PRESIDENT Report

Welcome

*to Cronulla Seagulls FC presentation day for 2013.
Congratulations to the following teams for their great results this season.*

MINOR PREMIERS & PREMIERS	11X, 14A, W16A, W21B
PREMIERS	11W, 15B/1, 16C/2, AL12
MINOR PREMIERS & RUNNERS UP	13D, 14C/1
RUNNERS UP	11D/1, 12C/2, 15C
MOST IMPROVED	16B
SEMI FINALISTS	12C/1, 13A, 16A, 16B, 16C/1, 18A, W13B, 35D, 45C
FINALISTS	W12C, W15B, 35A, AL3

The club fielded 99 teams this year with 1108 registered players. This year we had 8 teams win their premierships, which was the highest out the 26 clubs in the shire, a great effort which shows the strength of our club for many years to come.

I would like to thank all our coaches and managers for time and effort this year, as without you, our players could not improve their skills and enjoy this great game that we all love.

Without the help each week from the parents and players of each team doing ground set up, it would make the Committee's job a lot harder, so I thank you all for the great effort in making sure that the games started on time each week.

I would like to thank all the players and their families for your continued support of the club and making it what it is today, a fun family club to be part of. I wish you all the best for the off season and look forward to seeing you all back in a bigger and better 2014 season at Seagulls.

Craig Smoothery
President Cronulla Seagulls FC

SECRETARY Report

What a fantastic year, 8 Championship teams, congratulations. To all the runners up, finalists and players I hope that your year was enjoyable. The committee this year undertook many initiatives including 5 - Sports and the new website. I hope that all those involved in the Seagull Community enjoyed those innovations. The committee has worked for many years to promote football and Seagulls, now we have the trophies on the mantelpiece to prove that we are the powerhouse of football in the Shire.

The club would not be able to support these initiatives without the our sponsors and I thank them and encourage the Seagull community to support those that support you. The success of the competition teams starts at the grass roots and what would SSF be without our RooBall Refs. They do a mighty job every Saturday morning making sure that all the juniors are having FUN, FUN, FUN and the parents are relaxed and taking advantage of our coffee and BBQ. Many thanks to Mark and Liz for their weekly efforts.

The committee is to be congratulated on their efforts on ensuring that 1100 players every week can enjoy their sport. There is plenty of room for others to join the team at Seagulls. Our AGM is in early December, come along and join up, we are always looking for extra help as a general committee person. The general committee do not have an allocated role except to help on setup and during registration.

Don't worry I will be back for another year.
To a great year we had in 2013 and to the future.

Bruce Redman
Secretary of the Mighty Seagulls

TREASURERS Report

A good year financially for Cronulla Seagulls Football Club, despite the washed-out games and some Sundays with no teams playing at home.

A big thank you to our long term existing sponsors and our new sponsors. If you can, please support them as they support us.

Thanks to our canteen ladies Simone, Sarah, Samantha for another great year. Also thanks to our chefs in the BBQ and to all those who jumped in and helped during the busy periods.

To everyone who assisted the committee through the hectic registration period, your help was greatly appreciated.

Best wishes to all the players and their families for the off season and we look forward to seeing all of you back again next season.

Liz Pavett
Treasurer

TEAMS And Reports

What a fantastic season for the Seagulls U6A1's! With most of the team in their first year of playing soccer, each and every week the boys turned up full of enthusiasm and should feel very proud about their efforts. Every boy scored a goal during the year, with the team totalling over 60 goals during the season. Archie showed great skills and was an excellent dribbler of the ball, regularly making long runs through the opposition's defence. A whole-hearted player in both attack and defence, Charlie made great contributions scoring some super goals and tackling his heart out. Ethan was Mr Enthusiasm, always going at 100 miles an hour and putting in 100 percent on the field in both attack and defence. Hamish was one of our chief attacking players, scoring a number of cracking goals, but always being on hand to help with defence. Liam was fearless in defence, making great tackles with big clearing kicks, always relieving pressure at the back. Taj was our leading goal scorer, always being in the right spot at the right time to add to the Seagulls scorecard with some fine strikes. Thanks to all the parents for getting the boys to training and for turning up to cheer every weekend. The boys were all a delight to coach and manage. Hope to see you all again next year.

What a wonderful season of soccer that we had! From the beginning of the year, it was clear that we were not only going to have a great time, but develop as a very formidable outfit. It was really pleasing to see the development of all the players and I am pleased to report that every single player not only improved their skills, but also worked together very well as a team. Here is a quick run-down of all the boys who made up the mighty U/6 A (2's): Sam, our leading goal scorer, gave his best every week and was awesome in defence; Sebastian scored some wonderful goals and established as one of our biggest kickers; Liam, strong, fast and always willing to chase the ball; Jacob, wherever the ball was you could be sure that he was right in the middle of the action!; Lachlan, our pocket rocket! Despite only being 4 years old, competed really well and also scored some fantastic goals; Will, also playing one year up, did an amazing job in both attack and defence! Thank you in particular to Ike (and Elliot) for their outstanding job as manager and to all the parents for their assistance and support throughout the year. I wish everyone one continued success in your soccer careers. Go Seagulls!

SouthernStar

TEAMS And Reports

The team started off at a cracking pace with Harry, Riley, Jonah, Fletcher, Ashton and Aidan, all very keen to get in there and kick that ball, resulting in some early wins. The boys all loved training and learning new skills each week, getting the basics sorted early. Wins continued as the team went on to have more and more wins with only an occasional loss. The boys showed a genuine love for the game, enjoyment of playing together, winning or losing and looked after one another.

The 2013 year started with our team being assigned as U6-E and consisting of seven players; Alexander, Charlie, Harry, Luka, Makaila, Matthew and Milan. Training on Tuesday afternoons was great fun and always finished with a friendly team match. As a first-time coach it was nice to see many of the boys protesting when it was time for training to finish. Our match games were happy events, with the whole team showing great sportsmanship and enthusiasm. In our early games U6-E lost only a few matches and as a result, became the U6-D team. Our four pre-schoolers improved greatly through the season: our little girl Makaila charging in to "mix-it" with the biggest; Matthew defending well and saving many a goal; Charlie fearlessly challenging for the ball and Luka providing staunch defence and also scoring several goals. Of the school-age boys, "Milo" scored the greatest number of goals with his speed and strong left boot often saving the day in attack and defence. Alexander and Harry displayed skilled ball control, scoring several great goals whilst also providing rock-solid defence. Our Manager Susan was terrific in organising us and balancing our substitutions during the game. A special thanks also to Robbie who assisted with coaching. Finally, thanks to the parents who turned up enthusiastically week-after-week to cheer the team on. I am very proud to have coached this amazing team.

TEAMS And Reports

SeaSon Report: 6E1's: 2013 was the first season for our 6E1's soccer superstars. We originally began the season as the 6D's ("no knees" as we affectionately called them) and it became apparent that after a few short games we should request to be re-graded! I can say that our fabulous team of future soccer stars were consistent during the season - as our regrading from D to E had little effect on each games results. But boy did we have some fun. Under the expert guidance (read: patience) of Coach Mitch - our team turned up to training & their games each week ready to try their absolute best & the smiles never left their faces (or their parents for that matter). They ran & ran (usually in a small huddle together) & all got along famously. Our stars for 2013 included Emma - our only girl in the team but she could hold her own amongst the boys & tough it out in the middle. Hugh - gets the award for the best running style: Lucas has a mean left & right boot: Rowan with his natural talent: Atticus would fire up when needed & Dean was simply THE coolest kid on the field. Thanks again to Coach Mitch & to both the kids & parents - it's been a pleasure. Cheers Lou Lancaster

6E1

Back Row L-R: Louise Lancaster (Manager), Mitch Correia (Coach)
Front Row: Emma Traina, Dean Tarabori, Rowan Casey, Lucas Correia, Hugh Langford, Atticus Lancaster

6E2

Back Row L-R: Renae Walker (Manager), Graham Braiden (Coach)
Front Row: Clayton Walker, Beau Hudson, Jack Leighton, Jaden Babic, Jackson Braiden, Charlie Degan

6E2's - Sentiments from a great Team Coach Graham Well done Beau, Charlie, Clay, Jack, Jackson and Jaden. What an amazing season for the U6E2's. Win, lose or draw the boys played with a smile on their faces and enjoyed every minute of every game. With new friendships born on and off the field, the boys blossomed with confidence and team spirit, resulting in fun and entertaining games. With so many high lights from Jack's man of the match performance in the opening game, Charlie's robust tackling and runs, the ever entertaining Beau with his goal celebrations, Jaden's mid-field runs and goals, Clay's team spirit and goal, Jackson with his game changing tackles, passion and spirit. And of course the green hairspray! Jackson's most fond memory is his goal with Beau congratulating him with a kiss on the cheek (very cute Beau) My most fond memory would have to be the sheer joy and happiness the boys had playing together and rewarding them for their efforts. Many thanks to the parents and the club for their time and support and of course the boys for an unforgettable first season. Mark I would say that from virtually not knowing each other, each child in the team has developed valuable friendships and memories of their first ever soccer team. As the season progressed, so did each child's understanding of the game and their overall development. Jaden was so excited on game mornings, saying he was going to score "lots of goals", but after the game all he spoke about was how much fun he had running around with his teammates. I think Coach Graham's idea of introducing a trophy for the man of the match was pure genius, because not only did it reward the kids for their effort, but it gave us as parents an opportunity to see our child's face light up with joy which was priceless. Manager Renae A great 2013 season was had by all. It was a fantastic introduction to soccer, teamwork, commitment, friendships and fun for the boys as well as the families. I enjoyed managing the team and watching the boys grow in skill and confidence throughout the season. It was also enjoyable getting to know the families and sharing the special moments together.

