President's Report

This is the end of another busy season at Seagulls and I thank you all for being part of what has been a very enjoyable and successful year.

We started the year with 87 teams which made us the 3rd largest club in the Shire, but more significantly we had the highest proportion of young players with 78% of our numbers made up of SSG or juniors. This reflects the enjoyment our young players have in their early experiences in football at Seagulls and bodes well for the future. We have a great array of talent in our junior ranks with the 11's down to the 6's all producing outstanding results, culminating in the 11A's winning their grand final. This is a great sign for future seasons and credit largely goes to George Koulouris our grading chairman and Mark Wedesweiler our SSG coordinator for their work in not only coaching many of these teams, but in their tireless efforts behind the scenes encouraging, organizing and much more.

We hope that our juniors will go on to enjoy the game for years to come and that this club can help them not only develop their football, but more general life skills. No where is this more evident than with our crop of SSG referees. These kids do a great job every week refereeing our SSG games and we couldn't function without them. I'm sure they enjoy the experience and will learn a few valuable skills along the way. Thanks to all our SSG referees and to Bruce Redman and Mark Wedesweiler for training and organization provided.

We mustn't forget our senior men's and women's teams. We have a great membership in our senior ranks ranging from AL1 to over 35s. Some play to keep fit and have a good time with their mates. Some play more seriously and some are in it for the beer. Whatever the reason, I hope you had a great season and hope to see you back next year.

To round off, let me thank all who helped make this a great season at Seagulls. A big thank you to all coaches and managers who have put in the hard yards through the season, to all parents and families for helping out with the endless tasks required to get your player on the field and of course to the hardworking committee members who have put in countless hours at the club. Talking about committee members – this season, we will be losing 2 of our best in Rod Parker and Mark Simpson, both vice presidents who have done a fantastic job over many years. Best of luck to Rod and Mark and a huge thank you for your efforts over the years.

Secretary's Report

Congratulations to the 11A's and the 12D's for their Premiership wins and to the other 12 teams that made the final series well done for making it past the competition rounds.

This has been another successful year for the Seagulls but I need to report some issues that have been prominent at the Association and they refer to player and spectator behaviour at games. All players and spectators must be aware that there is a code of behaviour that needs to be abided by for the safety and wellbeing of all.

Enough of the heavy words. I had the privilege of training a wonderful group of junior Seagulls to becoming SSG referees. Throughout the year the committee watched them grow into a wonderful team that were a credit to the club." Well done refs!" Parents appreciated your efforts.

As a member of the executive I would like to thank the team for their efforts in accomplishing another smooth season. There are a number of senior executive that are not standing next year and I would like to thank on behalf of the Seagull Community the efforts that Rod Parker -Vice President Football has put in over numerous years in creating a well organised and forward moving football club. We will certainly miss his ground control organisation and his e-mails. Mark Simpson Vice President Administration is also standing down and his efforts in developing the BBQ and awning have been an asset to the community.

As you might have noticed many of the committee have been around for many years and could I encourage parents to be involved with the club as with the influx of SSG teams the committee is often stretched. If you do not wish to have a "tag" and a role, join as a grading committee member and offer your support on "set up" or "pull down".

I look forward to seeing all the coaches and managers for a season celebration at the AGM on the 17th October at 1.00pm.

Seagulls Secretary

Treasurer's Report

Another reasonable year financially for Cronulla Seagulls Football Club, with wet weather reducing our canteen and BBQ income. We managed to run at a slight profit enabling us to cover the costs associated with the construction of the awning on our club house, installation of an exhaust system in the canteen and purchase of a new storage container replacing the old green one which was starting to fall apart.

The fundraising portion of the registration fees together with the raffle at the beginning of the season contributed over \$21,000 to the clubs' operating funds.

We were also lucky enough to receive the following two grants:

1. \$1,000 from NRMA for our MATCH DAY SAFETY program held on Round 17
2. \$12,823 from NSW SPORTS AND RECREATION to reimburse moneys spent on the construction of the awning

Sponsorship is up this year, with a few new sponsors and a couple of existing sponsors increasing their sponsorships. If you can, please support them as they support us.

Thanks to our canteen ladies Karen, Missy and Lauren for another great year. Also thanks to George from HOT ROX for providing staff to man our BBQ on a Saturday and Matt and Drew for Sundays and to all those who jumped in and helped during the busy periods.

To everyone who assisted the committee through the hectic registration period, many thanks.

Best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

Editors Message

It's been a bit of a challenge putting together your Yearbook these past few seasons, but one I have thoroughly enjoyed. I believe it's a worthwhile asset for the club, not only providing enjoyable reading for your end of season, but recording the club's achievements together with photos and reports for every team that played that year.

I hope you all enjoy this year's publication and I thank all who contributed, especially those busy coaches and managers who took the time to record their team's season for all to share. I also want to give a big thank you to my 3 volunteer helpers Ike Levick, Trish Hanslow and Rebecca Ward who did such a sterling job proofing the materials in this yearbook. Thank you to Ike, Trish and Rebecca.

Enjoy your presentation days and see you all again next season.

2010 TEAMS AND REPORTS

6A1

Coach: Scott Maddern

Manager: Mark Phelps

Team: Lincoln Granger, Tyler Maddern, Joshua Whitten, Nicholas Durkin, Benjamin Phelps, Max Drinnan

Congratulations to the 6A1's on a fantastic 2010 season. It has been a privilege coaching the boys this year, whilst watching them grow and mature as players throughout the season. The team was a mixture of one season veterans and first season rookies (including the coach), none of whom knew each other at the start of the year. But a strong team bond was formed quickly and the boys hit the ground running, winning their first few games. We continued on to win the majority of our games this season, and were only really outclassed once by a very impressive Menai side.

The thing that impressed me most this year, apart from some of the outstanding goals scored; was the development of some excellent teamwork as the season progressed. The boys showed me that they did occasionally listen to the coach at training and during half time speeches by working together in both attack and defense. Individually each of the boys showed some amazing skills. Nicholas was the consummate professional in both attack and defense with a mesmerizing step off both feet and a lethal strike which netted many goals. Ben was our General in the middle of the field and was always eager to be involved in all the action, from goal kicks to shots on goal Ben was in everything, a real energizer bunny with a canon like left boot. Max was fantastic in the midfield scrimmage. An attacking midfielder, he would often win us a lot of ball which in turn set up our attack. Max was equally as good stepping through the opposition and scoring himself. Lincoln was always there in support for both attack and defense, and had a particularly strong kick, especially from set plays. Josh was our Thinker. Josh would do whatever needed to be done for the betterment of the team. He would often remind the other boys where to stand and to not kick across the goals in goal kicks. Every team needs a Josh. Tyler was a defensive dynamo with his fantastic slide tackles, who would often save as many as we would score to help keep us in front.

A special thanks to Mark Phelps for all your help this season, and also thanks to all the Parents for your fantastic support. Hope to see you all next year.

6A2

Coach: Carlos Aguilar

Manager: Jo & Michael Hyland

Team: Andrew Aguilar, Daniel Cambridge, Finn Hyland, Marlon Krivograd, Nicholas Stonestreet, Nash Thompson

The 6A2 boys have come a long way in 2010. Week in week out each of them put in a lot of effort at training, working on their skills, learning how to work as a team and becoming good friends in the process. The boys steadily improved as the season progressed and whilst there weren't a plethora of goals they showed a lot of character and always finished the games in great spirits.

The exhilarating attacks by Nicholas down the sideline, Andrew's knack of turning defence into attack, Nash's midfield excellence, Finn's unbreakable defence, Daniel's scintillating strikes, and Marlon's magic runs all contributed to a memorable season that excited us and made us proud.

Big thanks to Carlos for having unshakeable patience and working with the boys this season. He managed to turn them from a bunch of knockabout 6 year olds into a cohesive team that enjoy their football.

6B

Coach: Michael Julian

Manager:

Team: Jackson Gage, Bede Julian, Addisson Bishop, Oscar Cafe, Harry Cafe and Kian Johnson.

The 6B's started the season off well, winning two and a draw, then had a mixed mid season with losses and wins. They finished the season off well too, with two wins. The boys were disappointed not to play the last game due to the wet weather.

Jackson, the smallest in the team, but at times with the biggest heart, progressed with every game. He loved to mix it in defence, saving plenty of goals; not forgetting the little beauty he scored! Bede, our leading goal scorer, played every game with determination. He improved a lot on last year and loved playing with the boys.

Addisson also improved on last season and was ever-improving, becoming our long-range goal scorer with some beauties.

Oscar, what can I say about this little bloke? He was in everything, getting in amongst the little huddles with his brother, clearing the ball, becoming our mid-field wall and also scoring some beauties.

Harry was the quiet achiever on the field, scoring a couple and defending well. He progressed as the season went on, becoming a player who would pass the ball, always finding one of the boys in open space and, with his brother, was our enforcer in the mid-field.

Kian didn't take long to stamp his skills on the field with his fancy footwork, goal scoring skills and defence.

The boys made me proud to be their coach, with great teamwork in the back half of the season, scoring some fantastic goals, which had the Dads and Mums very excited. A BIG THANK YOU for the support from the boys' parents, not forgetting your GRAND PARENTS.

THANK YOU ALL !!!

6C

Coach: Daniel Mann

Manager: Rebecca Ward

Team: Beau Ward, Joshua Mann, Jay Ibbotson, Dylan Ibbotson, Jake Birdsall, Taj Summerhayes

Wow 2010 was a fantastic season. We all made new friends and every week the children amazed us with their good spirit and sportsmanship.

Jay showed us how fast he could be with many a time running the full length of the field to score at the other end. Dylan was great at defense and was never scared to get in and tackle the ball. Size was never an issue for Dyl. His motto the bigger they are the harder I'll fall. Taj – Wow what a kick. Taj could always get the ball out of any situation with one of his big kicks. A huge improvement from game 1 to game 18. Jake was a great team player always passing the ball and seemed to appear whenever he was needed. Go Lil Birdie. Always looking for the coaches magic sponge. Josh what a back heel! The boy is a wonder. Scoring two goals this season. His concentration greatly improved. A big kick that's just getting bigger! Beau "defense" Ward. If not for him a different season it would have been. Thanks to him and his Dad Tony shouting from touch "defend your goal!" Then like a flash he would rush to attack scoring at will, it seemed. Second in total goals only to Jay.

We couldn't have asked any more from any one of them. Bring on 2011

6D

Coach: Mark Burns and Nick Palmer **Manager:** Stuart Bush

Team: Jye Burns, Ethan Martin, Matthew Palmer, Jack O'Connor, Tom O'Connor and Kynan Bush.

The 6Ds were an absolute pleasure to watch all season. The boys had a lot of fun and smiles abounded. This was helped by winning all but two of their encounters and banging in an average of over six goals a game!

