Football Club

***Yearbook* 2016**

HIGHLAND PROPERTY AGENTS OUR MAJOR SPONSOR

On behalf of the entire Highland Property Agents group, we would like to say a big thank you to the Cronulla Seagulls club, committee, referees, players and their families for their continued support throughout a great 2016 soccer season. It is truly inspiring to see the community come together each week to create such successful game days and certainly shows off the dedication of the fastly growing club.

With several of our team members and their children proudly wearing the green and white this year, we understand the importance of giving back to the community that supports us greatly and always look forward to our yearly junior gala and presentation days, where we get the chance to meet some the hard working players and their families.

Our team at Highland Property Agents are extremely proud to be the major sponsors of the Cronulla Seagulls for 2016. It has been our pleasure to support such an amazing club and community throughout the year and are excited to continue this for many years to come. We look forward to seeing our Home Team out on the field for an even bigger 2017 season.

PRESIDENT Report

Welcome

to Cronulla Seagulls FC presentation day for 2016.

Well I mentioned last year that 2015 was one of our most successful seasons with a record number of registered players 1400, 17 teams making semi finals football with 7 of those teams going onto become premiers.

When you thought we could not get any bigger or more successful 12 months later we have almost 1500 registered players, 27 teams making semi finals with 9 teams going onto becoming 2016 premiers (W14A, 16A, W16D, 18D1, 18E, W18B2, AL11, 35A and 45B).

Once again I want to thank our hard working committee members who week in week out turn up to make sure that the club is run successfully, without these volunteers it will make it impossible to run such a large club.

Our major sponsor Highland property Agents thank you for your support during the season and as a club we are honoured to be associated with such a big brand.

To all our other sponsors thank you for your support.

With almost 130 teams we rely on our coaches and managers to volunteer their time to continue in the growth of our club, thank you and hope to see you all next season.

As always I want to thank all the teams and parent for helping during the season with ground control and set up.

To all our players congratulation in being part of the most successful season and looking forward to seeing you all in 2017.

George Koulouris
President of Cronulla seagulls Fc

SECRETARY Report

2016 turned out to be another triumphant year for the Seagulls. Our Registrations have grown once again this year to hit our all-time high. The Club grows from strength to strength and I would like to thank all of our new registrations and of course, a big thanks to our returning players.

I would like to personally thank the committee members for their efforts. The committee are always active throughout the year (not just during the season itself). As soon as the season finishes, we have to prepare for the presentations, then after those, we start to prepare for the next season, then before we know it, Registrations come around, Grading, Team allocations and then the season kicks-off.

To the Canteen and the BBQ people, thank you for your support and hard work during the season. All profits made from the Canteen and BBQ are used by the Seagulls club to improve its facilities and to purchase new equipment.

Thank you to all those teams that did their Ground Duties and Setups. Without your involvement, we would not be able to get the games started on those cold winter mornings.

Thanks to our Mini-roo Referees. We had 35 Mini-roo Refs, aged between 13 and 15 and what a fantastic job they did throughout the season. Hopefully our older ones move on to become Black and White Refs and our first year Refs return next season.

Special thanks go out to all the Parents and Supporters of our teams. It is great to see some very enthusiastic supporters early on a Saturday morning and on Sundays with our Senior teams.

We always need new committee members prepared to offer some of their valuable time. We need members that are there for all players and want to put in a little bit extra to make a difference in the club, that. We are always looking for committee members from all age groups, Junior and Senior. So, if you want to get involved by being on the committee, please send me an email or come along to our AGM which will be held in November.

Last but not least, best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Rob Brown,
Secretary

TREASURERS Report

Despite all the washouts we had this year, it did not affect the Club financially, mainly due to the increase in registrations.

A big thank you to all our sponsors.

Thanks to our canteen ladies, Simone, Cath, Karen, Anne and Hayley for another great year. Also thanks to our BBQ chef, Terry and his new assistant Maddy, and the parents that helped out during their ground control.

Best wishes to all our players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

TEAMS And Reports

The 6As had a great year. These six boys all love their soccer and displayed exceptional skills at such a young age. The team, from 5 different schools, formed a tight unit and became good friends on and off the field. Soccer this year was all about learning skills, teamwork, sportsmanship and above all having fun. Monday night training was as much fun as the Saturday matches, and the kids v parents games a highlight every week. Given the way these boys played this year and how much they improved we are all looking forward to watching these soccer stars of the future develop in the coming years. Thanks to the wonderful parents, grandparents and friends who came to training and the matches each week.

The 2016 season for the Seagulls U6 C1 team was one full of ups and downs, giggles and tears, improved skills and friendships made. A team of enthusiastic 5 and 6 year olds were thrown together at trials, some with a season under their belts' and some novices, but they threw everything into it and ended up a cohesive and competitive team that had a lot of fun.

After a slow start in the first few rounds, the boys soon got their season underway in Round 4 with a 3-2 win against St. Georges River. This was quickly followed by their best performance of the year with a 6-5 come from behind win against Marton.

A mid season form slump and an injury to golden boot winner (Luca - 10 goals) meant they had to wait until Round 9 for their next win, 4-2 against Lilli Pilli. Another thumping 7-1 win in Round 15 against Kirrawee towards the end of the season was a nice way to finish.

From Lachlan's solid defence, to Dechlan, Jee and Jack's tireless running and tackling in midfield, and Max's dribbling down the wings, combined with deadly finishing from Luca, the U6 C1's really combined well to become a great team and good mates.

Thanks to all the supporters on the sidelines who cheered them on all season, with special thanks to Coach Mel for all her work and enthusiasm in her coaching and match savviness.

Roll on 2017!

To see the development of the young players who for all it was their first season playing soccer together was amazing. The team work the team gained was excellent with many of them becoming friends through the season. All players got a chance each match to contribute and this was well supported by all parents.

Thanks.

TEAMS And Reports

The Mighty U6D2s had a great year. For all of the boys it was their first season but the boys were brilliant and a pleasure to get to know over the season and I couldn't be prouder in each of them for working as a team. The boys played hard, smiled and always played with the right spirit. As a coach I can not ask for more than that. One win for the year but every match they tried hard The team:

Knox : A great trainer and team man. Although we struggled to get him on the pitch he showed up every week to support the team. Keep training hard Knox.

Bailey : My little monster, strong midfielder with no fear. When Bailey is focused he will run through brick walls for his team. Thanks Bailey the team would not be the same with out you.

Zavier : Really proud of Zavier as he improved massively throughout the season. Part of our wall of defence and loves a tackle. Zavier remember little kicks, little kicks..... Fantastic season

Max : Joined the team halfway through the season and was a joy to have in the team. He has bags of spirit and was our striker scoring a number of goals for the team. Well done Max.

Aiden : One of our classy midfielders with bags of talent. A great listener and a joy to coach

Oliver : Our little brick wall, saved so many goals with his aggressive style and just got better with every game. Showed he can get forward as he was our top scorer. Proud of you

Tommy : Loved watching Tommy play, bags of potential and always with a smile on his face. Great effort Tommy

What an exciting year for the U6E's, this was their first year to play soccer. It was a slow start with a few losses in the beginning, then the boys found their mojo with a 10 plus game winning streak. All the boys showed a lot of enthusiasm both at training and on game day. As the session went on each player improved their skill level and eagerness to play. Looking forward with excitement to see what they achieve next year.

What an absolute cracking season the U6/I team have had this year. 13 wins 104 goals for, 2 losses 37 against. But more importantly than the stats is that the boys really enjoyed their year learning a few things about soccer, building friendships and just having a great fun year. Well done boys!

W6A1

We had a great little team this year with 7 players signed up and putting in the effort each and every week! I think some great friendships were formed on the park and it was good to see all the girls having fun out there. The girl's skills developed well over the year with ball skills and stamina improving each week. Attack and defence were both on show throughout the year with most games going our way (even though we're not supposed to count!) This is the first time all these girls have played together in a team but some off them have know each other for a while through school and there older sisters team. They where far from disappointing, these little firecrackers were amazing. There ability to learn how to pass, kick, chase the ball and score goals amazed all there parents. Hoping next year this team stays together as I think they have a big future as a terrific soccer team Thanks to Tommy for coaching and running training each week and also to the assistant coaches who helped out when he couldn't make it. We also appreciate the effort from all of the parents and extended families to get the girls to training and the game each week.

Thanks for a great year!

TEAMS And Reports

So proud of these little ladies. We all set out at the beginning of the season purchasing those rose gold, or pink soccer boots. Never thinking they could actually kick a ball or concentrate for a full match and not giggle or throw in the odd handstand. All the girls, CLEO, Tyra, Pip, Nell, Isla & Kelsey all went to kindy together but separated when started school, so I thought I have never met a more competitive bunch of U6 girls.. Let's play soccer! They were truly AMAZING. (And with no training.) What a season! The coaches were so encouraging Louis and Jayd. what a effort they put in. When those boys were absent Kai & Mack stepped in. Never short of a coach this team. These girls improved so much and were very entertaining to watch, the lineup of grandparents and friends that would come and watch every week we thank you. Can't wait to c what next season brings.