TEAMS And Reports

From the first training session in March to the last game in August, I'm sure everyone would agree that the H in the 6H's stood for "Happy!" The team was formed with a great blend of youth and experience and everyone had lots of fun every week. Our attack was great and our defence was strong and we always played fair and shook hands with the other team after each game.

I remember that the best play of the year was...

"Jake ran fast and saved a goal with a terrific diving kick to Hugo, who turned with finesse and did a big kick to Sana, who trapped the ball and perfectly passed it to Niko, who ran and ran with the ball until he was out of puff, then Zaine zig-zagged the ball with the greatest of ease and gave it Max who went straight toward the goal!"

What a wonderful season 2013 was for the Cronulla Seagulls Under 6H's!. Anthony O'Flynn - Coach

6H

Back Row L-R: Jeff Keats (Coach)
Front Row: Anthony Cantlon, Jett Souvleris, Benjamin Barlow, John Kennedy, Riley Keats, Jackson Wynne
Absent: Kim Keats (Manager)

6 I's had a fun first year of soccer. They started out not knowing each other but quickly became a friendly little team. The season had its ups and downs with some great wins and some great losses. All the boys' soccer skills have improved under the watchful eye of their coach Jeff. Every game before and after the hooter he would get the boys in a huddle...not a cuddle, for a mini motivational. The boys enjoyed their training sessions with Jeff. Each week they would have a 30 min game with the 6E's. This was a favourite part of training for everyone. Ben is showing great promise as a goal keeper. John and Anthony are good at striking the ball and are fast on their feet. Jackson has become the quiet achiever, well developing his skills in the second half of the season. Riley's skills improved second half of season as well, showing some great strength with his kicks from the sidelines. Jett has had a great season, his soccer skills slowly emerging; he tends to have a better game in the warmer weather. We were fortunate with our draw as our away games were quite close to home. The weather gods also looked after us this winter, proving to be an ok season. Woollooware Oval is a great park, with great atmosphere and facilities. 5 Sports is an excellent wet weather alternative. To all our boys parents, thank you for your support at both the games and the training sessions.

TEAMS And Reports

It was the first year of soccer for all the girls and the growth was quite frankly extraordinary, if there was a Matilda's team for the under 6's our girls would of filled the team. The Sandher sisters were outstanding with Maya the more measured of the two picking her moments to interject into play with her impact felt immediately. Tali was like a child prodigy and the coaching staff were in fear every week that she would be picked up by scouts and taken off us. She scored no less than 75 goals for the season and covered thousands of kms chasing everything down. Holly showed no fear and her consistency was relied upon week in week out, she was so heavily involved every week it was amazing that she got through the year with only one pair of boots. Kirra was like a magician bamboozling the opposition with her slight of foot and deceptive speed, on many occasions the crowd were in awe as she performed her magic. Zoe was a real quiet achiever and started to shine line a beacon at the back end of the season. Little Zoe almost kicked the front of her boots flat she was that involved and her smile lit up the sidelines. Matilda was like flash gordon, she was part little girl part leopard her blistering speed almost had her in two places at the same time. She was our resident bulldog and never gave up. Overall it was an honour to watch the girls develop through the year, keep an eye out for these little superstars. Congratulations girls we are very proud of you all.

Back Row L-R: Laurence Barlow (Coach)

Front Row: Tegan Boyce, Grace Singline, Darcy Smith, Lily Barlow, Annabelle Zuvela

U6X: Lily Barlow, Tegan Boyce, Grace Singline, Darcy Smith, Annabelle Zuvela. Season statistics: Played 16, won 5, lost 11, for 72 against 132. Rounds 1 to 6: Played 6, lost 6, for 15, against 81 Rounds 7 to 16: Played 10, won 5, lost 5, for 57 against 51 Every member of this team was playing football competitively for the first time, and at one stage the side looked like being devolved all together after being reduced to 2 players in an away game at Caringbah and a string of blown out score lines. However, following our break through victory the statistics for the 10 games from round 7 to round 16 are a true reflection of just how hard the girls worked and how far they progressed during the season as typified by Darcy who in round one was so shy she had to be prised from her hiding place behind her dad clinging to his leg, to a confident two footed player who scored a bag full of goals and who always looked to pass the ball to a player in a better position than her. It was also reflected in the "tigerish" Tegan who despite being the youngest and smallest player in our team showed no fear mixing it with the opposition, often running with the ball 15 to 20 metres at a time and contributed the majority of the 72 goals our team scored by herself. It was a privilege to be the coach of such a lovely group of girls who played their hearts out every week and whose beaming smiles never subsided regardless of the result.

TEAMS And Reports

A very successful season indeed – well done boys! Thank you to both Grant (timekeeping / subs rotation) & Trevor (caretaker coach) for your support this season. In a season of many highlights, here are some of my favourites: • Jacob's timing in defence • Cameron's left foot & his demolition of Lilli Pilli • Darcy's courage in a tackle • Lachlan's close dribbling • The quality of our passing & teamwork • Team 'camaraderie' displayed at all times • Aiden's early goal celebration - for the one that never went in! Perhaps my favourite memory this season was the U7 Gala Day organised by Loftus Yarrawarrah Rovers FC. I have personally appreciated the support given by the parents & grandparents of the boys. We have all become good friends & enjoyed the soccer – the reasons we wanted our kids to play in the first place! I must also make a comment about performance. We actually finished the season in 1st place on the "unofficial" competition table, edging out Bosco by a single point. Our boys are all very talented – but it was their teamwork which set them apart. The happiness they displayed for each other when scoring goals, the high fives as they were substituted during matches, proved they were team players. Their constant desire to pass & share at such a young age was the difference, with many parents of opposing teams commenting on this fact during the season. Looking forward to season 2014 and some bigger goals – literally!

TEAMS And Reports

The 7B's were a joy to watch throughout the 2013 season with family and friends eager to cheer on the team. Our players, Samuel, Jesse, Anna, Lachlan, Josh and Lucas have their own special skills and talent that developed as the season unfolded. They bonded well as a team and formed great friendships extending beyond the soccer field. Win, lose or draw the 7B's always left the field ready for more! Thank you to our dedicated Coach, Andrew who continues to make training fun and is a great support on game day. A special thank you to Bella who joined us on Tuesday afternoons with some training sessions. We are looking forward to a bigger field and another great season in 2014. Elise McKillop Manager

7C1
Back Row L-R: Damien Johnston (Assist. Coach), Jenny Pas (Manager), Julie Grant (Coach)

Front Row: Harvey Bishop, Hamish Johnston, Alexander Pas, Ethan Brown, Callum Grant

With just 5 players all season: Harvey, Ethan, Hamish, Alex and Callum played well and won many of their games. Goals were scored every game even in those games where the team wasn't lucky enough to win. Monday training was fun; mixing it up with lots of games and activities and ball skills followed by a play on the play equipment. The boys displayed a more mature style to the game with every match. There were many games where not only a good left or right boot but knees, backs and even heads helped out to pass the ball and score goals.

Absent: Emma Goodfellow (Manager)

What an excellent start to the season as 7D1 saw the boys promoted to 7C3 where the great results continued. For Oscar, Isaac, Tomas and Ben it was their second season and for Nate and Koby their 1st season. but 1st time the boys had played together as a team. Each of our players improved game by game with plenty of highlights. We saw some superb defense, attack and plenty of goals, and as the season progressed some thought through passing was evident. The team gave commitment and dedication each week at 5Sport for training which gave the boys confidence, skills and enjoyment. All players put in a great effort well-done boys! And thank you to all the parents for your support and commitment.

TEAMS And Reports

I had the pleasure of coaching six little super stars in the U7G1 this year. Malachi our main striker, Rik who scored a couple of hat tricks, Brodie one of our best defenders, Mitchell who scored his first goal, Evan who was great at defending and Korbin who was good in both attack and defence. I hope the boys enjoyed playing together as much as I enjoyed coaching them. See you next year boys.

Front Row: Luke Fantov, Robbie Lancaster, Noah Gidney, Harry McQuaid, Baxter Lord, Dimitri Koutantos

The boys started the season very well this year and seemed to improve each week over the first half of the season. The improvements were significantly enhanced by some of the boys taking the opportunity to do additional holiday camps and weekday training at 5 Sports. When the wet season hit Cronulla and we had a few weeks in a row where there was no training and no game, the team lost their cohesion and didn't see as much success – just goes to show that consistency with training and matches is really important! The team are great mates and have enjoyed the season, despite the missed rounds and are all very much looking forward to getting together again next year with renewed hopes for a stronger end to the season.

See you all in 2014.

TEAMS And Reports

Our wonderful team was made up of six dedicated mini Socceroos (and one future Matilda)! Max had a kick to rival Rooney, Dylan loved to take them on, Curtis put into practise what he learnt at training, Dan used his speed, Lily had a curve in her kick much like Beckham and Aiden had a little Italian in him (although he was staying on his feet towards the end of the season).