Mr. Dependable, Kynan, was the team's quiet achiever, never having a poor match and being solid in all aspects of the game. Pint-sized Jack struggled at first, but got more involved with every game and made some good tackles and big kicks. Gutsy Tom was at his best running with the ball at his feet and gave defenders a torrid time, despite being a magnet for tough tackles. Rugged Matty was a rock at the back, but his good foot work and booming kick led to a decent number of goals as well. Pocket battleship Ethan – invariably the fastest player on the pitch – used his searing pace and insatiable appetite for scoring to notch an amazing 36 strikes in a 12-game season. Bustling Jye never stopped trying and got better and better as the season went on, making excellent contributions all over the park.

Well done boys and good luck for next season.

6E

Coach: Hayley Compton **Manager:** Lyn Aslund

Team: Jacob Aslund, Max Bowen, Taylor Compton Perry, Hugo King, Zack Levick, Luke Takacs

The 06E's started the season off with most of the team members playing their first ever soccer game. Although this was the case, the boys showed right from the start that with fierce determination and fire in their eyes anything was possible. This showed with only 3 loses for the season. The boys got along fantastically and were an enthusiastic bunch to coach. They always turned up to training with a smile and an eagerness to learn.

Luke was the team's all-rounder. If he wasn't at one end tackling the opposition you could be guaranteed he would be at the other scoring a goal. Hugo could be depended on to track back, tackle and defend the seagull's goal line, as was Jacob who was always a fierce defender of his goal. You could always count on Jacob to kick the ball out if it was too close for comfort. Taylor was a natural attacker, who loved dribbling the ball up the side line and out pacing the defenders to score (although it didn't always go in). Max was a bit bewildered at the start of the season but as his confidence grew he started to show his newly acquired soccer skills, which resulted in some great defending. Last but not least, Zack. The youngest member of the team he proved that if he was in the right place at the right time that he had a right boot that was a force to be reckoned with.

06E you had a great season and should be proud of yourselves. Thank you also to all the spectators who cheered the boys along and to everyone who helped out at training.

6F

Coach: Dave Woresley

Manager: Robin Moore and Carla Grossetti

Team: Jack Gallagher, Ruby Lancaster, Harper Marvin, Marley Moore, Sam Nelson, Jet Woresley

It was a terrific introduction to playing football for all members of the mighty 6F Seagulls 2010. Each team member made a great contribution and improved throughout the season.

There was plenty of good sportsmanship with the team supporting each other and shaking hands with their opposition after every game. Most games were a goal scoring bonanza and the team recorded wins almost every week.

Dave did a top job coaching and encouraging the kids. His efforts definitely made a big difference with the kids enjoying themselves and improving their skills. Having the World Cup on in the season didn't hurt either, especially when the kids started trying to copy the passing. Carla did well in the manager role keeping everyone informed about game locations and the like. Thanks very much also to all the parents and grandparents for bringing the players and supporting the team.

6G

Coach: Chris Durante

Manager: Steve Blewitt

Team: Alec Durante, Logan Charlton, Jack Anderson, Bryn Schwarzl, Lachlan Blewitt, Tyler Szostak

With all but Alec having their first year playing soccer, the Under 6Gs had an enjoyable season providing a number of talking points for the parents on the sideline, whether it be on game day or at Tuesday afternoon training.

When Jack wasn't entertaining us with his one-liners, he was busting moves on the field particularly with his kicks from the sideline. Lachlan regularly used his characteristic bash and barge technique to score his goals this season. Bryn consistently put his body on the line, and while he showed us he can kick the ball well, he was caught more than once in the firing line of the opposition. Logan can dribble a mean ball and more than a few times he found the back of the net. Tyler was unlucky the season finished prematurely because he was just starting to hit his straps with some real force in his kicks. Alec's left foot got the team going forward and he managed to pop the odd goal with it as well.

Thanks to all the parents for their support throughout the season. It was most enjoyable. See you all back at Seagulls again in 2011.

6H

Coach: Phil Healy

Manager: John Kingston

Team: Alexander Russell, Ethan Kingston, Harry Tynan, Kaeden Healy, Kyan Hackett, Samuel Cornock, Zac Taylor.

Won 9 out of 13 games. Interestingly the For and Against was 43 to 47, Biggest defeat 0-13 against Cronulla RSL. Biggest win 9-5 against Engadine Eagles.

The 6H team (nicknamed “Heroes”) were all 1st time soccer players. There were a few standout players to commence the season, but by the end everyone was playing well and most players received the “best player” award more than once for an all-round team performance. After winning the 1st game, the Heroes had a patchy mid-season, especially with all the wet weather cancelling valuable training and game time, but played fantastically towards the back end of the season with a strong finish by winning 3 straight games.

The team was represented by 7 little Heroes. Alexander dribbled the ball with skill playing every position on the field often scoring goals, Ethan was our big kicker scoring some goals from half way and tackled strongly, Harry improved a lot, kicking some great goals towards the end of the season, Kaeden improved throughout the year and didn’t miss a game or training, Kyan the smallest member of the team, definitely looked the part with baggy pants, oversized shirt & headband, performed a skilful header in the last game, Sam was a very determined player, scoring not only goals, but a few injuries throwing his body into every game and Zac was a very versatile player and saved plenty of goals as the Heroes last line of defence.

The whole Hero team played incredibly well and continued to improve throughout the season. All team family members are very proud of their efforts and respect for team members and opposition players, while having loads of fun for an enjoyable season.

Coach: Brett Montgomery

Manager: Tanya Carlson

Team: Kurt Montgomery, Max Lehman, William Morrison, Cruz McKee, Ziggy Carlson, Luke Coady

The U6I1’s showed amazing improvements throughout the season. For all members of our team this was their first season of soccer and they had much to learn.

Each week our team showed improvements in their ball skills, defensive play and passing the ball. Some amazing goals were scored during the season by Kurt and Max and all team members scored a goal during the season. Will and Cruz consistently showed their determination and focus on the field each week. Luke and Ziggy both showed big improvements in their ball skills and defensive play.

Our team all worked hard during each game to ensure the opposition didn’t get to score. A big thanks to Super Coach Brett and Greg for their efforts and patience at training.

Coach: Michael Keogh

Manager: Mimi Ladkani

Team: Matthew Pitt, Nicholas Keogh, Conor Mc Fadden, Ben Scullino, Jaxon Woods and Sam Fazio.

2010 was a fantastic year for meeting the most wonderful kids and parents to match in one team. Great friendships have been formed. We were very lucky to receive a very committed coach, Michael Keogh, yes that's you! - whose ability and happy-go-lucky outlook on life gave the kids a great platform to succeed and learn each time they spent time with him.

The season was eventful with eight wins, one draw and four losses. Never a dull moment. They formed a great combination. Nick the master dribbler was fearless in his attack and his improvement throughout the year has been phenomenal. He always had a smile on his face and is a true professional already. Then there was Matty, the pocket rocket extraordinaire, who with his speed and ability was everywhere in no time; and with Nick not far away, they both terrorised the opposition every week. But the true spirit of the game was not with the scoring, but with the teamwork achieved from all, especially Ben and Jaxon who gave it their all and committed themselves to supporting the team and being there - in sickness and in health. Their skills have improved immensely from the first week 'til now and they should be very proud. Another skilful player, Conor, showed he was definitely a force to be reckoned with as his achievements included speed, determination and style; while Sam and his classy footwork always managed to get to the ball in time for a big kick. He never stopped and always had a go with a smile on his dial!

What a fantastic team of parents too, we couldn't have hoped for a better bunch. Thanks to all of you for being a part of this wonderful journey and for getting the kids to training. Thank you Michael for being YOU. Thank you also for your dedicated approach and initiative with the training every week, rain, hail or shine. To all the Mums and Dads ... well, you know it ... you're an awesome bunch. Well done 6I2's. All the best for next year.

Coach: Mal Smith

Manager: Dominique Hill

Team: Clay Smith, Peter Cuciti, Sam Hill, Hayden Ruxton, Charlie Richardson and Matthew Cooke.

I can still remember the first time the boys got together. It was a hot and steamy Sunday afternoon at Woolooware Oval. The boys were graded together for their first trial matches, while the parents sat and watched with great anticipation. It was difficult at first; each boy took their turn to come off the field, over-awed by the occasion of playing a new game, with a few tears shed by both boy and parent.

As the competition progressed, the boys developed their own particular style of football; some were extremely competitive to get the ball, others would wait for their opportunity once the ball came their way. Although goals were sparse in the first half of the season, goals came a-plenty towards the end, with all players having a share in either scoring or contributing towards goals, culminating in every player being awarded the Man of the Match Award during the season.

Peter, code named "Superboot" for the great shots at goals each game, had a great debut season. Charlie developed such fine skills that even parents from other teams would comment on how well he played, scoring goals at will! Matty put all his efforts into contributing and setting up goals through his fine dribbling skills. Hayden managed to save us on many occasions, through his ability in reading the game and defending with vigour when called upon, using his quick pace. Sam was able to mow down teams at leisure, sending our team on constant counter-attacks, resulting in setting up many fine team goals and finally, Clay 'the enforcer'; for his determination and competitiveness in fine speedy cover tackles, prevented many goals from being scored against us and even scoring the odd goal or two himself.

Boys: great start to your soccer careers. We all look forward to seeing you develop into fine soccer players!

Coach: Nick Hudson

Manager: Mellissa Chandler

Team: Tristan Quezada, Luca Cincotta, Mitchell Chandler, Henry O'Leary, Izayah Hudson, Blake Coulthar

What a wonderful effort for our first time under 6's. It was a fantastic season watching you all grow and learn about the game. 2010 was an invaluable fun year for the boys with their football development. It was very clear in the beginning of the season that this group of boys would enjoy their season together. The team united and the first game was outstanding.

The boys did a great job all year and have all thrived and improved in what was a tough competition. This is the first year that any of the boys have played and they have made an impressive improvement with their ball skills. Luca, Henry, Blake, Tristan, Izayah and Mitchell all became better players with the much needed patience of Coach Nick. A special mention to Tim, John, Rebecca and Michelle in helping out with training on those bitter cold evenings when Nick was unable to make it

A big thank you to the parents, grandparents, uncles and aunties for supporting the boys during 2010. Well Done Boys on your first and fantastic season.

U6W1

Coach: Geoff Woolley

Manager: Michelle Heinrich

Team: Aimee Gougeon, Tamsin Woolley, Jade Oliver, Mia Hassbach, Scarlet Waters, Heidi Thornley, Tara Thornley

The U6W1 team came together with a diverse mix of girls (and skills!) We had great representation from South Cronulla School, Waratah Street Child Care, and strong links to the Seagulls from prior years. A number of the girls played their first tentative game of soccer in 2010, gradually warming to the idea of kicking, chasing and tackling. Others demonstrated well developed ball skills and a huge dose of determination and tenaciousness. This resulted in a small number of players scoring all the goals (you know who you are!)