TEAMS And Reports

What a fantastic season it was. For the girls it was their first season of playing soccer and with that came its challenges. But the girls were determined to learn and their enthusiasm at training and on game day was amazing. Win lose or draw they always gave their all and always had a smile on their faces. It took a little while to get our first win but once they got that win under their belt their confidence seem to grow and with that their skill level improved out of sight. As their coach I enjoyed every minute and I know as parents we all enjoyed watching the girls play. Lastly I would like to thank the parents for their help throughout the season. Also a special thank you to our manager Shelby who was in constant communication with the parents and was a great help to me on game day. I hope you all enjoyed the season and I look forward to seeing you next year.

TEAMS And Reports

The 7B's have had a great season & proven that they can more than hold their own in this grade. Our awesome team consisted of Luke, Archie, Jackson, Luka, Hugo & Ethan. It has been wonderful to watch all the boys grow in their game & become such great mates. It has made coaching them a pleasure as they always brought their enthusiasm & sense of fun as well as their beautiful manners! School holiday soccer camps saw the boys bringing extra "tricks" & skills to their game. Their passing then improved too. I think all of the boys can't wait to bring their "big" kicks to the larger size field next year. All the boys are a credit to their parents & a big shout out to such a supportive bunch of parents & grandparents, thank you!! We can't wait for the 2017 season, good luck boys.

ABSENT: Dom Usalj (Assist. Coach)

Congratulations to all the boys for a courageous 2016 season. Again it's been a privilege to be team manager and assist our energetic coach Butch this year. What a year! as it was the 2nd year the boys have played as a team, with some new players to join our team (Curren, Jack and Kai) and it didn't take long for the boys to gel and new friendships to be made. With Butch the superstar coach, and our Monday afternoon training sessions full of fun with drills and new ball skills every week was the basis of great tally of wins over the season.

It was a strong start to the season with weekly wins and some tight draws in the first few weeks. With the boys learning new ball skills and control over the season.

Everyone enjoyed equal playing time rotating on and off the field every few minutes and there was no question of enthusiasm as all the boys couldn't wait to be back on the field.

The team spirit was exceptional with high fives when all the boys scored goals.

I look forward to the challenges of next year in the U8's progress to the bigger field. Thanks to all the parents for your fantastic support at training and especially on those cold Saturday morning early starts, hope to see you all again in the next year's team.

Well done boys!

TEAMS And Reports

2016 was a great year for 7D1, we welcomed Jackson to the team and the boys had lots of fun each week.

Towards the middle of the year coach Troy taught the boys positioning, passing through the field and a strategy for our goal kicks, and from then our team really played well and continued to improve each week.

Jackson was pivotal to the team being in charge of the goal kicks, Riley was super as our strongest key defender and Talon, Jett and Tyson were our awesome attackers, all passing through the field to each other to create some spectacular goals.

Some weeks we had opposition coaches commenting on how well our boys were playing as a team which was a credit to them all.

A highlight of the season was the gala day we played at Loftus where the boys showed off their great teamwork and won or drew all their games.

Thanks to all our parents and grandparents who came along each week to cheer on the team.

Also thanks to coach Troy who has gotten the boys ready for the bigger field next year by showing them passing, positioning and the importance of teamwork, bring on 2017!

7D2

What a fantastic effort from our 7D2's. This was the first time most of the boys have played together and the team united from the first game and played outstanding. As the season progressed, it was a great watching them all grow, learn about the game and bond together as a team. Individually, all of the boys have improved and found their place in the team by displaying their own skills and attributes. Thanks to all the parents, and other families members, for their encouragement and supporting the boys development as football players. We had lots of fun this year, at both the games and training sessions.

Well Done Mateo, Xavier, Ayden, Zac, Jake, Zachary and Thomas.

Hope to see you all again next year in the U8's, progressing to the bigger field with an expanded squad. Good luck to all of you in the off season.

TEAMS And Reports

U7G's had another fun year in 2016. The majority of the team had played together last year so friendships had grown and our new team member Zac quickly settled in. The boys trained at 5 sports most of the season and got to learn about the cheeky/ naughty corner from their coach Raul.

They learned this year to start passing the ball to each other and playing together as a team. There was plenty of chatting about the game on field and laughter from the boys. They were all competitive and loved to win and loved to hi Fi each other on every successful goal.

Every player improved throughout the season and I think all the parents enjoyed the extra sleep in this year for most of our games from the previous year! Overall a fun year was had by all and the boys enjoyed their gala day last weekend.

TEAMS And Reports

The W7B2's of 2016 was made up of the following young superstars... Arielle, Grace, Indigo, Lara, Lucinda, Stella and Ruby, with Jeff Galea kindly taking on the role of coaching this enthusiastic and excitable group of gals. The season started off a bit shaky as the girls found their groove as a new team, but it didn't take long for the girls to turn things around.

It was a cold, rainy 8am game against the Redbacks at Caringbah where something clicked and the girls never looked back. As the weeks went by it became apparent the W7B2's were a team to be reckoned with. Ruby and Stella were by far the most improved players in the team, their confidence growing week by week and they did some terrific runs on the field.

Lara's a natural on the wing - dribbling the ball along the side and passing the ball across the field to be shot into the post. Lucinda and Grace were terrific in defence and great at turning the ball around and away from the opponents. Arielle and Indigo are forwards in the making, finishing off passes by their team-mates and shooting some sensational balls into the net. With only three losses this season, it's pretty fair to say, the season was a roaring success!! Well done W7B2's.

2016 Soccer Season wrap up!

Well another soccer season comes to an end... the girls (Aurora, Ellie, Josie, Luka, Scout and Tilly) really were quite a team this year with great fun, laughter, smiles, tears and goals- lots of them!!! The girls had 13 wins, 2 draws and only 1 loss!!! Luka and Rory were our top goal scorers...70 goals between them. How amazing is that!!! Many of the wins were convincing, but I have to say the girls could really show off the skills learnt in dribbling, passing, changing direction, defending, attacking and scoring goals.

Coach Ben did a great job in encouraging the girls, sharpening their skills and thinking about tactics. The girls have been so impressive with their teamwork and sportspersonship. All of the parents have loved watching the enjoyment they get from playing each week. We really look forward to another ""cracking"" season next year...on the bigger field!!!

Until next year...the team Manager.

TEAMS And Reports

We had a tiny team of pocket rockets; just five girls, many of whom were playing soccer for the first time. After some slow starts that included unlaced boots flying off mid kick, lost shin pads, home goals and 'half time oranges' being the highlight of the game, the girls finished strongly with plenty of new found skills, enthusiasm, comradere and smiles. Goals were scored, friends were made and everyone seems excited about playing in the 'big field' next year... Go Seagulls!

Our U7D2 girls team had a terrific first season together with the Seagulls! They trained enthusiastically each week, with Coach Graham taking them through drills and teaching them new skills each week. They all looked forward to game days and there was plenty of goal scoring, high-5's, occasional cartwheels on the field, loads of cheering and big smiles from parents on the sidelines happy to see the girls getting out there every weekend and enjoying their soccer! Thank you Cronulla Seagulls-the halftime oranges were always gone in about 10 seconds, its a great club to be involved with!

And we'll see you next year!

TEAMS And Reports

Nine young men bonded by a love for soccer... and playing striker. A very strong year in the 8A's with some good wins and also some very close games against quality opposition. Some cracking goals but more importantly all of the boys learned a lot about the game of soccer – the importance of passing, to supporting your team mates, playing as a team not individuals, spreading the ball and defence. Each of the boys deserve special mention for the skills they displayed, what they learned and how they played as brothers on the field – Well done each of you Harry, Samuel, Jackson, Lucas, Marcus, Fergus, Rohan, Harry D and special mention to Fletcher who unfortunately missed a lot of the year after an ankle injury but was welcomed back to the team like a brother once he recovered.

The spirit with which these young men played the great game came with an email to the club in the last week of the competition from another team, where they congratulated the boys on being “the best and fairest team that they had played on and off the field...not only do they provide good competition but importantly the nature of their play and the players attitudes are a pleasure to play against”.

Most of all we had a great year and had FUN!

Great year by the boys in 8E with huge improvement shown from the beginning of the year to the end. The boys gave their all each week, built up some great team work and had some fun along the way. Well done Asher, Ben, Charlie, Cooper C, Cooper S, Dion, Hudson, Jackson, James and Tom. Hope to see you all again next year.

TEAMS And Reports

2016 was the second year that the core of the mighty 8G's played together, and it was a bumper season. Starting out as 8H, the success achieved for the first half of the season was boundless, but hearteningly, good sportsmanship, and not too much focus on the outcome were the trademark of this team. Moving up to 8G wasn't too hard, the biggest challenge was for the parents finding the new grade/name in the draw and on the board each week.

The boys all improved through the season. Riley proved to be a versatile player, always quick to step into where ever he was needed including goals. Lincoln was very strong in the back row, as was Darcy his running mate. Lucas is a great player with enthusiasm and skills to match. Christian showed determination that was impressive in one so young.

He loved being in goals, and was a very safe set of hands. Daniel, another Cuciti, showed that he could move through the field, he had a great season. Jarrah is a blonde dynamo. His favourite shot from the wing seemed to find its mark nearly every time. Joshua was a consistent and able player for the team. Even tempered and reliable. Michael has great things ahead. His skills were always on display, and were excellent. Finally, the parents. Decent people to enjoy a laugh with on a Saturday morning is one of life's pleasures. Thank you all.