The guys found the first half of the season a little tough but with a little regrading, everything seemed to fall into place. They started to play as a team and turn-taking, passing and the 'never give up' spirit became the norm. Our philosophy of 'fun, fitness and friendship' could be recited by the team at every training session and at the end of every game. When you ask a team whether they want to play soccer next season and the resounding answer is 'yes' you know all of the parents, coach and manager did all they could to make their young soccer experience a memorable one at one of the best clubs in the Shire!

7G4

From left to right: Flynn Williams, Joel Cochran, Phoenix Wiggins Payne, Corey Morris, Brooklyn Rushton, Roman McPhee

The 7G4's (formerly known as 7H) all thoroughly enjoyed their first foray into the beautiful game and should be back next year to grace the fields of the shire once more. A cobbled together team if ever there was one, the boys adjusted quickly to the pressures of 4-a-side football, scoring 10+ goals in each of their first 3 games.

Let's be honest, they started to get a bit cocky at this point so the mid-season promotion came at a perfect time. The occasional draw and even one, possibly 2 defeats brought the ego's in check and they were able to finish the season how they began – scoring lots of goals, falling over a lot, tackling each other and generally not listening to any one of the many coaches on the sidelines. But the main thing...Joel, Phoenix, Flynn, Corey, Roman and Brooklyn all had a great time! Bring on next season and some more confusing rule changes for the coaching staff to get their teeth into. Thanks, Matt

TEAMS And Reports

The 7x-1's started the year almost the same way as last with 6 of the girls deciding to go around for a second year together. We also welcomed bronte into the team for her first year playing. The girls were a pleasure to coach once again showing heaps of enthusiasm on the park and at training. This resulted in the team being very tenacious and competitive with big improvements from everyone in tackling, passing and dribbling. The girls have also started to gravitate into certain positions with some very stubborn defenders and also some all out attackers. Special thanks to our manager lara for all the emails and messages to organize us each week, and to all the parents and grandparents for there encouragement and support of the girls and providing a home atmosphere regardless of weather we played at home or away. Matt Smith (Coach of the mighty 7x-1s)

7X1
Back Row L-R: Matt Smith (Coach)

Front Row: Leila Smith, Olivia Casetta, Zoe Farrugia, Brielle Julian, Bronte Goodman, Ella Gersling

Absent: Chloe Sale, Lara Sale (Manager)

7X2
Back Row L-R: Steve Day (Coach), Rowena Lennox (Manager)

Front Row: Georgia Day, Chloe Schwarzl, Mia Powell, Megan Bright, Cydney Sadler, Zoe Barsoom, Rome Southwell

The 7X2 girls had a great season for their first year playing soccer. With the encouragement and enthusiasm of coach Steve Day, the girls' skills and teamwork improved each week. Georgia's zippy attacking style was complemented by Megan's power and fearlessness. Cyd put in some good kicks when a boot was needed in the right place at the right time. Zoe played bravely in both attack and defence, and her kicks got the ball through the legs of many an opposition player. Mia's fast running and great kicks were indispensable on the field. Chloe's running and strategic decisions saved and made some goals, and Rome was tireless and thoughtful in her defence and her attack. Winning or losing, all the girls enjoyed the games and their sportpersonship was something to be proud of. They stayed focused and played fairly. Looking forward to next year!

What a great season the team had. Started off with a few tough games and had a few losses but once the team worked out their positions and strengths there was no looking back. The whole team put in a great effort, from the relentless energy and enthusiasm of Ollie and Will who never stopped for a second, the pure determination of Luca and Zack on the ball, the fearless powerful Kurt, the concentration and speed of Max and the awesome striking prowess of Izayah, Penn and Jackson...and let's not forget that indirect free kick that was executed by a perfect touch from Penn and drilled-in without mercy by Will. None of the above would have been possible without Gina the Super Manager who made sure everyone knew where they needed to be and the Dad's and Mum's who helped run the training sessions. Regards Michael

TEAMS And Reports

Last year 7A1's were joined by Jesse, Matty & Harry and all three fitted in perfectly. We really developed the positions on the field this year, and it was great to see how the boys naturally slotted into their positions. Charlie, Clay and Harry striking, Matty, Jesse and Sam in the mid-field, Jakey & Mitch in defence, whilst Jye was comfortable in playing the roving role. All the boys had a turn as goalie. We had a slow start to the season and struggled to get a win under our belts early, but we were only losing by one or two. A re-grade into the B's saw us then go through the rest of the season undefeated - a great achievement from the boys. The boys were a joy to coach, and all the parents were wonderful in their encouragement from the sidelines. Thanks must go to Geoff my able assistant. Bring on 2014.

Another fantastic year from our team of little soccer super stars! Every single little man in this team should be so proud of the way they played, trained and behaved with exceptional displays of skill, stamina and sportsmanship. A massive thanks to our coaches Matt and Peter and our trainer Craig who ensured our team were well prepared for each game and had the boys rotating equally between the forwards, mid field and backs. Thomas the newest member to our team was our most versatile player this year - he was valuable where ever you put him on the field and loved playing in the goals, Kaden, also new to our growing team and in his first year of soccer sported the biggest smile of the team and always always always gave 110% at both the games and training. Alexander wowed us one week when he put his body on the line and saved a bullet goal, he also scored some great goals this season. Haydon continued to amaze us every week with his skillful ball control, difficult left foot kicks and was our highest goal scorer this season! well done Haydon. Joel was coach Matt's best friend and our teams quiet achiever who when he wanted to could achieve great things! Joel was very reliable in the mid field and enjoyed a chat with his team mates! Superman Max was dubbed 'Mr Everywhere' and spent more time in the air and sliding on the pitch than he did on his feet but he was amazing every single week, hopefully the team can keep him next season! No one could keep up with Jake our speed demon who by far was the most improved player compared to last season and Matt C had some amazing moments of brilliance through out the season and scored an incredible goal almost from the sideline that gave our team another well fought win. Matt B was our boot of the team with the biggest kick and rock solid in defense when he played out the back. Great job everyone. See you all next season.

TEAMS And Reports

Under 8E's are a superb bunch of boys who had a great season together. Every training day and game day was full of big smiles. All proved to be budding super champions and the level of improvement from each player was tenfold. Supported by all the parents and the manager, the u8e's towards the end of the season started playing the passing game and sharing goals amongst each other. Can't wait for 2014 thanks to all the boys and families that helped in 2013...Henry

A great season for all the boys this year with the step up to the larger field and the learning of new skills including throw ins, corners and goalkeeping. A combination of two separate under 7's teams from last year the boys formed a great side from the first game with a lot of new friendships being formed. They took to the challenge of the larger field in great style with an amazing 7 all shootout with Bonnet Bay and from that point on each and every player improved every week with our teamwork also improving every week. More importantly they gave 100% every week and never complained about what position they were asked to play including all having their mandatory turn in goals. As coach I couldn't have asked for a better bunch of kids or a more supportive group of parents and this made my season the most enjoyable I have had in all my seasons of coaching. A special thanks to Colleen our manager for all her efforts during the season and a shout out to Jack and Reggie for the outstanding end of season BBQ. Hope to see you all next year. Go Seagulls, Jonathan

Front Row: Lewis Park, Jed Crews, Noah Cunningham, Bryce James, Noah Molina-Budden

Well, what a year for the boys. After some regrading and loss of players from last year, I was concerned we would struggle. But fears were only short lived as the playing group trained and bonded well together. The addition of Bryce and Lachlan B as mid field /forwards were a great asset-both those boys possessing great speed and natural ability-both great offseason acquisitions. Whilst timid at the beginning, new recruit Billy really developed over the year, initially a reserved but solid back-as the year went on he became more confident on (and off) the field, able to play capably in any position. I think Billy really enjoyed his first year to soccer-welcome Mr Blatchford! The core playing rank from last year really improved with confidence and skill levels lifting noticeably. Jed continued to improve with his determination and hunger a key asset to his play-his running style and facial expression sending fear into any opposition. Lewis 'Parko' has found himself at home as an uncharacteristic sweeper-his determination and timing in defence proved continually reliable. The two Noah's grew in confidence, Noah M-B's ball control and determination finding him the back of the net on many occasions (special mention of the priceless moment goal when his grandparents were at the game), the evolution of Noah C during the year was clearly evident-something happening to him in the middle of the year, a revelation of self-confidence and enthusiasm that was watched with great satisfaction. To Lachlan B, you have improved out of sight this year, your stature on the field sending shock waves out to any opposition-but now you are believing in yourself, your confidence growing as your skills levels develop. Sincere thanks to co-coach Isaac-you are a great young man Izzy, we were all very impressed with your maturity and level of commitment to training sessions and on game day-your Mum and Dad should be very proud of you. Izzy, your brothers and yourself will reflect back over the years with some fond memories. To Trudi(TC), sincere thanks again for being our Manager, you are fantastic at getting those messages out, your help at training, even taking over coaching on game day when required-you are a legend! Finally, to the parents and extended families, thanks for all your support for what was a very successful year. Our results were terrific -the boys were a great group to train and gave us plenty to cheer about each and every Saturday.