Given the diverse mix of skills (and a combination of 'on and off days') the team unfortunately lost more games than won. We did have a number of strong wins, with a couple of 10+ scores, rewarding the vigorous verbal support provided by the parents. Most importantly though, the girls increasingly enjoyed their soccer and celebrated their victories. We as parents are very proud of each and every one of you! Like most teams our season was affected by the consistently wet weather. A lack of regular training inhibited our ability to develop a cohesive passing game. However a noticeable improvement in ball handling was shown, particularly in the latter stages of the year.

Many thanks to all the parents, family members and friends for the terrific support from the sidelines during the year. The girls did not lack for verbal instruction! And a huge thanks to Geoff and Alan for their assistance in training. Here's hoping that the team stays together in 2011 and the girls go from strength to strength!

Coach: Richard Andrikis

Manager: Rachelle Harrington

Team: Sarah-Bronte Andrikis, Mackenzie Foskett, Sophie Bray, Annabelle Harrington, Eva Ozolins, Alyssa Johnson and Kendra Blattman.

For most of the girls, the 2010 soccer season was their introduction to a new team sport. The 6W girls' competition proved to be competitive and successful season.

By the end, all the girls had become good friends. They enjoyed playing together after the match, as much as they enjoyed actually playing the game! The girls had a number of good wins during the season and their improvement throughout the year was encouraging. They now have a solid grasp of basic soccer skills and showed good sportsmanship over the season.

The highlights of the year were the constant group hugs, whenever the team scored a goal. The girls also really enjoyed their end of season dinner.

I would really like to thank the parents for their support and encouragement of the girls, both at the games and at training. They all made me very proud to be their coach. A big thank you to first-time manager Rachelle Harrington. Hopefully you will all be back in 2011.

Coach: Mark Burns and Nick Palmer

Manager: Emma Palmer

Team: Jake Burns, Oscar Waser, John O'Connor, Reid Jones, Kaegan Aslund and Alexander Palmer.

The 7A1's had another successful season with just one loss. Wins were much harder to come by this year, with a number of tough - and at times brutal - games. But the boys stuck to playing football at all times.

Lightning-quick Reid could only be more effective in defence if he built a brick wall in front of the goal. His miracle tackle against Georges River was a highlight of the season. Action man Kaegan doesn't seem to understand the meaning of the word 'feared'. He combined blockbuster tackles with a liberal sprinkling of goals. Goal machine John is quite simply the best individual talent of his age in the Shire. His quicksilver feet and ability to score from anywhere won a number of tight games. Big-hearted Jake started our defence in the opposition half, by hounding defenders out of possession time and again, setting up plenty of goals. Quiet achiever Alex's passing and positional play is the best in the team, and he made innumerable tackles every game. George unearthed a real rough diamond in soccer tyro Oscar. His stunning maiden season saw him combine ferocious defence with a couple of memorable hat-tricks.

The team's passing and dribbling skills have improved vastly over the season and we can't wait to unleash them on the bigger pitch as U8's next year!

7A2

Coach: Ben Horvath. **Manager:** Mick Hickey.

Team: Alexandra Casella, Cruz Horvath, Ben Hickey, Ace Haslam, Darcy Hill and Kane Herbert.

The 7A 2's were a pleasure to coach during what turned out to be a pretty successful 2010 season. All six boys improved their ball control, passing skills, positional play and even tactical awareness towards season's end. Believe it or not, there were even some encouraging glimpses of movement off the ball, and well timed runs into space at some training sessions.

I'd like to thank a committed bunch of parents who believe in and support their children's development as football players, and I hope to keep this strong, close-knit group together next year so they can further enhance their understanding of the beautiful game. If the boys keep working hard, and all put a bit of time into honing their skills during the summer, I am quietly confident they should have another good season on the slightly bigger pitches in the 8A's next year.

As a team, the results garnered in 2010 were encouraging. The boys achieved nine convincing wins, contested three tight draws, and suffered only two narrow one goal losses. More importantly though, team camaraderie improved, technical and dribbling skills were refined, and the boys began to grasp and enjoy the idea of looking, acting and behaving like a disciplined sporting team - both at training and on match day.

Ben Horvath.

7B1

Coach: Craig Mackenzie **Manager:** Matt King

Team: Ethan Vella, Vaughan Mackenzie, Angus King, Henry Fisher, Nicholas Crowe, Luke James and Kyran Bishop.

Despite a stop-start season as a result of the weather, the boys (and parents) had a great season: winning eight, drawing one and losing three. In all but one game, they were extremely competitive, which is a great effort considering five of the boys played in the J's last year and two were new to soccer.

Player highlights:

Luke James enjoyed his first year of soccer, with the highlight being his first goal and Man of the Match with his extended family in attendance. Well done Luke.

Kyran Bishop was also in his first year and, after taking some time, really showed some improvement towards the end of the year, particularly in defence.

Angus King – try beating Angus in defence. No chance. He was keen and committed, and has perhaps the longest run-up of any player.

Nicholas Crowe also had a great year, particularly those games where he had his "head in the game", when he showed real skill and commitment.

Vaughan Mackenzie played consistently well all year and is perhaps the best reader of the game in the team. Scored some good goals and saved plenty!

Henry (shin pads) Fisher had a great season and was always keen and committed. Possesses some excellent ball skills and also learned to read the game well.

Ethan Vella – player of the season. Scored some crackers, screamers and scorers. Ethan has a real hunger and passion for the game and possesses outstanding ball skills.

Well done boys. Thanks for an enjoyable season and hope to see you all back next year.

Coach: Bruce Whitehill

Manager: Penny Cassidy

Team: Leo Boualibane, Marius Candiago, Joel Cassidy, Rhys Hauster, Mitchell Pitt & Thomas Whitehill

What an awesome season the 7B2's had. Under the watchful eye of their coach Bruce Whitehill, this group of talented youngsters bonded and played like champions from their first game. Their success on the field came from the great teamwork they developed throughout the season.

All players tried their hand at various positions. Mitchell and Rhys established themselves as great defenders while still pushing the ball towards and in our goals. Thomas and Leo played wonderfully through the middle, helping to defend and attack while setting up wonderful plays. Goals were scored by most of the team with frequent near misses. Marius a definite all rounder scored from many angles and Joel with his passion for scoring put the ball in the net on numerous occasions with his fancy footwork.

Thank you to our wonderful support crew (parents, relatives & friends) that made this season fantastic. We will miss the 7B2 team, what a great group of boys.

7C

Coach: Greg Cooper

Manager: Cassie Romberg

Team: Nicholas Colgan, Max Cooper, Finley Moore, Max Nelson, Nat Pearson, Guy Romberg

Throughout the season as a team the boys had a pretty even number of wins and losses whilst displaying the best manner of sportsmanship on all occasions. In my first year as coach I have to say I have thoroughly enjoyed training the boys and look forward to next season. The improvement in ball skills, passing, shooting and running surpassed my expectations as the boys developed into real team players noticed by all who braved the cold to watch the boys do battle each week.

Individually each of the boys has found their place in the team by displaying varying attributes which have helped bond the 7C's together. Nicholas the most talented player to start with who developed well, he missed a few games but always looked to score and pass at the top end of the field a forward by nature. Max (son of dedicated father/coach) produced a few surprising long range goals and his clearing defense kicks were always useful during tough fought games, a sweeper in the making. Guy loved to be running toward the front of the game where the action is with many goals and set ups over the season centre-mid maybe. Finley often created great defensive runs always protecting the rear with covering tackles turning the ball and passing selflessly up the field, a definite defender at heart. Max turned out to be the prolific goal scorer of the team most weeks and a real striker of the future, at his best creating offensive runs. Nat showed the greatest improvement across the season length finishing off in the last game by playing his best game of the year and scoring to top it off.

Well done 7C's, see you next year

Coach: Larry Nicholas

Manager: Daren Draganic

Team: Leroy Carlson, Ashton Draganic, Jake Montgomery, James Morrison, Thomas Nicholas, Sebastian Parry

What a fantastic year for the Seagulls U7D team! The team had an equal number of wins, draws and losses and scored 43 goals over the year. However, more importantly, the boys put 100 percent effort into every game and played with a wonderful spirit and sense of fair play. Everyone scored a goal and contributed to a great season. All of the boy's skills improved significantly and by the end of the year there was a real sense of teamwork.

Leroy was the big improver, scoring a goal in his first ever game, Leroy got better as he learnt the game, supporting his team mates and making a great contribution. Ashton was another player who improved over the year, making some scorching runs with the ball and as the season progressed his tackling and involvement in the game developed. Jake's tackling was fearless. He also scored some great goals over the season.

James showed everyone what a great all round player he was in defense, attack and eating oranges at half time. Thomas was our leading goal scorer, with his energy, speed and great ball control. Sebastian was our ice cool defender at the back. Whenever the opposition broke through, Sebastian was there to stop them.

Thanks to all the mums and dads for getting the boys to training and the games. Hopefully all the boys will be back together again next year.

Coach: Rob Nicolai

Manager: Lisa Hoffman

Team: Owen Hoffman, Bailey Nicolai, Maya Simpson, Holly Morel, Dominique Honeman, Jorja Matthews.

This was a great season for this newly formed team. Everyone was eager and enthusiastic to play and they always showed great team spirit which was a pleasure to watch. Many of the players didn't know each other before joining the team but it did not take long for everyone to bond and work well together.

During the season there was a big improvement from everyone (mainly due to the excellent coaching from Rob). The drills and ball skill exercises they did each week at training definitely helped in getting the kids more focused on working as a team rather than just trying to score a goal by themselves. There was also a noticeable improvement in our defense over the season with the kids learning how to correctly get the ball off the opposition. We had some tough games and often the team played better in these games as they tended to be more focused when they were losing and keen to get ahead.

We had lots of fun this year, at the games and also at the training sessions (which I know got very cold at the end of the season). I would like to thank Rob for his excellent coaching, and also all the parents and who supported the players and got the kids to each game and training session on those early Saturday mornings and cold Tuesday nights.

The girl's team had a wonderful time this season with a few wins.

Michaela had an impressive eye for saving many goals; Erin displayed some clever foot-work; Charlotte had some great kicks; Zoe showed fantastic kick and chase work; Jeorgie was good at kick and defence; and Laura Conroy was our goal match winner and helped the team in every way.

Our fun spirit and athleticism made for a great season and the Coach congratulates all of you.

Well done!

Coach: Steven Heapy

Manager: Peter Swatosch

Team: Hamish Lindstrom, Jai Wilson, Jake Doyle, Lachlan Swatosch, Mitchell Heapy, Oliver White, Rafferty Lancaster and Tristan Glanznig.

The team had another outstanding year and were a pleasure to coach. We won most games, with one loss and one draw throughout the year. That's three losses in three years, which is a fantastic team effort!

The boys really enjoyed the step up, playing on the larger fields. The standard of teams in the 8A's this year was very high and we had some really tough games. On many occasions, the boys had to really dig deep, which they did.

