys during the season.

GALA day

Another amazing and successful season with some great displays of teamwork, skill and loads of fun. With the majority of the team the same we welcomed two new players and they were a perfect fit. All players improved throughout the year and gave the sideline supporters lots to cheer about with everyone in the team scoring at least one goal this season.

Thanks to all the parents who helped out at training and on game days with timing and rotations, the kids are lucky to have such dedicated and supportive parents.

I think we've hit our mark in C grade, a far cry from F grade where we started in U6s, an even level of wins, draws and losses with a more competitive competition and we hope to see each and every one of you back again next season."

TEAMS And Reports

A great bunch of friends who get to play soccer together. It was a tough season with 4 reserves for nearly every game, but overall the improvements in all the players were excellent. Although everyone wanted to play striker unfortunately there was only room for one of those each game. You all were happy to mix it up and have a go everywhere.

There were a number of highlights throughout the season the things that stand out are Vincent's commitment at the back always safe and secure with him there. Taj's goal from the free kick. Tobie's 2 goal game. Daniel becoming a great goalkeeper and Brayden showing some future prospects for the position also. Luke and Lachlan's commitment every game they never gave up. Adam the analyst with a great ability to read the game. Ryan's commitment to the team, when told to play where ever he wanted started to go upfront and saw there was no one back he was the only one to make the sacrifice to stay back and help the defence. Max's great finish from a cross and never complained when asked to do something. Finally Jack whose commitment is outstanding and positional play improved dramatically throughout the season.

Overall a good season we had some fun and hopefully learnt some skills throughout the year. A special mention to Jon Wade for helping out whilst I was away.

Absent: Collen Taylor (Manager)

Another great season for all the boys this year, with the addition of some extra players this season we had a full squad of 11 players which made for some interesting training sessions and some even more interesting replacements during games when we had to change over half our team at a time - Thanks to Ian for his help with this during the season. We spent this season trying to master the art of positional play, possession and passing and to the boys credit they all embraced the concept with great enthusiasm. During the season each of the boys skills really improved and once we get on the bigger field next year we will be very hard to beat! All of the boys were a pleasure to coach this season. Without doubt my favourite moment of the season came when I asked if the kids if they new what blood pressure was? Jesse replied it is when your face goes red like yours coach!! A special Thank-you to Colleen for managing again this season and also to Adam and Alan for stepping to help out with coaching duties when I was unavailable. The last lot of thanks go to all the parents who make my Saturday mornings really enjoyable with the constant encouragement of the boys but more importantly there constant sledging of the coach for not being passionate enough!! Hope to see you all next year, Cheers Jonathan

TEAMS And Reports

A fantastic combination of players from two separate teams last year created a strong and skilful 9F team!

Andrew together with the assistance of Daniel did a wonderful job of coaching this sensational little team which resulted in most games won. On the rare occasion that the boys didn't win, it was a marginal loss!

Our regular backs, rock solid in defence covered each other perfectly to rarely let a goal reach the keeper. The efforts of our mids to tirelessly assist in defence and then back up in attack was fantastic and the development of our forward combinations were extremely exciting to watch.

Parents and grandparents, aunts and uncles all enjoyed the entertainment the boys provided each and every week. Friendships have been formed both on and off the field and everyone is looking forward to next season.

Thanks to the support provided by all parents and well done boys for a cracker of a season!!"

Absent: Sarah Waser, Caitlyn Vidler (Manager)

What a fantastic season! Starting the year as the 9Hs it took a few games to settle in as everyone got to know some new team mates but it soon became clear that this team had the potential to do really well together. Under coach Mark's direction players started to achieve a better understanding of the different positions with everyone taking their turn in goals and rotating through other positions on the field. Mid season saw an incredible winning streak as the 9Hs won game after game. This attracted the club's attention leading to the team being regraded as the 9Gs. Playing up a grade brought a few more difficult games but it was fantastic to see the team pull together, supporting each other on the field, improving their passing and teamwork to finish the season on a high with another string of wins. Congratulations to all the players for their hard work and focus this season and looking forward to another great year in 2015.

TEAMS And Reports

This year was an exciting year for all the girls with a huge improvement shown by all players. Thanks to all the parents as well, a great bunch of people who helped with training and game days, in particular Michael, Randall and Anthony. We also need to thank the 9W2 team for helping us out at the end of the season with providing us with extra players as we had two of our girls out with broken bones. In all a challenging and successful season. Look forward to seeing every one next year.

 Front Row: Giuliana Nicholas, Tess Rowland, Alexa Marshall, Jade Oliver, Isabella Raad
 Absent: Andrew Marshall (Assist. Coach), Clancy Toman, Charli Neil

What another great season from the mighty 9W2's. It's such a delight to see how far all the girls are progressing each year, both individually and as a team, and to see them continue to develop a love of the game.

The old adage - there is no 'I' in team - is perfectly apt for this group who have bonded fantastically. The most pleasing and encouraging aspect is how every player contributes to each match in their own unique way.

There were many highs (pipping the Redbacks and Miranda stand out), few lows (only 2 losses all year), and lots of laughs along the way. A big thank you to all our parents and loyal supporters who brave the early morning starts to encourage and cheer the girls on (particular thanks to Catherine - our super manager, and Andrew - our super co-coach, for all their time and efforts all year).

Hoping to see you all next season for more fun!"

The 10As had a successful P16 W11 D2 L3 season. The challenge was to bring together a team that included 5 A-grade novices and to unlock the potential of the bigger pitch. An excellent defensive unit conceded a mere 26 goals while great passing and finishing saw us bang in 65 goals at the other end. Dedicated 'keeper Renzo was a star between the sticks and saved the day on many occasions. Apparently indestructible Iron Man Connor at Right Back and near-flawless Ice Man Luke at Left Back forged an effective partnership, protected by tough-tackling gamebreaker Matty at Centre Back. Ubiquitous super-sub Marley played every position and made contributions all over the pitch. Livewire Ethan provided plenty of spark from left midfield and often got us going with his attacking runs and timely goals. Bede ran the show from centre midfield, setting up attacks with accurate passes and scoring plenty of goals himself. Gutsy Tyler was a strike weapon in right midfield and formed a potent combination with Sean down the right flank. Target man Kian led the line in attack, held the ball up and set up numerous goals with his crafty passes. Golden Boot Sean scored 22 goals and set up plenty more with his silky skills and deadly crosses. The boys were a pleasure to coach and had a great team spirit. Their passing and positioning was excellent and at times they played some thrilling football. My thanks go to a supportive parental group, especially to Scott Maddern for his help and sage advice.