8G

FRONT ROW: Cushla Kelly-Parnell, Marcus Keyes, Oliver Herbert, Harry Schwarzer, James Lamb, Matias Huuonen, Adam Attard

What an excellent season, we started amazingly this year and improved every single week, due to our successes we were re-graded 4 weeks in. With the addition of new players to last year's side being, Charlie, James, Matias, Oliver, Kaden & Rhys the original team of Adam, Harry, Beau, Marcus and Cushla quickly came together. With nearly the whole team being from Burraneer Bay Public School, it was a very social side. The team learned some basic skills and became more confident in their ability to play and work to successful outcomes on the field. We played in all conditions, sometimes freezing cold, our team never complained, they were there to play the sport they loved. Wednesday coaching sessions mainly involved just playing a game and focusing on passing the ball to score. By the end of the season the team were really playing well. They finished the season with nearly every game a victory and we all had a great time! A huge thank you to John & Adele for all the work that was done off the field and well done to the team, parents and grandparents who showed up every week to cheer and encourage from the sidelines. Thanks

Darren U8I

TEAMS And Reports

A very rewarding year for the U8J team. The boys formed strong friendships and developed their skills in a fun and supportive competition. Every player improved and every player showed commitment to the team with some very impressive displays of sticking together when the going was tough, such as being a player down. We welcomed Tim to the team midseason and he took lots of turns in goal but also learned about the game and had plenty of runs on the field too. Thankyou to Kyran, Harry, E, Harry, G, Ray, Jett, Caleb, Lachy and Tim for listening to your coach. Thankyou to Greg McConnell for being the coach and thankyou to all the parents and grandparents who supported soccer season 2016.

Well Girls, what a great season we had this year! A mixture of 3 teams from last season and you all came together as a great team from the very first training session.

We had some tremendous highlights this season but defeating Marton 1-0 at Marton was the highlight for me. We played our best game of the season against fantastic opposition and got the win. At what I loved most this year was your team spirit and sportsmanship; everyone gave 100% every week and no matter the result, you always gave three big cheers for the opposition at the end of every game, I'm very proud of all of you.

I would like to thank Carly for her fantastic work as Manager and all the parents for the support through the year. A special mention to the Brookes family for providing their home for training sessions when the grounds were closed and for gifting each of the girls a Season 2016 photo book - thank you, the girls love them.

Thank you
Jonathan

TEAMS And Reports

The W8B's had a fantastic season in 2016! The girls loved playing and they all couldn't wait to get onto the field each week. Along with Brooke, Cyan, Gracie, Lani, Lexi and Sophie from previous seasons, we had new players in Caitlin, Jojo, Millie and Ruby who slotted into the team straight away and were welcome additions. The girls enjoyed playing on the bigger field with more space to run around and did well in their first year playing goalie. Their skills have improved with each game they've played and just as importantly they have had fun and played with a great team spirit.

Special thanks go to Gav for the time and effort he puts into coaching the girls each week. It's very much appreciated Gav!

Hope to see you all back for another great season next year girls.

Congratulations and thank you for such a fun season girls!!

It was a pleasure to see them develop as a team with some returning to the club this year and quite a few new faces. It was great to see their skills develop under the new Coach extraordinaire Greg and his wonderful Assistant Coach Raegan. Some great friendships were formed that continued off the field too.

With the larger field, a goalie and some new rules in the mix the girls worked really hard every game. At times we even had to play against our own team helping out the opposing side when they were short. Our girls did it without complaint which was a true credit to them showing what great sports they are.

Thank you to our mums, dads and grandparents for coming to training & the games every week and supporting our girls.

FRONT ROW: Benjamin Keogh, Noah Pernic, Taj Wardle, Aidan Stonestreet, Angus Linnegar
ABSENT: Benjamin Layton

The 9A's started the season welcoming some new players: Tyler, Taj, Angus and Benjamin L to our team of William, Jack, Benjamin K, Noah and Aidan. We were also fortunate to have a great new coach in Troy, and Karen making them a very skilled coaching couple. It only took 3 games before the boys were working well together and be rewarded with a win. Our opponents were all tough to play against and win, draw or lose, the boys were giving it all they had and learning about the game. The boys gelled well as a team, becoming more skilled, extending their knowledge of the game and most importantly having lots of fun. Some standout moments include: Jack's header, Angus's corner kicks, William's impectable defence, Ben L's ability with the ball, Ben K flying the ball back up to the front, Tyler's "wolf in sheep's clothing" quietly being able to do anything the coach asked, Noah's ability to perform in the fronts or backs, Taj's precise crossing in the fronts and Aidan's constant movement attacking or defending.

A big thankyou to our supercoach Troy, Zelko for assistant coach and Malcolm for Ground control.

TEAMS And Reports

2016 was a great season for the U9C1's, with the boys enjoying themselves, getting some great results and, very importantly, improving as a team throughout the year. Putting together an 8 game unbeaten streak to finish the regular season was testament to how the boys improved both individually, and critically, as a team. Some of their passing play in the second half of the season was really great to watch, particularly given that when the team was pulled together at the beginning of the season, many of the boys didn't know each other and had never played together before. In some of the highlights for the year - Hayden T and Kyan were our leading goal scorers, Hayden M our golden glove, Anthony and Brayden our energiser bunnies, Noah our defensive stalwart, and Riley and Hamish our tireless midfielders. Whilst there were many great games, one of the season highlights was seeing the effort the boys put in to defeat a very strong Loftus side in the 2nd round, reversing our biggest loss of the season from Round 1, a 5-0 loss to Loftus away from home. It was not so much the win that inspired, but the effort, enthusiasm and commitment of all the boys to improve on that first round result. For Garry, Andrew and I, it was a pleasure to coach and manage all of you boys in 2016.

Well done boys.

Well done to the 9C2 team for another fantastic effort this year! The team has been mostly the same over the last 2 seasons and the boys have formed great friendships over this time. Of course, their skills have developed just as much! With that, we have laid the foundation for a strong team moving up to the bigger field next year. The boys started gravitating to their natural positions with more certainty this season. Charlie and Archie stood strong as our main defenders with not much getting past them. Will played well throughout the season and earned much respect from his team mates after one particularly superb session in goals. I think he even surprised himself with his effort! Liam and Ben filled the essential midfield space and provided the continuity between the backs and forwards. Marley and Lachlan also provided great support for the forwards and were themselves involved in many runs up front. Hamish and Jonah are our forwards with a hunger for goals. They are going to be a force to be reckoned with next year. We welcomed Patrick into the team this year. His positive contribution to the team started from the outset with a strong presence in the midfield. No matter the result of each game we can all be proud of the boys for giving their very best each week. A big thanks to Daren for being our star coach again this year. And thanks to the parents for stepping up each week and ensuring the boys get to training and matches. Look forward to seeing you in 2017!

TEAMS And Reports

This season we were minus our main goal scorers and had a number of new boys but the team immediately came together and started having fun. From the outset it appeared we would be lacking the final touch but the boys trained hard all year and slowly developed their skills. All boys played a range of positions but part way through the season the majority had worked out where they really wanted to play.

Each week there was the usual debate on whom would be goalie, always hotly argued between three or four usual suspects. All the boys had a go and each week our goalie did an outstanding job. Mid-season, we were shifted down to the C's and this was a great relief. We weren't going to score goals but we had a chance to be competitive. It did take until the gala day for our boys to have their first official win and boy did they celebrate! The bigger field really suited our boys and all of them played as though they had been in their positions for years and knew exactly how to move the ball on the larger pitch.

Thank you to each of the boys for trying your hardest this season and especially for not giving up when it would have been so easy to. You boys showed real courage this year and the final three games at the gala day really showed how far you have come. Also all of the parents deserve a clap for encouraging their little ones to keep going and keep trying their hardest. It shows we have a great bunch of kids and parents to match. Keep practicing boys.

Hopes were high in season 2016 for the 9E's. With everyone back on board and an inclusion of Alex, we welcomed the arrival of the soccer season with glee! I am very pleased to report that this was an outstanding year, both individually and collectively as a squad. We had a number of memorable wins, tough fought out draws and a couple of losses along the way. However, everyone was so impressed at everyone's willingness to work together, learn and (most importantly) have fun. On behalf of everyone, we would also like to thank our manager Raelene for all of her time and effort in organising and coordinating the team. Special thanks also to Robin Wilkinson for coaching and assisting. Finally, we would like to offer our sincere appreciation to all the parents for their support and assistance throughout the year. It was great to witness the development of every player in this team and we hope that the nucleus of this squad will be able to stick together for future years. Well done boys!

TEAMS And Reports

It was an absolute pleasure coaching 9F this year, from the first kick of the ball I could tell we was in for a special season.

CJ, Geordie, Jack, Jackson, Jamie, Hunter C, Hunter G, Hunter H and Seb did not disappoint.

Team work was the key to their success, the boys gelled together as though they had been playing together for an eternity.

After settling on their positions and a few wins under their belts, the boys flourished with confidence on and off the field and friendships grew.

A big shout out to all the parents for their support though out the season!!

The 9G's have had a fabulous soccer season in 2016. We still can't quite believe that it's all over as the boys had a blast and would have loved to have kept on playing. Not many of the kids knew each other when the season first started but by the end - all of the boys really enjoyed playing as a team. They worked hard, turned up to training, listened to guidance from the Coach - for the most part :, and ultimately had a wonderful season of playing soccer.