Each of the boys contributed to the success of the team, both at training and during the games, improving as the year progressed.

Hamish was our Mr Versatile, playing equally well anywhere on the field and making some spectacular saves throughout the year when in goal. Jai scored some fantastic goals and was always a threat to the opposition when up front. Jake was our solid defender and mid-fielder, improving his skills and positional play throughout the year. Lachlan proved to be a very athletic mid-fielder, making some great runs with the ball with his keen eye on scoring a goal. Mitch was our engine room in the mid field, showing his ball skills moving up and down the field with ease.

Oliver was our left footed mid-fielder and attacker, scoring some goals from unbelievable positions throughout the year. Raf, or Mr Determination, never took a backward step in attack and defence and scored many a goal. Tristan was our rock at the back, with his ability to read the play and strong defence, he made it very difficult for our opposition to score.

A big thank you to Peter our manager, who made my job easy, and all the parents and grandparents, for their support on those cold windy mornings. We always had an enthusiastic chorus of voices on the sideline cheering the boys on.

Coach: Charlie Mellino

Manager: Damian Stonestreet

Team: Alex Aguilar, Bryce Hansen, Callan Hyland, Rocco Mellino, Declan Mulcahy, Max Panarello, Joel Rutherford, Samuel Stonestreet and Lachlan Williams.

Well, it's been three years since the core of this team has played together, with humble beginnings in the lower divisions in the 6's and 7's. It was time to add another two additions to the team this year and commence our aspirations to play with the best. Declan and Joel joined this great little team, commencing in the B's. Going through undefeated in the B's, the boys got a chance to play in the A's and test their ability.

This year the boys commenced playing on the larger field – which came with the larger goals and goal keepers. It certainly was an interesting time at the beginning, adjusting to the many changes! But, as usual, the boys handled it brilliantly, with some outstanding displays of soccer and team effort throughout the year. With the step up in grade half way through the year, they certainly found it tougher and they rose to the challenge every week, which is what they deserved after awesome performances every week.

With another year over and all the boys coming together nicely, I would like to thank Damian our manager, for another great year of assisting me and most importantly the parents, for their continued support. Every week I get asked: How do you do it? And how do you find the time? But with this great bunch of kids and the love of the game not only shared by me, but also the kids, they make it easier.

Coach Charlie.

8C

Coach: Eddie Mostaghimi

Manager: Maureen Mostaghimi

Team: Maryam Mostaghimi, Zak Compton-Perry, Maximus Alcott, Peter Vergados, Lachlan Sheridan, Nicholas Grinham, Kaden Peat, Ronan Mauro and Oliver Roach

As a coach, all you hope or wish for is that you have some sort of impact on the kids you're training, or visa-versa. I am pleased to say that working with this bunch of kids has been rewarding, and at times challenging. We have seen the season through with an outstanding performance. We played 12 games with seven wins, four draws and one loss, scoring 38 goals and conceded 16 in total.

Being a new team, we managed to work together and achieve what many teams take over one season to obtain: TEAMWORK.

Our kids learned how to be team players and good sports. They have all thrived and improved in what was a tough competition. With only one game conceded, we have definitely left our mark. There was excellent ball control, not to mention quality passing, which made winning the games a whole lot easier and fun. With wash outs on most Tuesdays (our training night), it was always going to be tough, but we managed to get through it without any hiccups. The success of the team was both a mixture of determination from the kids and support and encouragement from the parents. Thanks to the parents who put in the time and effort to make sure the kids made it to the games and training on time.

Well, all in all we had a brilliant season. The great left foot of Max; solid and hard play of Zak; sneaky turnaround skills of midfielder Ronan; brilliant playmaker skills of Maryam; the outstanding midfield force of Kaden; the shiny tackling foot of Oliver; the goal hungry, never stopping Lachlan; the lethal wall of defence Peter; and to the ever fire attacking Nicholas; you all made this team successful. You should be very proud of yourselves. Thank you all for your encouragement and support throughout the season, it was greatly appreciated.

We played 12 games with 7 wins, 4 draws and 1 loss, we scored 38 goals and conceded 16.

Coach: Mark Hockey

Manager: Ben Fairfax

Team: Zachary Cambridge, Joshua Camilleri, Harrison Cooke, Harrison Fairfax, Brock Haslam, Jaiden Lloyd, David Maroki, Mitchell Smith, Archie Taylor

As Coach and Manager it is very easy to say that it has been an absolute pleasure to coach the 8D1's this year. At the beginning of the year we set down a couple of simple rules with the most important one being to play as a team and to enjoy the game and that is exactly how the season unfolded. Whilst we missed a lot of games this year to rain when they were on the field they played some very entertaining soccer, with some great defense and fantastic attack scoring goals from all parts of the park.

As the season progressed you could see each of the boys start to settle into positions they felt most comfortable with. In the backs and the halves Harrison Fairfax, Harrison Cooke, Archie, Jaiden and Brock made life difficult for any team to get through and continually turned the defense into attack, often setting up goals with great passes or scoring themselves. Whilst up front Joshua, Zachary, Mitchell and David always had the opposition guessing, running in to gaps, passing well to set up each other and scoring goals from every angle.

For a team of boys who had not all known each other before the season, they immediately fitted in and formed a great group of soccer players. The boys were always keen to learn, respected each other, continually improved in their skill and confidence and provided some very entertaining soccer. A special thanks to all the parents, grandparents, sisters and brothers for the great support all year. Congratulations to the boys for a fantastic year and one we are extremely proud to be a part of. Well done and we look forward to 2011.

Coach: Robert Zasadzki

Manager: Dominic Natoli

Team: Jimmy Bray, Angus Cunningham, Jack Doyle, Keegan Hanslow, Sean O'Connor, Connor Natoli, Luke Wedesweiler, Thomas Wyer, Ben Zasadzki

A highly successful season that saw the boys achieve 7 wins, 3 draws and 3 losses. We managed to score 45 goals and concede 28. This team has become tightly knit over the past 3 seasons and it has been an absolute pleasure to be involved with a great group that really enjoy and apply themselves to their football. Our game really developed this year as the boys continue to mature and listen to the lessons from training. It was great to see by season end the maturity in our game and the development of our passing game.

Of more importance is the friendship and camaraderie within this team on both sides of the sideline. Goal celebrations usually comprised a fair bit of entertainment. Our results this year were achieved as a real team effort where every single player made a significant contribution on each Saturday morning.

As the season comes to an end, we encourage all of the boys to play again next season, and thank all of the parents for bringing the boys to training and the games on often a cold morning. A very big thank you to our coach Rob who went over and above with his personal time to coach and mentor the team, I know the boys really appreciated all of your time, energy, passion and effort. Here's to another great season in 2011, have a wonderful and safe off season.

Manager: Julie Vinson

Team: Maxime Rayer , Jett Connell, Joshua Bell, Nicholas Perfrement , Dimitri Hondronikolas, Liam Dennis, Joshua Watson, Jade Vinson , Luca Durante and Tom Callander.

The 8E team was lucky enough to have most of the players back up from last year, with the addition of Maxime and Jett, which only added to this great team. I had the pleasure to coach the team with the support of Jules, Annmarie, great parents and kids. It certainly was a pleasurable experience to be involved with this team.

We certainly enjoyed some great soccer. The team improved with every match and displayed some great skills. Although we only had one loss throughout the season, there were many close games and this kept our parents and supporters cheering. Most importantly, the soccer was played in a good spirit and great friendships were enjoyed amongst the players, and we had no major injuries during the year.

Well done to all our players. You should be proud of your efforts this season! Thanks to all the parents, grandparents and friends who came along to support each week.

Once again a special thanks to Jules for managing the team (again) and to Mark, for organising the substitutions each week. Your patience with the children surely qualifies you for a higher calling!

Overall, it was a great fun season, played with a great spirit, with all the kids' skills improving and enjoying their soccer.

Thanks for a great year, It was a pleasure to be involved with a fine group of kids and parents.

Coach: Jason Bennett **Manager:** Chris Gougeon

Team: Kye Brown, Charlie Chegwiddden, Blake Cunningham, Beau Gougeon, Jesse Atkins, Aaron Wilson, Harriet Hurst, Ava Orman, Finn Jackson and Zach Hornby.

Congratulations to the 8F's this year.

After a shaky start with only one win from our first three games, the team really rallied together, trained hard, and went on to be undefeated for the rest of the season.

Teamwork was the highlight of the season for me. With each game, I saw the team pass the ball more to set up their team mates. The goals were shared around, with just about every player scoring.

Charlie was our top scorer with Kye , Charlie and Aaron all scoring hat tricks. Every player should give themselves a pat on the back as every win was a team effort, which made it harder each week to choose player of the match!

A special thanks to all the parents who helped me at training too. It was a great help.

Coach: Jeff Galea

Manager: Helena Pipic

Team: Nicholas Galea, Daniel Pipic, Thomas Ryan, Connor Polias, Daniel McNeill, Joel Corbett, Nat Jones, Hayden Powell, Lachlan Ward, Zane Wharfe.

All the boys have bonded extremely well together this year and proved to themselves that what they learn at training pays dividends on the game days regardless of the result. Positional play was the key issue this year and after only 4 games it was easy to allocate the positions best suited for the boys. Passing and holding positions was a clear advantage over our competitors as we scored a total of 45 goals and unfortunately conceded 24 goals over a total of 12 games. In round 12 we were upgraded from the U8H to U8G and the boys seemed to shine even brighter.

Goal keeping and throw-ins were new to the boys this year and they adapted quite well. Our star goalkeepers this season was Nat and Zane. Star mid fielders Nicholas, Zane, Nat, Tom and Connor. Star strikers Hayden, Daniel M, Lachlan, Daniel P and Joel.

Thanks you to Helena our manager, all the parents, friends and relatives for your sideline support. I trust we will remember the excitement and pride the boys brought this year. Another thank you to the junior referee's in the association who always ruled fair and accurate decisions. Congratulations boys, well done and see you all next season.

What a wonderful (yet short) season the 8W/1's had. For the first time the girls had the opportunity to play against other all girl teams throughout the shire which proved to be a huge success. Lets just say there was a lot of love (as well as the odd cartwheel) on the field each Saturday from both teams which was evident not only from the hugs the girls were giving each other, but most importantly were the huge smiles each and everyone of them had during and after the game. Under the guidance of 'Coach Andrew' the girls have improved immensely from the start of the season. Not only in their ball skills but also realizing where their strengths lay and playing to these during the game. Thanks to Andrew for taking them on. We all know it wasn't easy and have come to realize you have the patience of a saint!! A big thanks must also go to the supporters on the sideline each and every game, no matter where the girls were playing. From mums, dads, grandparents, aunts, uncles, brothers and sisters you all cheered hard and loud and I'm sure the girls appreciated every moment. Hope to see you all next year.