TEAMS And Reports

This was the first time a number of the team played together and after re-grading the boys had more space and time. They played some beautiful soccer, with accurate passing, positional play and a fantastic attitude.

Kynan owned Left Back and calmly blocked attacks and provided solid ball to the midfield. Blake positioned well at Right Back with strong clearance kicks and worked well with the other defenders. Jack was a dynamo at Centre Back and occasionally midfield where he relentlessly chased the ball and made strong runs.

Koby was our top scorer at Centre Midfield and directed traffic with his passing and communication as well as shutting down opposition attacks. Bryn at Left Mid linked our strong left-side combination with deft passing and the occasional goal. Brodie at Right Mid always put in good work with some incisive runs and passing. Peter used his agility and enthusiasm in the midfield to stop attacks and set up attacking opportunities.

In attack, Jackson positioned himself well and used his speed to score and set up goals. James used his footwork to score a few goals and also defended well. Finn played well in defence and attack using his strength and speed. Coaches Joel and Bill encouraged the boys to enjoy their soccer, to build team skills and to work on positional play. Parents were always very positive and supportive. The boys always finished the game with the same unbridled enthusiasm and enjoyment, whether they were on the end of a big loss or a strong win.

10A2 Back Row L-R: Joel Gage (Coach), Jack Manson, Koby Hedges, Kynan Bush, Finn Hyland, Blake Butterfield, Paul Schwarzzi (Manager)
Front Row: James Lambropoulos, Jackson Gage, Bryn Schwarzzi, Peter Kathestides, Brodie Rowley

10B Back Row L-R: John Feros(Coach), Frankie Karabetsos, Lachlan Byrne, Kieran Brown, Byren Smith, Harry Tynan, Shane Hardcastle (Coach)
Front Row: Zack Pontey, Matthew Pontey, Jack Hardcastle, Dominic Feros, Logan Charlton
Absent: Alec Durante, Natasha Tynan (Manager), Kim Pontey (Manager)

Another fantastic year with a wonderful group of boys! With most of the team stepping into a higher division in 2014, we were conscious of the fact that our ability to play together would be pivotal in our success. Despite a couple of early setbacks, the boys hardly lost a match thereafter and demonstrated just how much talent they have in this sport. What was most pleasing was that each and every member of this squad demonstrated improved skills and a wonderful attitude towards playing and competing. We witnessed tremendous teamwork and a willingness to give their best to the group. We would again like to thank our manager Natasha for her time and effort in coordinating everyone and also extend our sincere appreciation to all the parents for their support and assistance throughout the year. Well done to Alec, Bryn, Dominic, Frankie, Harry, Jack, Kieran, Lachlan, Logan, Matthew, and Zack!

TEAMS And Reports

After a heart wrenching first half to the season, and playing in a much stronger, higher graded comp, we managed to bounce back over the last 9 rounds to finish with more wins and draws than losses.

Even through the harder times, the team held their heads high & didn't lose perspective of what they had turned up do, which was to have fun. With some new faces in the team & the players at different levels, some of who hadn't played before, the one thing i looked to work on throughout the year was each player holding their position, & the team for the majority of the games did so which was pleasing to see. Each player I think gained a better idea of where their strengths and weaknesses are, in terms of where they can play on the field, & where they each need to improve for the future. Next year I hope maturity kicks in a little more & the players become more aware of what part they have to play to succeed as a team, & not play as individuals as much, that means passing more & being aware of where your team mates are on the field. Our best goals this year were scored when we looked up & played unselfishly. Hopefully with these things in mind you will all be bound for more success in the up coming season.

I'd like to thank John for assisting with the coaching which would have made things a lot harder without him. I'd also like to thank Annie & Cirelle for managing the team, & without all of you it would be team impossible.

Hope to see you all next season
Alf Holmes, 10E Coach"

10C **Back Row L-R:** Alf Holmes (Coach), Andrew Aguilar, Jack McCreery, Peter Cuciti, Bailee Raines, Charlie Shelley, Orlando Graham, Lou Lancaster (Manager)

Well it was a wonderful year of soccer for all our players. The team had some amazing wins with all players improving throughout the year and displayed a terrific team spirit. This was especially evident in the attendance at training each week, with all players eager to learn new skills.

I thoroughly enjoyed my season of junior coaching and would like to sincerely thank Guy Turner our Co-coach and Manager, for his support throughout the season.

Thank you also to the parents who helped at training and games (especially the duty mornings). You should be immensely proud of your children. Also a big thanks to my wife Christina for the extra prizes/incentives she initiated and her support during the season. Thank you also to the Seagulls Club and those people who volunteer their time to make a well-run Club.

I am very proud to have been playing for 37 years for the best club in the shire. I hope you all continue to enjoy your football. Remember everyone is welcome to join the Club Committee and continue to grow this great club.

Philip Savides (Coach)

TEAMS And Reports

What an enjoyable year. It was a source of immense pleasure and pride watching our girls grow from a bunch of mates who simply enjoyed kicking a ball and running around the field at the start of the year to a team that by the end of the year looked like real soccer players - trapping and passing the ball to each other, and generally showing skills that girls 3 years older than them would envy. We even managed to beat a boys team (by 3 goals) at the Kirrawee gala day! The real aim at the start of the year was for everyone to pick up and improve on their individual skills and confidence and gain an introduction to different playing positions. The most pleasing aspect was the huge improvement all the girls showed individually and as a team by the end of the year. The result against one of our opponents (Gymea) illustrated just how much the girls improved. Having been thumped 6-0 in the first round the girls turned things around and in the return game the girls managed to win 2-1. The Gymea coach came to me after the game and complimented on not only how much the girls had improved but also the fair and good spirited way in which our girls played. Their enjoyment, enthusiasm and fun made it an absolute pleasure to coach them. If they all continue to work on their individual skills, I am confident the girls can become excellent players as well as one of the best teams in the Shire if they work hard and stick together.

Well done girls on an enjoyable year and good luck in 2015.