The boys were fortunate that they had support from a number of parents in the team across the season, special thanks to Mike, Matt & Clayton for their efforts in developing their game skills. To all the parents - it was a wonderful season and we really appreciate your support in bringing the boys to training and each game, for your positive encouragement from the sidelines - it was a pleasure to be a part of the team.

All of the 9G's are better players as a result of their hard work and determination, their support of each other, our fab coaches and that special ingredient that they all had in that they genuinely loved playing soccer each week.

Congratulations boys!

ABSENT: Miki Dordevic (Manager)

What a great year girls! Friendships picked up where they left off last season and new ones were formed with three new girls joining us. Our season started with two goals from Sana and a second to Leni who surprised herself as she is such a natural defender. We measured our success over the year by progressively reducing the goal difference. In the end that led to a win on the back of an awesome goal by Amelia and two nil all draws. We saw great goaltending from Lyra, Cyd, Felicity, Zoe and Sana.

We saw some good positional play developing led by Cyd, Felicity and Leni who all consistently played their positions. I liked Felicity's communication over the season along with her battle cries when going in for a challenge! Charlotte had an amazing season with her dribbling and end to end effort and Sana showed a big improvement with her dribbling as well. Zoe was one of our most improved players and was showing a lot of confidence with the ball in July. We managed to make a few good crosses over the season, with a couple of them coming from Jasmine. There were always smiles before and after games regardless of the result and all of you always gave a big cheer for the other team and shook hands thus showing good sportsmanship. We are really proud of all of you girls and how you improved and conducted yourselves. We hope to see you back next year.

TEAMS And Reports

Winter 2016 saw a new look team for the 10A's with Karlos, Joshua, Isaac, Lucas, Samuel and Oscar joining seasoned campaigners Jacob, Luke, Darcy, Cameron and Garvyn.

Incoming rookie Coach Ryan Kendrigan was tasked with whipping the team into shape. Skill and versatility was the order of the season with a bit of rotation through positions in our first year on a big (half-field) pitch.

We had plenty of experienced players and looked to control our games in the midfield. There was an abundance of strike-power up-front and we were always dependable at the back with rock-solid defence. The boys dramatically improved throughout the season with a load of wins. On a number of occasions when we did lose, we felt unlucky because we had dominated the game.

A consistent showing from the team throughout the season – so congratulations on the effort boys and thanks to all the parents for making it possible. Looking forward to consolidating in winter 2017.

TEAMS And Reports

What a year the U10C1 had! Losing only 1 game all season. Lots of cheering from the loyal supporters from the many wins played in good spirit and sportsmanship manner.

The success characterised by a well balanced skilled team, underpinned by strong defence organised by central defender Will and well supported by Jack (most improved), Lachlan, John, and Max H, who all demonstrated their versatility by covering other field positions. Max L scored some long range goals in midfield and backed up as a formidable goalkeeper.

Harry composed in midfield and always beating his man, advancing play creating scoring opportunities rewarded with a hat-trick in the last game. Robbie 'happy feet' mesmerised opponents with his deft ball skills, scoring many goals and a couple of hat-tricks. The attackers: Kai O, ran hard and chased everything a nuisance to all opponents, Taj apt turn and run with the ball leaving opposition behind, and Kai L aided by strength and determination ploughed through many defenders, all creating attacking opportunities and scoring many great goals. Thanks also to the Manager for ensuring half time oranges were always available, and organising game days.

Also to all the parents and grandparents for bringing the boys to training and games on time and cheerful disposition, which all contributed to a very memorable and enjoyable season.

Well boys what a season UNDEFEATED ALL YEAR!!! We had the players from last years 9G'S join forces with 9H'S to form the 10F'S. From the first couple of games you could see this bunch of boys was way to strong for this competition with many one sided games, and once everyone's positions were sorted the boys started to play some very entertaining soccer with some winning scores of 15-0, 12-1 just to name a few and the association had no choice but to put the boys up to the 10E'S.

Our first game in the 10E'S against Miranda was our biggest challenge all year where the boys came back from 3-1 down to salvage a draw with Harry and Phoenix scoring cracking goals with a couple of minutes remaining. The rest of the year saw the boys dominate the 10E'S with big wins in every game. The teams biggest strength was their positional play and passing game which even had opposition coaches commenting on how good it was. Every player improved through the year which was one of the most pleasing things as a coach, our forwards were Ty, Coby, Harry, Kaelan, and Lachlan P. The halves were Phoenix, Shannon, Hugo and our brickwall at the back was Lachlan C, Lang, Levi and Aiden. Just a special mention to Hugo and Aiden our goalkeepers for much of the year you guys did a wonderful job and kept a lot of teams scoreless for most games.

Also thanks to Scott who brought the equipment every training session and of course Craig who as manager made the year run like clockwork see you all next soccer season.

Wow, what a great year the girls have had in 2016. The stats are 8 wins, 3 draws & 4 losses. 38 goals for and 23 against. We welcomed three new players into the team and they fit in perfectly. The girls really enjoyed the bigger field this year and it seemed to suit their game. We are not a big team, some of the teams we played looked like they were from the W12's compared to us but what the girls lacked in height they more than made up for in heart, determination and effort. It was quite common for the girls to finish very strongly and Matt, Andrea, myself and the very vocal and competitive (in a good way) parents are very proud of them. Great season girls, you did very well!

TEAMS And Reports

Going throughout the season without losing a game is a huge achievement in the top grade. Charlie; the team engine that set up many goals with blistering pace and a strong tackling style. Clay, "The Tank" showed strong defensive skills and kept many games to a clean sheet, can score a volley also. Dominic; nominated as player of the season, a standout in all aspects of the game and provided entertainment with his long range goals. Jackson; the strongest defender, made many runs down the side creating scoring opportunities. Jayd; our golden boot (really it was his head!) a great recruit to the team this year. Jordan; When the sleeping giant awakes watch out, the goalie and posts are in danger. Keeran; a versatile player who is suited in many positions including defence, attack and scoring the odd goal or three. Logan; our central midfielder with a lethal left boot. Scored many goals this year to decide a game. Another great recruit for the team. Mitchell; "Mr Versatility" can play in all positions on the field and never lets the team down with his spirited play. Ollie; "The Smiling Assassin!" A strong player who has the biggest boot in the team. With Jackson, helped out as goalkeeper and saved the team many goals. Taj; our speedy right channel midfielder who provided many crosses creating opportunities for our forwards to score. A great bunch of talented boys with parents to match! A great season that can only get better once we move to competition football on the big field.

TEAMS And Reports

Another fantastic season of soccer for our boys. We welcomed two new players in 2016; Jonah and Xavier, both amazing boys. Jonah provided the speed we needed and scored some great individual goals while Xavier showed great versatility, we could play him anywhere and he never let the team down. Haydon our striker got the season off to a great start with a hat trick and had many more to come while Cooper upfront was always in the right place to finish the job and score some powerful goals, one from almost half way! Jake and Sasa' were our boys with the gloves, so reliable saving many attempts, such a stressful position they took on with confidence and determination. Joel has improved in confidence and ability and often thrilled us with his amazing ball skills! Alex, never afraid to go in for a tackle or put his body on the line, a huge effort every game. Tom left mid season to see the world but thankfully back for the last game where he finished the season as he started, the team is so strong when Tom has the ball. Luca our all rounder so versatile and most improved this season with an impressive man of match performance in round 9! Matt C is our most definitive player, always first to the ball and teamed with his improved ball skills he is an asset to the team. Matt B is so strong at the back that rarely does anything get past him and given the opportunity up front just as likely to score a goal or two. Our coaches do such a great job with all the boys, Thank You Matt & Pete.

BACK ROW L-R: Daniel Pratt (Coach), Luca Stonestreet, Alexandros Costis, Rory Glenn, Nicolas Bambacas, Louis Fisher, Adam Taylor (Manager)

FRONT ROW: Max Goyen, Zach O'Hara, Matthew Donghy, Jesse Taylor, Monty Doab, Otto Ohis, Kyle Docking

ABSENT: Collen Taylor (Manager)

What a season! Five new players blended seamlessly into the existing group and the boys played as a team right from the start. Otto had an outstanding season in the centre of defence, repelling would-be attackers with his mighty boot. Luca and Rory ruled the left wing, working together to fluently move the ball out of defence and into attack. Jesse and Nicolas were equally trustworthy at right back and it is thanks to this core group that we conceded so few goals. Up front, Alex showed wonderful skill as our main striker and enjoyed the exceptional support of Kyle, Monty and Max, all of whom also found the back of the net regularly. Zach was king of midfield, creating moves and finishing with style, ably assisted by Matthew, who played a key role disrupting opposition attacks. Louis unfortunately missed half the season with a broken arm but showed great adaptability as a utility player when he finally got his cast off! It was a genuine pleasure to coach the team and see them grow as players and teammates. My heartfelt thanks go to Colleen for managing, Jonathan for his advice and assistance, and all the parents for their support over the season.