GALA day

TEAMS And Reports

This year the introduction of a larger field, larger goals and goal keepers made for an interesting adjustment period. The team stepped up to the plate very quickly. Teamwork was the name of the game for our season. With each game it was wonderful to see the players helping and supporting each other. The player of the match was always a tough call to make as each member of the team brought unique qualities to the field. Tristan – King of rock solid defence Chris-Dynamic at any position Elmore – Lightning quick ball handling skills Sarah – Goal scoring machine Dylan – Sensational boot that netted his share of goals Harry – Determined and unwavering Aidan – Great strength in the goals Cooper – Reliable and committed Lucy – As tough as nails Thanks must go to all the players and parents for all your dedication and help this season!!

Back Row L-R: Scott Clifton (Manager), Andrew Arena, Elijah Webb, Johan Chapman, Lang Thompson, Josh Barbera (Coach)
Front Row: Lachlan Clifton, Jack Dransfield, Otto Ohis, Marcus Barbera, Oscar Dransfield

What an exciting season! Lochie and Lang generously agreed to play in U8s instead of U7s, enabling us to have a full team. After the initial challenge of distinguishing between Oscar and Jack (yellow boots!), Josh did a remarkable job at getting all the boys to work as a team. Andy, Jonah, Elijah and Lochie loved zipping up the side-line, while Otto, Marcus, Lang, Jack and Oscar provided some serious defensive work. Great improvement was seen over the season, and the commitment of the boys and their parents in getting to the many early games was definitely appreciated. Good work everybody, it was a year to remember!

TEAMS And Reports

What a fantastic season!!!! All the girls had a great season. There was improvement by all and everyone had a great time having a go at goal. Congratulations girls we are all so proud we hope you all come back next season.

8W1 Back Row L-R: Wayne Schofield (Coach), Nicola Barge, Ally Novotny, Georgia Crossle
Front Row: Charli Hunter, Caitlin Schofield, Billie Powell, Aylyza Damian, Diaz Blanch, Kayla Barge

8W2 Back Row L-R: Catherine Marshall (Manager), Alexa Marshall, Eva Ozolins, Jade Oliver, Paul Oliver (Coach)
Front Row: Isabella Raad, Tess Rowland, Tess Corbett, Clancy Toman, Giuliana Nicholas
Absent: Miah Bagley

Another season where the girls started and ended with big smiles on their faces – so mission accomplished! The key to success for the 8W2's seems to be a beautifully balanced group, where everyone contributes equally in their own unique way. This is coupled with a competitive yet carefree attitude, and wonderful support and involvement by the parents/grandparents/supporters, whether at training or the weekend games. It has been a pleasure to watch the existing team members Clancy, Eva, Jade, Giuliana, Alexa and Tess C continue to develop their skills and confidence, and just as satisfying to see our new girls Bella, Tess R and Miah shine straight away and fit into the team so effortlessly. Thanks for the great memories and laughs this year girls and we hope to see you all in 2014.

TEAMS And Reports

The 8X girls team had an impressive start to the year, with an 11-1 victory and finished strongly with a 1-0 win over the previously undefeated Marton side, with only a handful of losses all season. With the increase in team numbers this year a few new girls joined the existing squad and received a warm welcome, with strong friendships formed over the course of the season. Their collective top 3 highlights were: 3) Playing on the swings and other playground equipment with their team mates after training and home games. 2) Beating the previously undefeated Marton side in the last round. 1) Meeting, playing and winning with their new friends!!!

Back Row L-R: Anthony Whitten (Manager), Joshua Whitten, Marley Moore, Tyler Maddern, Scott Maddern (Coach)
Front Row: Alec Durante, Bade Julian, Sean Woods, Connor Dibben, Benjamin Phelps

Season 2013 has been a very challenging and exciting year for the 9A boys. In a year where 50/50 calls and luck seemed to have deserted us at times. the boys never gave up and played well together as a team. This season saw us welcome two new players to our side in Bede and Connor. Both of whom proved to be a great fit with the rest of the core group. The year was very much a learning experience. with most boys having played at least 3 seasons previously; they were now starting to gravitate to their natural positions in both attack and defence. With two natural left footers. both Alec (left back) & Ben (left forward) proved invaluable in their respective positions throughout the year. Josh once again was solid at centre back controlling the defence from the middle. Marley continued to grow as a player this season and was rock solid in defence as well. Both Sean & Bede played great up front developing strong links with Tyler & Ben to create a formidable attack. When they all clicked into gear and worked as a team it was very pleasing as a coach and parent to watch. Sean has developed his corners into a lethal attacking weapon. and more than often provided the accuracy of a young Steven Gerrard. Tyler's deft little passes were invaluable in creating the link between defence and attack. and on many occasions he kick started our attack with great through balls. Bede and Ben dazzled with their footwork. but at times found it difficult as they all did being a year older playing on some very small ¼ pitch fields. Connor has developed into a fantastic fullback who can fill in anywhere and was very reliable. as. All of the boys took turns again this year in goals with all doing a great job. Although this year we did not get the results we wanted on the scoreboard every week. the boys never gave up & played strong in what was a very difficult A grade competition. Thanks to all the parents and Manager Anthony for their support and a big thank you to all 8 boys for a very enjoyable year.

TEAMS And Reports

Great kids, great parents & a great team! A successful P16 W11 D3 L2 season was built on a solid foundation: the best defence in the division, conceding just 21 goals. They had plenty of firepower up front too, scoring 44. Their never-say-die attitude enabled a number of late winners or equalisers. The boys embraced positional play this year and at times played some excellent passing football. Team spirit was excellent and smiles abounded.

Each player shone at times. Relentless Bryn got better with each game and gave us real bite at Left Back & Midfield. Dynamo Ethan was a tireless tackler & dribbler who had some big moments in defence but contributed a fair few goals too. Unflappable Finn played mostly at Right Back where he proved a formidable obstacle to any striker in the division. Workhorse Jarvis set up plenty of goals from Left Attack but also pulled off the save of the season in goal. Red hot Kian was our top scorer whose off-the-ball positioning was matched only by his finishing prowess. Rugged Kynan was often unbeatable at Left Back or Sweeper and many opponents rued his ability to make last-ditch tackles. All-rounder Luke was the complete package - able to produce fantastic goals, passes, tackles or saves at crucial moments. Dependable Matty was a brick wall at Right Back but his long throws & shrewd passes set up plenty of attacks. Crackerjack Peter brought passion, enthusiasm and energy to every game, bossing midfield with his big tackles.

Under 9 C (1) Hopes were high in season 2013 for the 9C1's. As a brand new squad, we welcomed the arrival of a stack of talented soccer players from a variety of places. I am very pleased to report that this was an outstanding year, both individually and collectively as a squad! We had a number of memorable wins, tough fought out draws and a couple of losses along the way. However, John and I were so impressed at everyone's willingness to work together, learn and (most importantly) have fun. On behalf of everyone, we would also like to thank our managers, Natasha and Kim, for their time and efforts in organising and coordinating the team. Finally, we would like to offer our sincere appreciation to all the parents for their support and assistance throughout the year. It was great to witness the development of every player in this team and we hope that the nucleus of this squad will be able to stick together for future years. Go Seagulls!

Absent: Korey Howard

Well our year started back in April with 7 of the boys returning from last year and we were joined by 2 new players as well. throughout the year we lost a few boys and gained a few players as well and overall had a balanced year results wise. Renzo developed into our main goal keeper for the year and did a great job, James was our up front player and goal scorer which was made possible by the all the good work Alexander, Dominic and Joshua did in mid field. Luke and Aiden in defence were a great combination and held most teams to only a few goals each games. We gained Avalon mid year joining her brother in the team and she was joy to see running around getting involved and having fun Well done all the boys and girls and thanks to all the parents as well. Regards

TEAMS And Reports

The 9W1s had a remarkable season with all players responding beautifully to Coach Richard's efforts in developing their skills. Grace had a terrific debut season and is a courageous addition to the team. The defence was stunning (gorgeous and good), with Hannah, Eliane and Alyssa saving the day on more than one occasion. In the midfield, Sarah, Amelia, Sophie and Annabelle were a sight to be seen - running, passing, tackling and winning the ball. In a striking fashion, Kendra, Emily and Tara shot goals galore resulting in squealing Seagulls (on the sidelines as much as on the field!). Thanks Richard for a great season.