Back Row L-R: Geoff Woolley (Coach), Chelsea Nolan, Ava Julian, Luka Simpson, Bianca Julian, Chloe Eaton, Andrea Fuller (Manager)
Front Row: Tamsin Woolley, Mia Fuller, Faith O'Shea, Isla Stroud, Ellie Callander, Scarlet Waters
Absent: Ashleigh Picken, Aniek Compton

For most of the team 2014 was their 3rd season and they were joined by new players but old friends Luka & Chloe. We raised the bar this year by training harder and tried to focus a little more on our football and a little less on cartwheels and handstands (this applied to both players and the manager).

The results were some really great games with good passing, leading to some fantastic breaks and awesome goals. The players defense also improve this year and it was great to see this improvement and the girls confidence continue to grow. Teams who may have beaten us in previous seasons were out played many times this year.

If the girls are able to maintain consistency in 2015, they will have a very successful year. With their understanding of the game that they have developed it will be a year full of fun and excitement regardless.

Thank you Mia Fuller's Mum Andrea for being our manager again. Thank you to Luka Simpson's parents Brad and Sam for always being available to assist at training.

And thank you to all the players and families for another great year.

Regards, Geoff

TEAMS And Reports

I am writing this report the day after losing our Final to Red-backs 2-0. Whilst I feel very disappointed for the boys and their parents that we didn't make the Grand Final, which we absolutely deserved to do given our season, I know deep down a feeling of satisfaction and accomplishment will emerge as time passes and we reflect on the season. Our team comprised 7 players from last year's 10As, with Ethan our main loss to Reps. I knew Bailey would be joining our team, having shown immense promise in the 10C the year prior. I was absolutely delighted and surprised when we gained four new excellent players: Liam and Louis from Gwawley Bay, Olivier from Grays Point and Luke from Reps. I knew straight away we had a very talented team that would compete strongly in the A grade competition. Combine this with the fact that 11s is the first year of points tables and finals and my competitive juices were fired up! Importantly, so were the boys. Throughout the season we won 12 games, drew 1 and lost 5 (2 being the semi and final). We scored 56 wonderful goals and conceded only 21. After we lost the semi to Gympie, their coach wished us luck for the final then made the comment 'you guys have raised the bar this year'. That is one thing I will take from this year - on our day we WERE the best team in the comp in terms of the style and quality of soccer we played - no question about it. This will hold us in good stead for next year. I will reflect on individual achievements at the end of year dinner. However it would be remiss not to comment on an amazing team achievement when we beat the Minor Premiers and likely Premiers 6-1 on their home ground. It is a game I will always remember. We showed determination, commitment, skill, teamwork and clinical passing and finishing. It was magic. Thank you boys for allowing me to coach you, and also for pro-

11A **Back Row L-R:** Craig Mackenzie (Coach), Oscar Waser, Benjamin Hickey, Louis Williams, Bailey Chapman, Joel Cassidy

viding the highlight of my week each and every week. Thank you to Penny for managing the team and Scott, Larry and George for helping out training.

11C **Back Row L-R:** Robin Moore (Manager), William Ludmon, William Coe, Ryan Melia, James Beer, Finley Moore, Jimmy Turnbull (Coach)
Front Row: Zachary Farrugia, Leo Boualibane, Louie Biggs, Max Nelson, Cameron Turnbull, James Marks, Benjamin Lomas

The mighty 11C Seagulls had a terrific season. The boys improved their skills, worked as a team and had a lot of fun.

With 12 wins, 1 draw and only 3 losses, the team achieved 2nd place on the ladder and narrowly lost the final. The effort, sportsmanship and camaraderie displayed made the games a pleasure to watch. Each of the boys won a well-deserved team award. Finley Moore won PLAYERS' PLAYER, voted by his team mates as the Player of the Season. Cameron Turnbull won INIESTA AWARENESS AND VISION for excellent passing; for improving; for always trying his hardest. Jimmy Beer won COACH'S MOST IMPROVED for his solid cover defense and getting better all season. Ben Lomas won PLAYMAKER for showing amazing composure and finding a great place to put a pass through. Zach Farrugia won FAIR PLAY for great sportsmanship while respecting all of those playing the game. Max Nelson won GOLDEN GLOVE for making classic saves. Will Coe won GOLDEN BOOT for 15 goals during the season. Will Ludmon won SIDELINE SUPERMAN for defensive tackles and massive throw ins. Leo Boualibane won THE GREAT WALL for being impassable and loving his defensive role. James Marks won CAPTAIN RELENTLESS for epic speed and never giving up. Louie Briggs won the MOJO AWARD for his amazing running, tackling, hounding and giving his best. Ryan Melia won MASTER BLASTER for spectacular corners, long range shots and goal kicks.

Thanks to all involved, hope to see you all back next year."

TEAMS And Reports

The U11D's had a fantastic season, going within one game of a grand final appearance. An extremely energetic group of boys, everyone put in a massive effort all year, improved their skills and should be very proud of their achievements. Our defenders Ashton, Jake, Luke and Nye proved a formidable barrier for any team to get through, tackled hard and made the opposition work hard for any goals. The midfield of Chris, Marlon, Nick K, Nick T and Ryder proved an excellent link between our forwards and backs, being on hand to stop and create goals, running all game and never giving up. Jimmy, Kane and Luka were a great attacking strike force, scoring plenty of spectacular goals and terrorising the opposition defence. Finally, a special thanks to Chris, Jake and Jimmy for being our goalies in most games this year. Thanks to all the parents and carers for getting the boys to training and for turning up to cheer every weekend. The boys were all a delight to coach and manage. Hope to see you all again next year.

This team was formed as a blend of last years 11B's and 11D2's and as a lot of the boys had not played together before it was really pleasing to see them perform well as a team right from the first game of the season. Their consistent performances kept them in the semi final race all year and culminated in their best performance of the season to beat Gynea and cement their top four spot in the last game of the regular season. The team shared goal keeping duties throughout the season and lost key players through illness and injury at semi final time so all the boys can be proud of their outstanding result. Our defence was rock solid all year with Keegan, Ronan and Mitch at the back having great seasons. In the midfield Lachie, Archie, Kane and Harrison led the way, ably supported by Jay, Cooper and Beau. Alex upfront was a goal machine and formed strong combinations with Aaron, Dimitri, Callan, Kye and Oliver. Most pleasing was to see the boys improve their ball control and passing game throughout the season and use the width of the full field to create attacking opportunities. Thanks to Matt for keeping everyone informed throughout the season and to all the parents and families who provided enthusiastic support at all of our games. Well done boys!