TEAMS And Reports

Firstly a big congratulations to all the boys for starting the year in the 11F's and after some great early season performances and remaining undefeated we were re-graded into the 11E's. Given we had several kids who had not played soccer before this was a great achievement for the team. The boys really started to play like a good football team and our passing and skills really shone through as the season unfolded. Our forwards in Chris and Johnny were terrific upfront for us and scored many goals along the way and were supported by our hard working midfielders in Anthony, Andy, Jack, Harris, Cooper A, Terry and Eli. These boys provided the opportunities for the boys up front to score. Our defence held strong in all of our games and it was because of the efforts from Kenshi, Luke and Cooper D that we were able to win so many matches. At season's end we had only lost the one game and had improved considerably as a football team. Well done to all the boys on a great season and a huge thank you to all the parents and family members who supported the team so well throughout the season. I look forward to seeing you all again next year in the Seagulls colours. Matt Brennan - Coach

FRONT ROW: Ty Jennings, Levi Jensen, Lachlan Clifton, Lachlan Pearce, Phoenix Wiggins-Payne, Harry Macartney, Kaelan Latham

An amalgamation of 2 teams into one saw us have a shaky few games at the start of the season however with a regrade came a more competitive game which saw the boys confidence grow in each other. It was only at the end of the season we were able to put back to back wins together and find our mojo. It was very pleasing to see the boys skills improve, slotting into positional play that lead to an entertaining brand of football. Many thanks to John as Manager and Christian as co-coach during the year-thankyou for stepping up and helping out. To our fans, mums, dads, grandparents, siblings and extended family thankyou for all your encouragement. To the boys from Lachlan, Parko in the backs, to Harris, Max and Elijah in the forwards and our utility players Billy, Jed, Ryan, Spyros, Noah and Tobie you all contributed to our successes on the field but just as importantly you all should be congratulated on your good sportsmanship and manners on and off the field- our results were sometimes frustrating but at no time did any boy loose their enthusiasm for the game which needs to be commended. Yet again, I along with Christian and John have gained much pleasure in mentoring these boys - thanks to Seagulls committee for providing an environment that sees boys like ours grow in skills but as people as the game of soccer continues to offer many life lessons. Hope to see all our young men return in 2017.

TEAMS And Reports

We were blessed with a great group of boys and parent's, the boys on many occasion's provided us with some proud moments like playing a man short on a few occasions with no back up the boys quickly gelled together and played for each other!

We had some big wins some nail biting win's some close losses and a couple of draws all in all it was a great effort all round.

Being my first year of coaching I didn't know what to expect I couldn't have asked for a better group of boys to coach I thoroughly enjoyed my first season and look forward to the 2017 season and playing on the big boys field.

Thank you to all the parents who helped out on game days also with coaching the team and for taking time out every week to bring your boys to the game.

FRONT ROW: Georgia Day, Claudia Kritzler, Alexandra Jones, Kaya Tane, Allie Mancini

ABSENT: Laura Andrikis, Jasmin Brown, Emily Lech, Monique Saundry, Ava Williams, Bret Brown (Coach)

This has been a highly successful year for the W11Bs. Out of the 15 games that we played during the season, we won 11, drew two and only lost two! On these results alone, we would have won any graded competition. So look out next year. If it wasn't for the persistent coaching from Brett on Friday's training and the pre-match pep talks, we would not have developed many of the new ball skills needed to beat the other teams. Throughout the season, we have seen this team showing good passing and ball skills (even a couple of ball tricks against the opposition were shown to work). In an annual report, it is very difficult to name everyone here, however, special mention goes to Kaya for always stepping up to do one of the most unrewarding positions on the field and that is goalkeeping. Ava 1 and Laura were superb in defence and finally there was the goal fest of Jasmin (10), Indi (17) and Ava 2 (13). On behalf of the team, I would like to thank all the parents for taking time to organise the girls for training, getting to the games on time, their understanding in our communications with wet weather, called off games and training; and the interchanging during the season with such a large team. Hope to see you all again for another great year ahead in the 12s.

Wesley Jones

TEAMS And Reports

What a team. Great bunch of girls who love the game of soccer. Everyone had their moment on the field and we are ready to tackle the bigger field next year. Everyone has shown their true talent and the team really came together when the girls found their position on the field. Thanks girls for a wonderful year look forward to next season. Thanks again to a great group of parents was a great season for all. See you all next year!!!

TEAMS And Reports

The 12As welcomed some new faces into the team as they took on the challenge of learning to play on the full-sized field. The first half of the season saw positional tinkering and a series of absences, hard luck stories and might-have-beens; after Round 9 we were in 5th place. But the team was starting to gel and a great team spirit was forged, most notably in the crucible of two very intense and highly dramatic State Cup ties. A 5-0 win over Menai Hawks proved to be a watershed as the team went on a long unbeaten run. A 2-1 win over close rivals GyMEA and a bruising 1-1 draw with Sylvania were key to finishing in 2nd place. After a semi-final loss to Engadine, Seagulls booked a Grand Final rematch with an epic 60 minutes of relentless full-throttle action against GyMEA that finished 1-1 after extra time. The boys had a great first half against the undefeated minor premiers Engadine, but the second half slipped away from them. Nevertheless it had been a great season with an awesome group of boys and a very supportive parental group. James, Luke, Connor, Peter and Brodie formed a formidable backline. Baxter, Matty, Tyler, Alexei and Stevan worked tirelessly in midfield. Marley and EJ provided cutting edge up front while super-sub Jack roamed the field. The boys had experienced great highs and jarring lows, learned a lot about teamwork, improved as footballers and made new friends along the way. What more can you ask for? Thanks to Co-Coach Scott and Manager Emma.

FRONT ROW: Jack Wright, Matthew Crowe, Matthew Pontey, Renzo Kable, Don Feros, Zack Pontey, Alec Durante
ABSENT: Natasha Tynan (Manager)

Another really enjoyable year with a wonderful group of boys! We welcomed a number of new players into our squad this year and played very well in an extremely strong division. Whilst our results were lower than previous years, importantly, each and every one of the boys improved their skills and worked very well as a team. In so many games, including those against the top teams, we were very competitive and with a little more luck (and a few less injuries), we could have easily been playing in the finals series.

Thank you to all the boys for giving their best and to the parents for their support and assistance throughout the year. Special thanks must also go to Natasha for her outstanding managerial skills. Although there will be a couple of longstanding members of this squad who won't be with us next year, we wish all the boys the very best in their future sporting endeavours.

Well done again to Kieran Brown, Matthew Crowe, Alec Durante, Dominic Feros, Jack Hardcastle, Troy James, Renzo Kable, Frankie Karabetos, Matthew Pontey, Zack Pontey, Callan Scott, Harry Tynan and Jack Wright!

TEAMS And Reports

The 12b2's had a tough season this year. B grade was very difficult for us as the team was made up of a combination of last year's 11c's and 11e's. Despite this our team improved quite a lot through the season and although not winning a game the results improved a lot as the season went on. We were very lucky to have a full time goal keeper that always put in a huge effort, Stefano proved that even though you are not the tallest player on the field you can still be a great shot stopper. Our defence became very strong and reliable as the season went on. Jarvis, Andrew and Luke always worked well together and often put their bodies on the line to prevent goals. In midfield Toby, Orlando and Peter K often played the creative role. With great ball control they were able to put the strikers into goal scoring positions. Finn, Bryn, Peter C and Ethan usually played wide in midfield and worked very well with both the defenders and strikers. Max was all over the midfield and worked tirelessly. Our regular strikers were Jackson, James and Oliver. Jackson was one of the fastest runners in the team and caused the opposition defenders a lot of problems with his speed. James showed us that you don't need to be tall to make an impact on the game and always gave 100%. Oliver was an extremely versatile player and made my job as coach much easier. Even though we didn't get great results the 12b 2's should be very proud of the huge improvement that they achieved this season.

Well not quite the end we had hoped for but a fantastic year none-the-less. We started the season really strongly and were sitting in the top 2 for a while before slipping to 3/4th for most of the season. As the year progressed our skill set increased and the passing was accurate, well timed and a joy for all involved to watch. You boys grew into the larger field and really took it to most teams. Great contributions all over the field ensured that we were not an easy team to play against and definitely not one to be beaten too often. Up front Will G, Nash, Dom and Joey all got in on the action and in the midfield CJ, Aiden, Tom, Will C, Brayden, Daniel and Harry all provided outlets across the width of the park. The spine of our defense was rock solid with Jeremy and Josh marshaling the troops well from the central defensive positions and it was not often that any team made it through those two! If they did, Logan was ever present in goals and made some fantastic saves this year, topped off with his penalty save early in the year to ensure we went on to win the game over our local rivals Lilli Pilli.

FRONT ROW: Jack Humphries, Kane Herbert, Max Cooper, Eligh Smith, Alex Palmer, Louie Briggs

The mighty 13Bs had a great 2016 season. They finished 3rd on the ladder and progressed through to the Final.

The boys played with sportsmanship and pride, working together to the limit of their fitness and abilities. With Eligh as Captain and Louie as Vice Captain, the on-field leadership was strong. Jack also played an important role from his position as goalkeeper, keeping brilliantly while also helping his teammates stay focused, organized and motivated.

The core defensive unit were a force to be reckoned with. The team relied heavily on Kye, James, Marcus and Alex to block the attacks.

The hard-working midfield played their hearts ever game, showing endurance, character and skills. Nice work Max, Fin and Eligh.

The two regular forwards, Ace and Will, used their speed and enthusiasm to great effect, with Ace scoring the most goals for the season. With 14-players in the squad the utilities were very important, playing right across the pitch in different roles each week. Well done Angus, Kane, Louie and Jake for your attitude and versatility.