Manager: Trent Haag

Team: Rebecca Haydon, Matilda Woods, Mya Haag, Tess Walker, Rorie O'Hara, Bonnie Docking, Paige Persijn, Annika Woolley, Rennae Lianos and Dianne Lianos.

The girls played extremely well this year and I was very proud of them. All aspects of their game continued to improve every week and they proved to be really good sports.

Rebecca was outstanding in defence. Matilda, Rorie and Dianne really lifted the team whenever they were on the field. Long time campaigners Mya and Annika read the play well and always knew where to be. Paige always gave nothing less than 100%. Tess, our "high octane" player, was just relentless in attack and defence. Rennae, although small in size, had a huge heart and showed great abilities. And finally Bonnie, who was our most improved player from last year.

Thanks Trent for your help in managing the team and to all the parents, for supporting the girls - affectionately known as the "Sooky La La's."

From a coaches point of view it was a pleasure to turn up on Tuesdays and coach such a talented bunch of kids who are soccer mad. Make no mistake this is one of the best skilled team in ssg in the shire.

The boys had an outstanding year losing one game only. They also played the leading u9 team from the St George association a couple of times during the year producing some awesome results. They also won the U9 Bosco tournament and on the way doing so produced a 10 goal win in the semi final in just a 20 minute game.

I would like to thank the parents for their support and efforts in getting the kids to training and games. I know it takes a lot of commitment especially for those out of town games in very cold nights. It gives me a great pleasure to see a bunch of parents putting in so much in the development of their kids sport.

Overall a very enjoyable year.

What a year this team has had after starting as the 9B2 and producing some big results they were for the 3rd year in a row promoted to A grade. Once again it was a pleasure to coach this team and watching the kids improve week in week out was very satisfying. Our new incomers Emily, Nathan, Tristan & Charlie had some big shoes to fill and they did it in style. Our season campaigners Rebecca, Nicola, Demi & Blake were once again awesome.

The 9A2 went through the year in losing only just one game, which is a great achievement. If there was an award for the most determined and improved team, this team would have won it hands down. They also made the grand final in the U9 Bosco tournament only to go down to our brother 9A1.

Once again I would like to thank the parents for their support and commitment and kind words. I have coached some of these kids for 5 years and have had the pleasure watching them improve and develop their skills. Overall a great season. The team over achieved, no one expected them to do so well, - congratulation kids I am very proud and appreciate your efforts. I would like to thank the assisted coaches Tom Zagoudis and Brad Piggott for their help and input.

Team: Zack Barley, Carl Barton, Ryan Bultitude, Billy Corbett, Mitchell Hanney, Harrison Jurd, Angus Lehmann, Tristan Maher, Bailey Summerhayes

A very successful season for the boys, lots of wins and only two losses and one draw. Most of the team hadn't played together before the season commenced so to see them gel as a team and friends during the season and improve their skills was very pleasing to watch.

Special thanks to Coach Hanney for his enthusiasm, commitment, patience etc. on match day as well as those freezing training nights. Also, a big thank you to the parents, siblings and grandparents who turned up to cheer the boys on in such a positive manner. There were many highlights during the year; great defence, exciting attack, sensational goals, great saves, determination, team work, skills and goal celebrations. Each player contributed to the success of the team and the following helped to define their contribution to the team:

- Zack Barley – the rock of our defence, nobody gets past Zack.
- Carl Barton – reminds me of the energizer bunny; wind him up and watch him go all day.
- Ryan Bultitude – fantastic reactions that saved many goals.
- Billy Corbett – sensational left boot netted many goals.
- Mitchell Hanney – invented the plane post goal celebration that Jarrad Hayne has now copied.
- Harrison Jurd – dynamic in the midfield, setting up many attacking raids.
- Angus Lehmann – resolute, tenacious, dogged, determined, unwavering.
- Tristan Maher – silky ball skills beat countless defenders.
- Bailey Summerhayes – speed to burn and sensational in defence.

Congratulations to the 9Cs on a great season of football. The newly formed team had a challenging start to the season but through their commitment and teamwork the boys quickly proved they were a very skilled and energetic team.

The boys fought out many tough games which kept the parents and spectators loving every second. They showed great sportsmanship in victory and the odd defeat which is an absolute credit to them. The boys finished the season with a spectacular victory over one of the top sides and we are all very proud of them.

A huge thanks to the parents for their encouragement and support throughout the season and the participation in cold winter training sessions. A big thanks to Dianne and Scott Maddern for their commitment and management of the team.

This season saw the team step up and take on the change of the new “all girl” competition with enthusiasm. A very successful season with the girls winning all but 2 games. It was lovely to see the girls putting in a great effort not only at each game, but also at each training session. Much to the delight of coach Philip, the girls took the skills learned at training and used them on the field each Saturday morning.

The team now play in positions and take these on with enthusiasm. Each and every girl played fair and strong and with a smile. Alexandra, Amy, Bethany, Emily, Emma, Kate, Leah, Pip and Sophia should all be very proud of their efforts. Their great teamwork and sportsmanship were a pleasure to watch each week.

Special thanks to Philip who gave up his time each week to coach the girls. We couldn't do it without him. Thanks also to Mick and Dave who assisted Phil at training to control nine “enthusiastic girls”. It was great to see so many parents, grandparents, friends and dogs on the sideline each week to support the team. Bring on 2011!

Coach: Mark Vella , Robert Chemali **Manager:** Claudia Marvin

Team: Hannah MacKenzie, Amy Crowe, Sophie Crowe, Lucy Vella, Jessica Chemali, Isabella Marvin, Tara McIntyre, Maddison Usalj, Jordyn Matheson

A very enjoyable season (although sometimes frustrating) was had by all who were associated by “Girl power”. The girls were a pleasure to coach and their enthusiasm for training and on game day never wilted even on tough days.

The side had a number of girls who had never played before and they progressed exceptionally well as the season wore on. A big thank you to parents, grand parents and other supporters (especially “sparky”) who made a huge impact on the sidelines. The encouragement given was sensational and lifted the girls every week.

Hannah was outstanding every weekend and was our player of the season. Sophie and Amy in their first season were naturals and will only continue to get better. Maddy showed great skills and Tara was always in the thick of the action. Lucy showed tremendous potential and Jordyn’s season was knocked around because of illness however she was great the weeks she could make it. Bella and Jessica were also fantastic, showing great skills and giving 100% every time they were on the field.

Coach: Mark Wedesweiler **Manager:**

Team: Adrian Aguilar, Tim Ford, Keiran Medway, Harry Sutherland, Ethan Fletcher, Shai Henare, Rees Hopper, Christian Kalpou, Alex O’Connor, Jacob Zasadzki, Chris

They came together from various teams last year and one of the hardest things to do was adjust them into positions and work combinations. To the boy’s credit they adjusted fast and worked together as a team, their results speak for themselves. The U/10’s competition was a first past the past format without semi’s or finals being played. A competition ladder was kept and the boys finished third on 23pts with 6 wins, 5 draws and only 2 losses both by a late goal. With a win in our final game, which was washed out, we could have ended up 2nd. A sensational effort was given by all. The boys were a delight to train; they all turned up each week and listened to everything I had to say. We had a lot of fun along the way but there was a lot to be learnt, they took it all in and it showed with their outstanding results.

Adrian was a force in defence and was outstanding in goals where he helped out a lot. Tim was brilliant in the backs and a hard one to get around. Harry was the rock, he was sensational at stopper all year and a major reason for our success. Keiran played in halves and backs and always played a starring role. Shai was also very versatile, he played in various positions and always gave me 100%. Ethan always worked hard in the halves creating many opportunities for our forwards. Rees starred up in the forwards but also was sensational in his role of defensive midfield. Chris came mid season and instantly added some strike power up front and in the halves, a very versatile player. Christian was dynamite in the halves and set our forwards up with many scoring opportunities. Jacob was a force in our midfield, a position he dominated most games, an important role he handled brilliantly both in attack and defence. Alex had a sensational year, was our leading scorer, and took superb corners and wonderful free kicks, great all round play.

Coach: Michael Jacobs

Manager: Jenny Ritchie

The 10C's had a great year and the effort that went into every game from all the boys was great to watch. From the first game of the season their determination to get to the ball first ensured they would be successful and the victories followed. As they learned that passing the ball is the best form of attack on bigger fields they produced some fantastic soccer that resulted in some amazing goals and kept all the parents and supporters on the sideline cheering.

Our defence was rock solid all year and was the platform for many of our best performances. Macca, Joshua Brown, Alexander and Alex worked together really well and turned defence into attack repeatedly when we were under pressure.

Our midfielders Josh Jacobs, Nathan, Guy, Tink and Peter K worked hard all year and were outstanding when they began using the space on the field and were able to beat their opponents with passes through to our forward line.

Up front, our strikers Joshua Ritchie, Harry and Jordan combined well and terrorised the opposition defences with great individual touches and unselfish play.

A big thank you to Michael for all his efforts as Coach and Jenny as Manager who did a great job keeping us all organised and informed throughout the season.

It was a triumphant end to the season with our first win on our last game played, don't know who was more excited the team or the cheer squad!! This season saw our defense in penetrable at times with Ben, Saachin, Peter and Tom there to block and send it back at every opportunity. Great job guys! Whilst Billy, Max, Henry, Darcy and Matt were a force to be reckoned with in midfield. Daniel was a fantastic goalie, even putting his body on the line once after being ill all week. A great effort this season for James as a striker too. Thanks 10D for another great season!

Coach: David Shade **Manager:** Amanda Fournaris & Anne Clement

Team: Jayme Bishop, Benjamin Shade, Nathan Wallace, Thomas Ludmon, George Fournaris, Jordan McDonald, Oscar Redman, Luke Grinham, Leo Clement, Jake Loong, Bryce Grover and Jan Kwacz.

Oscar, Jordan, Leo Bryce, Thomas, Ben, Jayme and Nathan were all back from last year, ready and raring to go, and they were happy to welcome George, Jan, Jake and Luke, who were very welcome additions to the team. The boys bonded together right from the start, and much fun was had by all!

All in all, the boys held their own in the grade. We probably lost a couple more games than we won, but with one exception, the losses were only by small margins, and the boys can be proud of their achievements. Each player got the chance to play in different positions, but also gained experience and developed skills in the areas they preferred and were best suited to. Goal keeping duties were shared amongst the team, and we saw some spectacular saves and bravery each week. Our solid back line consisted of Oscar, Jordan, Bryce and Jayme, who did an excellent job at keeping the opposition out, and clearing the ball away from our goal. George, Leo, Luke and Jake were our mid fielders and worked hard to keep the opposition from getting through, and to win the ball back for our front line. Our forwards were Ben, Jan, Nathan and Tom, who always had their eyes on the goal, and made the most of any goal opportunities that came their way. It was great to see the boys thinking more about their play and field position this year and we saw some accurate passing and improved technical skills. Our corners were also a feature, with a few goals coming from great corner kicks and excellent placement in the goal area.