The 13A's had one of those up and down seasons. With a slow start to the year the boys started to hit their straps in the last half of the season. Unfortunately we left our run to the semi's a bit late with a few games in the balance not going our way. Throughout the season we saw the boys become young men through determination, commitment and never give up attitude when the chips were down. Lachlan and John had their first season of full field football by playing up a year, congratulations on the big step up. Our forwards this year Lachlan, William and Ryan did a great job through some very strong defence. The mid-field was Harrison, Charlie, Carl and Mitchell provided a great platform for our forwards all season. Our backs John, Daniel K, Angus, Cameron and Max were brilliant in defence foiling many attacking raids. Our man with the gloves Daniel R had a fantastic season with some magical saves. Well done boys you should be very proud of your efforts. Thank you to our coaches Cleve and Dean, also to the parents for their support through the season.

TEAMS And Reports

This year saw the return of most of our players and welcoming into the team, Josh Parsons, Nathan Wedesweiler and Henry Fuller. What looked like one of the strongest teams on paper, but it took a while on the field for the boys to gel. Maybe all the testosterone needed to be tamed. There were a few games that we could not believe how we lost, but overall the boys played excellently and consistently. There was some unbelievable play and unbelievable goal saves which kept the games very interesting. During the season, we entered into the State Cup and made it to the 4th Round. An excellent achievement. During the season, the coach had to move some of the boys out of their familiar positions, but found their niche positions by doing so. This only benefited the team and made it stronger. The boys fought hard in the last 7 rounds, winning 6 games and drawing 1 to become Minor Premiers and a chance to play in the Champion Of Champions competition. Three teams were on top of the 14A's table, but we had the goal difference of 2 to clinch the top spot. However, the other clubs were hungrier to be in the Grand Finals and we bowed out losing the Semi's and the Finals in a nail biting finish. Our teams goals came from Josh P (13), Henry (10), Josh J (6), Samuel M (5), Nathan (5), Christian (3), Kieran (2), Luke (2), Sam P (1), Josh B (1). Thank you to all the parents supporting the team and Mark Wedesweiler for assistant coaching.

14C's a fantastic team who trained hard to play their way into the 2014 Grand final! We finished 2nd on the ladder. Each game was exciting with many nail biting moments. Mitch & Bailey shared goals early in the season, Mitch becoming a dedicated goalie for the later weeks & the finals series, saving goals that professionals would miss. Carl, Nathan S, Nathan W & Peter defended the goals with skill & courage in the backs, to save us on many occasions. Bailey, Ben, Josh, Nathan H, Oscar, Tom D, Tom L, played great in the midfield providing coverage to the backs, moving the ball forward into the opponents half & also scoring many awesome midfield goals. Dylan, Harry, Leo & Luke up front were strong & dependable scoring many goals running through the opposition's defense with style, just in time to win games. Leading into the finals the boys went head to head in the semis with an amazing game against Gynea only to go down 2-1 in extra time. The final saw the boys prepare well and play Barden Ridge. Our boys won 2-0 in a tough game which earned them their well deserved position in the Grand final! After a rain soaked week, the grand final moved to Bundeena where our boys played a gutsy game against Gynea. We just couldn't overcome and played every last minute to the final whistle to be won over 2-0. John & I enjoyed a great season with a great group of kids, congratulations to all the boys, thank you to all the parents & I hope you enjoyed each week as we did. See you all in 2015!

TEAMS And Reports

Another season over and what a roller coaster of a year we had. It's hard to believe at the start of the season we had lost 6 players from last year's team and welcomed the same number of new players to the team Elvir, Dimi, Philip, Ben G, Rees and Jack. Our season did not start well with Theo injured early and looking as though he may miss the entire season. From there it only got worse where we had boys injured and suspended. This took its toll on the team as we struggled at times throughout the season to put a full team on the field. This led to George being creative and shuffling the boys around in unfamiliar positions. To the boys credit they all put in 100% and in most instances played the entire match, running low on energy.

Well done to Ben R, our goalkeeper, who had another outstanding season (making some memorable saves and providing plenty of encouragement to the boys). To our regular fullbacks Daniel, Patrick, Rees, Philip and Ben G who all played extremely well throughout the year. To our midfielders and forwards Aaron, Elvir, Dimi, Theo, Jack, Lochie and Steven, all playing some great and entertaining football. Unfortunately it wasn't our year with some narrowly missed opportunities and games that could have gone in our favour (this was the difference in making the finals). Overall the boys can take a lot from this season, with the last few games of the year with the full squad clearly showing what we were capable of.

15A

Back Row L-R: Geoffrey Woods (Manager), Dimitri Diniakos, Rees Hopper, Theo Koulouris, Lachlan Woods, Benjamin Green, George Koulouris (Coach)

Front Row: Aaron Delfino, Jack Stevens, Philip Goussia, Benjamin Roberts, Steven Yannopoulos, Daniel Mauro, Patrick Femiglietti

Absent: Elvir Catovic

Thank you to all the parents for your ongoing help and support through the year. To George a huge thanks to you for coaching the boys again, your passion clearly shown in getting the best out of the boys.

15B

Back Row L-R: Jarrod Bell, Matthew Halfpenny, Jayden Woods, Rhys Druery, Dimitri Vergados, Wayne Druery (Coach)

Front Row: Victor Ying, Lachlan Macpherson, Zackary Hankin, Essie Mostaghimi, Ben Glennan, Jonty Redman, Dimitry Vergados

Absent: Curtis Pennini

Wh" This years 15B comp was very tight making it open to any team that could put in consistent performances each week. 12 of our 16 games were decided by 1 goal (or less) showing that Seagulls were very much in the race.

While we did struggle to score goals our eventual for & against was a commendable -2 proving that we easily held our own against virtually every team in the comp.

The weeks we did play to our potential showed great ball movement and solid defence, totally dominating possession and frustrating the opposition.

All regular spectators agreed that this team certainly had the capacity to be in the semi's and give it a good shake this season. Unfortunately we had a few games where we were not at our best resulting in our middle of the pack finish in 6th place.