9W1 Back Row L-R: Tara Thornley, Annabelle Harrington, Hannah Spnovic, Eliane Toman, Richard Andrikis (Coach)

Front Row: Caitlin Donaghy, Abbey Wallace, Katie Woodin, Emily Tan, Gabrielle Clifton, Lucy De Souza, Gemma Clarke

Well another enjoyable season has come to a close. A bigger field created a bigger obstacle for the girls but a lot of fun occurred on the way. I need to start by thanking Reggie for ensuring we all new what was going on and when – we could not have done it without you. To our two newbie's this year, Gemma and Arwen I hope you had a lot of fun and enjoyed the experience – we loved having you in the team and watched as each week you got better and better, without a doubt this played out in the gala day – maybe the bigger field next year is going to suit us more. I think all those parents on the side will agree that we saw massive improvement in all the girls this year (good luck more than good coaching let's say) but clearly for me we really

saw it in Emily, Tamsyn and Gaby. Emily's involvement in the games in the second half of the year was huge compared to last year and earlier parts – Rotha not sure what you did. Tamsyn once we found her a position she was as strong as ever at the back with runs down the line occurring more regularly towards the later half of the season. Gaby's improvement was summed up in 10 minutes of game time against redbacks earlier in the year where she did not score one goal but got a double – hopefully this is signs of what is to expect next year. To our top goal scorers this year – last year this was all about Lucy and again she was our top goal scorer, and wasn't there a few memorable ones (think she beat 10 people and there are only 6 on the field for one) great work Lucy and we love how you spill blood for our team. This year though our runner up was our cart wheeler (yes Caiitlin I know they are not cart wheels and that they go by another name) she started the year with a mission to score more than one goal and I think we will all agree that she completed it easily. Abbey volunteered every week to go fullback and by the end of the year was loving it – she became solid back there and did not let much get through. Charlotte and Harper really did well managing the centre of the field this year – its hard work in there running back and fourth but you both did us proud and I believe the bigger field next year will suit both of you down to the ground. Katie and Lily, again you were our rocks, wherever I put you on the field you always gave it 100% and managed without fuss to create havoc with our opposition. Thank you for all making the season a lot of fun, although there wasn't as many wins as we would have liked we didn't ever go down without a fight. I look forward to next year, although we are going to need to be a bit fitter on the bigger fields. To the parents, thanks for all the support and help (vs Lilli Pilli at Glen McGrath oval really challenged you all but you children could not question your dedication after that). But the standout supporter for me was Gemma's brother Aiden – not only was he at every game but every training and in fact based on his goal scoring this year he may need to do some coaching next year. Cheers Starky

Front Row: Max Cooper, Rocco Zinnato, Ethan Vella, Alex Palmer, Vaughan Mackenzie, Thomas Nicholas

Absent: Penny Cassidy (Manager)

The 10As in 2013 had a very enjoyable and successful season. We were an amalgam of the two A grade sides from last year plus Max Cooper, with only one reserve. Our focus as coaches for the year was on four main goals. First and foremost enjoyment. Second we wanted to win or at least compete fiercely in every match we played. Third, with the team moving to half field, we were very keen to develop a solid structure which everyone knew how to play to. Finally we wanted to teach the kids the importance of passing and moving into space. Whilst it was a difficult year for me missing five or six games and with wet weather combining to impact the season's momentum, I felt we achieved our goals in broad terms. Certainly we competed really well in every match and were only outclassed in one or two matches. Despite this we beat Gympie and gave Sylvania some torrid tussles, with the match up at Box Road being an absolute ripper. We were though just a notch below the top three sides.

Player comments:

Rocco is a good little goalkeeper who made some fantastic saves throughout the year. Rocco also spent some time on the field and played tenaciously. Rocco is never afraid to ask a question and is very funny.

Oscar was our player of the year, holding the fort as defensive centre midfield. Oscar is both tough and skilful and reads the play very well. He kept every forward in check throughout the season, with the Gympie forward the only exception. Well played Occy. Ben was also a rock for us at the back. When Ben was on his game no one has more time and space to play. He also has great awareness and played some nice games in midfield. Alex was our third rock at the back. Mr Dependable. Even when the ball got past him you knew Alex would clean it up. We very much missed him towards the end of the season when he broke his hand.

Holly also had a really good season and mixed it with all of the boys at every opportunity. Holly has a sweet left foot and made many excellent runs down the left touch line, playing in all left positions. Well done Holly.

Ethan the terrier had another terrific year, playing most of the year in attacking centre midfield, but also playing well at the back and also in goals. Ethan eats, sleeps and breathes soccer and is never far away from the ball, always competing. His vision and passing really improved during the year.

Most improved goes to Max Cooper, who just improved so much in his first year in A grade. Max is very skilful and fast and became very dependable and reliable as the season progressed. Well done Maxxy.

Vaughan the professor mostly played right midfield and combined excellently with Joel throughout the year, utilising his excellent passing skills, vision and positional play. He missed his soccer in July, though was up to speed on all the EPL transfer speculation. Joel terrorised many fullbacks during the season and while scoring some great goals, probably did not score as many goals as his talents deserve, often just not quite nailing the final shot. Joel is a fantastic player and was a pleasure to coach. Finally, Thomas was our leading scorer for the year and scored some screamers. Thomas is a very skilful player and often found a way to goal with his instincts. Well done Tommy. A special thank you to Penny for being such a fantastic manager and also to Mark for co-coaching with me and for doing it all through the June long weekend and July on his own. Thank you also to all the parents for an enjoyable season.

Craig

Another season has come and gone, but the level of talent this year has improved out of sight. We have had some thrilling games throughout the season, a few good wins, a couple of losses against other good sides and an equally thrilling draw or two. We've seen great saves, players stepping up in defence, scintillating plays and cracking shots. Some players have been hit hard, others have fallen hard and broken skin, but they end up smiling at the end of the game. What more could you want? Each and every boy has enjoyed playing and learning more about the game through coach Mark. It is fitting that each player should also feel very proud for the sportsmanship and skills they've brought to the Seagulls. Thanks also to all the devoted parents who turn up week after week to cheer the boys on. See you next year.

TEAMS And Reports

With the Under 10E's last game of the season now over and a exciting 1 all draw against North Sutherland to finish round 16 we reflect back on the season that was 2013 and where we started and finished.

Firstly some season stats:-

Our For/Against saw us Score 35 goals for the season and relinquish 29 leaving us 6 goals in front for the season .

Our overall games tally after 16 rounds saw us with 8 Wins, 3 draws and 5 losses.

Goals for the season - Top point scores were Ryan on 12, Zachary on 10, followed by Noah on 4 Ashton & Luke on 3, William on 2 and Nick and Vukasin on 1

Season Summary - We started off the season as the under 10D for the first 6 rounds and then move to under 10E for the last 10 rounds.

The first 6 rounds saw us with five straight losses till round 6 and our first win of the season from there the boys never looked back accumulating 6 wins 3 draws and one loss in the last 10 Rounds .

Highlights of the season was the improvement in the boys skills and the enthusiasm to take on the opposition in defence .The later part of the season also cemented a lot of positions for the boys.

In defence; Ryder, Nye, Jake and Marlon where solid keeping most sides scoreless in the later part of the season with their ability to push them to the sideline and win the ball back

In the Centre's ;William Ryan, VuKasin and Luke showed their versatility with their speed to cover in some cases full lengths of the field in attack and defence and their long range kicking to score push the ball forward and in some cases some cracking goals

10E

Back Row L-R: Jenny Draganic (Manager), William Ludmon, Ryan Melia, Vukasin Vujanovic, Nicholas Kasavetis, Nye Rowland, Joe Farrugia (Coach)

Front Row: Marlow Krivograd Torode, Ryder O'Donnell, Ashton Draganic, Jake Zaglas, Zachary Farrugia, Noah Callanan

Absent: Luke Hails

In the forward's ;Zach , Noah Ashton and Nick came into their own with some excellent passing and assist to beat the opposition in most cases and score 18 goals between them .

Overall a great season for the boys and some great soccer for the parents I hope you all had fun

11A

Back Row L-R: Daveena Doyle (Coach), Keanu Cowley, John Fostellis, Jake Doyle, Lachlan Swatosch, Tristan Glanznig, Peter Swatosch (Manager)

Front Row: Peter Vergados, Mitchell Smith, Christian Zinnato, Jai Wilson, David Maroki, Taj Waller

Another successful season that saw the 11A's play some great football. We certainly enjoyed many very exciting matches with every game being very close . This year however the ball did not roll our way and our results don't really reflect the effort the boys put in during the year. Every player contributed to the success of the team and you could see marked improvement as the season progressed. Our five new team members, Peter, Mitchell, Taj, Keanu and David all fitted in well and were an asset to the team. Our "old Hands" Jake , Jai, Tristan, John, Christian and Lachlan all had a solid season and cant wait to play on the "big field" next year. A big thanks to Daveena for her time and commitment coaching the team this year. Also thanks to all the parents for their support and enthusiastic cheering this year.

A fantastic result for our first year in competition football ending the season as runners up after a first class Grand Final. Many thanks to our manager Neil Jones for keeping us up to date with ALL the right information throughout the season and for his passionate game reports each week. Many thanks to Jeff Micallef for filling in when Neil was away and to our half time orange provider Sebastian. With the addition of 2 new players this year Finlay and Tim McKeon who blended in well with our fantastic established team, they all managed to learn new skills and drills and demonstrated to their opposition that they are a serious competitor. Well done team, you deserve it, Bring on 2014.