Manager, Greg, helped out at every training session and made a top contribution. Appreciation also goes to the parents who regularly turned out to cheer on the lads, keeping it positive from the sidelines. Go Seagulls!

TEAMS And Reports

Thanks for a great season 13C's. We missed out on playing finals football by only two points finishing 5th. In what was a very close grade only 5 points separating 2nd and 6th in the table. It certainly has been very rewarding coaching such a fantastic group. Seeing the boys improve as the season progressed is very rewarding as a coach. We managed to have a strong second half to the season only losing once in rounds 7 to 18. Special mentions this year go to Kyran (Beef) Bishop who played much of the season between the sticks. He pulled off some spectacular saves and was a rock in the last line of defence. Most improved player for 2016 was Oscar who despite not having kicked a round ball before, fitted into the team quickly and by the end of the season was turning defence into an attack on a regular basis. Congratulations to Ryan our captain. He lead the way, always showing respect and good sportsmanship to our opponents. Finally a huge thank you to Mark who helped every week at training and Stuart for managing the team. Bring on 2017.

Coach Jimmy.

FRONT ROW: Sam Gullo, Kauan Kikko, Michael Longhurst, Athan Tragotsalos, Edin Kacanic, Jay Ibbotson

After a disastrous start for a new coach, breaking his sons arm at the first training session, the team developed into a competitive unit, highlighted by a narrow 1 point loss to eventual competition winners. Whilst the results did not always go our way, the boys always gave it their all, with many games draw or lost at the death, and on several occasions playing with less than a full team.

The team had some new players join, as well as some players who have played with Seagulls for many years. What impressed me most was the boys willingness to support each other, even with the varying abilities within the team. The played to the best of their abilities and gave each game their best shot.

The parents were also a pleasure to deal with, and were all super helpful in sharing coaching when needed and all encouraged the boys and were very positive and great examples of great sportsman ship. They recognised our opponents when they would score and were always appreciative to our referees each week. The boys were also very respectful to our opponents each week and grateful to the volunteer referees.

Thanks for a great season boys.

TEAMS And Reports

Well, this was a very challenging year for these boys as we entered the A grade level. The boys embraced the two weekly training sessions with ease and demonstrated a good team bonding from the start. On game days, they seemed to be intimidated by our opposition and conceded many goals which in no way, dampened their determination to continue throughout the season, where they finally demonstrated their true skills and ability on the final game against a team that was fighting to qualify for the semi finals, resulting in a 1-1 draw.

It has been a pleasure for Adam and myself in having such a great team of players who never gave up and continually embraced new challenges.

This season was a steep learning curve for the boys, one in which we should all be very proud of.

I would like to thank Adam for managing our team this year and to all the loyal families who supported us each week. Looking forward to next season. Regards,

Jeff

Although the 2016 season for the Seagulls U14C was not full of winning results, it was one that was enjoyed by all. I put this down to the great attitude of all our players, the support of the parents and family and the input of our Manager. Each week we had a great turnout to training with an eagerness to learn and support each other as a team. The first half of the season saw some high scoring results against us. As the season progressed, our consistency on the field grew and culminated in much more competitive results including a well deserved win against North Sutherland Rockets (who finished 2nd in the comp). The lads are worthy and deserve their most improved award from the Sutherland Shire Football Association. Once again my thanks to all the players, family and manager for a most enjoyable season. I would also like to express my thanks to the committee for all their efforts this year and the miniroo referees, all of whom contribute to making Cronulla Seagulls FC the continuous success it is.

TEAMS And Reports

The boys set themselves a goal of being Minor Premiers at the start of the season. The team commenced pre-season training in January and subsequently trained twice a week during the season - not common for this division. Always the boys would hang around after training and kick balls. This demonstrated both their great team spirit and dedication to football. Adam pulled off great saves as GK and bagged some goals too as striker/mid. Brock was like a brick wall as LB. Jayden was tireless, directing the team and got us out of trouble. Lach found his spot as CB late in season and did great. Kane was active as LM or RB and was always involved. Danny scored some phenomenal goals (costing us money) and was dangerous with the ball. Alex also kicked some bombs when he connected. Joel joined us this year and was fearless and relentless in his defence of key players.

Finn played well up until a broken ankle sidelined him from finals. Josh constantly displayed his natural talents including a spectacular header. Cal shared GK role and also was a great striker. Zach was heavily involved as CM & striker scoring valuable goals & controlling play. Tom cemented his role as LM bagging a number of goals and providing solid crosses. Sam also was new to the team and improved over the year.

A great year for the mighty 14Ds. We are proud of them. Thanks also to Shane Black, Michael Hyland & Mark Deutsch for their assistance.

Girls what can I say?? An absolutely fantastic season, an amazing for and against record of 83 goals for and only 3 against!! We had some new additions to the team from last year with Ash, Jess, Mikayla and Ana Clara all fitting in from game one complementing the already amazing base of players we built last year. There were many highlights this year girls but the fact that you bounced back from last years Grand Final defeat with such a dominant display this season speaks volumes about your character and determination not only as individuals but as a team.

One thing that must not be lost is the fact that you completed this season undefeated Minor Premiers and Premiers, a fantastic achievement. Quarter finalists in the State Cup where we lost an amazing match in extra time to the eventual winners Northbridge another significant moment in an awesome season, here's hoping we meet them in Champion of Champions for our shot at redemption. I would like to thank Vicki for her awesome work as manager. Ormy, Damian and Matt for their help keeping me calm on the sidelines. Damian, Megs and Sue for their help with post match analysis. All the parents for their constant support and encouragement, and last but not least a huge thank you to all the girls for their unwavering desire to be the best team possible and their ability to turn up every week giving 110%, girls you are an absolute pleasure to coach and hope to see you next year.

Cheers Jonathan

TEAMS And Reports

I must be shrinking in my old age as when the boys or should I say young men turned up for the first training session I felt like a midget. Our pre-season or bonding sessions went well which were made up of runs on the sand hills and beach followed by a well-deserved swim in the ocean. There were no scandals to come out of pre-season and based on the work put in we held high hopes for the season ahead. We were not disappointed and after 6 rounds we sat in 4th position on 12 points. We had two narrow losses in those first 6 rounds to two of the title contenders being Kirrawee & the arch nemesis Lilli Pilli both games could have been won by us or at minimum a draw. The mid-season hurt us a little with injuries to some key positions and over the next 4 rounds we suffered two losses and two wins, the good news was that we still held 4th spot by round 10 with 6 games to play. Round 11 was against North Sutherland which turned out to be a defining moment in our season. It was a game we expected to win but as you all know, never underestimate your opposition and turn up to every game with the right attitude. They came out hard and hit us early and you could tell from the outset that they were switched on and we were not. We did rally towards the back end of the game but unfortunately we went down 3-2. From that game 4th spot was lost but to the boys credit they did turn up to every game from there on in and never underestimated their opposition. In the end it came down to the last round where we needed a win and had to rely on another result. Unfortunately the result we were relying on didn't go our way but the boys fought hard in our last game against the ultimate premiers to get a draw. To summarise our season we played 16 for 8 wins, 1 draw, 7 losses to finish 5th on the ladder 3 points (1 win) away from 4th position. Boys, you are a great football team and continue to grow and improve, on your day you can beat every team in our competition. Both Cleve and I are very proud of you all and importantly how you conducted yourselves on the pitch. Overall a very successful season and congratulations to each and every one of you.

After the euphoria of a C grade GF in 2015 came an inevitable B grade in 2016. Despite the loss of some of our 2015 playing roster we were further strengthened in the off season with signings of Adam, Dylan, Luke, Luke and Jack. These boys slotted in seamlessly with our existing players- one thing that was clear from the outset was that this team would very quickly gel as a team and as mates. Early round losses were followed by a narrow but sweet victory over 2015 GF victor Gwawley Bay in week 4- that win, whilst sweet, probably led to our request for a regrade being denied-the realisation was that B grade was going to be a challenge to say the least. Despite some concentration lapses (usually 5-10 minute patches close to half time) we can hold our heads high that we were competitive in most of our games against what sometimes was quite clearly superior opposition. It was pleasing to see our overall fitness levels improve during the season. The highlight of the season was clearly our two wins (6-1 in round 2) over Gwawley Bay who more-so struggled with their re-grade. Congratulations to all our boys in holding their heads high all season- great group and real gentlemen for which Co coach Scott and I say thank you. Sincere thanks go to Greg and Virginia (VP) for their management support. To all the boys we know you will be back- despite results you guys are so balanced and connected with each other that it would be hard to imagine this team not returning united in 2017.

TEAMS And Reports

The 15D's had a challenging season this year, not enough players was just one way to start on the back foot but despite all of the challenges the boys turned up to training each week and the game on Saturdays and put in 100%. They formed lasting friendships and learnt that if they worked together then they could achieve great things... Here's to a better season next year.