Thank you to Coach David, for giving up his time and doing such a great job coaching the team. Thanks also for the family support which was always in fine voice on the sideline! The boys were enthusiastic and gave their very best each game. They never gave up, even when the going got tough and they can be congratulated on their behaviour, team spirit and sense of fair play. So an enjoyable season all round – bring on 2011!

Coach: John Williams **Manager:** Lita Maguero

Team: Dylan Williams, Isabelle Williams, Ronan Maguero, Josh Standingford, Jack Hayes, Lena Bradbury, Ariana Tane, Zoey Cunningham, Eloise O'Connor and Oscar Briggs.

10G had a great season this year. Winning a number of games really boosted their morale, especially when the majority of times we were playing an all boys team! The Coach, John Williams, tried really hard with the team, encouraging them to play in positions (and maintain these positions) during the game. The first few games were quite trying, but magically the coaching worked and positions were maintained and the team played really well together.

The players worked hard with only one substitute and during some games, when a player was away, the team played the entire game with no rest break. Newcomer to the team Oscar did himself proud by scoring so many goals. Josh continued in fine form, also trying to gain control of the ball and also scoring many goals. A marked improvement from the previous year goes to Dylan, who seemed to gain a lot more confidence with the game and it showed when he played. Another improved player is Jack, who also tried his hardest. Newcomers Eloise and Zoey both did remarkably well, with confidence building with each game. Lena worked hard all through the season, giving the best she's got. Isabelle did really well throughout the season and always marked her opposing player with such eagerness. Ariana was always keen to be out on the field, playing and doing her best to support the other players. Ronan's niche was defence and he did this well, as well as giving support to players who weren't keen on goal keeping.

So thank you team, and thank you John for training the team on your only night off! Your efforts and dedication to the team are a credit to you.

Manager: Trent Haag

Team: Brittany Robinson, Kiana Haag, Melody Wragg, Sierra Blattman, Lauren McKillop, Ciara Woolley, Natasha McNeil, Holly Ralph, Amber Doherty, Lara Quigley and Zara Wilson.

It was a fabulous team effort from all the girls this year. The games were extremely competitive and exciting to watch. Centre forwards Melody and Sierra really motivated the team with their determination and drive. Wings Sophie and Lauren did an excellent job in moving the ball down the field in attack, and working with the centre forwards, putting continual pressure on the opposition. Mid-fielders Natasha, Lara, and Zara did a fantastic job of supporting the forwards in attack and the full backs in defence. Utility players Amber, Holly, and Brittany were worth their weight in gold for being able to play in any position on the field, and playing them so well. Full backs Ciara and Kiana always did their best to keep the ball away from our goal and moving forward, so we could be on the attack again.

Special mentions: Sophie, who was our player of the year. Melody, for her huge on field contributions to the team. The most improved players were Natasha and Holly. And to the new girls Lauren, Lara, and Zara, for being such great additions to the team.

Thanks Trent for your help in managing the team and to all the parents, for supporting the girls - better known as the "Funny Ha Ha's."

First of all I just want to thank all the parents for your complete support throughout the year. Being a new team for me, you were all a delight to be associated with. A special thanks to George and Bernie, who had previously established this wonderful team. You have done a remarkable job with them, which made my taking over so much easier. Also a special thanks to Geoff, for his assistance throughout the year as team manager.

Well, we did it! We have just won our grand final 3-0, to add to being Minor Premiers, it's a remarkable achievement which you all should be very proud of!

The bulk of this team have been playing together for a few years now and this year we welcomed Nathan and Henry who were both playing up a year, Liam who returned from overseas, Cameron Dunn, and me. We got together with a couple of shaky trial games, but once the competition started the boys kicked into gear and blitzed their opponents, at one stage leading the comp by 11 points and sealing the minor premiership with a few rounds to go.

Ben R. was sensational in goal, averaging less than a goal a game. Cameron D. held the defence magnificently in the middle. Ben G was impossible to get past all year with his awesome defence. Theo was a force to be reckoned with in his defensive roll and kept his opponents away. Henry played all over the park and was always a danger to his opponents, with his great determination. Liam was electrifying in the halves and put in 100% for each game. Aaron was upstaging his opponents with his natural skills and ability. Lachlan played all over the park too and did an awesome job, especially in the middle. Cameron S. held the mid-field all year with a superb display of dominance. Nathan led the goal scoring charge with his versatility and skillful play. Brandon led the team from the front with brilliant displays of skill and versatility.

It's been a sensational year that you all should be very proud of.

Coach: Peter Duncan / Cleve Barton

Manager: Maureen Mostaghimi

Team: Alec Barton, Bailey Sachr, Caelan Faust, Charlie Gluskie, Dion Earle, Essie Mostaghimi, George Hughes, Harry Waters, Kean McCaw, Ryan Morgan & Nathan Duncan, **Stand in Subs:** Josh Richie & Josh Jacobs

Early in the season we were able to find the best position for each player as well as give the boys a chance up front. This decision was also helped with our first few wins, this was great for all as last year was not as fruitful on the win front.

Mid way through the season we lost our goalie in Bailey to snow duties. This put us back a few weeks, after some trials Nathan stepped in as full time goalie. This change has given the team further confidence across the park. This confidence has also been seen in both midfield & fullbacks efforts, the combination of Charlie, Harry, Ryan, Caelan & George has seen improved skills in shepherding, 1 – 2 passing & clearing the area at all costs. This movement forward has made the forwards of Essie, Kean, Dion & Alec more effective. Both Alec & Dion have been fed good clear balls from Kean & Essie allowing good crossing into the box thus creating pressure and goals. The back end of the season saw other issues in illness and holidays. Luckily we were able to call on the services of Joshua Ritchie & Josh Jacobs from the 10C. Joshua was able to slot into our centre forward position which was vacated by Nathan. Josh has also found himself at home in defence.

2010 has seen a group of boys (individuals) in the start of the season become a team of boys working for each other. This effort has given the boys the best result in getting to the Grand Final.

11C

Coach: Wayne Druery **Manager:** Ros Mauro

Team: Jarrod Bell, Clayton Cormie, Rhys Druery, Jayden Woods, Tom Muller, Daniel Mauro, Jack Herbert, Dimitri Vergados (D1), Dimitri Vergados (D2), Chelsi Williams and Sarah Goldsbrough.

In 2010, Seagulls 11C came together from a wide range of past teams to gel quite fast to only show two losses after seven games. We sat in the top four midway through the season, but due to two wash-out rounds (9 & 10), we missed the chance to play a couple of lower ranked teams which hurt our points, as well as our 'for & against' tally. We finished the season one game outside the top- four.

Going into the final round saw teams 3, 4 and 5 all on the same points, which is testament to a well graded 11C competition. There have not been many easy games for any teams in this competition all season.

Seagulls 11C established a good positional understanding during the season and built some strong playing combinations. Clayton is a confident sweeper with good timing and vision for the run of play. D1 has improved his timing in defence and confidence to run with the ball. Jack worked hard on his timing, becoming a more secure defender. Tom has great one-on-one defending ability. Chelsi's speed and agility are a great asset on the wing. Through great field coverage, D2 has become a roving centre with great defending capacity. Rhys is very solid in midfield, running the ball with confidence and the ability to strike under pressure. Daniel's endurance and ball skills are an asset to the team. Sarah is deceptively one of our strongest tacklers and improved a lot through the year. Jayden's strength and striking ability are dominant on the left side in attack. Jarrod would be our best goalie, but is equally capable as a genuine, close range striker.

Well done to everyone this year. It has been an enjoyable task to coach Seagulls 11C.

The Under 11D’s had a fantastic 2010 season. After a slow start, they grew to be a very strong team as the season progressed. They showed their full potential, by making it into the elimination semi final round, which ended in a 1-1 draw, even after extra time. Unfortunately, our points for and against meant we did not progress past this round. The boys should all be very proud of their efforts as a team this year. They all played well together and always showed what true team spirit is about. Even though our 2010 season is now over, a number of the boys are keen to keep up the training through the summer months. Such is their love of the game. A special note of thanks to Elliot and Don for all the great coaching. Just for the record, the 11D’s won 8 games, lost 5 games and had 1 draw. Well done. Hope to see everyone again for the kick off in 2011.

SEMI-FINALISTS!! ‘W’ does not only stand for ‘Women’, it also stands for Wonderful, Wholesome, Wholehearted, Winners and that’s what the mighty 11Ws are. The team should all be very proud of themselves. Their soccer skills improved; their fitness improved; they were enthusiastic; they were loyal to their team mates and supported each other; they were good sports; they showed respect to their coach(es) and each other; they took turns and did what was best for the team; they tried hard and never gave up; they were competitive and they entertained their parents every Saturday.

With 5 wins and 5 losses during the season, we scored 29 goals and found ourselves up against Lilli Pilli in the semi-finals. Making it into the semis is such a huge achievement and it really was because of a team effort. The game against Lilli Pilli was a real nail biter. Lilli Pilli were lucky to nail a goal in the first few minutes and then we held them off well so that they only scored one more towards the end of the first half. Then it was Seagulls turn to dominate and we scored the next two goals. It was a 2 all draw, the crowd was going wild and the Seagulls were pumped. It really did come down to the last 30 seconds and Lilli Pilli’s ran away scored the winning goal. It was such a great game and a terrific display of soccer and even though we didn’t win that game it was a good end to a wonderful season.

We say a very big thank you to our coach Kylie for her continued dedication to the girls. Also, thank you to our assistant coaches, Anthony, Jason and Finlay and thank you to all the parents for supporting the team each.

At the start of the season being graded up to the Bs, both the coaches and the supporters were a little nervous but the boys certainly impressed us in their competitive play each match – only being beaten 3 times throughout the season.

The standard of the competition was very equal which resulted in consistently tough matches and the team was always able to compete whenever playing any of the top teams. With a couple of new recruits, Nick who was solid and reliable in goals, and Ryan as striker the team was complete. Thanks to all team parents and supporters who were the most excitable and passionate a team could ever ask for. At a number of games I heard comments from the opposing team's supporters, that "the Seagulls games are always the most exciting". The games were a combination of our entertaining players and a support base like no other. The fight back and win against Redbacks was a very memorable game as well as the two games against Bangor, (grand finalists) who were only ever beaten twice all season, both times by us and in which the second round win resulted in the coach having to shave his head.

To all the boys, well done, you trained hard all season and can be proud of your dogged spirit and never give up attitude. Making the semis was more than what we set out to achieve so with this continual improvement we are looking forward to an awesome season next year.

What a successful year for the 12Ds. After a hard fought campaign, we won the Minor Premiership and then went on to win the Grand Final against Gymea United. We got an early goal and played some very exciting football to hang on for the final result of 1-0 against a Gymea team that never gave up.

A hard working, energetic and a well earned success by all those in the team, who under the dedicated guidance of 2 great coaches Gerry and Simon have improved skills and teamwork fantastically this season. The kids are a pleasure to coach with only the occasional waking up required on the field and on the training ground.