TEAMS And Reports

What a great season it was for the 11D2, we finished just out of the finals against some tough opposition but gave it our all right thru the season. Our team was a collection of some existing team mates along with some new players. We started without a manager but were lucky enough for Maria Butterfield to step in and get us all organized whether it was training days or finding our way to grounds across the shire. From day one the team all came together and supported each other by playing well on game day and playing up at training. We all had equal time and opportunities in the different positions and although this might have left us a little short this year I'm sure the overall skills we all learnt will shine through in the coming years of soccer. It was a pleasure for me to coach and train these boys and see them develop as young men over the last few years and I wish them all the best in their soccer future. To the parents of these young men I thank you for your support, and once again thanks to Maria for managing us all

Absent: Mya Haag, Emma Woodin, Matilda Woods, Jonathan O'Hara (Manager)

Season 2013 in a word was sensational for the 11W's. The girls stepped up to the A grade and played a season of brilliant matches, where they showed determination, heart and tenacity, winning many games but more importantly grinding out a draw when a loss was on the cards. We finished 4th on the ladder and took the long root to the Premiership, with wins over Cronulla RSL, Gynea and then the minor premiers Menai to take the title for 2013. Throughout the season the girls showed great sportsmanship and love of the game. They were humble in victory and gracious in defeat and constantly provided an entertaining brand of the world game. With a range of skills and abilities the girls have developed into a coherent and effective playing unit. Committed to training and to each other, the 11W's define all that is good about team sport. Team work, self reliance, corporation and a willingness to learn will stand them in good stead for their competitive future as a player group for the Mighty Cronulla Seagulls. A big shout out to Jonathan O'Hara for his work as manager and to John Orman for his master classes at training. Looking forward to next season and the step up to the big pitch. Damian Hurst (Coach).

TEAMS And Reports

In last year's report, I said Girls Football at Seagulls was 'alive and well' and these comments were proven in 2013. Congratulations girls on what has been a fantastic year for our team. During the year our record of 16-12-3-1 earned us the Minor Premiership. A loss to Grays Point 0-1 in the major semi(which did not hurt us), a 0-0 draw with Gympie in the final and a resounding 2-0 win in the Grand Final capped off a great season for us. Congratulations also go to the 11w's as well for their GF victory! Through the early days of 2010, almost a year and a half before our first win, our ranks remained fearless, committed and enthusiastic but at all times fair, courteous and sportsmanlike. It is amazing to reflect on what we have now achieved since those early days. Regardless of our success, we now have memories and friendships that will last forever. Grand Finals are meant to be nail biting but an early slot away by Olivia off a corner deep inside Grays Point eased any pressure-Olivia's post goal joy was priceless. From that point, I felt we were in control of the game as all girls stepped up a notch playing their best game of the year or at least in weeks. Late in the second half a through ball by Mikki onto Prue at speed, then composing herself before slotting the ball in the corner sealed our victory. Our defence remained solid all game, midfield ran their hearts out and forwards looked enthusiastic for any opportunity. Thanks again to Megsy for her diligent Managerial work

TEAMS And Reports

This year was an enjoyable one for all involved with the 12C1's. We welcomed back a core group of 8 players from last season who were joined by 5 new members to the team. For a couple of boys it was their first year of soccer. The year started well with some great results as the boys quickly learnt their roles within the team. A rough period towards the middle of the season saw us in a slump for a few weeks before we quickly recovered to progress to the semi finals having finished fourth. A great year was had by Harrison who scored a stack of great goals all season. His combination with both of the Adam's up front developed throughout the year. Solid efforts also from the midfield of Luke, Matt, Keegan, Remy & Josh, who all at stages through the year linked up well with the forwards. The solid backline of Liam, Jake & Kade did a fantastic job in defence all season with regular man-of-the-match performances from all 3. A special thanks to Chris for his continued development of Goal Keeper. Chris has grown over the past few seasons to become a more than competent keeper, pulling off some fantastic save throughout the year. The season for us finished with a gallant 0-1 lose to the Seagull's 12C2's team in what was one of the most exciting games of the year that went down to the final minutes. It was great for all the boys (and Coaches) to experience semi finals for the first time this year. Hopefully this can be bettered next season. Thanks to all the boys from the 12C1's, Tony, & all the parents that helped throughout 2013 season.

Front Row: Jeremy Curra, Lachlan McCarthy, Zack Barley, Luke Kemmler, Marcus Wilson, Riley Park, Brayden Emms, Pranav Datta, Josh Kemmler (Coach)

What a year for the 12C2's! This is the second year in a row we have made the grand final so the boys should be so proud of their achievement. And what a game it was. Although unfortunately we lost 1-0 with a goal being scored in the final minutes, the efforts and sportsmanship of the boys was outstanding. It was by far the best and hardest game of the year against an extremely strong undefeated opposition in which the result could have gone either way. Throughout the year the boys all played with dedication and commitment and we had some fun along the way. They showed us they were both humble in victory and gracious in defeat and played with fairness and integrity. Well done boys. You are all winners in our book.

The boys coming back for their 2nd season on a full size field and all but the same team with two new faces, Sam and Ben, they all took to the game like ducks to water (and some rainy games, we had to be ducks). Our first game was on the Synthetic 5Sports pitch and how fantastic was it. As the games progressed through the season, the boys stayed in 2nd place, venturing up to 1st place for a week. Their skills sets being put to good use throughout the season, produced some amazing play and shots. Towards the end of the season, whether the Boys got too complacent or not, we lost two consecutive games. We drew the next two games and came fourth to make the Semi's. Although we lost the Semi's, (1-0), the boys played their hearts out in the game, which kept the Parents, Manager and of course the Coach on the edge of their seats each time an opportunity came to score. Thanks to Matt for coaching and the parents for their sideline support and hopefully next year we come back stronger from what we learnt this year. A special mention, of course, to the team: Adrian, Ben, Christian, Harrison, Harry S, Henry, Josh B, Josh J, Kieran, Luke, Rees, Samuel and Sam P.

TEAMS And Reports

The 13D's had a very enjoyable and successful season. The boys were Minor Premiers after going through the regular season undefeated and a convincing win in the semi final saw them through as the first team in the Grand Final. Unfortunately, a 1-0 loss after extra time in the Grand Final was a disappointing way to finish the season but they can all be very proud of themselves for what they achieved throughout the year. The defence, led by Nathan, Nathan and Rowan and our keepers, Bailey, Mitch and Peter was outstanding and only conceded 9 goals throughout the season. Our midfielders improved immensely as the season went on and some of the passing movements at times were high class and a pleasure to watch. Leo, Matt and Josh led the way and were ably supported by Peter, Thomas L and Ben. Our wingers, Dylan, Luke and Thomas D ran hard and crossed the ball well all year which created many opportunities for our strikers Matt and Mitch. There were some great goals scored throughout the year, particularly from Leo and Matt and the supporters were treated to some great entertainment. Most of the boys realised that soccer only gets harder as you get older and that they needed to improve their fitness and work on their skills and it was satisfying as the coach to see this reflected in their training as the season progressed. Our manager John did a great job keeping us up to date and informed and it was great to see many parents contributing when we had ground control. Well done all

What a fantastic season it was for the girls. We came in fourth and experienced semi-finals for the first time and for a number of girls who have been playing together in this team for a number of years that was a great achievement. The spirit in the team was brilliant all season and I congratulate every one of them for how they played and conducted themselves as young women. Individually we welcomed Ariana who brought her toughness up front and scored and setup a number of cracking goals. Likewise Isabelle who was gutsy and always put in. Eloise – the big improver of the team throughout the season. Kiana and Tash who went where they had never been before with their football and who fill this team with great spirit. The dynamos Bianca and Sophie – two players who annoy the hell out of the opposition week in and week out. Our key defenders Sierra, Hayley and towards the end Lara, Amber and Beth – we couldn't have made the semis without you. The very selfless Rachael who showed some great individual skills as well as a top passing game. Annika who got us out of trouble on a number of occasions with some late individual brilliance. Zara who has a great boot and some good speed and whenever she is on the field we are a chance of scoring. Lastly the ever reliable Melody whose power, will and speed would be an asset to any team. How lucky are we she plays with us! Special mention to Hayley who was voted Player's Player and Ariana who received the Coach's award for attitude at both training and on game day. Thanks to Ros for managing the team and whose communication was invaluable. Thanks also to all parents for their help and friendship throughout the season. Cheers Chris Durante W13B Coach

TEAMS And Reports

Another season over and what a great season we had. Taking out the Grand final and being Premiers and Minor Premiers for 2013. It's hard to believe that at the start of the season we had lost 5 players from last year's team and welcomed in 3 new players to the team Patrick, Nicholas and Daniel. Well done to Ben our goal keeper who again had another outstanding season (always providing encouragement to the boys at the back and making some impressive saves when it counted). Our fullbacks Nathan, Cameron, Patrick, Nicholas and Daniel all played extremely well throughout the year. In particular they lifted when playing a much stronger opponent. Our forwards Alec, Aaron, Henry, Theo, Julian, Lochie and Steven all played superbly with some very entertaining football and memorable scoring moments during the season. Congratulations to the boys in taking out the 14A premiership and minor premiership, which was well and truly deserved given that we did not lose a game during the regular season (15 wins, 1 draw). You should all be extremely proud of what you have achieved. WELL DONE!! Finally a BIG thank you to all the parents for your help throughout the year. To both George and Mark a HUGE thanks for coaching the boys again. The effort and devotion you put into training to get the best out of the boys each week was clearly shown as the results speak for themselves. Congratulations boys on another great season, hope to see you all again next year.