BACK ROW L-R: Rob Brown (Manager), Joshua Brown, Christian Kalpou, Jackson Lee, Samuel Mandich, Rees Hopper, Kyle Lister, Kieran Madway, Nathan Wedesweiler, Mark Wedesweiler (Coach)

FRONT ROW: Oscar Watson-Steege, Sam Payne, Joshua Ritchie, Adrian Aguilar, Joshua Parsons, Harrison Cramb, Henry Fuller

Another season down and the 16A's are a top team again, beating GyMEA in the Semi Finals and again in the Grand Finals to become Premiers second year running. Most of our team was the same from the year before, losing Josh Jacobs and Guy Lamela but welcoming Josh Ritchie and Kyle Lister to complement a great team. With a small 6 sided comp this season, it could have been anyone's to win and we jostled for the top spot with GyMEA throughout the season.

We had a lot of draws this year and one disastrous game that cost us the Minor Premiers, but that put some "mongrel" into the boys to whitewash the Finals for the season. That's the game though. Anything can happen. Overall, all the boys played as we have come to expect and that is playing the game with sportsmanship. They should all be proud of their achievements. Great effort from the team this season and hope to see all the boys back next year when we tackle the U18's. Goal scorers for the season: Josh P (12), Oscar (9), Sam P (6), Jackson (5), Nathan (4), Sam M (4), Josh R (4), Henry (3), Christian (2), Josh B (1).

Thanks to the families throughout the season for their support and thanks to Mark for coaching the boys for another year.

The 16d's had an amazing year, a few new boys joined those that returned from last year. The boys came together well and we had a great season at both training and the game.

It was a pleasure to spend time with such a great group of boys and watch them improve each week.

With a sold effort all year we placed third on the ladder winning many games, won the semi's to get through to the finals, where we fought to the final moment to go down 2-1 in the final 30 seconds to Heathcote. What a great team and I hope you are all proud of your efforts and hope to see you all next season.

TEAMS And Reports

The 2016 W16B team was a combination of girls from the 2015 team and a few additions from other squads. The energetic team of 17 dedicated players didn't take long to bond and get to know each other resulting in a great team atmosphere. At training we worked on ball control, passing and possession. The hard work the girls put in at training was evident on the pitch on Saturday's. With many girls playing different positions throughout the year we played a balanced game. We were strong defensively and played our positions well and frustrated the other team's forwards on many occasions. When we caused the opposition to cough up the ball we used the passing we worked on in training to advance the ball quickly from our backfield through the midfield onto our speedy forwards. Without a dedicated keeper we rotated through the squad with Cheyenne carrying the lion share between the posts and who consistently turned in a fantastic effort. Although we just missed out on finals football we gave the top teams a run for their money and were always a threat. It was a pleasure coaching the team this year and it was made even more enjoyable knowing the girls had fun while giving their all to win games.

ABSENT: Brad Finn (Coach), Mia Nelson

No matter who you spoke to about the W16D team, the message was repeated time & time again "what a great group of girls".

It was obvious from the season kick off that they were a transformed & determined team, with a new coach who gave them the choice "do you want to have FUN or do you want to WIN!" & unanimously it was a loud "WIN", & that they did.

The girls were quick to form a unified bond, supporting each other & welcoming the new players that had joined the team, building friendships that will last forever.

Brad got them organised, built their skills. Every team member knew their role - no complaints & did their job. They started to believe they could do it, confidence grew & they were focused, evident by the great attendance at training.

By the second half of the season we were the team that everyone wanted to beat. The girls took to the field each week with an attitude of "can do", & were rewarded with Minor Premiers & Premiers of 2016.

TEAMS And Reports

2016 was always going to be a challenge for us. Players leaving us from the previous year through age difference, coupled with our keeper leaving for Reps. We had to acquire some more firepower. Oscar Briggs came into our team as a keeper, only to injure himself early on. Joshua Hackfath elected to share the keeping with Oscar when required. Defence was taken care of by the likes of Isaac Byrne, Matt Ludmond, Ned Drummond, Daniel Mauro and Jed Smith. Midfield duties saw the likes of Alec Dutton, Darcy Medway, Sam Wyllie, Samuel Labhard, and Anthony Khoury occupying this role. Striker duties fell to Adam Laffan, Cameron Amos and Jordan Grinham. A lot of injuries early on in the season hindered our consistency.

In saying that, there were many highlights. Two in particular for me. Our results against last seasons Grand Final opponents (2 wins, 1 draw) coupled with our final game against this year's eventual premier. Thank you to the parents that assisted me throughout the season.

Well done fellas, you're a great bunch of young men. Stay fit and safe over summer.

All the best Michael

It's Grand Final day, Referee blows the whistle at end of second extra time. The score is 1-1. That's it!! No more play, no more game, season is finished. We are runners up on a draw. Boys didn't want it to be finished they were there to finish the job, to beat the team that had lost only one game all season, we beaten this team before and we are going to do it again. We are one!

Coming this far was no chance neither was it luck, it wasn't bought, borrowed or given. It was earned, every single pass, tackle, chase, save and sweat. We stood tall every step of the way, we worked hard for it.

We like to thank George our president for helping out behind the scenes specially 2nd night training at 5Sport, Trial games on washout days and getting Match balls every time Eddie Lost one, He'll do better next year George, so he says. As we close this chapter we look to prepare for next, 18 A's here we come...

TEAMS And Reports

Thanks to the boys for their enthusiasm and sportsmanship. We had some awesome training sessions and playing soccer together was always worth watching. It was a fun season - plenty of laughs but not many goals! The season had a promising start with lots of new players in our Seagulls team. Despite the scores...and the odd yellow card, there were smiles every week, inspiring half time pep talks and plenty of encouragement from the side line. We managed to stay off the bottom of the ladder to finish the season in 8th position. Congratulations on your effort boys - never a complaint - sport should be fun and it was!

We had a great run toward the end of the season where the last games result could have seen us finish 3rd. But with only 6 points separating 2nd-7th place we end up just missing the semi's. This team is a great bunch of boys who all go on well together resulting in one the most enjoyable coaching seasons I can remember. We have another year in 18's so I am sure we will be a strong contenders next season. Special thanks to Rod Enright for stepping in to help out on many occasions thru the season.

TEAMS And Reports

The 18E's had another great year winning the grand final for the second year running.

We welcomed a few new players to the team with everyone adding depth and skill to the team. The boys put in a lot of hard work at training and provided a lot of good games to watch for us to watch. We end the competition in a close third place, overcome Heathcote in a tough semi, clawed our way back to overcome Kirrawee 2 in the final, and played a hard fought game to win over Kirrawee 1 for our second grand final.

Great year guys, jackets all round and hope you stay together next season for 21's.

What might have been for the 18Fs. A solid start to the season for a team that was still learning each other's names was very encouraging. But a big loss brought us back to earth with a thud and despite having talent and commitment, we struggled to pick up competition points through the rest of the season. Fielding 11 players each game was a real challenge mid season, especially during school holidays. There were some great highlights, such as snatching a 3 all draw early in the season after being down 3-0 to the eventual minor premiers and the bold and brave effort with only 7 players against Bosco. As we said during the year we still believe that this team is capable of winning a competition – unfortunately we couldn't get out of the losing habit mid-season – having to play key games with less than a full team didn't help (pity the Association wouldn't let us borrow players from other Seagulls teams). More consistent attendance at training would help too. We do not have the space to make a comment about each player (sent via email to the team) Thanks guys for a good season. We've enjoyed coaching and enjoyed seeing your development as players and as a team. Frustrating results but with continued effort and commitments, a few little refinements a winning habit is very achievable next season. Godwin & Phil

TEAMS And Reports

Minor premiers, what an amazing achievement. Congratulations to all the team they have come a very long way, and although the final games eluded them, as a team they achieved so much. Throughout the season we saw how their skills improve and how strategic passing and considered formations created their best opportunities, with some breath taking soccer. Well done team and many thanks to the enormous effort of coaches Steve and Barry. Here's to next year.

SWIMART
POOL & SPA SERVICES

Great season by the Women's 18D's team, with a 3rd place finish. This is a great result seeing we only had 11 players registered at the beginning of the season, with an extra 2 coming later. This meant't a lot of games were played short of players. So thanks to you all for just getting on with it and playing good soccer.

As always our Backs of Maddie, Hannah, Brogan, Laura and Courtney did a fantastic job in keeping out the other teams strikers, this was evident in that we had the best for and against for the season. The halves are made up of Georgia, Nicole, Kara, Julia and Olivia and they did a tremendous job this season. Being short of players put the pressure on the halves to be up in attack and back for defence. They ran a few marathons this season, so well done. Also contributing to the great for and against result was the strikers of Lena and Jessica, supported by Kara and Ashley. They had a great season finding the back of the net.

A special mention to the girls that volunteered to be goalies, Laura, Jess, Kara, Lena and Brogan, you did a fantastic job and there were some amazing saves.

To hard to pick a Best and fairest for the season so I'll just put the whole team down and they all put in when need.

Well done Girls and I hope to see you all back next year.

W21A

Almost another successful year, however we played hard as we could in the FINAL , but fell short of a win, loosing to Gynea 1. The girls stepped up every week to full fill our empty position of GK, every week one of the girls had to put there hand up to volunteer , usually not have played that position until this year. So well done to the girls that had a go for the Team. We were lucky enough to have Amber and Lauren from the W18's step up for a couple of the games, and a special thanks to Lauren for helping out in the Finals. We welcomed this year Taylah, Jazmin, Alex and Maddison , once again the girls just played fair and friendly on and off the field, being W21A the girls turned up to every match sometimes within minutes of kick off, but they did it, and proud of you all for the effort on the field girls, Tiarne (always amazing with the goals scored) along with Paris and Tiana, Helen, Emma , Taylah ,Bronte, Chloe at the back, and Madison, Jazmin, Michaela, Bella, Jaslyn, Phoebe , Alex in the middle. From the side line I had Brad and John coaching and Joe (Chloes dad) consistently turning up and wearing the orange vest. !!