I hope this team sticks together for season 2015 as I am sure that with more consistency and discipline in attack they could be genuine contenders in the B-Grade comp.

TEAMS And Reports

2014 has been a trying season, the team contending with the loss of 2 players with broken arms and having to juggle the numbers many weekends with player shortages.

Despite these challenges, the C1's put in some terrific performances winning some of our harder games and drawing the games where perhaps we should have won. The boys grew well as a team with a number of position combinations serving us well. If the season had been a bit longer, I'm sure we could have had some more success.

Of particular mention are Luke and Thomas who joined the team with little soccer experience and contributed strongly all season. Kale Pennell became the 'rock' of our backline and was always willing to fill the breach wherever needed. The rest of the guys put in as much as could be expected and perhaps our position at season end didn't reflect the effort we all put.

Lastly, thanks to Rod Enright for coaching again Matt Saxon providing valuable support as assistant coach, and to many of the parents that supported the boys every week.

Calvin Penrose
Manager

15C1 **Back Row L-R:** Calvin Penrose (Manager), Tynan Wallace, Aiden O'Leary, Max Enright, Luke Whitehill, Michael Penrose, Matthew Saxon (Assist. Coach) Rod Enright (Coach)

Absent: Branson Moore, Clay Dwyer, Reece Connor, Laurena Moore (Manager), Brad Moore (Coach)

The Cronulla Seagulls U15C2's had a good season. However it didn't start that way. At the beginning of the year we didn't have enough players to field a full team and often started short if we couldn't borrow from other teams. Our first game of the year was against the Miranda Magpies which we lost 11-2. It seemed it could be a long year. Our team was made up of a diverse range of skills, abilities and experience. We did all have one thing in common. The team and each of its players would never give up.

Much of the time the boys were up against teams that were either technically better or had more experience than us. The team worked hard on its skills and practiced how to play as a team.

By the second round We started winning games and we had stars popping up all over the park. The highlight was when we played the Miranda Magpies in round 2. This time we were ready with a game plan. At the 60 minute mark we were down 3-0. It was as we had expected. We then threw our team forward into attack. We caught them by surprise. A first goal came and then a second. With the last kick of the game we got a third and tied the match – the first team in the league to take points off Miranda who went on to win the competition undefeated.

Unfortunately we dropped too many points early on and our late charge wasn't enough to make the semis. However, the team and each and every one of the boys made us all proud. Well done boys on a season full of character, courage and never giving in! Brad "

TEAMS And Reports

The 18A's had a great season despite disruptions due to injuries and the challenge of playing first year in the under 18. It was a very tight competition with many great games, the most memorable being our win against eventual premiers Bosco in R2 and our 4-0 win against arch rival Gymea. We finished the season in 4th spot, but unfortunately lost from a goal in the last seconds of the semi. Well done to all players and coach Mike. Hope to see you all again next year.

Boys started the yr as a mixture of those whom have played many yrs, & those just starting out. Took a little while for the guys to get to know ea other's games & familiarise themselves with positions they may have never played for. Slowly but surely, their confidence grew & so did their abilities. This was no more evident but in their last 4 games, having played the best 2 teams, beating one & drawing against the other. In no way being outplayed. So a great way to finish the yr.

The attendance at training throughout the yr was terrific. Their behaviour during the games was very good, no dis-respect to the refs or opposition players. Plus, all but 1 of the 16 players turn 17 this yr, so they have another yr in the 18's. So all goes well for a better yr in 2015.

All in all, am very proud of the way they conducted themselves throughout yr, showing a lot of maturity.

Rob

TEAMS And Reports

It was a good year for the team but it had a slightly disappointing finish. We achieved our goal of making the semi-finals but having been undefeated after 6 rounds and perched on top of the table, I think the boys all know that it was there for the taking.

I must give full credit to the whole team for the way they played their football. It was a pleasure to watch especially the games at 5 sports which allowed them to knock the ball around with confidence.

I am sure that we would have won the shots into the post and shots directly at the keeper categories if they existed but on the positive side we were always putting ourselves into position to shoot. That in itself is a vast improvement on the previous year.

As always I am proud to be associated with a group of young men who represent the club and themselves in such a positive manner.

Thanks to our many supporters who braved some very cold and wintry afternoons to encourage the boys.

And last but certainly not least, we would be lost without our manager (and mother hen) Leonie who not only does her normal manager duties but also makes sure the rest of us don't need to think about anything but the game.

Grand finalists two years in a row! Not a bad effort girls. Following the step up to the big pitch this season the W12A's put in a terrific season making the grand final again for the second year in a row. The season saw some memorable matches against quality sides all of whom provided real challenges for our girls. The W12A's worked hard at training showing focus and commitment as demonstrated by a number of players participating in additional development squad sessions. Skills improved across the park as the season progressed and the girls never say die attitude had them sitting in second place at the end of the rounds. Our finals campaign was solid with the minor premiers proving our achilles heel defeating us in the major semi and again in the grand final. The grand final was a great match with a score line of 1-1 late in the match before we conceded a couple of last minute goals leaving us with a score that didn't reflect the closeness of the game. I'm sure we will go one better next season! Many thanks to John Orman for his coaching and Jonathan O'Hara for his management and coaching this season. Thanks to George and the committee for their hard work and dedication this season.

Cheers Damian

TEAMS And Reports

After the euphoria of gf victory last year we were welcomed to full field and fully fledged A's in round 1, 0-9 to the might of Sylvania- with their paid coach and all! After that game I did promise we would not be beaten like that again and to all our credit ,we held our heads high, winning games and being competitive in all the other games but more importantly playing the game in our own style of fair play, fun and participation. Clearly, sustained field possession in our own half leading to an inability to score goals let us down during the year, something that needs to be addressed next year. Our fitness improved markedly during the year which was pleasing. I have to say our backs were phenomenal during the year, repelling repeated opposition raids as we were often unable to improve field position. The backs need to be commended on their year. I would like to thank all the girls for being such a bright, happy and polite group of young ladies-yes, this year as coach was a challenge but the girls are all wonderful human beings and I would be confident to say have formed friendships for life.

This will be my 4th and final year of coaching you all- thank you to managers starky and megsy who have been a great support and to the parents and extended supporter base who came to cheer us on- I have only felt support and friendship as my time as coach. There are some great memories girls that we will all share together-make sure to pull those boots on next year!!