This probably wasn't the best season we've ever had, coming on a back end of last year's grand final we quickly realized this season wasn't going to be that easy, we didn't get to train as well as we had hoped and were short players for quite a few games. We were, however, very competitive when we were at our best. Despite the tough season, it was great watching the boys play each week. They are fantastic individuals and although we didn't do too well in the comp, there were some great memories we can all share. I'd like to thank Maureen for all her help with managing the team and helping out with training every week. Regards - Eddie

TEAMS And Reports

Finishing 7 points clear as Minor Premiers is a testament to the great year had by 14C1. Between Round 2 & the Semi's we conceded only 10 goals while scoring close to 60. A lot of this defensive credit can go to our Sweeper, Dimitri who, supported by our consistent back line of Clayton, Jonty & D2 (Dimitri) managed to keep a lid on most opposition attacks. This year Tom became our semi-permanent keeper and as the season progressed became more confident of "owning" the goal area and directing the backline support. Although not a left footer, Jack is a regular in our left wing position with strong running of the ball. Jack had our 3rd highest individual goal tally (7) and was definitely one of our better players. Jayden is our left side specialist, could easily slot into wing or defence, and is a handy goalkeeper when needed. Ben was new to our team this year and quickly became an asset. Ben's "extra ½ second" on the ball, excellent timing, and deceptive speed, made him a perfect candidate as centre mid all year. His quality corner kicks and solid boot added 12 goals to our tally. Rhys is a big, strong & fast player who covering large distances down the right side while opposition do their best to keep up, not our most skillful player but always considered a danger by our opposition due to his ability to run the ball. I love having players like Matt in our side. He will always give 101%, is tough, and worked hard to greatly improve his skill set throughout this season. Matt mainly plays as a defensive centre and I was personally gutted when he was not allowed to take the pitch for the GF due to a broken wrist the week prior. Jarrod is never going to be fastest to the ball or cover as much distance as our other players but he has good vision and when teamed up with those who he can feed off, will generally put himself in a good attacking position. Does not always come off but creating these opportunities is the role of a classic last man striker and Jarrod managed 21 goals for us this season. Zack mainly played up front this

14C1

Back Row L-R: Wayne Druery (Coach), Jarrod Bell, Clayton Cormie, Rhys Druery, Jayden Woods, Matthew Halfpenny

Absent: Jack Egan

year and generally has the chance to create opportunities. Zack also missed our GF due to illness but wanted to be out there to improve our chances on the day. Victor is classically more a centre half but with Ben in that role tended to play further forward covering a huge amount of territory across the full width of the pitch as well as great supporting defence when needed. I know Victor would have liked more goals this season but unselfishly spent more time feeding Jarrod great balls and was often like having two extras players in terms of his positional coverage. Was a disappointing finish losing the GF but as they say, you have to lose one to win one. Well done for a great year.

Another winter passes and what a successful year it would turn out to be for our 15B1's. Starting with familiar faces we added 5 new players to our squad for the coming season. We started the competition well with convincing wins in the first 5 rounds. A few players had their regular positions shuffled this year. Adam Laffan would finish the season with 12 goals and become our leading goal scorer. Cameron Amos 10 goals, Darcy Medway 6 goals, Sam Wyllie 4 goals, Isaac Byrne 3 goals, Ned Drummond, Alec Dutton and Jed Smith all scoring 2 goals. Kale Pennell stood tall. Brendan Hammon, Jacob Chapman, Brad Holmes joined us this year and fit in well with our boys, the three of them were called on several times to defend or attack and did well. Jayden Wilde and Matt Ludmon slotted into our defensive line up very well, with Matt having a blinder in the Grand Final. Last but not least the shortest guy in our team, who always stood tall and guarded our Goals! Josh Kemmler had a great season in goals. I was asked several times "why do we have the shortest guy in the team in goals?" The Results Speak. Finally, my point of view. We had a great season, started strong, a bit of a slump in the middle, but finished strong. Winning the Grand Final 3-1. It was an absolute pleasure to coach you boys this season. To all the parents and family, you should be proud of your boys. They are a pleasure to be around. Keep fit over summer and see you again next year. Coach Michael Dutton

2013 proved to be a most successful soccer season with many of the boys playing in their first Grand Final. It was a memorable season with every player having scored a goal and no one ever wanting to play in goals. We played with no reserves for most games due to injury, holidays and other commitments so what a fantastic effort to end the competition second on the ladder. You should all be very proud of your effort, improvement and team spirit. Many thanks to Steve our coach and to all the boys and their families for a fun season of football. Congratulations! Thanks also to our Managers Sue and Rowan for their help.

TEAMS And Reports

Congratulations to the W15 girls for a great season. They won 8 drew 2 and lost 5 making the semi-finals and playing well throughout. The girls have a very close bond and have a very friendly, and humorous approach to training and game day. During 2013 we had a team philosophy of giving all players equal time on the field. Given that when all 16 players showed up the movements off the bench were pretty regular. I was very impressed how the girls accepted the subs with sportsmanship and good cheer. All the girls bought something to the team. The great goalkeeping by Lauren and Alison; the super strikes by Emma and Ingrid; the never give up attitude and passion of Stephanie and Alex and Natalie; the superb ball skills of Mikayla; the delightful speed and commitment of Michaela, and Pheobe; Amelia's magical corners; Penny's sweeping saves; Darcey, Lilly and Jessica putting it all into tenacious tackles; Claudia's impressive first season – simply a team on the rise. The girls had a very emotional last two rounds with the passing of previous year's team mate and close friend, Lizzie Geraghty. I would personally like to congratulate them for the way they respected Lizzie's memory and how they supported each other at that time. Thanks to coach Steve Carrero, assistants Damien Hurst and Johnathan Wright and all the parents who were there whatever the weather to ensure that the girls got to be involved, got to learn about sportsmanship and teamsmanship. See you 2014. Barry

We started the season by welcoming new players to our team, Adam P, Will, Tim K and Jacob. Within a few rounds we were performing as a genuine contender for the premiership title. We did suffer some major injuries however the boys commitment to perform to the best of their ability each and every week was outstanding. We also entered the State Cup competition for the first time and progressed to the 3rd round - a fantastic result. We lost to the team that eventually won the tournament. We have a great group of kids who enjoy playing together and completely understand what it takes to be a good team; no individual puts himself before the team. We finished the season in 3rd place and unfortunately probably had our worst game of the season in the semi-final. Although everyone was completely gutted with the result, this team has come a long way in a short time and look forward to seeing them develop further next year, I hope all the boys come back next year. A huge thanks once again must go to Michael for his well respected coaching ability.

The 16C1's biggest highlight was getting to the semi finals in 4th place. We played Bangor a team that had been first in the comp for a while. Our team played exceptionally well with a 2 all draw at full time. We went into 20 minutes extra time but was awarded 5 yellow cards which turned into 2 red cards to our 2 centre backs, our first red cards for the comp. With 9 players our wings and strikers had to play as midfielders as well, we kept the back line strong with 4 players. The odds were against us. It was quite incredible our team kept Bangor scoreless for extra time. It was a very exciting and stressful game to watch. Nei-

ther team scored in extra time so Bangor advanced to the finals. 13 Players and Positions: Striker - Ben M Midfielders - Daniel J, Jordan, Michael & Alex Wings - Corey, Ben D & Daniel S Backs - Jarrod, Peigeng, Angus, Rudy & Daniel S Goalie - Charles Round 1 Lost Jeremy with a knee injury for the season playing goalie, Bundeena won 2-1 when awarded the goal that took Jeremy out. Round 4 Lost 7-0 against Barden Ridgebacks as 5 of our players were away school holidays. We borrowed 4 players from other teams just to make 11. Barden Ridgebacks had 5 subs on the bench, we couldn't compete with all their fresh players in the second half, it was 1-0 at half time. We were now in last place on the ladder. Round 5 Played Bosco and won 8-1 with 6 of our players scoring goals, this was a really fun game for the guys. Round 7 Lost 6-2 against the 16C2 Seagulls team. Ben (Dewy) broke his wrist whilst warming up, he was out for 5 weeks, another blow to the team. Round 8 Angus joined our team he was a rugby player, had never played soccer. Won 2-1 against Georges River. Round 9 Won 2-1 played Bangor who were coming first and had won all their games. They had 3 subs, we had none. Angus played brilliantly marking their strongest attacking player and was so strong in defense. Our team had lifted to a higher level, morale was high. The semi's were in our sights. Round 11 Won 8-0 against St. Patricks with 7 of our players scoring goals. Round 13 Won 2-1 against Barden Ridgebacks who were now in first place. We had beaten the two top teams in the comp, a very exciting game and unbelievable because they beat us 7-0 in round 4. Round 15 Won 8-1 against Miranda Magpies with 5 of our players scoring and 2 goals were from our backs. Round 16 Loss 2-0 the only team we couldn't beat was Seagulls 16C2's. Mark and I have enjoyed being coaches for the 16C1's. A great bunch of guys who never gave up trying to score that extra goal until the final whistle in the semi final. Lyndel Anderson

TEAMS And Reports

For the 16C2s every game was a chance to work together for the win, help each other shine & perfect some dodgy moves practiced at training. As the season progressed we found ourselves winning most of our games & with a decent goal difference. Cameron & the Joshes worked well up front to capitalise on skilful crosses from JRoss & SammyLean & runs from midfield from Tom, Jing, the Matts & Dan. In the matches where the odds were against us, Liam, Ethan & Marcus were everywhere they needed to be, terriers rarely beaten to a clearing kick. At the end of the day, it was Jarrad who, when he needed to, consistently saved even the unsaveable, & fired us up to keep the ball at our end of the field for our own chances. Coach Blake, (with thanks to sub-coach Blake's Dad, & sub-sub coach Tom's Dad), played it cool on the sidelines in his lucky shirt, subbing & offering the occasional word of encouragement, but mostly letting the boys guide their own victories, carried along on a team spirit that ensured everyone had their moment of glory. The final against Barden was a nail-biter, & who would have thought one goal would be enough, but it gave us a chance for a breather & a week before the Gr& Final to settle & regroup. On the day they were a worthy opponent, we had our two goals early but they met us & drew, & when Cameron put us ahead 3-2 early in the second half, it was only our dogged defence & our sense of having truly earned the right to win, that kept us hanging on.