I would like to thank all players, coaches, parents, family supporters and of course the Club for making it such a positive and successful year.

Coach: Craig Rogers Manager: Eddy Lim

Team: Jordan Grosse, Brandon Hanslow, Jake Lawrence, Adam Leabeater, Nathan Lim, Tim Milross, Cameron Mitchell, Ethan Redman, Jack Rogers, Danny Wade, Jason Ireland, Lachlan Hughes, Ryan Picknell, Ben Harrington.

The 2010 season saw us welcome back former players Laclan H, Ryan P and new recruit Jason I. Early signs were very good for this new team with a huge win in round 1 and Lachlan having an immediate impact with his size and pace. We got to the top after 3 rounds and continue to go well after, but some worrying signs started to creep into our game. Our struggle to beat bottom team Bangor and the slow start against Menai were portents of bad things to come and an indifferent stretch culminated in the shock 1-7 loss to Engadine – surely our low point. The rains then washed out any thought of a quick bounce back and a badly out of form team returned to competition with a predictable string of losses.

To their credit, the boys fought hard and improved with each game. By round 13, they were back aided by an astute move by coach Craig – sweeper Danny to midfield. We drew against Gynea and then played one of our best games against Bangor the next week to win. We won the next 2 clawing our way back to 4th and then played our hearts out against our nemesis Engadine. What a difference from the first game where they totally outplayed us. The boys really took it to the opposition and were 2-1 up for a large part of the game, only falling short late in the second half. This loss saw us fall just short of the semis, but the real damage was done with the 3 washed out rounds falling on our 2 byes and a game against the last placed team. Hard luck boys – you looked capable of beating any opposition and would have given the semis a good shake.

Thanks to Craig Rogers for another outstanding coaching effort and to Mike Harrington for lending his impressive football knowledge and considerable time, in assistance. See you all again next year.

A tough opening game against Crusaders (who are now in the final of the B's) was an indication of things to come. Our opponents had grown height and the matches were now going down to physical strength. Great credit to you guys, you never gave in to these, as you named them, 'manchild's'.

We had great games against St Pats and Ridgebacks who were similar in stature. The 2nd round match against Ridgebacks stood out as the best match of the season, even though we lost 3-2, it was one end to the other, so exciting for us spectators and leaving us ALL on a high.

The season just came to a halt a bit early for us, with our best efforts in our later games.

We started the season by welcoming new players to our team. Beau S, Michael C, Shaun G, and Brenton P. Within a few rounds we were performing together like a team, with much more playing experience than we actually had, as we gelled into a competitive force. We were also very pleased to have Paul Joyner assisting Spike on the coaching staff. Once again, a big thanks to Spike for his coaching efforts for another year, ably supported by Paul.

Our season finished the 18 rounds with a very impressive record. With only one loss and only 11 goals conceded, taking out the Minor Premiership. This set us up well for the final series to come. Winning the Major Semi Final put us straight in the Grand Final with high hopes, but with an understanding that there are winners and losers in such games. The windy conditions made for a difficult Grand Final. The whole team gave a 'Grand Final' effort, but the result missed our script by only a goal, going down 2-1 in the year's big one. Disappointment for us all, but a season we can be, and are, very proud of. A Minor Premiership and a Grand Final appearance is a tremendous achievement.

I want to congratulate the whole team for giving their all across the season, providing such entertaining games each week, and being awarded the honour of a Minor Premiership. I need to acknowledge some highlights. Hamish P, Players' Player Award and Mo M in the Grand Final, a fantastic double! Beau W, voted the season's MVP by supporters and Shaun, on his great achievement in gaining the Coaches Award for the season.

Our success this year will deliver us new challenges next year, as it's likely we are graded back into the A competition. I know we will be a competitive force again and look forward to you all taking on the challenge in season 2011.

The team was largely new this year, comprising six players coming up from the under 14s. The team gelled quickly and combinations started to form.

At times, we played some good football, but unfortunately failed to obtain the results we wanted!

We only recorded one win, yet the boys continued to try hard and enjoyed their football.

A pleasure to coach.

Team: Aden Bates, Matthew Brown, Sean Coles, Jake Golding, Ryan Grosse, Lewis Henry, Mitchell Kemmis, Timothy Leavold, Mark Macqueen, Joshua Morel, Kevin Ngu, Calvin Robinson, Andrew Stringfield, Adrian Stuardo.

The stats pretty well sum up our year with only 4 wins, 3 draws, 6 losses, 2 byes and 3 wash outs had us finish in 5th place on the ladder. Although the boys knew from about Round 12 what had to be done to make the finals, 3 drawn games in the latter rounds dashed their hopes. But they were committed and Ruth provided extra fitness training which showed on the field, with some exciting matches.

Each player showed great improvement from last year. Aden netted a goal and went close on many occasions. Matt used his height well in defense and kept us on the attack with his long distance throw-ins. Sean scored 2 goals and had many near chances throughout the season. Jake was determined up front and was unlucky not to score with several rebounds off the posts. Ryan was dominant in the backs showing great speed and coverage and also scored a goal in a rare appearance in the forwards. Lewis was steady in the backs and got great distance with his return kicks. Mitchell had his best year, always in the face of the opposition and never giving up. Tim was a tower of strength in the backs, constantly rallying the troops with encouragement and intimidating his opponents. Mark's 10 goals was a great effort! Josh also showed great speed, always forcing his opponents toward the sideline. Kevin worked out that he could use his size to his advantage. Calvin was rock solid in defense and setup some good goals. Andrew netted 3 goals and many more near misses for a great year. Last but not least Adrian, the best goalie ever with lightning reflexes and agility. Thanks also to Michael for your time and effort in coaching the boys.

As it was our first year in the 18's, and coming from the 16Bs, it was decided to register in the D division. We lost seven players from last year's team but by the season opener, we had a full squad of 16 players. The challenge was to mould this new team into a cohesive unit and our goal was to make the Semi Finals.

We had a big win in the first round but had to scramble for a draw in the next two. We then realised that it was not going to be easy to achieve our goal! However, by mid season, we had not lost a game and it was apparent that Bonnet Bay was going to be our main obstacle in becoming both Minor Premiers and Premiers. By season end, we had yet to play Bonnet Bay, with both scheduled meetings washed out. We were still undefeated but four draws stymied any chance of the Minor Premiership. Finally, we met Bonnet Bay in the Major Semi Final and what a terrific game! One of the most exciting games I have been involved in. We were 2-0 ahead at half time, but in the 2nd half they fought back to 2-2. With five minutes to go, we scored and our spot in the Grand Final seemed assured. Then with less than a minute to go, Bonnet Bay equalised and so we had to go to extra time. Within the first couple of minutes, Bonnet Bay was awarded a penalty for a hand ball in the box. The guys had fought so hard and came so close; they were shattered. We lost the Major, but your performance that day will stick with me forever.

We defeated North Sutherland in the Final 5-1 with a dominant display and we focused on the re-match with the Bombers. The Grand Final was another fantastic game and on two occasions we were ahead. However, Bonnet Bay never gave up and were relentless in achieving victory, along with the Premiership.

Guys, thanks for a wonderful season. I have enjoyed your company, both at training and at the games, and with so many new players I was delighted that you formed such a lovely bond. We achieved our goal, and more.

Training began this year with a big group of familiar faces and a few newcomers. By the time the league started we were raring to go having competed well in our warm up games.

The team gelled well and after a rocky start we started winning a few games; when we played well we were great, when we didn't we weren't, there was no middle ground!!! Like most of the teams we missed a lot of training and games due to the weather leading to weeks with no practice or games although we bounced back well. We finished with 7 wins and 7 losses, which was respectable enough. The highlight of this year was definitely the referees (no further comment)!

Overall another enjoyable season, well done 18D2!

This year a new 35's team was born from the combination of a handful of aging AA Seagulls veterans and a bunch of seasoned campaigners from RSL. Always difficult first year to combine with different playing styles and positions, but the boys did their best to develop fluency. Throughout the season the team was always competitive and with an inch of luck could have finished a little better than our final position of 5th.

In fact our luck showed itself early with Gnome Turner suffering a season ending leg fracture in the very first game. Dr Savides considered medical opinion of this injury was a mild strain, but alas not the case. So with a player down the lads forged ahead in attempt to get some traction in the first half of season. But it wasn't until the second half of the season until the group found some rhythm and managed to get some good wins under their belts.

We will again get the chance to improve next season and hope to see all back up again. Special thanks to Mick Dutto for managing the team through the year.

What a way to end the season. Our last regular game would decide the minor premiership and we were all over Heathcote but could not score. Then the semi-final against the same team and we are leading 1-0 with 30 seconds to go and they score off a free kick. Same story in the final against Menai when they scored with 30 seconds left in extra time. Unfortunately that was the trend in the second half of the year when we totally dominated teams but could not finish them off.

The team was strong in every position including all of the bench players. Coach Joe had the luxury of knowing any subs made during the game were not going to weaken the team and every player contributed during the campaign. We were the best attacking team in the comp and that was largely due to Gary and Matt and the good work of the midfield. Our defence was also top class against what were some very good and fast young forwards.

The highlight of the year was the trip to Leeton for the State Cup where we came away 2-1 winners. In our next game we lost 2-3 to the eventual cup winners. The boys did themselves and their club proud with their efforts against what were all essentially PL01 teams.

Thanks again to Joe for such a great job coaching the boys and to all our supporters who really made a difference on match day. Roll on 2011.

After a disappointing year in 2009 and the loss of a coach and two key players retiring, 2010 was always going to be a difficult year for the group. We set out fresh with a new coach, new players and a starting squad of 20 and wanted to work on keeping the core group together for a few more years yet, as another poor season or poor organization would have seen the team go its different ways. We managed to put a fair season together however it will probably be the year that we could have gone all the way, as once again we could compete with the top teams, but really couldn't get things happening against the poor teams. Some injuries, not being able to convert our opportunities and people being away during the season didn't help either.

Apart from training at Northies, the movies and Cronulla beach, some highlights were the effort players put in during the games and the new players attitudes towards fitting into a close team. Haz with his penalties and corners which are only getting better, Sims with some outstanding saves, and the constant work ethic from Jazz, Grimmie, Craig, Seb, Luke and all the boys. Also not to forget Harry doing a face plant after firing up the boys at training, Bj not getting sent for abusing players or refs, Sims getting yellow carded in the club house at half time, Kane falling asleep during the movie, Haz stealing soccer balls and Seb going away!

There is already talk about next season, who's playing and who might join and if it will be competitive or social. It's all sounding positive and a reflection on the enjoyable year we have had. Thanks to all the team for the help and support during the year.