 Absent: Madison Dunn

Th" The season started with a number of new re-go's for the U11's but with not enough players for a full team we added some new and old U12's and created the W12C's.

Although the W12C's started as a team with many players who had either not played before and/or were playing up a year higher, and mostly did not know one another, they would go on to lose only two games during their 16 rounds and get to play in the semi-finals.

Highlights were beating both the 1st and 2nd placed teams in the second round. Win, lose or draw we played as a team with 7 of 15 players scoring at least one goal during the season, and while our dedicated backs and goal keeper may not have scored any goals they stopped plenty and can be proud of their third best ""against"" record in the 9 team competition.

None of this would have been possible without the co-operation and hard work from all players during training and the continued support and encouragement from all the parents. Thank you Mya Haag's parents Trent & Nisha for taking on Manager duties.

Thank you to Isabella Kotis's dad Jeff for being available at every training session and helping develop our great goal keeper. Thank you to all players and families for such a wonderful season of football.

Regards Geoff.

TEAMS And Reports

A very pleasing season as the team developed well considering the many new players joining us this year. The team became a cohesive unit that got us through to the semi finals. This game summed up our season as we very competitive but could not manage to score goals.

We overcame the issue of not having a dedicated goal-keeper by sharing the load and found natural keepers in Cheyenne and Michaela who are both great players on the field. We varied the back line (not popular positions) with Tara, Amy Crowe, Molly and Talia a very good combination always going for the ball. Rebecca's great running helped in defence as needed, Sophie with good field coverage and Ashleigh contesting possession bolstered the backs against strong teams. Mid-field was mainly shared between Abby with great ball skills, Claudia showing great passing skills with Georgia always trying and demonstrating great throw-in technique. We tried many combinations of forwards with Tiarna, Amy Munn and Bella showing the way chasing the ball and putting pressure on the opposition.

The team never gave up in a game and were always supportive of each other – hopefully we can keep together for future seasons. Thanks to Alisa as Manager (and sometimes coach) and the parents who were always very positive

2014 was a great year for this wonderful group of players. Their much improved football skills, disciplined positional play and great team ethos has been the secret to their success. They all play with a strong desire to win and never give up attitudes yet their smiles are always close to the surface . Playing football is good but playing with your friends is even better. Year after year this group of girls showcase what team sports are all about it.... fitness, fitness, fun and friendship. Keep it up girls. We all love watching your style of football.

TEAMS And Reports

The under15's women's had a great season, finishing around the middle of the table. Now this doesn't really reflect how their season went as they were never far off a win. Most games were nail biter's for the parents watching on, with results of draws, or being defeated by only one goal. This can be seen in our goal averaged (GD) which was 30 goals for and 31 against for the season.

This year we had 4 new players to soccer, and our team, being Sarah, Julia, Jess B and Lilly. Sarah shared the spot of goalie for the season with Edina and Laura, who all showed great talent and needed bravery. Lilly, Jess and Julia improved dramatically through the season, finding their feet in different positions. Credit has to go to our backs, Maddy, Hanna, Yolanda, Brogan, Bailey and Lana who had a fantastic season, one of the best defenses in the comp. Our halves Nicole, Olivia, Jess M and Georgia controlled the centre and provided spectacular runs out of the halves. The forwards, Jess S and Lena along with Jess B were able to score some great goals through the season, 30 in total which is a great effort.

Aside to the skills of soccer, the girls had a great season together, they were a great bunch and a pleasure to coach, both Peter (coach / Manager) and Garth (coach) are very proud of the you all and look forward to next season.

W16A

Back Row L-R: Damian Hurst (Coach), Darcey Lord, Natalie Dufour, Claudia Turner, Phoebe Hinton, Lyndien Punnett, Amelia Hurst, Barry Ffrench (Manager)

Front Row: Alex Coleman, Alison Carrero, Jessica Fletcher, Michaela Ffrench, Stephanie Kentwell, Lillian Orrel

Front Row: Emma Foley, Lauren Wright, Penny Cosio

Season 2014 was a big ask for the W16A side, a team best suited to a B grade comp. To the girls credit they backed up each week against the odds and made the opposition sides work every week. Although most matches ended in a loss our girls were never beaten. We never dropped our heads and always played the full 70 minutes.

Skills across the park have improved this season and many great goals were scored over the course of the competition.

We look forward to season 2015 and the anticipated success it will bring.

Cheers Damian co-coach

TEAMS And Reports

Well the girls still finished off the Season with a Win, but unable to finish off with the Premiership, leading the table through out the year till the last game, where Miranda pipped us at the post, then making it to the Finals, however just missed out for the chance to play GF. Major year for injuries since May, however the girls that could play always stepped up to for a win on the day. We had 4 new players joining us this year all bringing great talent along with the talent we have already.

We have walked away with being W18th A State Finalists, winners !!

Girls you showed great sportsmanship on and off the field this year, so be proud of yourselves and your achievements..

 Front Row: Mirade Mahnken, Tierne Cavanagh, Bella-Jane Thornthwaite, Stephanie Shilling, Tiana Williams, Michaela Matthews, Jaslyn Brown
 Absent: Dave Fuller (Coach), Paris Whittaker, Dominique Johnston

W18C Back Row L-R: Mark Ferrugia (Coach), Elizabeth Cruickshank, Lauren Chadwick, Clarie Gorman, Amber Chadwick, Maggie Mahoney, Bianca Casarotto, Stephen Beckedahl (Manager)
 Front Row: Kayleigh Martin, Rachel Read, Emma Beckendahl, Kaitlyn Heagney, Lilliana Brogan, Jazmin Tiller, Chelsea Tiller

We were always going to improve on our performance from last season. One year older, stronger & more skilled at playing together. Well we did, Premiers of the under 18 WC grade, congratulations to all of the players. A job very well done.

Our games were always won from the goal line. Our Goal keepers Kaitlyn & Amber were ever reliable & dependable. Taking on the task each week, no questions asked. They also played positions up the field & were more than capable of filling the roles asked of them. Then we had the ever present backs that turned out the attacks time after time, Kayleigh, Emma, Rachel & Clare. Each week they seemed to gel & play a bit better. They never once took a backward step no matter who was running at them. They continuously ran down any loose ball or opposition player. We could ask no more than what was given.