Well done girls, till next year.

Helen

W21A2

We approached our third and final year in the W21s with three new players and lots of optimism. After successive 4ths in the W21Bs we were ready to stake a serious claim for the premiership. It all started well with 4 wins and we were developing a good brand of football with everyone having a very enjoyable time. None of those wins was a thrashing and all seemed to be going well as we eyed upcoming games against the other two top teams. Sadly (and very frustratingly) the Sutherland Shire Grading Committee then decided we should go to A grade! That changed our season! The girls worked really hard (if you can say that about a team who don't train!) and remained committed throughout. We always played with a great spirit and whilst we suffered many narrow defeats we did manage a draw against the ultimate A grade premiers - a huge effort. I was very proud of them. Special thanks to Kristen who doubles as goal scorer and manager and Dakota who took on the task of goalkeeper once we went to A grade and was magnificent (and very busy!). Well done Ladies. Looking forward to All Age next year!

Martin McGrath

BACK ROW L-R: Simon (Junior) Murray, Darren Burgess, Matt Lumb, Russell Green, Jason Bowler, Shane Dunn, Matt Grant (Coach), Pistol Pete Oliver, Jayson (Spider) Wright, Ben (Villa) Condon, Dave Johnson

FRONT ROW: Steve Woosnam, Adam Toffolo, Trev Browsdon, Chris Gorman (C), Jeff Parkin, Jimmy McMurray, Darren (Harvey) Smith

ABSENT: Josh Eason, Craig (Panda) Anderson

What a fantastic season this bunch of blokes has had. We started the year with a solid pre-season training regime and went in with a couple of good wins. A few games into the season we met the other Seagulls Club team who really did a job on us. From that point onwards there was no looking back for the boys. The commitment to training and more importantly to each other was second to none.

We got to the semi finals having finished 8 points clear of Como, an impressive effort given that they had won the last few years. The boys were very well prepared and focused on making this year count and managed to win the semi against Como 5-0. A week off was a blessing at our age and meeting Kirrawee in the Grand Final was always going to be a challenge. A 7-0 victory was very well deserved by the boys and let's hope we can continue this run into Champion of Champions!

We went through the season with some amazing performances individually and as a team. In terms of consistency, two blokes stood out to me. Simon (Junior) Murray had a cracking first year with the boys and walked off the field every single week looking like he'd had the time of his life with a massive smile on his face. The other notable addition to the team for me was Jimmy McMurray. An absolute rock at the back and another very consistent performer with a great ability to read the game. He has been a great asset to the team as a player and a bloke. Congrats boys, an amazing season!

35F

BACK ROW L-R: Rob Pupke, Michael Dutton, Sait Buzgan, Daniel Delfino, John Hanney, Shane Stalker, Stuart Clark, Mick Kelly, Ryan Everitt, Alex Vasik, Kel Solari, Chris Smulders, Louis Martinez

FRONT ROW: Jeff Senior, Pravin Parker, Phil Savides, Mike Akers, Matt Quinn, Bill Sawtell

This season saw the influx of some new blood to our already cracking squad. I spent well throughout the off-season and had enlisted 21 players for the commencement of competition. Our age span was just over the 20-year mark (youngest to oldest) and a truly multinational conglomeration. After the first round we dropped to 19 players! Was this a sign of things to come? The whole season would see a great effort from the whole team. Chris has to be mentioned for taking out the golden boot with 24 in the back of the net. Daniel, Phil and Shane also need applauding for protecting our goal as keepers throughout the season. We managed 10 victories along the way coupled with 2 draws to make the Grand Final. This in itself was a great effort. The end result may not of been achieved, but congratulations fella's. What could have been if we had trained all season? There was always lots of laughter. Add to this the ale's were always nice and cold whilst conducted post games scrutiny. Heel all those frustrating injuries throughout the summer months and we'll regroup for another crack. Cheers Dutto

TEAMS And Reports

45B

45C

Confidence was high as the 2016 season approached and a team was taking shape for the 45Cs. Ross Murray agreed to coach and play with Mark Testi taking on the role of manager. The core of the team was still intact; Peter Campbell, Steve Long, Mick Babic, Manuel Ramos, Chris Doyle, Paul Frame and Sergei Kurchov. As well as Ross, new players to 45Cs included Ron Bennet, Andy Jackson, Gary Norris, Mark Casemore, Eddy Lim, Lewis Lizzo, Criss Shorrock, Wes Jones and our new goalie Adam Watson. Some of these players were not new to Seagulls and were just 'coming out of retirement' or moving from other teams. Later on in the season we secured the services of Michael Szafranek. The first match of the season was away to Bonnet Bay and it wasn't long before disaster struck. Ron Bennet, playing as a striker sustained a season ending injury which was the last thing we needed. Next match we lost Ross to a long standing calf injury which would eventually end his season as well. As Ross was both skipper and coach as well as being our most influential player. You could say at this point that the writing was on the wall. As the season progressed we were leaking goals and not able to register ourselves despite best efforts. Changes to formation and moving players around provided some relief and reduced goals against. We scored only four goals throughout the season and Sergei's goal was probably the pick of the bunch. Gorbo always carried a threat and Michael added an additional facet with good skills playing as a striker or in defence. Others found positions they were more comfortable in and I think the team finished the season in better shape than it started and was certainly reflected in the goals against tally. More bad news, we lost Gary towards the end of the season to a glute injury. In the end we could barely make eleven players. That said, the bench was rarely warm all season!

TEAMS And Reports

The season was hard work throughout. It was therefore a massive effort from the team to turn up week in week out, knowing there would be little respite, suffering from the physical effects for most of the following week. This stoic attitude along with a pretty robust sense of humour served the team well. The camaraderie amongst the players was superb, reinforced by guts and determination. If success is measured by games won then it would be fair to say the season was a failure. Football is however, about people. Friendships are forged, good times shared and bad times remembered. If success is measured in those terms, then we would all be going home with medals. And of course, there is always next season!

What a year that was lads!

The season threw a bit of everything at us, some superb wins, shocker performances, great goals, dead set howlers, a load of injuries, and most importantly, a bucket load of fines for the end of season trip! After a less than consistent year on the park, we managed to scrape into first place in the final round to take out the Minor Premiership, a significant achievement given the state of our playing roster for most of the season. Despite losing the semi-final, we managed to bounce back and pick up a great win against Nth Sutherland to get ourselves into the big one.

I will always maintain that this absolutely had to be the healthiest team to ever make a Grand Final, a feat we can all be proud of! A ripper of a game against Menai was a terrific way to end the season, and despite the result not going our way, I couldn't have asked for a better effort from all the boys. Thanks to all of you for putting in every week, regardless of the injuries we had. It was a pleasure to play with you all, and we will be back bigger and better next season! GTMS!!!

Grants

Yearbook 2016

TEAMS And Reports

2016. What a great year. The boys went through all the 15 regular season games played undefeated.

Many memorable games throughout the year like the "Hangover" day after the races V Kirrawee 2, "Friday Night" wash out round V Kirrawee 1 with Rosco's Hatrick and "Battler" when they barely fielded 11 with injuries V Lilli Pilli. A change in gloves department with Ryder was welcomed as George's broken finger heroics from last years Premiership meant he could no longer take part in that position. The boys remained evermore focused after snagging a draw in round 2. And they would push on and continue to August. When the Semi Final came around the boot was on the other foot. 12 months prior it was against Kirrawee at there home ground, this time it was at home. That muddy game was the hardest the boys had played all year. And 2 weeks later who else but the same team. But the boys just played their game in the Final, banded together in their best performance and ended up winning 3-0 thanks to the solid defence line of Jonesy, Hurrikane, Captain Shane and Danny, the magical keeping (not even joking) of "\$1M Hands" and awesome goals by Stuie, Whip and B respectively.

A great way to full stop a great year to a bunch of blokes who just turn up each Sunday and want to play. Winners are Grinners!

ABSENT: Phebe Dutton, Alicia Rolley

We said to the ladies at the beginning, "You don't have to be mates, but you will be team-mates. Being both just makes it better", and the latter they did! Starting as a new team with fresh faces. Jimmy named them the "Shegulls". The next week, 'Legend' Dani got a custom made hat that said it and from then on they were known as that. The season was a roller coaster, as football can be, on and off the field. But the girls were determined to reach the goal that coach & manager had set to make the Semi Final. Not only did they do that but they claimed the Minor Premiership! That home semi will always be remembered for the hard work the girls put in all season and that amazing free kick goal from Sarah. They were in high spirits to have qualified for the Final. The finishing line was in sight! I scrambling goal saw them take the lead but unfortunately go to the break at 1 - 1. Gallantly they played on in the second half. It was an amazing goal by the opposition Como-West Jannali that saw them take the lead. Still they continued on giving it all they had until the whistle went for Full-Time. They should be all so proud to have overachieved 2016, from strangers to friends to Grand Finalists. 3 out of 4 boxes ticked off. 1 to go in 2017 "just keep doing what you're doing".