You Did It Girls, !! Congratulations, and to top it off, the last 3 years you have been there, 2 Major Grand Final wins and 1 Runner Up last Year, and of course Minor Premiers this year... It was a tight and hard game against Gynea extra time and it was ours !! Great Goal keeping from Phoebe H, going into goals with a suspected broken finger from a fall at warm up, but did that stop her NO, Tiarne and Mirade, great work from the front, and our only goal went to Mirade. The whole year has been made up with Mirade and Tiarne, Emma L and Bella up the front, followed by Paris, Georgia, Michaela, Phoebe F, Bronte and Amber at Mids and the backs with great kicking from Helen, Chloe and Emma C. A great year was had, the girls showed great sports womanship, and character on and off the field, when it got tough you stood up to the challenge and won !! Well Done Girls :) A fantastic year to watch from us all on the side line ..

We tasted our share of success this season, and I think we all enjoyed it!. I certainly enjoyed seeing you develop as individuals through the season and we improved as a team. We were in the top four for much of the season and in 14 of the 16 games this year were we in the hunt to win long into the game. We were the only team to beat the premiership winners, and that was a convincing victory. However football can be a cruel game on the scoreboard – games where we were clearer the better team we often drew or lost and the tight games where we deserved a point, we often got none. Individual highlights included: Jazmin's superior skill in the mid field and through balls to the forwards Lauren's outstanding defence Emma and Brooke playing themselves to a standstill every week Heloise switching seamlessly from the backs to the forwards in many games Maggie's dominance of the entire field when she was fired up Goalie Laura saving 2 penalties in one game Kaitlyn's and Rachel's progress to being top quality players Holly's goal and her blinder of a game that day Clare's and Issy's commitment at training and in every game Bianca and Lilly in space down the sideline with the ball at their feet Tyler being ever present when a goal was in the making Fizz looking to create something in attack Thanks girls for supporting me in my first season coaching football. I learnt a lot, I enjoyed it and I'm keen for more. Thanks so much to Stephen, our manager, for his support all season.

TEAMS And Reports

2013 was a very frustrating year for the AL2's who were defending premiers from 2012. We had a strong squad but suffered badly from injury, suspension and. Injuries you can't help but the others were avoidable. We finished 8th, won 4 games, drew 4 and lost 7. We lost count of the number of other team official who said we were the best team they had played. In the last 2 games we played the two top teams and drew with both after dominating the games. The defending AL2 premiers haven't made the finals in the following year for some time and we continued that trend. The team contains a number of veterans who may move to 35's next year which would give their legs a bit of a rest after a couple of tough years chasing younger opponents. However you can't beat experience and they still mixed it with the younger guys. Our young brigade will form the basis of a strong side next year if we can bolster the numbers. The year was frustrating and our form at times was patchy but we played most of the year without a specialist goalkeeper. It showed how much difference a dedicated goalie makes when Chris reappeared at the end of the season and we went the last 3 games without defeat. The highlight of the year for me was the 4-0 win over Bonnet Bay. It was a master class of how the game should be played and showed what we were really capable of. If the team played like that all year Seagulls would have been unbeatable. Thanks to Joe for the time and effort coaching the team.

It was always going to be a difficult season for us with a last minute rush to combine two teams into one squad and ask the majority of the players to step up a few grades into the AL4's, however as a result we ended up with a really good bunch of guys who as a team had the ability to beat any of the other teams in the comp. We started well with everyone being really keen on playing and training, it was always going to take time for us to click as a new team, and unfortunately due to a fairly unusual season we probably just didn't get the opportunities to put it all together a bit better.

As a group we played really well at times – when everyone was available we dominated the teams at the top of the table – too many draws in the regular season and not being able to make the most of the chances created in games ended up being the difference of us not playing semi-finals – and with missing three games due to washouts and a number of training sessions because of closed grounds, as well as a few players not

being available for some of the big games didn't make the task any easier.

The pleasing thing was that the players that jumped up a few grades all have the ability to play at this level and when some of the older more experienced players were not available really stepped up and played well, and the older players in the squad still showed they have what it takes to compete in the higher grades. Our best performances though were only achieved when our squad was available and when that happened we certainly played a quality game. Unfortunately when we were missing players and with the little time we had prior to and during the season to practise on a few things, we struggled to put it all together with people missing.

All up not a bad season, but could have been a lot better – it sounds like most people are keen to have another go next year – so with one season as a group done we can only get better."

TEAMS And Reports

Boys, what a year! We had as many injuries as we had goals scored both for and against. In saying that this was one of the most enjoyable seasons as we had Darren (or as referee's like to call him Mr Ferguson) showing immense passion throughout. His coaching was as good as his humor and we as a team are far better technically than previous years.

After a phenomenal season Kurt had been voted the Best and Fairest. His versatility and stamina was always welcome. Special mention goes to Dom and Joe who ran a close second and third respectively.

Overall while reflecting on the season just past it seems we talked more about where Adrian had been all night rather than the opposition. On a serious note we can all appreciate that although results did not go our way we were always able to have a laugh and enjoy our football... and beat Lilli Pilli.

Until next year Muppets!

The majority of this team formed in 2012 from the remnants of the Grand Final winners from the 21Ds & 21Fs. With the roll over from Saturday to Sunday and barely making a team it was very difficult at times. Having no subs, the boys played full games finishing 6 from 10 teams. Not bad for a new team. Clocking over to 2013 the team welcomed in new players mainly consisting of brother combinations. A range of great skills that would combine to form a strong backline, fast flowing midfield & a striking forward pack, whilst the boys took turns to play as keeper. The boys lost the first game but learnt from that and went on to win 7 straight games with some big & close wins(yellows and reds were seen). They unfortunately lost Brendan to a season ending knee injury in the game before 1st vs 2nd clash in the middle of the season. Clearly it was not our day(majority was hungover)& we were jumped to sit in 2nd place for the remainder of the regular season. They then got back on the winning side of things with another nail-biter against Bardo which produced an 8 on 8 \"confrontation\" with surprisingly no send-off's. They lost the following week but stayed strong after the bye to win 13-2 at home. Then played a strong last match to beat the River 4-3 away. They got revenge in the semi against Como, progressing straight to the Grand Final to play Bardo. The boys victorious 1-0 capping off a sensational year. Thanks to everyone who played. Your help was much appreciated. Bring on 2014!

Our season got off to a bad start courtesy of some early injuries and a lack of numbers. Its tough asking overs 45s to play 90, but credit to our core group of players who got through that patch without many points, but stayed competitive throughout. At half way, we were second last, but our spirits were good and with the help of a full squad, set about giving the competition a shake. We had some great result, knocking off second placed Lilli Pilli 5-1 and repeating the dose 2 weeks later at Menai. We got to the semis, but had an off game and didnt progress. Well done to all our players for a gutsy effort through the season and some fantastic football.

35C

New year, new look team, new grade. We had the skill and determination, but results did not go our way. Lost games by 1 goal that we shouldn't have, and once or twice we just completely blew it. To say we had some bad luck this year would be like saying Barcelona are pretty good park football team. 7 penalties against. One for. A goalkeeper who struggled to catch a cold let alone a round white sphere and claimed his bad back was from picking the ball out of the net regularly. (I'm allowed to say that because it's me). During the offseason it is all your responsibility to avoid at all costs black cats, walking under ladders, breaking mirrors, opening umbrellas indoors and the number 13 or 87. Having said all that, the season was enjoyed by all. A massive thank you to Robbo for coaching and managing the team. It means a lot to us all. For those teammates who may not play next year, it has been a pleasure and we hope we renew your contract in the future. Thanks to all the guys showing up week in week out, win or lose – team camaraderie was still high despite the results. Player of the year – Vance 'Wazza' Fitzgerald, Captain of the year – Philip 'Duu' Savides. Bring on the 37th consecutive season.

Cheers
Coach Robbo/Captain Phil

2013 started out on paper as being a good looking line up for the Season (not looks but skill). However after turning away players initially, things would soon change. Injuries before the commencement of the competition and players travelling/working meant that our season would soon go pear shape! Most games would be played with few substitutes if any or even short for that matter. This season was to be enjoyable however with a good bunch of lads playing park football every Sunday. The Beverages were always enjoyable after the game along with a good laugh. If anything was to stand out throughout the season it would have been at the second last game for the season when one "smoothie" opened the scoring with a striking shin goal (his first scoring opportunity for a long time). The goal would have been good enough to send the Soccerroos to Brazil!! Maybe Not. This goal was against the eventual premiers St Pats. Anyway keep fit, or just get fit and lets have another go next year Dutto