Our mid field with Jazmine, Lauren & Chelsea was our engine room for sure. We gained so much drive from these players. They all covered so much ground both forward & back. If these girls weren't feeding the ball up field to our waiting forwards, they were running back to provide extra defence. They showed great ball skill & used direct passing to our advantage.

Maggie, Lilliana, Elizabeth & Bianca were there to do a job & they did. Either put the ball in the net or give it to the person in a better position to score. Some weeks were easier than others but they never stopped trying. We can't win unless we outscore the opposition!

To sum up, it was a pleasure to be involved with this team & watch them play each week. They all improved out of sight & had a great time. Thanks for a wonderfully successful season. I'm sure that Mark would agree with me that it has been a pleasure to be involved with this team all season. The added bonus was the Premiership, well deserved.

TEAMS And Reports

Under 21s presented quite a step up for our 18 (and one 17) year olds. However we had a great season, coming in 4th and recording a lot of wins along the way. These ladies are not the keenest trainers (perhaps an understatement?) but are very enthusiastic and passionate players who enjoy their football. Our performance in the semi was outstanding and at 0-0 at half time we were very optimistic. Didn't go our way in the end but the football we played that day made for a very proud coach!

It was a pleasure to coach the girls and I thank them for their support and understanding. Special mention to Kristen who stepped up as manager this year (in addition to her role as star striker) and did an outstanding job. In a team with no specialist goalie (and no volunteers!) I would like to thank Emma B, Tannille and Jamie for doing more than their share and doing so with distinction.

I would also like to thank our small band of dedicated parents who turn up every week to support the girls. I know the girls join me in saying Thank You!

We look forward to another great year in 2015.

Martin McGrath

AL2-1

Back Row L-R: Glenda Lockwood, Jacob Lockwood, Teemu Huumonen, Chris Richardson, Luke Hammer, Andrew Macris, Will Del Din
Front Row L-R: Matthew Hyatt, Billy Bettridge, Patrick Delaney, Paul Hyatt, Graeme Shannon
Absent: Alex Pitsis, Bobby Karim, Jay Horrell, Luke Colella, Mark Santangelo, Micky Karim, Tim Robertson, Trent Vieira, Gary Lockwood, Todd Horrell

This season was certainly one of highs & lows. After starting the year with a big squad full of talent & high aspirations, it wasn't long before the first of our multiple season ending injuries shook the side up. The depth of our squad was tested repeatedly, with the team doing well to remain competitive in many games given the number of players unavailable at various times. The AL02 competition was one of the tightest in years, with only 2 points separating the top 5 teams for most of the season. With the Minor Premiership in our grasp going into Round 18, we fell at the last hurdle and qualified for the finals in third position. A disappointing loss in the semi then left us shell shocked and out of the competition in a 2 week period that I'm sure we'd all like to have over again if possible. But that's football, and with what was largely a new side, we can all be proud of what we've achieved in our first year together. I'm sure that the team will regroup & come back again bigger & stronger in 2015. Our thanks go to Gary Lockwood for the commitment he took on this year. He provided great direction week in week out, and some of the younger boys in our squad have really developed under his coaching. FYI - next year's drills are now available in PowerPoint format for those wanting to get a head start in preparation for pre-season training. Thanks also to Todd for helping out, and (most importantly) to Glenda for managing the beer roster.

TEAMS And Reports

Well, its funny what a difference a year can make. Last season after finishing a disappointing 8th in the AL2 comp, we had hoped for better things in 2014. Unplanned but unavoidable, our pre-season preparation was hampered when the AL2 camp split down the middle and we turned into the AL2/2s. Things looked grim for Joe and the lads barely having enough players to register a team. However, persistence paid off and we began the campaign with an 18 man squad with the "Messiah" Gary Masterson even returning after a stint down the coast to what affectionately became known as "The Irish Seagulls" with as many as 10 squad players hailing from the emerald isle, with the rest from Australia, UK, Canada and Russia! Expectations were not too high but it became evident early that Joes lads were not there to make up the numbers as we hovered around the top spots all season. Deservedly we reached the semi-finals after coming 2nd in the competition with 36 points. We faced a top Lilli Pilli side in the semi-finals. We prevailed 2-1 and were ecstatic that this squad who at one stage had 4 players was in a grand final. The grand final was again against Lilli Pilli. A fair result of 1-1 after extra time meant that Lilli Pilli became champions after winning the minor premiership. Disappointing of course but nobody can argue that our heart and determination of the 2014 season will go down in Seagulls folklore. Cheers again to Joe who got a great squad together and we will be back stronger next year.

AL2-2

Back Row L-R: Adam Johnston, Alex Vasik, Alan Masterson (Captain), Nathan Beach, John Byrne, EJ McGarry, Lachlan Simpson, Dave Twiss, Dean Hughes, Deane O'Byrne, Stephen Jenkins (Assistant Manager)

Front row L-R: Joe McEwan (Manager), Chris Rainford, Bill Haslam, Daniel Walsh, Gary Masterson, Aaron McAdam, Daragh Daly, Conor Kavanagh

Absent: Matt Newton

AL11-1

Back Row L-R: Bruce Elworthy (acting coach), Darren Bolton, Kane Helmers, Declan Lloyd, Shawn McSparron, Luke Elworthy, Ross McSparron, Matt Ryder, Liam Stuart (acting manager), Justin Benson, Brad Walker (Manager).

Front Row L-R: Jesse Cashel (acting manager), George Nour (Goalkeeper), Stephen Gibb, Rhys Cheetham-Smith (Captain/Coach), Shane Lincoln, Erhan Inci, Sait Buzgan.

Absent: Michael Giardullo (top), Matthew Bianco (bottom)

The first game was hard. Ross hurt his knee in the first 10 mins. 2nd was one of the wettest we'd ever played in, seeing Erhan shelter under a tree before lightened the mood. No subs against a full bench. We fell behind early and we held on to snatch a draw with a Ryder strike in the last minute. In that rain and with no breath left we felt like winners. 3rd game rolled in and we are back at Seagulls against Bangor. No official made it a wild. With the game almost over and another draw looking likely, Sait pulled off a miracle to seal our 1st victory and his 1st goal. He ran around the field, shirt over head and it made everyone laugh. Mick came to the team in round 6 and played great, coming back from an injury and almost playing the game in entirety. We squashed the hawks that day. Round 8-10 was 3 draws which probably put us out of finals contention in the end. Round 12-14 were downers. Shawn was given a controversial red card for a scuffle, we gave last place Heathcote their only win, and Gynea took home the chocolates in the end with a PK. Our last 4 rounds were our best although we only won 3. Rhys somehow saved a PK, but we lost. Then won 8-3. And won last home game. Last game was our only clean sheet, but we needed Como to at least draw to make Finals. Luke called the other field to get the score as we all huddled around in anticipation...his face dropped and we had just missed out by 1 point, in the game and on the table. So that was our season. Bring on 2015!!!!!!