After narrowly missing out on winning last season's grand final, we started this year's campaign full of confidence. A few new faces came into the side to replace some retiring players and the team was looking solid. After the first few games things were going great. Three big wins from the first four games and the loss could be put down to having only 10 players on the field. Unfortunately, that was a sign of things to come. Injuries and absence hit us hard and, along with the rain, dampened the spirits of the whole team. When training wasn't cancelled due to weather only a handful of people turned up and we rarely had a full bench at games, with more than a few games played with no subs at all.

The season was well summed by our last game. We had to win and win well to have any chance of making the finals from 5th position. With the ladder positions riding on another game in our division going our way, we had to put it all on the line. Sadly, when the game started we had only 10 players turn up and any chance of playing finals football was gone. A disappointing end to a very promising season.

Congratulations girls... making the semi-finals (top four) in a 15 team competition. They only lost one game, with 3 draws and 11 stirring victories conceding only 7 goals all season. As an inexperienced team the girls were sensational in their commitment and passionate in their involvement. They displayed wonderful sportsmanship throughout the season and an excellent team spirit was evident at both training and on match day.

Lizzie had to leave the team very early in the season due to an on-going illness. Alex - fiery little terrier in both defence and attack constantly taking on the opposition. Allison - wonderful performance as goalie obvious in the mere seven that got past her. Amelia - dynamic threat up front worrying the opposition with her powerful left foot. Annika - excellent ball skills and plenty of commitment. Brittany - powerful presence as sweeper particularly with those big clearing kicks. Courtney - great season; committed and consistent in defence. Ingrid - wonderful model of consistency; great boot; involved at every opportunity. Kara - excellent on the ball and very speedy around the field. Michaela - tenacious in attack and defence; speed to burn; fantastic throw ins. Natalie - great season; courageous in defence and most determined as back up goalie. Penny - vibrant presence with her energy and commitment in evidence week in, week out. Stephanie - fearless up front always competitive and determined. Tahlia - impressed all season with her commitment and tenacity anywhere near the ball. TJ - ever increasingly spirited efforts in defence and attack. Huge thanks to Steve (coach) Damien (assistant coach and very creative Match Report author) Kit (US import assistant) Matt and Zac Coleman (Goalkeeper trainers extraordinaire) and the enthusiastic and supportive presence of parents at training and on match day.

The W13B's finished off the season very strong! The team was made up of 14 girls, some who had played before and some who had not. By the end of the season, they were all looking strong. During the season you noticed that the girls were combining really well after each game. The excitement and enthusiasm that the girls displayed on the field was fantastic, and always a pleasure to watch. Although we did not make the semis, we came in tied fourth, but did not have enough goals to put us into the play-offs. We had some outstanding games, one against Menai Hawks, when they were coming first in the comp. We managed to get a 2-2 draw that day, something that the Hawks did not expect! And of course our last game, where all the girls just performed so outstandingly, again to the team who was leading the comp at the time!! We won 2-1.

All the girls put in 100% every time, and always displayed good team playing. Hopefully the girls will come back next year, and start where we have left off!!

A big thank you goes to the coaches Steve Mahnken and Dave Fuller, for their continued support at training and the games. And of course to the parents, for getting the girls to training every week and the sideline cheering at the games.

Thank you.

On reflection, the women's 14B season was akin to the Socceroos World Cup campaign this year. Flashes of brilliance and possible world domination one week, interspersed with some pretty lackluster and uninspiring efforts on the park the week after. However, the commitment and fun factor were ever present and made for an enjoyable season.

Tarnia's introduction of the "Gloria Doll" was keenly contested every week, with the MVP receiving the "doll" and the challenge to decorate, add and beautify the weekly trophy. The girls rose to the occasion and the award bears NO resemblance to the pathetic specimen with which we started!

I would like to congratulate the girls for their positive and polite manner this year. However, the same cannot be said of some of the girls we encountered in some opposition teams. It was a steep learning curve in the subtleties of soccer for a number of our players. I was particularly pleased with the development of the girls' skills and team play over the 14 odd games we played. The wash out games stifled some great momentum, which was gaining mid season but with the rain, our semi hopes were also washed away. Many of the girls changed positions during the year; still discovering what best suited their talents.

Particular thanks go to Amber, the utility player's player. Amber played everywhere, from goalkeeper to striker, and did it with a smile. Jamison, Lily, and Tayla have all shown great improvement over the season. I was fortunate and grateful for the great support of Mark (super assistant coach) and Tarnia (the manager's manager) during the year. Again, I must make mention of the wonderful support from the parents. Give yourselves a glass of champagne (although I think we covered that on Mother's Day).

Well done Seagulls, have a great summer, stay safe! AK

Wow, what a season – you girls had your heads down and all things were fairly gloomy when we arrived on the scene. Our main aim was to put a smile on your dial, be good sports and have some fun. Well done girls – you succeeded! We had an extremely hard 1st half of the season. Some big losses didn't help our confidence – but I knew we could turn things around. We were the team that was going to cause trouble in the 2nd half of the season and we did just that! Here's some interesting statistics to show your improvement: Our goals (for/against) in rounds 1-9 were (2-32) and rounds 10-18 were (7-13). What a fantastic turnaround! We even came away with a few wins! Our defenders (Bri, Jess, Emily, Rhyanna, Chelsea and Ash) were awesome, they backed each other all the way and what great goal-keeping by Taylah, Rhyanna and Emily (a big ask with the thrashings we copped). The mid-fielders (Meg, Taylah and Domenica) worked over and above what was expected, always covering plenty of ground. A very frustrating year for our forwards (Sarah, Eliza, Jordan and Bethany) – but patience and versatility made them extremely beneficial to the team. Congrats to the girls who did manage to get a few goals across the line. Thanks for the support from the parents, particularly Laney, who backed up the managing and coaching position at times. Thanks also to the W16B/W16C girls, who assisted us when we had injury trouble.

Manager Trace - a BIG thanks to you - your tireless work on/off the field was really appreciated by the girls! You were an absolute gem. It was great to have you around! Kit and I thought we were in for a real challenge having to deal with a bunch of 15 year olds. Well, we were wrong! We couldn't have met a nicer bunch of girls – so, THANKS team! Special mention to Emily, for stepping up to the task when we had injuries amongst us.

W16B **Coach: Carlo Villanti** **Manager: Luke Porter**
Team: Claudine Casemore, Francseca Wilkins, Rachel Pollard, Tahlie Porter, Kahli Newton, Jess Ryan, Anna Maguire, Anissa Dastyanto, Kate Mason, Bridget Seymour, Chelsea Casemore, Jess Chapman, Tahlia Villanti

After being promoted to the B's, a new coach, some new players, we all wondered what the season would bring us. Well, we made the semi's comfortably and finished the season in 4th being ko with a draw. A positive was that we were only beaten twice by one team, we learnt from mistakes and adjusted our play minimizing their strengths and turned it to our advantage.

Our goalkeeper Claudine with part timer Anissa did a fantastic job. The force at the back, Rachel, Francesca, Kahli and Tahlie kept the best attacks at bay. The sweeper Jess R made sure all defence and attack was controlled and Kate, Anna and Chelsea fed the ball to the attack which Bridget, Jess C and Tahlia used to their advantage. A balanced team that blended well and never let the other team get the better of them.

It was great to watch the girls develop their skills. They trained twice a week and I can say that it was great fun. I watched girls do air swings, trip over each other, get frustrated because the ball would not go where they wanted it. The talking and discussing what they were doing on the weekend or just catching up on what happened on the day was also a highlight of training. Very hard to keep this lot quiet, but that was part of the challenge. A fantastic year, WELL DONE GIRLS, see you next year.

It was a great year for our girls. We were unlucky not to be in the finals.

As a team, we were strong all over the field. Up front we had Rosie, Genevieve, Alex, Shelley, Amy and Monique. These girls formed an exciting attack. In the mids we had Grace, Sydney, Emma, Marianne and Sarah. This group was our rock. Towards the end of the year they starred in both defence and attack. In the back we had Shannyn, Gabby, Hannah and Hanna (sometimes Emma) and these girls formed a brick wall. Great work girls.

I hope everyone had fun and I hope you all come back next year! A special thanks to our two managers, Steve and Paula great work again. Also a big thanks to our tactical coaches Jeff and Nick.

Coaches Report 11A

TEAM: Nathan Wedesweiler, Lachlan Woods, Theo Koulouris, Cameron Staunton, Ben Roberts, Ben Glennan, Cameron Dunn, Henry Fuller, Liam Arthur, Brandon Norton and Aaron Delfino.

We did it! We have just won the Grand Final with an outstanding display of soccer, beating Lilli Pilli 3-0 up at a windy Heathcote. We knew we were in for a hard game today, having been beaten twice this season by Lilli Pilli. To make sure we put our best feet forward, we had a good warm up and gave the boys some tactics to employ out on the field.

We weren't off to a good start when we lost the toss, but had the advantage of running with the wind in the 1st half. Right from the start we were hungry for the ball and our passing game was going really well, though unfortunately a few chances at goal went wide. At about 15 minutes into the game, it was Nathan who got us on the scoreboard with a sensational cracker from 20 meters out. He controlled the ball and hit it straight into the top corner. The boys jumped all over him in celebration and there was no looking back from there.

We went to the break 1-0 up, but running into the wind was going to be hard work. A few nervous minutes in and Lilli Pilli had a few close calls. Not long after, a great shot from Cameron S saw the goalie fumble, with the ball rolling into the back of the net for a 2-0 lead. We had a few other chances, but a superb run down the left-hand side saw Aaron put the icing on the cake with a brilliant goal and the boys were ecstatic! When the final whistle blew, we had just won the Grand Final! Ben was superb in goal, scoring a clean sheet. He made some brilliant saves and, with some long clearances, he kept the ball up-field.

Cameron Dunn played his usual dominant role in defence, keeping the Lilli Pilli attackers away with some great clearances and covering tackles. Ben G, "our rock", was solid as ever in defence today. The Lilli Pilli attackers just couldn't get past him all day. Not to mention Theo, who also played an awesome game, putting his body on the line with some great tackles. In the middle we had Lachy, who was up and down the field the whole time, creating many chances with a solid passing game. Cameron S laid the platform for our defenders. He injected himself in attack many times and was rewarded with a Grand Final goal. When Henry came off the bench he immediately got heavily involved, showing his many skills down the flanks and keeping us in the game. Liam also had a superb game. He took on the defenders and set up chances with some great passes. Aaron took control of the left side during the game, with some attacking raids and brilliant crosses he set up some great plays and, to top it off, sealed our win with a cracking goal. Brandon was a marked man throughout the match, but laid off some great passes and shots. He shut down the defenders and put his body on the line for the team. Nathan was everywhere, not only scoring an absolutely sensational goal but also creating opportunities in attack. He then helped out in defence towards the end, rewarded with Man of the Match honours.

It was a great season. What a way to finish! Thanks to George for helping out all year and to Geoff for being a great manager. To all the parents: it was a delight being involved with you all. Now we move on to the Champion of Champions!