TEAMS And Reports

Well boys, what a tough year! The step up from 21's was much tougher than expected. Week after week the games became more challenging. Although the results didn't go our way most weeks, you should be really proud of the effort you all put in.

- Burwood: strong as a rock mate, solid all year.
- German: buy of the season! Great creative football.
- Jake:
- Andrew/Simon: twinsiesss
- Zan: when you showed up, you were lethal!
- Klieny: Held the back line together on most occasions, rare brain snaps leading to a few crucial errors.
- Joe: Always putting in 100%, unfortunately couldn't find the back of the net often enough!
- Jimmy: you like to think you're the Messi of this team, I believe you're more like James Harper. Very disappointing given your experience in the high grades.
- Jordan: Very glad you didn't kill anyone this year, well done.
- Dylan: each week you just kept getting better, biggest improver of the year.
- Brent: A few of the goals of the season, provided rare highlights.
- Colin: controlled the midfield well
- John: My main man to get the dirty work done.
- Henry: Typical pommy

Perhaps we could learn a few things off the 21A side over the offseason and come back bigger and better next year!"

AL11-2

AL14 Back Row (l-r): Michael Bishop, Robbie Eastwood, Daniel Fynn, James Ashby, Kurt Elphinstone, Daniel Stone, Jack Colwell
 Front Row: Lincoln Pavett, Mick Kelly, Pravin Parkar, Brett Monk, Paul Garth, Robert Vinen
 MISSING: Michael Akers, Ryan Everitt, Andy Maguire, Ryan Monk, Callum Ritchie"

The team consisted of half of last years AL14's, 5 of last years AL11's and a couple of new faces to the club. The team blended well and made amends for a slow start by winning the next couple of games against the top teams. Unfortunately, due to injuries, work commitments and relocations, the second half of the season was a repeat of the first half, with the team finishing strongly the last 3 rounds. Enjoy the off season and hope to see you all return next season.

TEAMS And Reports

So close... 90 minutes is what I ask of the boys every week. To force the Grand Final into extra time with a goal in injury time characterises the way the team played and gelled this season. The never say die attitude, not giving up until the final whistle. Cruelly denied the Premiership by a linesman call giving Marton a spot penalty to win 3-2 in extra time.

The season got off to a flyer - 7 from 7 with the round 7 local derby clash vs old rivals Lilli Pilli, trailing 1-0 at half time the boys came out firing in the second half to win 3-1 with 10 men on the field for the majority of the half. Come round 8 and we turn up half cocked and well the result speaks for itself - a LOSS. Complacency and arguing with the ref became the norm mid season, as teams that we should have put five or six past, we only just did enough to get the job done. Admittedly in this period we did have our fair share of injuries, but we were lacking intensity and killer instinct to capitalise and take the comp by the horns.

Round 16 and the return leg of the local derby, Lilli Pilli was on a roll and boy did we get rolled - 3 f*&%ing nil LOSS, worst loss of the season. Training that week was a classic white board session, coach and players decided on the best way to move forward and work out a game plan. With two big games remaining vs two top 4 teams to claim the Minor Premiership. Two big wins in round 17 and 18, while still down on men due to injury and just being able to field 11 fit men saw us clinch to Minor Premiership in round 17. This set in good shape for the finals series - intensity and killer instinct was back.

First game of the finals campaign and we see ourselves facing Loftus, down 1 nil after 5 min, the boys fought back to a 2-1 winner - straight through to the Grand Final. As fate would have it, not one rained out match in regular season. The qualifying semi the following week was washed out, meaning that we would now be 3 weeks or 2 Sunday s (whichever way you look at it) between matches. Rain kept us from training until the Friday before the Grand Final where we would encounter Marton. A shaky start to

35C

Back Row: Wazza (VC), Gezza, James, Wadsy, Rob, Reg (C), Buzz, Robbo (Coach), Troy, Freddie
Front Row: Steve O, Muff, Princess, Pat, Gnome, Deano, Duuj (VC), Chris, Gary (this is a PG publication so his nickname is censored)

the match saw us have a running battle with Marton, not our style of football. Back end of the first half we started to pass the ball around, move into space and support the play making Marton chase us around the park and the efforts paid off, 1 nil up at half time. The second half starts and Marton run 2 goals in a 5 min period, we just didn't hit the park with the intensity and killer instinct we should have.

In closing, thanks to all the boys for the effort this season. Unfortunately we can only lay claim to the Minor Premiership, but a title well deserved (check the table if you don't believe me). Thanks also to Captain Reg and Vice Captains Duuj and Wazza.

Congratulations to Gerard Canavan - 20 years with CSFC

045B

Vilay Boualibane, Joe Catalano, Steve Gordic, Paul Hanslow, Andy Jackson, Eddy Lim, Angus Mcpherson, Ken O'Brien, Paul Frame, Paul Casarotto, Ross Murray, Murray Wardle, Oscar, Robert Burt, Mick Briggs, Mark Casemore, Slave Veljanovski, Michael Harrington, Mart Testi

We were mid table 45Cs last year, so were surprised to get a call up to the Bs, but soon got into it. We won our first 5 games to get to the top of the table and managed to stay there, finishing as minor premiers. We played some fantastic games winning by large margins, but also some very tight ones against good opposition. In hindsight, it was the gritty wins that made the difference (ain't it always) - especially the 5-4 win against GR1 when down 1-4 with 15 minutes to go, what a comeback. In the end it came down to 1 vs 2 as we played Gynea in the major semi and then the grand final. The game was evenly poised in the first half, but we had the better attack and got on top with a goal made by our ability to play through tight defence. We scored a second and it was all over, waiting for the whistle. When it came, Seagulls celebration was something to be remembered - we can all be very happy and proud of our achievement.
